All such reports must be delivered in accordance with section 34 of the Companies (Audit, Investigations and Community Enterprise) Act 2004 and contain the information required by Part 7 of the Community Interest Company Regulations 2005. For further guidance see chapter 8 of the Regulator's guidance notes and the alternate example provided for a more complex company with more detailed notes.

**(N.B. A Filing Fee of £15 is payable on this document. Please enclose a cheque or postal order payable to Companies House)**

**PART 1 - GENERAL DESCRIPTION OF THE COMPANY'S ACTIVITIES AND IMPACT**

In the space provided below, please insert a general account of the company's activities in the financial year to which the report relates, including a fair and accurate description of how they have benefited the community, or section of the community, which the company is intended to serve

The company provides education support to 2 schools to enable their development. The schools are set up in Manchester and Oldham.

Collective Spirit Oldham opened in September 2013 and Manchester Creative Studio opened in September 2014. Both schools were developed via Collective Community Partnerships.

During the financial year 2013 – 2014 the company supported -

- Manchester Creative Studio to open and Collective Spirit Oldham in its first year opening
- The company supported Collective Spirit through the delivery of educational activities such as school trips and extra Curriculum activities such as fencing, art, sports and other enrichment activities
- The company additionally supported these activities by finding new start up businesses to deliver these activities with the school environment in an innovative way to enrich the student experience
- The curriculums that are delivered are tailored towards the student needs and experiences by consulting with them over their own aspirations
- The company also supports the school's student experience by tailoring psychological assessments to allow students to understand their educational journey
- The company additionally funds and tops up a school bursary scheme to allow students to undertake activities which otherwise they would be unable to undertake such as entering the National Fencing championships
- Through the school bursary scheme the company pays for additional equipment to allow students to undertake specialist activities such as IT training and sports
- All services that are provided to schools are provided at cost with no profit being garnered. Any monies that are saved in these activities would be used to fund additional extended classes and one off trips such as to the People History Museum, Kingswood or specialist exhibition/ art events
- The community also funds evening sessions at the school that allows the local community to engage with courses at no cost to themselves. These activities are run from the school with the company funding the costs of the equipment and the tutors

*(If applicable, please just state "A social audit report covering these points is attached")*

*(Please continue on separate continuation sheet if necessary)*

**PART 2 – CONSULTATION WITH STAKEHOLDERS** – Please indicate who the company's stakeholders are, how the stakeholders have been consulted and what action, if any, has the company taken in response to feedback from its consultations? If there has been no consultation, this should be made clear

The company's stakeholders are the students and teachers of the school. Consultation is taken with the students about courses that they wish to see and whom they want there learning to be supported.

The extended curriculum offer is informed by this approach and questionnaires are presented to students to allow them to present their ideas and reflections of the courses delivered.

Teachers are involved in this process via their specific input into the ways of learning which is linked back to the school's ethos of full participation and reducing the barriers to learning for all students.

*(If applicable, please just state "A social audit report covering these points is attached")*
