1. Accounting policies

Significant accounting policies

The accounts have been prepared under the historical cost convention and in accordance with FRS 102, the financial reporting standard applicable in the UK and Republic of Ireland (as applied to small entities by Section 1A of the standard)

Turnover

Turnover comprises the invoiced value of services supplied by the company, net of Value Added Tax and trade discounts.

Deferred taxation

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the reporting date.

Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the reporting date that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Current and deferred tax assets and liabilities are not discounted.

Tangible fixed assets

Tangible fixed assets, other than freehold land, are stated at cost or valuation less depreciation and any provision for impairment. Depreciation is provided at rates calculated to write off the cost or valuation of fixed assets, less their estimated residual value, over their expected useful lives on the following basis:

Computer Equipment	25% Straight Line
Fixtures and Fittings	25% Straight Line

Provisions

Provisions are recognised when the company has a present obligation as a result of a past event which it is more probable than not will result in an outflow of economic benefits that can be reasonably estimated.
