**Structure, Governance and Management**

The charity trustees (who are also the directors of Ordinary People Interesting Lives for the purposes of company law) are responsible for preparing a trustees' report and accounts in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

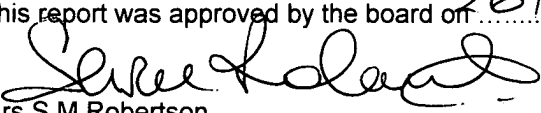

Company law requires the charity trustees to prepare accounts for each year which give a true and fair view of the state of affairs of the charitable company and of the income and expenditure, of the charity for that period. In preparing the accounts, the trustees are required to:

### **Independent Examiner's Report**

I report on the accounts of the charity for the year ended 30 June 2019, which are set out on the attached pages.

#### **Respective responsibilities of the trustees and the examiner**

The Trustees, who are also the directors of Ordinary People Interesting Lives for the purposes of company law, are responsible for the preparation of the accounts. The Trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011, the 2011 act, and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under Part 16 of the Companies Act 2006 and is eligible for independent examination, it is my responsibility to:

- (i) examine the accounts under section 145 of the 2011 Act;
- (ii) follow the procedures laid down in the General Directions given by the Charity Commissioners under section 145(5)(b) of the 2011 Act; and
- (iii) state whether particular matters have come to my attention.

#### **Basis of an independent examiner's report**

My examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

#### **Independent examiner's statement**

In connection with my examination, no matter has come to my attention:

1. which gives me reasonable cause to believe that in any material respect the requirements:
  - (i) to keep accounting records in accordance with section 386 of the Companies Act 2006; and
  - (ii) to prepare accounts which accord with the accounting records, comply with the accounting requirements of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities (revised 2005) have not been met, or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Notes to the Accounts  
for the year ended 30 June 2019**

**1 Accounting policies**

***Basis of preparation***

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Ordinary People Interesting Lives meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

***Income recognition***

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received and the amount can be measured reliably.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank. Dividends are recognised once the dividend has been declared and notification has been received of the dividend due. This is normally upon notification by our investment advisor of the dividend yield of the investment portfolio

***Expenditure recognition***

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis.

Grants payable are payments made to third parties in the furtherance of the charitable objects of the charity.

***Irrecoverable VAT***

Irrecoverable VAT is charged against the expenditure heading for which it was incurred.

***Charitable activities***

Costs of charitable activities include grants made and operation costs which include governance costs and investment managers fees.

***Fixed asset investments***

Investments are a form of basic financial instrument and are initially recognised at their transaction value and subsequently measured at their fair value as at the balance sheet date using the closing quoted market price. The statement of financial activities includes the net gains and losses arising on revaluation and disposals throughout the year. The charity does not acquire put options, derivatives or other complex financial instruments. The main form of financial risk faced by the charity is that of volatility in equity markets and investment markets due to wider economic conditions, the attitude of investors to investment risk, and changes in sentiment concerning equities and within particular sectors or sub sectors.

**Notes to the Accounts**  
**for the year ended 30 June 2019**

***Realised gains and losses***

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and their opening carrying value or their purchase value if acquired subsequent to the first day of the financial year. Unrealised gains and losses are calculated as the difference between the fair value at the year end and their carrying value. Realised and unrealised investment gains and losses are combined in the Statement of Financial Activities.

The significance of financial instruments to the ongoing financial sustainability of the charity is considered in the financial review and investment policy and performance sections of the Trustees' Report.
