Report to the directors on the preparation of the unaudited statutory financial statements of Cybyt Limited for the year ended 31 May 2021

We have compiled the accompanying financial statements of Cybyt Limited based on the information you have provided. These financial statements comprise the Statement of Financial Position of Cybyt Limited as at 31 May 2021, and a summary of significant accounting policies and other explanatory information.

We performed this compilation engagement in accordance with International Standard on Related Services 4410 (Revised), Compilation Engagements.

We have applied our expertise in accounting and financial reporting to assist you in the preparation and presentation of these financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'. As a member firm of the Institute of Chartered Accountants in England and Wales, we are subject to its ethical and other professional requirements which are detailed at www.icaew.com

These financial statements and the accuracy and completeness of the information used to compile them are your responsibility.

Since a compilation engagement is not an assurance engagement, we are not required to verify the accuracy or completeness of the information you provided to us to compile these financial statements. Accordingly, we do not express an audit opinion or a review conclusion on whether these financial statements are prepared in accordance with United Kingdom Generally Accepted Accounting Practice.

This report is made solely to the Board of Directors of Cybyt Limited, as a body, in accordance with the terms of our engagement letter dated 21 June 2021. Our work has been undertaken solely to prepare for your approval the financial statements of Cybyt Limited and state those matters that we have agreed to state to the Board of Directors of Cybyt Limited, as a body, in this report in accordance with our engagement letter dated 21 June 2021. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Cybyt Limited and its Board of Directors, as a body, for our work or for this report.

CYBYT LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MAY 2021

1. General information

Cybyt Limited is a private company limited by shares incorporated in England and Wales. Its registered head office is based at Matrix House Nobel Way, Dinnington, South Yorkshire, S25 3QB. The principal activity of the Company is the provision of software solutions to the financial services sector.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention unless otherwise specified within these accounting policies and in accordance with Section 1A of Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and the Republic of Ireland and the Companies Act 2006.

The following principal accounting policies have been applied:

2.2 Going concern

The directors have considered the Company's cash position, making appropriate enquires and reviewing forecasts of future trading levels and cash flows for the period to and including December 2022. The directors have confirmed their continuing support for the Company and accordingly have determined that it is appropriate to prepare the accounts on a going concern basis.

The related parties of Cybyt Limited confirm that they will not seek repayment for the amounts they are owed at the year end within 12 months from the signing of the financial statements.

A V Burpee confirms that he will not seek repayment for the amounts he is owed at the year end within 12 months from the signing of the financial statements.

The directors have considered all of the potential impacts of the Covid-19 pandemic on the business. Whilst there is still a significant degree of uncertainty, the Company is well placed to deal with the challenges associated with the pandemic.

The directors therefore believe that it is appropriate to adopt the going concern principle in preparing the financial statements.

2.3 Intangible assets

Intangible assets are initially recognised at cost. After recognition, under the cost model, intangible assets are measured at cost less any accumulated amortisation and any accumulated impairment losses.

All intangible assets are considered to have a finite useful life. If a reliable estimate of the useful life cannot be made, the useful life shall not exceed ten years.

The estimated useful lives range as follows:

Intellectual property	-	10	years straight line
-----------------------	---	----	---------------------

2.4 Debtors

Short term debtors are measured at transaction price, less any impairment. Loans receivable are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method, less any impairment.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MAY 2021**

2. Accounting policies (continued)**2.5 Cash and cash equivalents**

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours. Cash equivalents are highly liquid investments that mature in no more than three months from the date of acquisition and that are readily convertible to known amounts of cash with insignificant risk of change in value.

2.6 Creditors

Short term creditors are measured at the transaction price. Other financial liabilities, including bank loans, are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method.

2.7 Finance costs

Finance costs are charged to the Statement of Income and Retained Earnings over the term of the debt using the effective interest method so that the amount charged is at a constant rate on the carrying amount. Issue costs are initially recognised as a reduction in the proceeds of the associated capital instrument.

3. Judgements in applying accounting policies and key sources of estimation uncertainty

Preparation of the financial statements requires management to make significant judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Judgements and estimates are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. The resulting accounting estimates may differ from the related actual results.

The items in the financial statements where these judgements and estimates have been made include:

Useful economic lives of intangible assets

The directors have applied their judgement in calculating the annual amortisation charge for intangible assets. The asset is being amortised over ten years being the length of the associated licence agreement. See intangibles assets note for the carrying amount for intangible assets.

4. Employees

The average monthly number of employees, including directors, during the year was 2 (2020 - 2).
