NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 31 MARCH 2015

1. ACCOUNTING POLICIES

1.1 Basis of preparation of financial statements

The full financial statements, from which these abbreviated accounts have been extracted, have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

The company meets its day to day working capital requirements through a loan account with the parent company, the parent company has confirmed that these borrowings will not be withdrawn whilst it would prejudice the going concern of the company. In forming their decision on going concern the directors have considered a period of no less than 12 months from the date of accounts approval and have concluded that the company will receive sufficient funds to continue trading for the foreseeable future. On this basis, the directors consider it appropriate to prepare the financial statements on the going concern basis. The financial statements do not include any adjustments that would result from a withdrawal of borrowings.

1.2 Turnover

Turnover comprises revenue recognised by the company in respect of fees received for the sale of properties during the year, exclusive of Value Added Tax.

1.3 Stocks and work in progress

Stocks and work in progress are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow-moving stocks. Cost includes all direct costs and an appropriate proportion of fixed and variable overheads.
