DIRECTORS' REPORT FOR THE YEAR ENDED 31 MAY 2020

The directors present their report and abridged financial statements for the year ended 31 May 2020.

Principal Activity

The company's principal activity during the year was that of independent financial advisors.

Directors

The directors who served during the year were:

A. M. Jenkins

M. W. Poulton

Directors' responsibilities statement

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulation.

Company law requires the directors to prepare financial statements for each financial year. Under that law, the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Small Company Regime

This report has been prepared taking advantage of the exemptions for small companies within Part 15 of the Companies Act 2006.

This report was a	pproved by the	Board on 3	30 June 2	2020 and	signed on	its behalf:

NOTES TO THE ABRIDGED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MAY 2020

1. ACCOUNTING POLICIES

Statement of compliance

Bryher East Associates Limited (Company Number: 08062305) is a private company limited by shares and incorporated in England and Wales. Its registered office is 1-7 Park Road, Caterham, Surrey CR3 5TB.

The abridged financial statements have been prepared in accordance with FRS 102 Section 1A - The Financial Reporting Standard applicable in the UK and Republic of Ireland and the Companies Act 2006, including the provisions permitting an abridged profit and loss account and balance sheet to be prepared.

Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable. Revenue is reduced for estimated rebates and other similar allowances.

Intangible assets and amortization

Intangible fixed assets held for the company's own use are stated at cost less accumulated amortization and accumulated impairment losses.

Amortization is provided at a rate calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on a straight-line basis at a rate of 10% per annum. At each balance sheet date, the company reviews the carrying amount of its intangible fixed assets to determine whether there is any indication that any items have suffered an impairment loss. If any such indication exists, the recoverable amount of an asset is estimated in order to determine the extent of the impairment loss, if any. Where it is not possible to estimate the recoverable amount of the asset, the company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Tangible assets

Tangible fixed assets held for the company's own use are stated at cost less accumulated depreciation and accumulated impairment losses.

Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives.

At each balance sheet date, the company reviews the carrying amount of its tangible fixed assets to determine whether there is any indication that any items have suffered an impairment loss. If any such indication exists, the recoverable amount of an asset is estimated in order to determine the extent of the impairment loss, if any. Where it is not possible to estimate the recoverable amount of the asset, the company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Taxation

Taxation represents the sum of tax currently payable.

The company's liability for current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.
