Trading style(s) of the Company: None

3. PROGRESS OF THE LIQUIDATION DURING THE PERIOD

The shares are soon to be received and there are no other matters to deal with and accordingly the liquidation is closing.

4. COSTS OF THE LIQUIDATION

A summary of the receipts and payments account is attached for your information, analysed to show activity in the last year and the entire period of the liquidation as appropriate.

It shows actual receipts and actual payments rather than accrued and unrealised/unpaid receipts and payments.

Remuneration of the Liquidator

The basis upon which the Liquidator charges remuneration is treated as being fixed on the same basis as in the former Administration. Creditors agreed that remuneration may be drawn by reference to time spent by the Liquidator and his staff attending to matters arising in the liquidation, plus VAT and disbursements. No remuneration has been drawn to date owing to insufficient realisations.

The Liquidator's time costs for the period 28 May 2023 to 23 June 2023 are £924.00 and are shown in more detail at the end of this report. This represents 5.3 hours at an average hourly rate of £174.34. Further guidance on the work involved is shown below:

Category	Description of work undertaken
Admin & Planning	Work completed in this regard includes preparing and submitting the previous progress report, statutory communications, filing and advertising, internal case reviews, cashiering and financial tasks and all other administrative work involved in the case. Creditors are made aware that some aspects of these tasks must be carried out in order for the Liquidator to fulfil his functions and will not derive any financial benefit accordingly.

FTR MOTO LIMITED - IN LIQUIDATION PROGRESS REPORT

The Liquidator's total time costs to date since the commencement of the Liquidation to 23 June 2023 are £10,285.00. This represents 46.7 hours at an average hourly rate of £220.24.

The Liquidator will allocate the funds in hand to defray will expenses of the Liquidation as far as possible, and will also assign the Company's shares in HOTDVC to his firm to cover his remuneration as the value is less than the outstanding remuneration.

Expenses

Expenses are payments from the insolvent estate which are neither an office holder's remuneration nor a distribution to a creditor or member (as appropriate). Expenses include disbursements, which are payments first met by the office holder, and then reimbursed to the office holder from the estate.

Expenses are split into those that do not need approval before they are charged to the estate (category 1) and those that do (category 2):

- Category 1 expenses are payments to persons providing the service to which the expense relates who are not an associate of the office holder and may be paid without prior approval.
- Category 2 expenses are payments to associates or which have an element of shared costs. Before being paid, category 2 expenses require approval in the same manner as an office holder's remuneration. Category 2 expenses require approval whether paid directly from the estate or as a disbursement.

Details of the professional advisors and sub-contractors used are listed below together with the basis of the fee arrangement with them. The organisations and/or individuals were chosen based on our perception of their experience and ability to perform this type of work, the complexity and nature of the assignment and the basis of our fee arrangement with them:

Name of Professional Adviser of Sub-contractor	Brief description of services provided	Basis of fee arrangement
Myersons Solicitors LLP ("Myersons")	Legal advice relating to intellectual property rights	Fixed fee
Metis Partners ("Metis")	Agents fees for the sale of intellectual property rights	Fixed fee

Any expenses paid during the reporting period are shown on the receipts and payments account at the end of this report.

5. PROSPECTS FOR CREDITORS

Secured Creditors

HOTVDC was granted a fixed and floating charge over the Company on 29 October 2012. The sum of £336,751 is outstanding. In accordance with the terms of the CVA of HOTVDC, no claim was received.

Preferential Creditors

There are no known preferential creditors in this matter.

Unsecured Creditors and Prescribed Part

Pursuant to Section 176A of the Act where a company has granted a floating charge to a creditor on or after 15 September 2003, a proportion of the net property of that company must be made available purely to unsecured creditors.

The Company has granted a floating charge after 15 September 2003 and therefore the prescribed part does apply. There are insufficient net assets to enable a floating charge distribution and therefore there will be no prescribed part in the liquidation.

The SofA detailed unsecured creditors of £172,684. As at the date of this report claims have been received totalling £143,671.

In accordance with Rule 14.36 of the Rules, the Liquidator confirms that no dividend will be declared in this matter as all assets realised have been used to defray the expenses and remuneration of the Liquidator.

Further Information

This final report and account to creditors concludes the administration of the Liquidation. The notice accompanying this report explains to creditors their rights upon receipt of this final account, and also when the Liquidation is released and vacates office.

OFFICE HOLDER'S FEES AND DISBURSEMENTS POLICY

Fees based on Time Properly Given and the Estimation of Fees

Each member of staff involved with the case will time charge on an individual basis. The hourly cost of each member of staff shall be calculated in accordance with their experience and resultant grade within the practice.

Recording of Fees

Time is formally recorded in prescribed categories in units of 6 minutes. All units of time properly spent working on the relevant insolvency appointment shall be recorded on a formal time management system and retained throughout appointment, irrespective of the basis of fees.

Charge Out Rates

Hourly charge out rates from 1 January 2022 are:

Charges for usual cases	Standard work (£)	Investigation work beyond 3 months (£)
Partner/Director/Consultant	395-500	474-600
Manager/Senior Manager	300-390	360-468
Assistant Manager	260-300	312-360
Administrator/Senior Administrator	175-240	210-288
Cashier	140	140
Junior and Support Staff	110-140	132-168

Hourly charge out rates for time spent under the category of investigations persisting beyond the first 3 months of an insolvency appointment shall be charged at a rate 20% higher than those shown above to reflect the speculative nature of the work being performed. This increase will not apply to work performed in relation to the categories of Admin and Planning, Creditors or Asset Realisations. The increase will also not apply to the cashier grade of staff as it is not envisaged the cashier grade would be utilised within the investigation work.

The basis upon which the Office Holder determines the appropriate charge out rate on the complexity of the case is detailed in the respective independent creditors' guides to fees, available to download from our company website or by email from this office.

The Office Holder reserves the right to uplift both the hourly rates and category 2 disbursements periodically without further recourse to the creditors. By law, such increases must be disclosed to creditors within each statutory report. Where such increases affect the total fees incurred and take these over the totality of any fee resolution proposed previously, an additional fee resolution will be sent to creditors for their consideration.

Support Staff

In an effort to minimise costs to the case, it is necessary to use support staff to undertake certain matters. Support staff time is charged in the same manner as technical staff on the rates outlined above.

VAT

Services provided by Insolvency practitioners are subject to VAT, except when acting as Nominee or Supervisor of an estate.

Our fees will be subject to VAT at the appropriate rate.

Where the case is not registered for VAT, VAT shall be shown as an irrecoverable expense of the estate.

Expenses

Every case dealt with will incur expenses in addition to fees.

Expenses are payments from the insolvent estate which are neither an office holder's remuneration nor a distribution to a creditor or member (as appropriate). Expenses include disbursements, which are payments first met by the office holder, and then reimbursed to the office holder from the estate.

Expenses are split into those that do not need approval before they are charged to the estate (category 1) and those that do (category 2):

- Category 1 expenses are payments to persons providing the service to which the expense relates who are not an associate of the office holder and may be paid without prior approval.
- Category 2 expenses are payments to associates or which have an element of shared costs. Before being paid, category 2 expenses require approval in the same manner as an office holder's remuneration. Category 2 expenses require approval whether paid directly from the estate or as a disbursement.

Category 1 can include, but not be limited to, insolvency bonds, statutory advertising, postage costs, company searches, land registry searches, post redirection, third party postal service, external room hire, public transport, subsistence and accommodation costs incurred by staff whilst attending to the administration of the estate, bank charges, Anti Money Laundering searches.

Category 2 can include, but not be limited to, mileage, storage of books and records where each estate is not separately invoiced but a per box charge is applied and the number of boxes for the case is known, any payments to a person/provider where a reasonable and informed third party would consider there to be an association.

Any authorised category 2 expenses which have been charged shall be shown in the statutory abstract of accounts.

Lucas Ross Limited currently charge mileage at 50 pence per mile.
