### **PRINCIPAL ACTIVITIES**

The primary business of the Company was to assist the Commissioners of the Royal Hospital Chelsea with the sale of the lease of the property known as Gordon House, Tite Street, London, SW3 4SR, which was achieved in the prior year.

### **REVIEW OF THE BUSINESS AND FUTURE DEVELOPMENTS**

The company is not a commercial trading company. Its only business is to hold a beneficial interest in the proceeds from the sale of the leasehold of Gordon House.

### **STATEMENT OF DIRECTORS' RESPONSIBILITIES**

The Directors are responsible for preparing the Directors' Report and the Financial Statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare Financial Statements for each financial year. Under that law the Directors have elected to prepare the Financial Statements in accordance with United Kingdom Generally Accepted Practice (United Kingdom Accounting Standards and applicable law). Under company law the Directors must not approve the Financial Statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these Financial Statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the Financial Statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the Financial Statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**PROVISION OF INFORMATION TO AUDITOR**

Each of the persons who are Directors at the time when this Directors' Report is approved has confirmed that:

- so far as that Director is aware, there is no relevant audit information of which the Company's auditor is unaware, and
- that Director has taken all the steps that ought to have been taken as a Director in order to be aware of any information needed by the Company's auditor in connection with preparing their report and to establish that the Company's auditor is aware of that information.

In preparing this report, the Directors have taken advantage of the small companies exemptions provided by section 415A of the Companies Act 2006.

This report was approved by the Board on 12 July 2016 and signed on its behalf.

### **INDEPENDENT AUDITOR'S REPORT TO THE SHAREHOLDERS OF GORDON HOUSE (LONDON) LIMITED**

We have audited the financial statements of Gordon House (London) Limited for the year ended 31 March 2016, set out on pages 5 to 9. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone, other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

### **RESPECTIVE RESPONSIBILITIES OF DIRECTORS AND AUDITORS**

As explained more fully in the Directors' Responsibilities Statement as set out on page 1, the Directors are responsible for the preparation of the Financial Statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the Financial Statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

### **SCOPE OF THE AUDIT OF THE FINANCIAL STATEMENTS**

An audit involves obtaining evidence about the amounts and disclosures in the Financial Statements sufficient to give reasonable assurance that the Financial Statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the Company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Directors; and the overall presentation of the Financial Statements. In addition, we read all the financial and non-financial information in the Annual Report to identify material inconsistencies with the audited Financial Statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

### **OPINION ON FINANCIAL STATEMENTS**

In our opinion the financial statements:

- give a true and fair view of the state of the Company's affairs as at 31 March 2016 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

### **OPINION ON OTHER MATTERS PRESCRIBED BY THE COMPANIES ACT 2006**

In our opinion the information given in the Directors' report for the financial year for which the Financial Statements are prepared is consistent with the Financial Statements.

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the Financial Statements are not in agreement with the accounting records and returns; or
- certain disclosures of Directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or

### **NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2016**

#### **1. ACCOUNTING POLICIES**

##### **1.1 Basis of preparation of financial statements**

The Financial Statements have been prepared under the historical cost convention with the exception of investments which are included at market value, and in accordance with applicable accounting standards.

It is the opinion of the Directors that the use of the going concern basis of accounting is appropriate because:

- there are no material uncertainties relating to events or conditions that may cast significant doubt about the ability of the Company to continue as a going concern;
- there is reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future.

##### **1.2 Cash flow**

The Company, being a subsidiary undertaking where 90% or more of the voting rights are controlled within the group whose consolidated financial statements are publicly available, is exempt from the requirement to draw up a cash flow statement in accordance with FRS 1.

##### **1.3 Investments**

Listed investments are shown at market value as at the balance sheet date. Unrealised gains and losses on the revaluation of investments are recognised in the profit and loss account.

##### **1.4 Taxation**

The Company is not registered for Value Added Tax but is liable to corporation tax on trading profits not transferred to its parent entity under the Gift Aid arrangements.

### **6. TAXATION**

Factors affecting tax charge for the period:

The tax assessed for the period is the same as the small company rate of corporation tax in the UK of 20%. The differences are explained below:

	2016 £	2015 £
Loss on ordinary activities before tax	(2,384)	(1,491)
Loss on ordinary activities multiplied by small company rate of corporation tax in the UK of 20%	(477)	(298)
Effects of:		
Fixed asset differences	-	-
Income not taxable for tax purposes	-	-
Chargeable gains/(losses)	-	-
Other permanent differences	477	298
