TRUSTEES' REPORT

FOR THE PERIOD ENDED 31 JULY 2013

The trustees present their report and accounts for the period ended 31 July 2013.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's Governing document detailed within the Memorandum and Articles, as amended by special resolutions dated 12 November 2012 and 2 January 2013, the Companies Act 2006 and the Statement of Recommended Practice, "Accounting and Reporting by Charities", issued in March 2005.

Structure, governance and management

The charity was incorporated on 10 July 2012 as a company limited by guarantee and registered as a charity by the Charities Commission on 14 January 2013.

The trustees, who are also the directors for the purpose of company law, and who served during the period were:

Dr M Brunner (Appointed 10 July 2012)

Mr S Derby (Appointed 10 July 2012)

None of the trustees has any beneficial interest in the company. All of the trustees are members of the company and guarantee to contribute £10 in the event of a winding up.

The company must have a minimum of one director, but no maximum. The quorum for a meeting of the members is a minimum of two, or one tenth of the total membership at the time, whichever is greater.

The trustees have assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

Objectives and activities

The charity's objects are to advance education, relieve sickness and promote health in Ghana in particular but not exclusively by the provision of financial, physical and educational assistance to hospitals and schools in Ghana by such means as the trustees deem fit.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

The trustees have actively promoted the objectives of the charity, and provided much needed funds and resources to beneficiaries.

Achievements and performance

The trustees have continued the development of the charity both with regard to fund raising and application of the charitable funds to the beneficiaries.

Financial review

The charity remains dependent upon donations to fund its activities, and the trustees much appreciate the support provided by the many donors.

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six month's expenditure. The trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the period.

On behalf of the board of trustees
