## **Strategic Report for the Year Ended 30 June 2017**

---

### **Introduction**

The directors present their strategic report on the company for the year ended 30 June 2017.

### **Business review**

The company is an intermediate holding and financing company and there have been no significant changes to these activities during the year. The company does not trade.

### **Key performance indicators**

Given the nature of the company's activity as an intermediate holding and financing company the directors do not consider that analysis using key performance indicators is necessary for an understanding of the development, performance or position of the company. Key performance indicators in respect of the trading subsidiaries, AVM Impact Limited and Impact Marcom Limited, are disclosed in the strategic reports within the financial statements of those companies. Key performance indicators for the group as a whole are disclosed in the consolidated financial statements of AVMI Group Limited.

### **Principal risks and uncertainties**

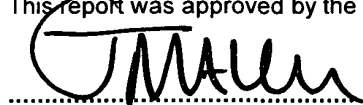

As an intermediate holding and financing company the principal risk the company faces is that the carrying value of its investments in its trading subsidiaries may not be fully recoverable, or that the trading activities do not generate sufficient free cash flow to settle loan payments as they fall due. To mitigate this risk the directors monitor the performance of the subsidiaries to determine whether there are any indicators for potential impairment.

The company is exposed to interest rate changes on the HSBC secured term loans but has mitigated this risk by entering an interest rate hedging agreement for three years applicable on two thirds of the term loan facility principal amount. Therefore the directors do not consider the group to have any material exposure to interest rate risk.

### **Future developments and outlook**

The company expects its trading subsidiaries to continue to be cash generative and capable of delivering long term profitable growth.

This report was approved by the board and signed on its behalf.

## **Directors' Report for the Year Ended 30 June 2017**

---

The directors present their report and the financial statements for the year ended 30 June 2017.

### **Directors' responsibilities**

The directors are responsible for preparing the strategic report, the directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies for the company's financial statements and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### **Results and dividends**

The loss for the year, after taxation, amounted to £1,712,000 (2016 - profit £2,995,000).

The directors do not recommend the payment of a dividend (2016 - £Nil).

### **Directors**

The directors who served during the year were:

J Allen  
E Cook  
A Lurie  
N Seaman

### **Matters covered in the strategic report**

As permitted by paragraph 1A of schedule 7 to the Large and Medium Sized Companies and Groups (Accounts and Reports) Regulation 2008, certain matters which are required to be disclosed in the Directors' Report have been omitted as they are included in the strategic report on page 1. These matters relate to risk management and future developments.

## Directors' Report (continued) for the Year Ended 30 June 2017

---

### Disclosure of information to auditor

Each of the persons who are directors at the time when this directors' report is approved has confirmed that:

- so far as the director is aware, there is no relevant audit information of which the company's auditor is unaware, and
- the director has taken all the steps that ought to have been taken as a director in order to be aware of any relevant audit information and to establish that the company's auditor is aware of that information.

### Auditor

The auditor, BDO LLP, will be proposed for reappointment in accordance with section 485 of the Companies Act 2006.

This report was approved by the board and signed on its behalf.

## **Independent Auditor's Report to the Members of AVM Vision Investments Limited**

---

### **Opinion**

We have audited the financial statements of AVM Vision Investments Limited ("the company") for the year ended 30 June 2017 which comprise the statement of comprehensive income, the statement of financial position, the statement of changes in equity and the notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the company's affairs as at 30 June 2017 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Conclusions relating to going concern**

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

### **Other information**

The directors are responsible for the other information. The other information comprises the information included in the annual report and financial statements, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

# **AVM Vision Investments Limited**

## **Independent Auditor's Report to the Members of AVM Vision Investments Limited (continued)**

---

### **Opinions on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the strategic report and directors' report for the financial year which the financial statements are prepared is consistent with the financial statements; and
- the strategic report and directors' report have been prepared in accordance with applicable legal requirements.

### **Matters on which we are required to report by exception**

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the strategic report and director's report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion;

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

### **Responsibilities of directors**

As explained more fully in the directors' responsibilities statement, set out on page 2 the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

## Independent Auditor's Report to the Members of AVM Vision Investments Limited (continued)

---

### Auditor's responsibilities for the audit of the financial statements

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located at the Financial Reporting Council's website at: <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

## Notes to the Financial Statements for the Year Ended 30 June 2017

---

### 1. General information

AVM Vision Investments Limited is a private company, limited by shares, incorporated in England & Wales under the Companies Act. The address of the registered office is given on the company information page and the nature of the company's operations are set out in the strategic report.

### 2. Accounting policies

#### 2.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention unless otherwise specified within these accounting policies and in accordance with Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and the Republic of Ireland and the Companies Act 2006.

The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgement in applying the company's accounting policies (see note 3).

The company is itself a subsidiary company and is exempt from the requirement to prepare group accounts by virtue of section 400 of the Companies Act 2006. These financial statements therefore present information about the company as an individual undertaking and not about its group.

The following principal accounting policies have been applied:

#### 2.2 Financial reporting standard 102 - reduced disclosure exemptions

The company has taken advantage of the following disclosure exemptions in preparing these financial statements, as permitted by the FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland":

- the requirements of Section 4 Statement of Financial Position paragraph 4.12(a)(iv);
- the requirements of Section 7 Statement of Cash Flows;
- the requirements of Section 3 Financial Statement Presentation paragraph 3.17(d);
- the requirements of Section 11 Financial Instruments paragraphs 11.41(b), 11.41(c), 11.41(e), 11.41(f), 11.42, 11.44 to 11.45, 11.47, 11.48(a)(iii), 11.48(a)(iv), 11.48(b) and 11.48(c);
- the requirements of Section 12 Other Financial Instruments paragraphs 12.26 to 12.27, 12.29(a), 12.29(b) and 12.29A;
- the requirements of Section 33 Related Party Disclosures paragraph 33.7.

This information is included in the consolidated financial statements of AVMI Group Limited as at 30 June 2017 and these financial statements may be obtained from Companies House.

# **AVM Vision Investments Limited**

## **Notes to the Financial Statements for the Year Ended 30 June 2017**

---

### **2. Accounting policies (continued)**

#### **2.3 Going concern**

The company is in a net liabilities position at the year end. The company is funded through cash generation by its subsidiaries, term loan facilities with HSBC, shareholder loans and equity. The group as a whole is trading comfortably within its financial covenants. The directors have reviewed the financial position and forecasts of the company's subsidiaries for the forthcoming financial year in making their assessment of the company's going concern. The directors believe, after due and careful enquiry, and taking into account forecast cash generation by its subsidiaries, that the company has sufficient resources for its present requirements and will be able to meet its liabilities as they fall due for the foreseeable future. For these purposes the foreseeable future is taken to mean a period of at least 12 months from the date of approval of these financial statements. On this basis the directors consider it appropriate to prepare the financial statements on a going concern basis.

#### **2.4 Investments**

Investments in subsidiaries are measured at cost less accumulated impairment.

#### **2.5 Debtors**

Short term debtors are measured at transaction price, less any impairment. Loans receivable are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method, less any impairment.

#### **2.6 Creditors**

Short term creditors are measured at the transaction price. Other financial liabilities, including bank loans, are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method.

#### **2.7 Finance costs**

Finance costs are charged to the statement of comprehensive income over the term of the debt using the effective interest method so that the amount charged is at a constant rate on the carrying amount. Issue costs are initially recognised as a reduction in the proceeds of the associated capital instrument.

#### **2.8 Pensions**

##### **Defined contribution pension plan**

The company operates a defined contribution plan for its employees. A defined contribution plan is a pension plan under which the company pays fixed contributions into a separate entity. Once the contributions have been paid the company has no further payment obligations.

The contributions are recognised as an expense in the statement of comprehensive income when they fall due. Amounts not paid are shown in other creditors as a liability in the statement of financial position. The assets of the plan are held separately from the company in independently administered funds.

## Notes to the Financial Statements for the Year Ended 30 June 2017

### 2. Accounting policies (continued)

#### 2.9 Current and deferred taxation

The tax expense for the year comprises current and deferred tax. Tax is recognised in the statement of comprehensive income, except that a charge attributable to an item of income and expense recognised as other comprehensive income or to an item recognised directly in equity is also recognised in other comprehensive income or directly in equity respectively.

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the reporting date in the countries where the company operates and generates income.

Deferred tax balances are recognised in respect of all timing differences that have originated but not reversed by the statement of financial position date, except that:

- The recognition of deferred tax assets is limited to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits; and
- Any deferred tax balances are reversed if and when all conditions for retaining associated tax allowances have been met.

Deferred tax balances are not recognised in respect of permanent differences except in respect of business combinations, when deferred tax is recognised on the differences between the fair values of assets acquired and the future tax deductions available for them and the differences between the fair values of liabilities acquired and the amount that will be assessed for tax. Deferred tax is determined using tax rates and laws that have been enacted or substantively enacted by the reporting date.

### 3. Judgements in applying accounting policies and key sources of estimation uncertainty

Investments (see note 9)

The most critical estimates, assumptions and judgments relate to the determination of carrying value of investments at fair value through the income statement, the company follows the International Private Equity and Venture Capital Valuation Guidelines, applying the overriding concept that fair value is the amount for which an asset can be exchanged between knowledgeable willing parties in an arm's length transaction. The nature, facts and circumstances of the investment drives the valuation methodology.
