Robin Hood Energy Limited (in administration) ("the Company")

Joint Administrators' STATEMENT OF PROPOSALS
PURSUANT TO PARAGRAPH 49 OF SCHEDULE B1 OF
THE INSOLVENCY ACT 1986 (AS AMENDED) ("the
Act").

Matthew James Cowlshaw and Richard Michael Hawes ("the Joint Administrators") were appointed Joint Administrators of Robin Hood Energy Limited on 5 January 2021 by the Court on the petition of the directors. The affairs, business and property of the Company are managed by the Joint Administrators. The Joint Administrators act as agents of the Company and contract without personal liability. All licensed Insolvency Practitioners of Deloitte LLP ("Deloitte") are licensed in the UK to act as Insolvency Practitioners by the Institute of Chartered Accountants in England and Wales.

For the purposes of paragraph 100(2) of Schedule B1 of the Act, the Joint Administrators confirm that they are authorised to carry out all functions, duties and powers by either of them jointly and severally.

Robin Hood Energy Limited (in administration)

This Statement of Joint Administrators' Proposals ("the Proposals" or "our Proposals") has been prepared pursuant to paragraph 49 of Schedule B1 of the Act, which requires that we, as the Joint Administrators, provide creditors with details of our Proposals to achieve the purpose of the administration.

It appears that the Company may have sufficient property to enable a distribution to be made to unsecured creditors. As such we are required in accordance with paragraph 51 of Schedule B1 of the Insolvency Act 1986 to seek creditors' approval of our Proposals. In this instance, we propose to seek approval of our Proposals by deemed consent, Notice of which has been posted to the website on Form ADM_F03. The proposed decision to approve our Proposals will be treated as having been made by creditors unless objected to, using the appropriate procedure as set out in the Notice, by 10% or more in value of creditors. Should that happen, the decision on approval will not be made and a further decision procedure will be held. Unless you object to our Proposals, no action is required from you. Please refer to the website for further details including forms and guidance.

Please refer to the Frequently Asked Questions section on the case website for more information about decision procedures in insolvency proceedings.

Please also note that hard copies of any of these documents will be provided free of charge on request.

We have also included the following information in this report:

- background of the Company;
- the circumstances giving rise to the appointment of the Joint Administrators;
- the progress of the administration to date; and,
- the Joint Administrators' Proposals for achieving the objective of the administration (Appendix E).

Yours faithfully

For and on behalf of the Company

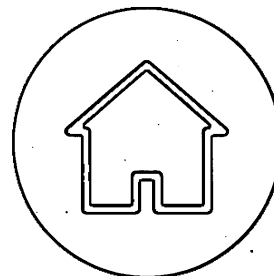

Joint Administrators

Date Proposals delivered to creditors: 2 March 2021

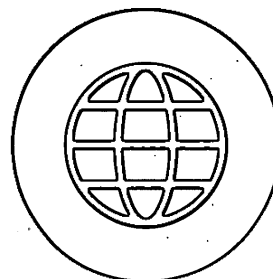

Commentary	
Purpose of the administration	<ul style="list-style-type: none"> The purpose of the administration is to achieve a better result for the Company's creditors as a whole than would be likely if the Company were wound up (without first being in administration) or if Ofgem appointed a Supplier of Last Resort ("SoLR").
Joint Administrators' strategy	<ul style="list-style-type: none"> All of the customers of the Company were transferred to British Gas or another supplier as part of the transaction with British Gas Trading Limited which completed on 16 September 2020. RHE entered into a TSA to undertake the necessary work to effect the customer transfers over a period of time. The final customer transferred to British Gas at the end of December 2020. Whilst the Company had no customers as at the appointment, the Administration will continue the phased wind-down of the business in order to maximise asset realisations, including concluding the TSA. The main assets as at the date of appointment included cash at bank, customer arrears in relation to those customers that had left RHE prior to the transaction and deferred consideration arising from the transaction. The Administrators are completing the TSA, preparing the necessary reconciliations and completing the final billing in order to trigger the deferred consideration. The Administrators are also implementing a collection strategy for the customer arrears. To fulfil this strategy the Joint Administrators have retained a number of employees for a short period of time. Please refer to page 14 for further details.
Approval of the Proposals	<ul style="list-style-type: none"> As we anticipate that sufficient funds will be available for distribution to unsecured creditors we are required to seek a decision from unsecured creditors on approval of our Proposals. We intend to take the decision by deemed consent, notice of which has been posted to the case website together with guidance on what action if any is required.
Estimated Timescale	<ul style="list-style-type: none"> On current information the duration of the administration is not likely to exceed 12 months following which it is anticipated that the Company will move to creditors' voluntary liquidation as detailed in page 16.
Estimated Costs and Estimate of work required to be done	<ul style="list-style-type: none"> We propose to seek approval to charge our fees as a fixed fee of £750k plus VAT. We have provided an outline of the work we propose to undertake and our anticipated costs for so at Appendix C1. We anticipate that disbursements of approximately £2.2k plus VAT will be incurred over the duration of the appointment as detailed on page 30. We anticipate that third party costs in relation to legal fees and agents fees will be in the region of £120k plus VAT and £5k plus VAT respectively over the duration of the appointment as detailed on page 22.
Estimated Outcomes	<p>On current information, we anticipate the following outcome for each category of creditor:</p> <ul style="list-style-type: none"> There is no secured creditor and no ordinary preferential creditors (employees). Secondary preferential creditor- There will be sufficient floating charge realisations to enable payment in full of HMRC's secondary preferential claims. Unsecured creditors - It is likely that there will be a distribution to the Company's unsecured creditors.
Proposals	<ul style="list-style-type: none"> Our Proposals for managing the business and affairs of the Company can be found on page 31.

Background

The Company	8
Summary financials	9
Joint Administrators' appointment	10

Background The Company

Background

The Company was incorporated on 1 May 2012 and was set up with the intention of being the first council-run energy company in the UK with the aim of tackling fuel poverty. The Company began trading as Robin Hood Energy in 2015 as a not-for-profit company wholly owned by Nottingham City Council ("NCC"). In total, the Company supplied over 100,000 individuals and 2,600 businesses.

The intention of the business was to provide sustainable, fair and affordable energy by focusing on low tariffs in order to achieve its aims. The Company aimed to provide better terms to users of pre-payment meters. The hope was that the Company would attract significant external investment as it grew. It was considered that for the Company to be competitive, and to provide a realistic alternative to the Big 6 energy providers, the Company would need to operate on a national basis.

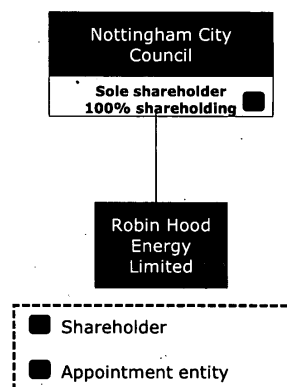

The Company secured growth through the acquisition of 'white label' companies, usually linked to other local authorities, through which it sold energy throughout the country. In the accounting years 2017/2018, turnover increased by £44m to £69m.

Employees

As of 5 January 2021, the Company employed approximately 109 staff who were retained post appointment. 61 employees were made redundant on 15 January 2021 and 45 employees were made redundant on 31 January 2021. The staff had been retained to assist with the transfer of customers to BG. Three employees have been retained until the end of February 2021 to assist with the realisation of the deferred consideration and facilitation of a smooth handover of the debt book to a Debt Collection Agency.

As at the date of the Joint Administrators' appointment, the directors of the Company were Lauren O'Grady, Pavlos Kotsonis, Neghat Nawaz Khan, Stephen Peter Battlemuch and Cheryl Margaret Barnard. The Company Secretary was Dionne Claire Screation. The Company sole shareholder was NCC, who held 7,500,001 ordinary shares of £1 each.

Overview of financial information

Extracts from the audited Company accounts for twelve-month period to 31 March 2019 and 2018 are shown opposite. Company draft statutory accounts to 31 March 2020 are also shown in the summary profit and loss account.

Please note that this information has not been verified by the Joint Administrators or by Deloitte LLP ("Deloitte").

Profit and loss commentary

Turnover increased by £44m to £69m in FY18 on the back of growing use of "white label" companies, usually linked to other local authorities, through which RHE sold energy.

Growth continued in FY19 when the Company was supplying over 220k meter points, but losses increased due to wholesale energy prices hitting a 5-year high, the introduction of price caps and the high cost of market participation. Whilst the Company continued to grow it suffered ongoing losses.

In FY20, expenses continued to rise as the level of debt increased and interest payable on those debts.

Balance sheet commentary

Tangible assets principally comprise of office equipment & fixtures and fittings, computers and leasehold improvements. The tangible assets were impaired to their full value hence being completely diminished in the draft statutory accounts up to 31 March 2021.

Intangible assets reflect the software licences, project development and the value in customer contracts the Company held.

The main assets of the Company relate to amounts due from customers.

Background Joint Administrators' appointment

Circumstances giving rise to the appointment of the Joint Administrators

Reasons for failure & financial distress

The following factors attributed to the Company's failure:

- Significant increase in the number of licensed suppliers which increased competition in the market. In order to compete, the Company had to offer very low prices;
- The focus of the Company was on low tariffs, setting up partnership arrangements with other councils and supporting customers in fuel poverty which increased the complexity of the demand profile of the customer base and associated management of energy purchasing;
- Energy wholesale prices hit a 5-year high in 2018 and some of these costs were not passed on to customers in order to stop them from moving to other competitors; and
- Ofgem introduced price caps into the supply market which affected all suppliers and reduced overall margins within the sector.

Involvement of Deloitte pre-appointment

On 6 April 2020, Deloitte was engaged by NCC and the Company to assist in approaching a number of parties to assess their interest in acquiring the Company. The work included transaction planning, marketing, to receive offers and give advice around transaction execution. This work was extended on 10 June 2020 to consider the key factors for the Company in the event that the proceeds from a sale of business and assets was not sufficient to settle all liabilities.

Deloitte was further engaged on 8 July 2020 to update estimated outcome statements and provide restructuring advice. On 31 July 2020 we were engaged to undertake administration planning including supporting the employee strategy and assisting on customer migration matters.

Steps taken to remedy/turnaround

In accordance with our terms of engagement, the Joint Administrators alongside various other colleagues have held discussions with the directors of the Company, employees, consultants of the Company and NCC. We have provided advice regarding the Company's financial circumstances and the options available.

Following our engagement with prospective purchasers the Company received a number of indicative offers. However, none of these offers were for the shares in the Company, which could have resulted in a solvent solution. Instead, all interested parties focused on acquiring the Company's business and assets and/or its customer book.

Following careful scrutiny of all offers and proposals and the alternative option being a Supplier of Last Resort process, the Directors considered that the proposal most likely to give the best return to creditors was the one tabled by British Gas. On 15 August 2020, the Company entered into a period of exclusivity with BG in order to negotiate the terms of any sale. A sale was agreed and contracts (in the form of an Asset Purchase Agreement and a Transitional Services Agreement) with completion taking place on 16 September 2020.

Background Joint Administrators' appointment

Steps taken to remedy/turnaround continued

Pursuant to the Asset Purchase Agreement (the "APA"), the Company sold all customer contracts with the associated migration data and billed and unbilled balances to BG. Pursuant to the TSA, the Company agreed to provide services to BG for a period of 4 months in order to appropriately migrate the customers through the industry processes, in return for a monthly fee.

When decision to appoint was made

As the negotiations proceeded with BG towards completion of the APA and TSA, the directors formed the view that, whilst the sale to BG represented the best outcome for the Company, the value to be generated from that transaction was unlikely to be sufficient to pay all RHE's liabilities. The deal completed on 16 September 2020.

Due to the requirements imposed by the legal framework which governs a regulated energy supply company, it was not possible in this case to use the "out of court" route to appoint the Joint Administrators. Any appointment could only be made once the necessary legal and regulatory requirements had been completed.

The directors made statements on 5 and 7 October 2020 which confirmed the Company was or was likely to be unable to satisfy its liabilities to creditors and these statements were submitted in support of an application to Court for the appointment of Joint Administrators on 8 October 2020.

The appointment of the Joint Administrators was not possible whilst RHE continued to supply energy to active customers. There was also a requirement to serve notices upon the Secretary of State and the Gas and Electricity Markets Authority. Therefore, an adjournment of the Application was requested at the first hearing on 3 November 2020 until such time as the required notices had been served and the final customer had transferred to BG.

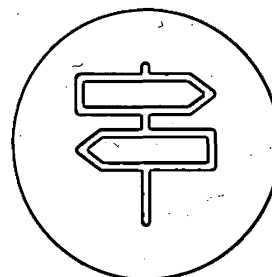

Following these steps and the transfer of the final customer in December 2020, the Court made the appointment of the Joint Administrators at a final hearing on 5 January 2021.

Post-appointment

Purpose	13
Joint Administrators' strategy	14
Joint Administrators' Proposals	15
Outcome for creditors	17
Extensions & exit routes	18

Post-appointment Purpose

Appointment of the Joint Administrators

Matthew James Cowlshaw and Richard Michael Hawes, of Deloitte LLP ("Deloitte") were appointed Joint Administrators of the Company by the Court on 5 January 2021 on petition of the directors of the Company.

Purpose of the administration

The rescue of the Company was not possible given the level of unsecured debt and the transfer of all customers to BG, therefore, it was not possible to trade the business as a going concern.

The purpose of the administration is to achieve a better result for the Company's creditors as a whole than would be likely if the Company were wound up (without first being in administration) or if Ofgem appointed a Supplier of Last Resort ("SoLR").

Accordingly, the purpose of the administration will be achieved by maximising asset realisations including the book debts improving the outcome for creditors.

Post-appointment Joint Administrators' strategy

How the affairs and business of the Company have been managed and financed since appointment, and the Joint Administrators' intended strategy if their Proposals are approved

Whilst the Company had no customers as at the date of appointment, the Administration will continue the phased wind-down of the business in order to maximise asset realisations, including concluding the TSA.

The main assets as at the date of appointment included cash at bank, customer arrears in relation to those customers that had left RHE prior to the transaction or decided to transfer to suppliers other than British Gas, and deferred consideration arising from the transaction.

The key tasks being undertaken post appointment include:

- Completing the TSA in order to receive the final TSA payment from BG (now received).
- Reviewing the final reconciliations to trigger the deferred consideration.
- Completing and reviewing the final settlement account under the transaction.
- Completing the final billing.
- Liaising with BG, Ofgem and other key stakeholders to close down operations.
- Pursuing other assets realisations.
- Dealing with payroll, employee redundancies and ERA matters.

The Joint Administrators are also implementing a collection strategy for the customer arrears. A tender process has been held and an experienced Debt Collection Agency, Credit Style, has been instructed to realise the customer arrears for those customers who did not transfer to British Gas. They anticipate a period of 3-6 months to maximise realisations, using the debt book taken from Company systems.

The Company had 109 employees as at the date of our appointment. On 15 January 2021, 61 employees were made redundant and a further 45 employees were made redundant on 31 January 2021.

Payments made under the TSA

The final payment has now been received under the TSA totalling £800k, which is shown in Appendix B.

Deferred Consideration

The deferred consideration is triggered by a number of final reconciliations and expiry of time.

The Joint Administrators are in active dialogue with BG in respect of these sums.

Furniture & equipment

As at the date of appointment, Robin Hood owned a quantity of tangible assets including employee laptops/desks/chairs/office equipment and fixtures and fittings across its trading premises, the combined value of which is yet to be determined (currently shown on the directors' SoA as £10k). We have engaged OCM in the collection and realisation of these assets, however a small amount of equipment is currently still in use by the Robin Hood employees in relation to Administration work. We have realised £903 with respect to the sale of a number of items of minimal value to former employees.

Cash at Bank

The Company held approximately c£3.6m in a number of bank accounts as at the date of appointment which has been transferred to the administration bank account.

Leasehold property

The Joint Administrators vacated the two leasehold properties held by the Company shortly after appointment and have offered consensual surrenders to the landlords as there is no value in the lease agreements.

Post-appointment Joint Administrators' strategy

How the affairs and business of the Company have been managed and financed since appointment, and the Joint Administrators' intended strategy if their Proposals are approved continued

Cash held in Escrow

As part of the APA, certain amounts are held in escrow by BG in relation to Employees and certain other industry matters. The amounts included in escrow totals c.£2.8m with the majority in relation to Employee retention. The Joint Administrators are not aware of anything that should affect the release of these amounts to the Administration estate and will continue to monitor this carefully to ensure release of the amounts on the due dates which fall between July and November 2021.

Book debts

The SoA indicated a book value for book debts of £3.1m. We have instructed Credit Style to review, collect and maximise realisations out of the debtor ledger. There are some smaller debts which are not being collected by Credit Style, which continue to be collected by RHE's pre appointment debt collection agencies.

To date, we have realised a total of £266k from various categories of books debts.

Repayment of industry charges

These relate to repayments of different industry charges. The Company has been charged based on customer numbers from prior years and therefore will have overpaid. As part of the standard industry reconciliations which take place it is estimated that the Company will be due a refund. The Joint Administrators will seek to recover the sums due.

Receipts due from industry reconciliations

This relates to the CNG reconciliation, it is estimated that the Company will be due c.£0.5m from industry reconciliations. This will be paid to RHE by BG. To date, BG have received c.£0.44m of credits and therefore this amount is expected to be recovered in full. The value of any credits plus the retention is due to be paid to RHE in November 2021.

Credit Cover recoverable

This relates to payments made on account by the Company to various industry bodies. In the majority of instances, the supplier has deducted sums due to them by RHE from the credit cover held. The Joint Administrators will seek to recover any remaining balances due to the Company.

Receipts and Payment account

A receipts and payments account, detailing asset realisations achieved, and costs paid up to 16 February 2021 is provided on page 28.

Post-appointment Joint Administrators' Proposals

The Joint Administrators' Proposals

Our Proposals for the administration include:

- continuing to manage the affairs and any remaining assets of the Company and the settlement of all administration expenses; and
- assessing the affairs of the Company and reviewing and reporting on the conduct of its directors and, where required, providing assistance to any regulatory authorities with any investigation into the affairs of the Company or its management; and
- agreement of the claims of any secured, preferential and unsecured creditors against the Company unless we conclude, in our reasonable opinion, that the Company will have no assets available for distribution; and
- distributing funds to any secured and preferential creditors and, where applicable, to unsecured creditors under the Prescribed Part as and when their claims are agreed and funds permit, and to make distributions to unsecured creditors, other than out of the Prescribed Part if the court gives permission following an appropriate application; and
- that, following the realisation of assets and resolution of all matters in the administration, and as quickly and efficiently as is reasonably practicable, we will implement the most appropriate exit route to formally conclude the administration; and
- that, if the Company is to be placed into Creditors' Voluntary Liquidation ("CVL"), we (or any person appointed as a replacement office holder) propose to be appointed Joint Liquidators and for the purposes of section 231 of the Act the Joint Liquidators will each be authorised to carry out all functions, duties and powers either jointly or severally.

We will seek specific approval from the unsecured creditors to fix the basis of and the ability to draw our remuneration and expenses, including pre administration costs and expenses, and to agree the time of our discharge on conclusion of the administration.

Please refer to page 31 for further details.

Post-appointment Outcome for creditors

Estimated outcome for creditors

Secured creditor

The Company did not grant security to any creditor.

Preferential creditors

The Company had 109 employees as at the date of our appointment. There are no preferential claims pertaining to the employees in the administration.

Secondary Preferential Creditor

Her Majesty's Revenue and Customs ("HMRC") will have secondary preferential creditor status in respect of deducted taxes, including VAT, PAYE, student loan repayments, employee NICs and CIS deductions. We estimate that HMRC will have a secondary preferential claim of c£670k in respect of VAT, PAYE, student loan repayments, employee NICs and CIS deductions. On present information we anticipate that sufficient funds will become available to enable such claim to be paid in full.

Prescribed Part

The Prescribed Part is an amount set aside for unsecured creditors from asset realisations that would otherwise be paid to secured creditors under their floating charge, (referred to as the net property), as set out under section 176A of the Act. It applies only where the charge was created on or after 15 September 2003.

The Prescribed Part is calculated as a % of the net property and is subject to a statutory maximum of £600-£800k per company depending on when the charge was registered.

Where the value of the Prescribed Part is so small as to make the costs of distributing it disproportionate, the court may, on our application, disapply it.

As there is no secured creditor in this case, the Prescribed Part provisions will not apply.

Unsecured creditors

The directors' statement of affairs shows 417 unsecured creditors with estimated non-preferential claims totalling £62m.

As detailed above, it is likely that sufficient funds will be realised to enable a distribution to be made to unsecured creditors. Currently the quantum of the dividend is expected to be in the region of c.19p/£ however this is subject to change depending on the level of claims and asset realisations.

Post-appointment Outcome for creditors

Claims process

We anticipate that a dividend is likely to be made to unsecured creditors.

We invite creditors to claim, following the guidance in the paragraphs below.

Creditors with debts of £1,000 or less

You do not need to prove your debt for dividend purposes if the amount you are owed, according to the Company's statement of affairs, is £1,000 or less. Instead, we will notify you if funds become available for dividend purposes and provide you with details of the amount at which your claim has been admitted. If you disagree with that amount, you will be provided with an opportunity to notify us of the correct amount.

Please note that should you wish to vote in a decision procedure, you will then need to submit a proof of claim to us.

Creditors with debts of more than £1,000

Unsecured creditors with claims of more than £1,000 are invited to submit their claims to us either directly via the case website at www.ips-docs.com or by downloading and completing a proof of debt form from the case website and which should be sent to the address on the cover page. Alternatively, a hard copy proof of debt form will be provided free of charge on request.

Post-appointment Extensions & exit routes

Exit routes

In accordance with the provisions of the Act, all administrations automatically come to an end after one year, unless an extension is granted by the court or with consent of the creditors.

There are several possible exit routes from administration. Based on current information, we consider the following exit routes may be appropriate:

- *Dissolution* – If there is no further property which might permit a distribution to the Company's creditors, we may file notice to that effect with the Registrar of Companies and the Company will be dissolved three months later.
- *Compulsory Liquidation ("WUC")* – where there is a possibility, but no certainty, of recoveries being made or matters such as property to disclaim or further enquiry, it may be appropriate to ask the court to end the administration and to make an order to wind up the Company.
- *Creditors' Voluntary Liquidation ("CVL")* – Where a distribution to unsecured creditors will be made, other than by virtue of the Prescribed Part, we may file a notice to that effect with the Registrar of Companies. The administration will cease on the date that notice is registered and the Company will be wound up.

Please note that if the Company is placed into CVL, the Joint Administrators (or any person appointed as a replacement office holder) propose to be appointed as Joint Liquidators. The creditors may nominate a different person to be liquidator(s) provided the nomination is made before the Proposals are deemed approved by the creditors i.e. by 16 March 2021.

- Any creditors' committee appointed in the administration will become a liquidation committee and the basis of the Joint Administrators' remuneration fixed during the administration will apply in the liquidation.
- For the purposes of section 231 of the Act the liquidators will each be authorised to carry out all functions, duties and powers either jointly or severally.

Discharge of Joint Administrators' liability

Pursuant to paragraph 98 of Schedule B1 of the Act, the Joint Administrators' discharge of liability in respect of their actions as administrators takes effect at the specific time appointed by either the court, the creditors (either via the creditors' committee or by decision of the creditors) or, in specific circumstances, by the secured (and preferential) creditors.

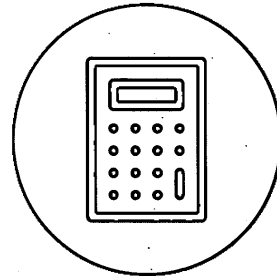

In this case, we will request approval from the Court for us to be discharged from liability as at the date the Registrar of Companies registers the Joint Administrators' final progress report.

Remuneration and expenses

Creditors' Guide to Administrators' Remuneration	21
Pre-administration costs	23

Remuneration and expenses

Creditors' Guide to Administrators' Remuneration

A Creditors' Guide to Administrators' Remuneration is appended to SIP 9 and is provided on the administration website and also available for download at www.deloitte.com/uk/sip-9-england-and-wales

Should you require a paper copy, please send your request in writing to the Joint Administrators at the address on page 4 and this will be provided to you at no cost.

Basis of Administrators' remuneration

Pursuant to Rule 18.16 of the Insolvency Rules 2016 ("the Rules"), the basis of the Joint Administrators' remuneration may be fixed:

- as a percentage of the value of the property with which the Joint Administrators have to deal;
- by reference to time properly given by the insolvency practitioners and their staff in attending to matters arising in the administration;
- as a set amount;
- or, any combination of the above.

We intend to invite the creditors, or the creditors' committee should one be formed, to formally approve that the basis of our remuneration be fixed as a set amount of £750k.

In advance of seeking that approval we have set out in more detail what work we will be required to carry out in our estimate of work required opposite.

We will seek this approval through a further decision procedure once the outcome of the decision on approval of our proposals is known.

This further decision procedure will be held by correspondence. We will give formal Notice of this together with the resolutions being requested in respect of our remuneration and expenses, voting forms and general guidance via the website at www.ips-docs.com and which we anticipate doing within 1-2 weeks of proposals being approved. We will also provide hard copies of any of these documents to you on request to Tom Coleman on thcoleman@deloitte.co.uk. Please note that in the event that a creditors' committee is formed, the resolutions tabled in this decision procedure will be determined by that committee.

Estimate of work required – Set Amount (Fixed Fee)

Based on previous appointments of this nature and having regard to the likely number and grades of staff required to fulfil these obligations, we intend to seek approval to draw a set fee of £750k.

Full details of the work anticipated to be performed are provided at Appendix C /page 29.

Remuneration and expenses

Creditors' Guide to Administrators' Remuneration

Joint Administrators' Expenses

We anticipate that we will incur the following disbursements during the appointment:

Statutory Advertising - we are required to give notice by advert in the London Gazette of the following matters: our appointment; proposed distributions to preferential and unsecured creditors. We estimate the advertising costs in this regard will be £190 plus VAT.

Legal Fees

Shakespeare Martineau

We have instructed Shakespeare Martineau, a firm of lawyers with the appropriate expertise and experience in dealing with these types of administrations, to advise on the following legal matters and to prepare required legal documentation in relation to the Company as follows:

- Validity of Appointment review in respect of our appointment as Joint Administrators to the Company will be £1,275 plus VAT.
- Potential debt sale agreement estimated to be £7.5k - £10k plus VAT.
- Potential agreement for sale of licences estimated to be £7.5k - £10k plus VAT.
- Ad-hoc queries and general advice across the administration (if required), they estimate their fee will be £25k plus VAT.

Gowling WLG ("Gowling")

The Administrators have also instructed Gowling to carry out a review of specific Company matters. It is anticipated to cost in the region of c.£70k (exclusive of VAT and disbursements).

Valuers

We have instructed OCM to assist with the valuation and disposal of computers & equipment and fixtures and fittings.

They have estimated that their fees will total £5k plus VAT, they have billed this in full and are in the process of paying across the proceeds totalling £12k plus VAT.

Debt collection agents ("DCAs")

As advised previously, we have instructed the following DCAs to assist the Joint Administrators with the collect out of the Company's book debts.

DCA	Fee basis
Credit Style	Percentage basis - 14% commission
Philips & Cohen	Percentage basis- 35% commission (as specialist bereavement team)
Arvato	Percentage basis- 11% commission
CRS	Percentage basis- 18% commission

All professional costs are reviewed by us and analysed in detail before payment is approved or made.

Remuneration and expenses

Pre-administration costs

Statement of pre-administration costs

In the following paragraphs we have provided an explanation of the work carried out by us and Shakespeare Martineau in the period prior to the administration and which was carried out with the intention of helping to achieve the objective of the administration, being a better result for creditors as a whole than would be obtained through an immediate liquidation of the Company.

- Considering the impact of an administration appointment, including funding requirement to manage a wind down/sale;
- Preparing strategies in relation to employees and customers;
- Considering post-appointment options in relation to dealing with customer book run off;
- Dealing with press and PR queries immediately prior to the administration which was necessary to ensure adequate information was in the public domain to reach and inform as many customers as possible;
- Liaising with Shakespeare Martineau in relation to preparation and signing of appointment documents including witness statements for the Court;
- Collating company data, financial information and stakeholder records in preparation for the administration appointments;
- Analysis and advice from a tax perspective on immediate tax actions required by the administrators on appointment;
- Liaising with Ofgem and NCC.

In relation to this work, our time costs are as follows £23.6k plus VAT which remains unpaid. This work was required to be completed pre-appointment primarily in order to ensure a planned administration appointment.

During planning for the administration, we were assisted by Shakespeare Martineau for matters including:

- Discussions with the board and Deloitte;
- Consideration of legislation and liaison with Ofgem;
- Preparing the Court application; drafting witness statements and attendance upon the directors, Deloitte and counsel;
- Attendances at Court;
- Work undertaken in relation to the TSA; and
- Counsel fees of £10k plus VAT and court issue fee of £95.

In respect of this work, Shakespeare Martineau incurred legal fees of £39k plus VAT and expenses of £95. These costs remain unpaid.

Approval of unpaid pre-administration costs

As set out above, we have unpaid pre administration costs and expenses. The payment of these unpaid costs as an expense of the administration is subject to approval under Rule 3.52. At the time of seeking approval for our post appointment remuneration we will also invite the creditors to decide whether and to what extent the unpaid pre-administration costs should be approved for payment.

Additional information

Case specific matters and investigations

25

Additional information

Case specific matters and Investigations

The Insolvency (Amendment) (EU Exit) Regulations 2019 (the "Regulations")

As stated in the administration appointment documents, these are COMI proceedings (i.e. the centre of main interests is in the UK).

Third party assets

Should you believe that you own or have a claim regarding items that may have been present at the Company's premises at the date of our appointment please contact us as soon as possible.

Investigations

As part of our duties, we are obliged shortly after our appointment to review all of the information available to us and conduct an initial assessment of whether there are any matters that might lead to a recovery for the benefit of creditors. This initial assessment includes enquiries into any potential claims that may be brought against parties either connected to or who have had past dealings with the Company.

In addition, we are required to consider the conduct of the directors and any person we consider to have acted as a shadow or de facto director in relation to their management of the affairs of the Company and the causes of failure and we will submit a confidential report to the Insolvency Service, a division of the Department for Business, Energy and Industrial Strategy. Creditors who wish to draw any matters to our attention should contact us using the contact details given on this page as soon as possible.

Website

In order to facilitate communication, all statutory reports, documents and notices will be posted on to the case websites which have been set up specifically for the Company. The web address is www.ips-docs.com.

All documents will be retained on each website which will remain live until two months after the conclusion of the proceedings. Please contact Thomas Coleman using any of the contact details given below if you would like to be provided, free of charge, with a hard copy of documents posted, either now or in the future, to the website:

- **Phone** - 02920 26 4029
- **Email** - thocoleman@deloitte.co.uk
- **Postal address** - Four Brindleyplace, Birmingham, B1 2HZ

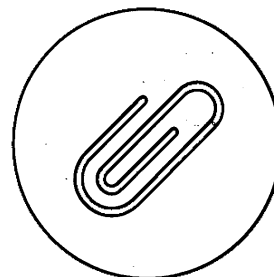

Please note that, other than notice of intended dividend, no further notice will be given to you when documents are uploaded to the websites. It is thus important that you review the website for each case regularly to check for updates, such as notices of decision procedures or our six monthly reports on progress.

Joint Administrators' comments

The Directors' statement of affairs is available on the case website at www.ips-docs.com, and which includes a schedule of the names and addresses of all known creditors. We are legally required to provide names, addresses and amounts of all creditors ("Creditor Details"), (including those of employees and consumer creditors), so as to enable creditors to communicate with one another in order to exercise their rights as creditors. Please note that no provision has been made for the costs of the administration (including agents', legal and other professionals' fees).

Notes to the receipts and payments account

A receipts and payments account is provided opposite detailing the transactions since our appointment on 5 January 2021 to 16 February 2021.

Notes to receipts and payments account

1. Statement of Affairs

The estimated to realise values are based on amounts stated in the directors' statement of affairs.

2. TSA Payments

£800k has been received on account in respect of the transaction with BG.

3. Cash at Bank

To date, we have received c£3.6m from a number of the Company's pre appointment bank accounts.

4. Book debts

The book debts are categorised here into B2B, B2C and Voids to reflect the different categories of customer.

5. VAT

All sums shown opposite are shown net of VAT, which is recoverable and will be accounted for to HM Revenue & Customs in due course.

6. Bank Interest

All funds were held in an interest bearing account. The associated corporation tax on interest received will be accounted for to HM Revenue & Customs.

7. Trade Creditors

Invoices received are logged, recorded and posted to the cash book on an accrual basis, the balance noted represents invoices received and posted to the cash book but not yet paid from the bank accounts.

Rounding note

In preparing this report, figures have been rounded (for presentational purposes only). There may therefore appear to be rounding errors.

Appendices

Appendix C

Estimate of work to be undertaken

Joint Administrators' Estimate of Work to be undertaken – set fee basis

Details of work that we anticipate will be undertaken over the life of the case are provided below:

Statutory Tasks and Administration

- Formulating and implementing an appropriate strategy;
- Case set-up – including data capture and entry;
- Cashiering – two bank accounts with monthly bank reconciliations (due to the nature of the business a number of receipts are still paid in to pre-appointment bank accounts which requires additional administrative burden);
- Statutory reporting – Joint Administrators' statement of proposals, one progress report, one final report;
- Reporting to the Insolvency Service under the CDDA provisions;
- Specific issues such as data protection, health and safety;
- Employee matters- pensions, etc; and
- Case closure matters.

Creditors

- Responding and filing creditor queries;
- Logging creditor claims;
- Adjudicating creditor claims; and
- Preparing for and issuing secondary preferential and unsecured creditor dividends.

Case specific matters

- Tax/VAT – Understanding the Company's tax and VAT position. Preparing and submitting relevant Tax and VAT returns post appointment as required by statute.

Assets

- Completing the final billing to trigger additional consideration from BG and additional book debts to collect (now complete);
- Completing the TSA in order to receive the final TSA payment from BG (now received);
- Reviewing and articulating the final reconciliations to trigger the deferred consideration;
- Completing and reviewing the final settlement account under the transaction;
- Liaising with BG, Ofgem and other key stakeholders to manage the close down of operations;
- Pursuing other asset realisations such as repayments following industry reconciliations;
- Dealing with payroll, employee redundancies and ERA matters;
- Debtors - Dealing with the collection of pre-appointment trade debtors into the administration estate, including liaison with multiple DCAs, customers and energy brokers;
- Dealing with customer queries;
- Insurance matters- Corresponding with our post-appointment insurers regarding cover and passing on any pre-appointment claims; and
- Leasehold properties- dealing with the surrender of the two lease agreements in the Company's name.

Appendices

Appendix D

Disbursements

Disbursements

These are costs and expenses initially paid by us and for which we will seek reimbursement as and when funds permit.

We estimate that the following disbursements are likely to be incurred in relation to the administration.

Category 1 disbursements

These are payments made by us direct to third parties and for which no approval is required.

Our estimate of Category 1 disbursements is given below, all figures are shown excluding VAT.

£ (net)	Estimated per Proposals	Incurred in report period
Postage/Couriers	2,000	813
Specific Penalty Bond	230	-
Total disbursements	2,230	813

Category 2 disbursements

These are costs and expenses which are not generally made to a third party, for example, reimbursement to staff engaged on the case for their mileage costs. These may also include shared or allocated costs. Specific approval is required before these costs and expenses can be drawn from the administration estate.

We do not anticipate any category 2 disbursements.

Appendices

Appendix E

Joint Administrators' Proposals

We are required in accordance with paragraph 51 of Schedule B1 of the Insolvency Act 1986 to seek a decision from creditors on the following matters:

1. Approval of our Proposals;
2. Whether a creditors' committee should be established.

Deemed Consent – Approval of the Joint Administrators' Proposals

We intend to seek approval of our Proposals using the deemed consent procedure. This means that unless you wish to object to our Proposals you do not need to take any action. If you do wish to object, you must notify us of your objection before 23.59 hours on 16 March 2021. For further details, please refer to the Notice of Decision to be held by Deemed Consent which has been uploaded to the case website at www.ips-docs.com for viewing and download.

Creditors' Decision Procedures – to be held by correspondence – fixing the basis of our remuneration and other matters

As indicated on page 17 we will also be inviting creditors to decide on other matters, including to fix the way in which our fees will be paid, and as set out below:

1. Approval that the basis of the Joint Administrators' remuneration shall be fixed at a set fee of £750k plus VAT.
2. Approval that the Joint Administrators' category 1 disbursements and expenses as detailed on page 30 be approved and the Joint Administrators be authorised to draw both category 1 and category 2 expenses, (plus VAT where applicable) from the administration estate.

3. Approval that the Joint Administrators' pre administration fees and expenses of £23.6k, including legal fees, of £39.1k respectively as detailed on page 23 of the Joint Administrators' Proposals be approved and that the Joint Administrators be authorised to draw their pre-administration fees and expenses plus VAT, from the administration estate.

We are required to take these decisions using a creditors' decision procedure, that is, a procedure which enables creditors to vote for or against the matters under consideration. We propose to do this by correspondence further details of which will be uploaded to the website within 1-2 weeks of our proposals being approved as on page 16.

A copy of "A Creditors' Guide to Administrator's Fees" has also been placed on the website together with Frequently Asked Questions about decision procedures in insolvency proceedings.

Please note that in the event that a creditors' committee is formed, specific approval for resolutions 1, 2 and 3 above will be requested from the creditors' committee.

Important Notice

This document has been prepared by the Joint Administrators solely to comply with their statutory duty under paragraph 49 of Schedule B1 of the Act to lay before creditors a statement of their Proposals for achieving the purpose of the administration, and for no other purpose. It is not suitable to be relied upon by any other person, or for any other purpose, or in any other context.

This document has not been prepared in contemplation of it being used, and is not suitable to be used, to inform any investment decision in relation to the debt of or any financial interest in the Company.

Any estimated outcomes for creditors included in this document are illustrative only and cannot be relied upon as guidance as to the actual outcomes for creditors.

Any person that chooses to rely on this document for any purpose or in any context other than under paragraph 49 of Schedule B1 of the Act does so at their own risk. To the fullest extent permitted by law, the Joint Administrators do not assume any responsibility and will not accept any liability in respect of these Proposals.

The Joint Administrators act as agents of the Company and contract without personal liability. The appointments of the Joint Administrators are personal to them and, to the fullest extent permitted by law, Deloitte LLP does not assume any responsibility and will not accept any liability to any person in respect of this document or the conduct of the administration.

All licensed Insolvency Practitioners of Deloitte LLP are licensed in the UK to act as Insolvency Practitioners.

Deloitte.

Deloitte LLP is a limited liability partnership registered in England and Wales with registered number OC303675 and its registered office at 1 New Street Square, London EC4A 3HQ, United Kingdom.

Deloitte LLP is the United Kingdom affiliate of Deloitte NSE LLP, a member firm of Deloitte Touche Tohmatsu Limited, a UK private company limited by guarantee ("DTTL"). DTTL and each of its member firms are legally separate and independent entities. DTTL and Deloitte NSE LLP do not provide services to clients. Please see www.deloitte.com/about to learn more about our global network of member firms.
