ST THOMAS BECKET CATHOLIC PRIMARY SCHOOL

GOVERNORS' REPORT

FOR THE YEAR ENDED 31 AUGUST 2023

The governors present their annual report together with the financial statements and auditor's report of the charitable company for the year 01 September 2022 to 31 August 2023. The annual report serves the purposes of both a governors' report, and a directors' report under company law.

The principal activity of the company is the operation of a state-funded Academy; St Thomas Becket Catholic Primary School, providing a state education for students aged 4 to 11. It has a pupil capacity of 420 and had a roll of 410 in the school census in October 2023.

Structure, governance and management

Constitution

The academy trust was incorporated as a company on 31 July 2012 and the predecessor school converted to academy status on 31 July 2012. The academy trust is a company limited by guarantee and an exempt charity. The charitable company's memorandum and articles of association are the primary governing documents of the academy trust.

The governors of St Thomas Becket Catholic primary School are also the directors of the charitable company for the purposes of company law and they are trustees of the charitable company.

Details of the Governors who served during the year, and to the date these accounts are approved are included in the Reference and Administrative Details on page 1.

Members' liability

Each member of the charitable company undertakes to contribute to the assets of the charitable company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a member.

Governors' indemnities

Since the incorporation of the charitable company on 31 July 2012 the governors (directors) have been indemnified in respect of their legal liability for financial loss arising as a result of a negligent act, accidental error or omission in the course of their official duties. As explained in the relevant note to the Financial Statements, the limit of this indemnity is £2,000,000.

No indemnities have been provided to any third parties on behalf of any of the governors.

Method of recruitment and appointment or election of governors

In accordance with the articles, the governors of the charitable company are the trustees and directors of the charitable company. They are appointed as follows:

- a) Existing Governors — The Trustees of the St Thomas Becket Catholic Primary School have the right to appoint up to EIGHT governors. Such appointments are usually made following consultation among the governors of the School.

In addition to their overall role as governors, the governors are appointed for the purpose of ensuring that the character of the Academy is preserved and developed. They are also appointed to ensure that the Academy is conducted in accordance with the governing documents as well as any trust deed relating to the Academy.

- b) Parent Governors — The Articles of Association require that there shall be TWO Parent Governors. Parents, including carers, of registered pupils at the Academy are eligible to stand as individuals for election as a Parent Governor. They are elected by other parents at the Academy as individuals who are representative of the parental body. Suitable procedures have been put in place for the conduct of Parent Governor Elections.

If insufficient parents stand for election, the Governing Body must appoint Parent Governors to bring their number up to that required by the Articles of Association. Such appointed Parent Governors would preferentially be parents or carers of registered pupils at the Academy. If, however, no such parents are

ST THOMAS BECKET CATHOLIC PRIMARY SCHOOL

GOVERNORS' REPORT

FOR THE YEAR ENDED 31 AUGUST 2023

willing to undertake the role then the Governing Body can appoint any person who is the parent or carer of one or more school-age children.

- c) Staff Governors — Up to TWO Staff Governors are elected by the Academy staff as individuals, representative of the staff of the School. Both teaching and support staff paid to work at the Academy are eligible for staff governorship.

Suitable procedures have been put in place for the conduct of Staff Governor elections.

- d) Local Authority Governors — Up to ONE LA Governor can be appointed by the Governing Body.
- e) Co-opted Governors — Up to TWO Co-opted Governors can be appointed by the Governing Body because they have experience and/or expertise of particular benefit to the school.

Following an identification of specific needs suitable candidates are identified by the Governing Body and approached accordingly.

A "Co-opted Governor" means a person who is appointed to be a Governor by being co-opted by Governors who have not themselves been so appointed.

The Governors may not appoint an employee of St Thomas Becket Catholic Primary School as a Co-opted Governor if the number of governors who are employed by the Academy (including the Head Teacher) would thereby exceed one third of the total number of governors.

Policies and procedures adopted for the induction and training of governors

Following their appointment/election all new governors receive an introduction to their role from the Chairman and Head Teacher, this introduction includes tours of the Academy's sites and the opportunity to meet other members of the Senior Leadership Team.

The Governing Body at St Thomas Becket Catholic Primary School is committed to providing adequate opportunities for governors to undertake and receive suitable training so as to enable them to undertake their role more effectively.

Organisational structure

We are now into our tenth year as an academy and remain of the view that status conversion was in the best interests of our School. We continue strong links with the Diocese, Local Authority and other schools. Many other schools within Croydon are now academies and The Croydon Catholic Primary Schools' Umbrella Trust has been established, with diocesan support, and seven Croydon Catholic primary schools are members of this trust.

At St Thomas Becket Catholic Primary School the majority of the roles and responsibilities of the Governing Body have been delegated to a small number of committees.

Members of the Senior Leadership Team (SLT), in addition to the Head Teacher, attend governors' meetings as appropriate.

The governors are responsible for the strategic management of the School; deciding and setting key aspects of the School, including strategic direction, annual budgets, senior staff appointments, policy changes etc. Operational management is the responsibility of the Head Teacher and staff. The latter is carried out at a number of levels; i.e. by the Senior Leadership Team, subject leaders and year group staff.

Academy policies are developed by senior members of the Academy's staff, to reflect both the strategic direction agreed by the governors and also statutory requirements. These policies are approved and adopted by the Governing Body, and implemented as procedures and systems by the SLT and other designated members of staff.

ST THOMAS BECKET CATHOLIC PRIMARY SCHOOL

GOVERNORS' REPORT

FOR THE YEAR ENDED 31 AUGUST 2023

The Board of Governors, the majority of whom are non-executive, comprises those persons appointed under the Articles of Association. The board meets at least three times a year and has seven committees which deal with policies, developments and assessment of different areas of the running of the Academy. The committees are as follows:

- Full Governing Body
- Curriculum and Standards Committee
- Resources Committee (includes finance and buildings, personnel and health & safety)
- Admissions Committee
- Pay and Remuneration Committee

All of the committees are formally constituted with terms of reference and comprise appropriately qualified and experienced members. Governors delegate specific responsibilities to its committees, the activities of which are reported to and discussed at full Governing Body Meetings. The committees meet each term. All policies and budget decisions are agreed by the Governing Body.

The Head Teacher is the Accounting Officer for the Academy.

The day to day management of the Academy is undertaken by the Head Teacher, supported by the Leadership Team.

The Trust has no subsidiaries, joint ventures, or associates.

Arrangements for setting pay and remuneration of key management personnel

The senior management team (SMT) are the key management personnel of the trust. Trustees are also senior management although they receive no pay or other remuneration in respect of their role as trustees. Where staff trustees are in place, they receive remuneration for their role as staff and their pay is determined in the same way as applicable to all other staff. Further details of remuneration paid to staff who are trustees is set out within the notes to the accounts.

The pay of the Headteacher is set annually by the Pay & Remuneration Committee, having regards to performance against objectives set the previous year as indicated through performance management. Pay of other SMT members is recommended to and approved by the Pay & Remuneration Committee again having regard to performance against previously agreed objectives and any recommendations made by the Headteacher.

Objectives and activities

Objectives and aims

The objectives of the company are the advancement of the Catholic religion in the Diocese and to promote for the benefits of the inhabitants of the local area, the provision of facilities for recreation. It achieves these objectives by operating the St Thomas Becket Catholic Primary School, providing a state-funded primary education free of charge to its pupils and by making its facilities available to the local community.

The Academy provides an education for pupils who are preferentially drawn from the Christian community of the area in which the Academy is situated.

Objectives, strategies and activities

The Academy Trust was set up on 31 August 2012 to advance, for the public benefit, education in Our Lady of the Annunciation Parish and surrounding parishes by maintaining, operating and developing St Thomas Becket Catholic Primary School; a School with a history and tradition dating back to 1967. St Thomas Becket Catholic Primary School offers a broad-based curriculum.

An initial objective was to ensure a smooth and seamless conversion of the School from voluntary aided to academy status. In doing this the Governing Body determined to maintain the Christian ethos, values, standards and achievements of the School, whilst continuing to work to fulfil the School's medium and longer term development plans.

The aims of the School rest on the following principles:

- Help children develop a sense of self-worth and promote a spirit of respect for others and a resolve to help the less fortunate both in the local community and the global community.

Going concern

After making appropriate enquiries, the board of governors has a reasonable expectation that the academy trust has adequate resources to continue in operational existence for the foreseeable future. For this reason, it continues to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Accounting Policies.

ST THOMAS BECKET CATHOLIC PRIMARY SCHOOL

GOVERNORS' REPORT

FOR THE YEAR ENDED 31 AUGUST 2023

Financial review

We receive our income from a number of different sources. The majority of our income comes from central government via the Education and Skills Funding Agency who provide us with grant, based largely on our student numbers to cover our staffing and other general running costs (General Annual Grant - GAG). The ESFA may provide us with additional grants which are earmarked for specific purposes (such as Pupil Premium which must be used to raise the attainment of disadvantaged pupils). These appear in the accounts as DfE/ESFA grants. Where we receive grant or other funding from the Local Authority (such as where we undertake responsibilities on their behalf in respect of our students) this appears in the accounts as other government grants. Such income is collectively referred to as "Restricted Funds".

Other income is received from parents (for example as contributions to trip or other costs) and from third parties (for example from our bank for interest on our account balances or from others who are charged for their use of our facilities). Such other income may be restricted or unrestricted, depending on whether it comes to us with conditions as to its use or whether it is available for spending at the discretion of the trustees.

We hold funds in two broad categories, funds which are available for spending and other funds which are not available for spending.

Spendable funds are in turn sub-categorised between those which are available for spending at the discretion of trustees ("Unrestricted Funds") and those which are subject to condition or restriction, ("Restricted Funds").

Funds not available for spending include the book value of fixed assets such as land, buildings and equipment. These have a value and are therefore included as assets in the accounts but clearly, we cannot spend this value. In common with all academies and Local Authorities, our share of the Local Government Pension Scheme deficit must also be reflected in our accounts and as this is not a conventional liability, it does not need to be deducted from spendable funds. We meet our obligations in respect of the LGPS by paying over pension contributions due as calculated by the scheme's actuaries.

The following balances held were held at 31 August:

Fund	Category	2023 £'000	2022 £'000
GAG	Restricted General Funds	-	8
Other DfE/ESFA Grants	Restricted General Funds	1	-
Other Government Grants	Restricted General Funds	-	-
Other Income	Restricted General Funds	45	44
Sub-total General Restricted Funds		46	52
Other Income	Unrestricted General Fund	38	14
Unspent Capital Grants	Restricted Fixed Asset Fund	26	111
Sub-total Spendable Funds		110	177
Net Book Value of Fixed Assets	Restricted Fixed Asset Fund	21	35
Share of LGPS Deficit	Restricted Pension Reserve	-	(75)
Total All Funds		131	137

During the year under review there was a decrease of £6k (2022: decrease of £104k) on general restricted funds, a decrease of £85k (2022: increase of £20k) on unrestricted funds and after LGPS valuation adjustments, depreciation and capital income and expenditure, an overall increase / decrease of £6k (2022: increase of £856k).

There have been a number of exceptional factors that have impacted this changing position. The school was subject to a fine of £35k from the HSE and the first instalment of this has already been paid, along with some unrecoverable legal fees (those not covered by RPA policy). "There were also significant, legal, HR and cover costs relating to staff periods of absence from school, significantly more than would normally be the case." Finally, energy bills and teacher salaries cost more than forecast due to above budgeted increases being agreed by government & unions (latter).

ST THOMAS BECKET CATHOLIC PRIMARY SCHOOL

GOVERNORS' REPORT

FOR THE YEAR ENDED 31 AUGUST 2023

Pupil numbers have been very stable for a number of years, and as many of the KPIs of the school remain unchanged, we forecast that pupil numbers will remain stable for the coming 3 years at least. A new in house Breakfast Club and After School Club provision has been established which has provided a sought after service for families, will enhance the offering the school is able to provide whilst maintaining and improving applications for places to the school. Further salary increases and uncertainty about government funding are recognised risks going forward. Uncertainty about the energy market and relative inefficiency of our ageing boilers are also factors that will probably contribute to higher bills and maintenance costs in the coming years.

A number of capital projects are planned for the coming years, such as CIF bids that are currently being submitted for improvements to the fire infrastructure and roof. Some capital funding will be allocated to funding related works. Wrap-around care has been introduced at STB in Sept 2023 and this is already generating a modest profit for the school. We expect that, based on projected pupil numbers, income & profit will grow from this venture in the next 2-3 years.

Reserves policy

Under its Funding Agreement with the Secretary of State for Education St Thomas Becket Primary School is allowed to hold reserves at the year end. The EFA previously set limits on the amount of GAG that could be carried forward by trusts from year-to-year. These limits have now been removed.

Trusts should use their allocated GAG funding for the full benefit of their current pupils. The Trust does not currently have a substantial surplus but will be required to have a clear plan for how such a surplus will be used for the benefit of their pupils, for example a long-term capital project, were one to be established.

The governors' Finance and Buildings Committee has reviewed these reserve levels and believe that they should provide sufficient working capital to cover delays between spending and receipt of grants and to allow for unexpected situations such as urgent maintenance work. Under normal circumstances the governors would aim to maintain reserves of between 5% and 10% of GAG as an appropriate cushion.

Investment policy and powers

There are no investments held beyond cash deposits retained with the major UK clearing banks. Speculative investments are not permitted.

Principal risks and uncertainties

The governors have assessed the major risks to which the Academy is exposed, in particular those relating to academic performance/finances/child welfare/admissions. The governors have implemented a number of systems to assess risks that the Academy faces, and have developed policies and procedures to mitigate those risks. Where significant financial risk still remains they have ensured they have adequate insurance cover. The Academy has an effective system of internal financial controls and this is explained in more detail in the Governance Statement.

The principal financial risk faced by the company is that ongoing pressure on funding results in a risk that deficits may be experienced. The budgeting and reporting process, including scrutiny by the governors of actual financial performance, mitigates the risk.

As the nature of the financial instruments dealt with by the company is relatively simple (bank balances, debtors and "trade" creditors), governors consider the associated risk in this area to be minimal.

The risk resulting from the company's share of the LGPS deficit is managed by following the advice of the scheme's actuaries, specifically as regards the level of contributions payable, ensuring that annual budgets are drawn up to reflect the actuary's advice.

Most of the company's income is obtained from the DfE (via the Education and Skills Funding Agency) in the form of recurrent grants, the use of which is restricted to particular purposes. The grants received from the DfE during the period ended 31 August 2023 and the associated expenditure are shown as restricted funds in the statement of financial activities.

ST THOMAS BECKET CATHOLIC PRIMARY SCHOOL

GOVERNORS' REPORT

FOR THE YEAR ENDED 31 AUGUST 2023

The main risks identified include:

- Funding level per pupil
- Level of pupils on roll

These risks are reviewed by the Finance and Buildings Committee at their meetings in order to retain a 'watching brief. Systems and procedures are in place to manage and mitigate these risks.

Our fundraising practices

The trust and individual academies within it organise fundraising events and appeals and co-ordinate the activities of our supporters both in the academies and in the wider community on behalf of the trust.

The trust does not use professional fundraisers or involve commercial participators.

There have been no complaints about fundraising activity this year.

The trust complies with the Fundraising Regulator's Code of Fundraising Practice).

All fundraising is undertaken by the trust in a manner that seeks to ensure that it is not unreasonably intrusive or persistent. Contact is made through email, academy newsletters, our websites and via students. All fundraising material contains clear instructions on how a person can be removed from mailing lists.

Plans for future periods

St Thomas Becket Catholic Primary School will continue to work to maintain the performance of its students at all levels. Additionally, it will continue its efforts to improve the achievements of its students, not only in academic subjects but also in extra-curricular activities and in essential life skills; so as to increase the number of opportunities open to its students when they move on to senior education.

St Thomas Becket Catholic Primary School aims to continue its work in taking the teaching and learning into the community local to the Academy, both in local Schools and with members of the general public. Through this on-going initiative the Academy hopes to maintain and foster further the good relationships that it has developed with its partner Schools.

Funds held as custodian trustee on behalf of others

The academy trust is not acting as custodian for any other external body.

Auditor

In so far as the governors are aware:

- there is no relevant audit information of which the charitable company's auditor is unaware; and
- the governors have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

The trustees' report, incorporating a strategic report, was approved by order of the Board of Governors, as the company directors, on 14.12.2023 and signed on its behalf by.

M Humphreys
Chair of Governors

ST THOMAS BECKET CATHOLIC PRIMARY SCHOOL

GOVERNANCE STATEMENT

FOR THE YEAR ENDED 31 AUGUST 2023

Scope of responsibility

As governors we acknowledge we have overall responsibility for ensuring that St Thomas Becket Catholic Primary School has an effective and appropriate system of control, financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

The Board of Governors has delegated the day-to-day responsibility to the Head Teacher, as accounting officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between St Thomas Becket Catholic Primary School and the Secretary of State for Education. The Accounting Officer is also responsible for reporting to the Board of Governors any material weaknesses or breakdowns in internal control.

Governance

Board meetings took place 4 times during the 2022 – 2023 financial year, once each term and an initial business meeting in September 2022. The two main committees (curriculum and resources) meet three times per year each and the pay & remunerations, audit and admissions committees meet once per year as a minimum requirement and more often if necessary. The school employs an independent clerk to record meeting minutes and these are circulated to all governors.

The information on governance included here supplements that described in the Governors' Report and in the Statement of Governors' Responsibilities. The Board of Governors has formally met 4 times during the year. Attendance during the year at meetings of the Board of Governors was as follows:

The governing body has established a succession plan and has established shadow chairs for each committee.
- The curriculum committee oversees academic progress, attainment and the curriculum that is provided for pupils. They meet with subject leads, study & challenge data from a range of internal and external assessments and review ongoing teaching & learning monitoring reports.

ST THOMAS BECKET CATHOLIC PRIMARY SCHOOL

GOVERNANCE STATEMENT

FOR THE YEAR ENDED 31 AUGUST 2023

- Governor engagement with the school is high and there is a strong collective skillset from a range of professions.
- Governors use benchmarking data from a range of official sources to compare financial and academic performance against schools locally and nationally. STB also uses other sources such as attendance reports from FFT to hold school leaders to account regarding attendance of pupils.

Conflict of interest

St Thomas Becket school maintains an up-to-date and complete register of interests. The information on this register is used in the day-to-day management and governance of the academy trust. Governors complete a written declaration of interests annually and are asked to declare any pecuniary or other interests at the start of each FGB or committee meeting.

Governance reviews

The Finance and Buildings Committee sits within the Resources committee, a sub-committee of the main Governing Body. Its purpose is to plan and recommend budget for approval by the Full Governing Body. They obtain regular reports from the School Financial advisor and the Academy's Auditors. The Resources Committee has formally met 4 times during the year. The Attendance for these 4 meetings in the year was as follows:

Review of Value for Money

As accounting officer, the Head Teacher has responsibility for ensuring that the academy trust delivers good value in the use of public resources. The accounting officer understands that value for money refers to educational and wider societal outcomes, as well as estates safety and management, achieved in return for the taxpayer resources received.

The accounting officer considers how the trust's use of its resources has provided good value for money during each academic year, and reports to the board of trustees where value for money can be improved, including the use of benchmarking data where available. The accounting officer for the academy trust has delivered improved value for money during the year by:

RAISING STUDENT ATTAINMENT

- St Thomas Becket is highly inclusive and we have high expectations of progress for all our students. The Academy has in place a rigorous tracking of student progress and achievement, with underachievement identified early and the appropriate interventions put in place. The Academy operates an extensive programme of lesson observations and self-evaluation judgements of lessons by teaching staff, work scrutiny and pupil review.

QUANTIFYING IMPROVEMENTS

- The Academy supports improvements elsewhere and the headteacher has worked with the Croydon Catholic Primary Schools Umbrella Trust to support the improvement in standards across other Catholic schools in Croydon. This includes the part-secondment of the deputy headteacher to a neighbouring school for two terms. Attainment over recent years generally shows an upward trend. Behaviour is 'outstanding' and attendance is significantly above national data.
- The Academy continues to be oversubscribed with 125 applications received for 60 places.
- Inspections by Ofsted in April 2022 found the school to be 'Good' overall and 'Outstanding' in Early Years and Personal Development.

ST THOMAS BECKET CATHOLIC PRIMARY SCHOOL

GOVERNANCE STATEMENT

FOR THE YEAR ENDED 31 AUGUST 2023

FINANCIAL GOVERNANCE AND OVERSIGHT OF THE ACADEMY TRUST FINANCES

- The Governing Body approves the annual budget forecast and reviews admissions numbers on an annual basis to ensure that we remain a "going concern" and facilitates future financial stability. The Finance & Buildings Committee (as part of Resources committee) meets termly to review the budget monitoring reports. Trustees consider the External Auditor's Management Report and take action on any recommendations made by them. Terms of Reference for all Governing Body Committees are reviewed and approved annually.

The purpose of the system of internal control

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives. It can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an on-going process designed to identify and prioritise the risks to the achievement of Academy Trust policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in St Thomas Becket Catholic Primary School for the period 01 September 2022 to 31 August 2023 and up to the date of approval of the annual report and financial statements.

Capacity to handle risk

The Board of Governors has reviewed the key risks to which the Academy Trust is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The Board of Governors is of the view that there is a formal ongoing process for identifying, evaluating and managing the Academy Trust's significant risks that has been in place for the period 01 September 2022 to 31 August 2023 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the Board of Governors.

The risk and control framework

The Academy Trust's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the Board of Governors;
- regular reviews by the Resources Committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes;
- setting targets to measure financial and other performance;
- clearly defined purchasing (asset purchase or capital investment) guidelines;
- delegation of authority and segregation of duties;
- identification and management of risks.

The Board of Trustees has considered the need for a specific internal audit function and has appointed auditors, Bayar Hughes & Company, to carry out termly internal scrutinies.

This role includes giving advice on financial matters and performing a range of checks on the Academy's financial and non-financial systems. Board of Trustees will consider the best way of implementing assurance checks for 2021-22.

In particular, the checks carried out in the current period included:

Insert details of the checks carried out. The following bullets are illustrative examples only as academy trusts should determine the scope of their checks based on a consideration of the relative risks.

- testing of recruitment processes
- testing of business continuity processes
- testing of control account / bank reconciliations including:
 - Procurement
 - Bank, Cash & Credit card
 - Income recognition and VAT126 submissions

GOVERNANCE STATEMENT

FOR THE YEAR ENDED 31 AUGUST 2023

On a termly basis, the auditor reports to the board of trustees, through the audit and risk committee on the operation of the systems of control and on the discharge of the board of trustees' financial responsibilities and annually prepares an annual summary report to the committee outlining the areas reviewed, key findings, recommendations and conclusions to help the committee consider actions and assess year on year progress.

Review of effectiveness

As accounting officer the Headteacher has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- the work of the external auditor;
- the financial management and governance self-assessment process
- the work of the executive managers within the Academy Trust who have responsibility for the development and maintenance of the internal control framework.
- the work of the external financial consultant

The accounting officer has been advised of the implications of the result of their review of the system of internal control by the Finance Committee and a plan to address weaknesses and ensure continuous improvement of the system is in place.

STATEMENT OF REGULARITY, PROPRIETY AND COMPLIANCE

FOR THE YEAR ENDED 31 AUGUST 2023

As accounting officer of St Thomas Becket Catholic Primary School, I have considered my responsibility to notify the Academy Trust Board of Governors and the Education and Skills Funding Agency (ESFA) of material irregularity, impropriety and non-compliance with terms and conditions of all funding, including for estates safety and management, under the funding agreement in place between the Academy Trust and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academy Trust Handbook 2022, including responsibilities for estates safety and management.

I confirm that I and the Academy Trust's Board of Governors are able to identify any material irregular or improper use of funds by the Academy Trust, or material non-compliance with the terms and conditions of funding under the Academy Trust's funding agreement and the Academy Trust Handbook 2022.

I confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the Board of Governors and ESFA.

ST THOMAS BECKET CATHOLIC PRIMARY SCHOOL

STATEMENT OF GOVERNORS' RESPONSIBILITIES

FOR THE YEAR ENDED 31 AUGUST 2023

The Governors (who act as trustees for St Thomas Becket Catholic Primary School and are also the directors of St Thomas Becket Catholic Primary School for the purposes of company law) are responsible for preparing the Governors' report and the Financial Statements in accordance with the Academies Accounts Direction 2022 to 2023 published by the Education and Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the Governors to prepare Financial Statements for each financial year. Under company law, the Governors must not approve the Financial Statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period.

In preparing these Financial Statements, the Governors are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2019 and the Academies Accounts Direction 2022 to 2023;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the Financial Statements; and
- prepare the Financial Statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Governors are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the Financial Statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Governors are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring that grants received from ESFA/DfE have been applied for the purposes intended.

The Governors are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of Financial Statements may differ from legislation in other jurisdictions.

ST THOMAS BECKET CATHOLIC PRIMARY SCHOOL

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF ST THOMAS BECKET CATHOLIC PRIMARY SCHOOL

FOR THE YEAR ENDED 31 AUGUST 2023

Opinion

We have audited the Financial Statements of St Thomas Becket Catholic Primary School for the year ended 31 August 2023 which comprise the statement of financial activities, the balance sheet, the statement of cash flows and notes to the Financial Statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice), the Charities SORP 2019 and the Academies Accounts Direction 2022 to 2023 issued by the Education and Skills Funding Agency.

In our opinion the Financial Statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 August 2023 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006; and
- have been prepared in accordance with the Charities SORP 2019 and the Academies Accounts Direction 2022 to 2023.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the 'Auditor's responsibilities for the audit of the Financial Statements' section of our report. We are independent of the Academy Trust in accordance with the ethical requirements that are relevant to our audit of the Financial Statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Governors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Academy Trust's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Governors with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report other than the Financial Statements and our auditor's report thereon. The Governors are responsible for the other information contained within the annual report. Our opinion on the Financial Statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the Financial Statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

ST THOMAS BECKET CATHOLIC PRIMARY SCHOOL

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF ST THOMAS BECKET CATHOLIC PRIMARY SCHOOL (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2023

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Governors' report including the incorporated strategic report for the financial year for which the Financial Statements are prepared is consistent with the Financial Statements; and
- the Governors' report including the incorporated strategic report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the Academy Trust and its environment obtained in the course of the audit, we have not identified material misstatements in the Governors' report, including the incorporated strategic report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the Financial Statements are not in agreement with the accounting records and returns; or
- certain disclosures of Governors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of Governors

As explained more fully in the statement of Governors' responsibilities, the Governors are responsible for the preparation of the Financial Statements and for being satisfied that they give a true and fair view, and for such internal control as the Governors determine is necessary to enable the preparation of Financial Statements that are free from material misstatement, whether due to fraud or error. In preparing the Financial Statements, the Governors are responsible for assessing the Academy Trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Governors either intend to liquidate the charitable company, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

- Enquiry of management and those charged with governance around actual and potential litigation and claims.
- Enquiry of management to identify any instances of non-compliance with laws and regulations.
- Reviewing minutes of meetings of those charged with governance.
- Reviewing internal assurance reports.
- Reviewing financial statement disclosures and testing to supporting documentation to assess compliance with applicable laws and regulations.
- Auditing the risk of management override of controls, including through testing journal entries and other adjustments for appropriateness, and evaluating the business rationale of significant transactions outside the normal course of business.

Use of our report

This report is made solely to the charitable company's Members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's Members those matters we are required to state to them in an auditor's report and for no other purpose. ST THOMAS BECKET CATHOLIC PRIMARY SCHOOL

INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO ST THOMAS BECKET CATHOLIC PRIMARY SCHOOL AND THE EDUCATION AND SKILLS FUNDING AGENCY

FOR THE YEAR ENDED 31 AUGUST 2023

In accordance with the terms of our engagement letter dated 25 May 2022 and further to the requirements of the Education and Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2022 to 2023, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by St Thomas Becket Catholic Primary School during the period 1 September 2022 to 31 August 2023 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to St Thomas Becket Catholic Primary School and ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to the St Thomas Becket Catholic Primary School and ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than St Thomas Becket Catholic Primary School and ESFA, for our work, for this report, or for the conclusion we have formed.

Respective responsibilities of St Thomas Becket Catholic Primary School's accounting officer and the reporting accountant

The accounting officer is responsible, under the requirements of St Thomas Becket Catholic Primary School's funding agreement with the Secretary of State for Education dated 30 March 2012 and the Academy Trust Handbook, extant from 1 September 2022, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance, and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2022 to 2023. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the period 1 September 2022 to 31 August 2023 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

Approach

We conducted our engagement in accordance with the Framework and Guide for External Auditors and Reporting Accountant of Academy Trusts issued by ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the Academy Trust's income and expenditure.

The work undertaken to draw to our conclusion includes:

- Review of payments to staff;
- Review of payments to suppliers and other third parties;
- Review of grant and other income streams;
- Review of some key financial control procedures;
- Discussions with finance staff;
- Consideration of the record maintained by the Accounting Officer of the oversight they have exercised;
- Consideration of the programme of internal scrutiny implemented by the Academy Trust in order to comply with its obligations under 3.1 of the Academy Trust Handbook 2022, issued by the ESFA.

INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO ST THOMAS BECKET CATHOLIC PRIMARY SCHOOL AND THE EDUCATION AND SKILLS FUNDING AGENCY (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2023

Conclusion

In the course of our work, nothing has come to our attention which suggests that in all material respects the expenditure disbursed and income received during the period 1 September 2022 to 31 August 2023 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 AUGUST 2023

1 Accounting policies

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgements and key sources of estimation uncertainty, is set out below.

1.1 Basis of preparation

The Financial Statements of the Academy Trust, which is a public benefit entity under FRS 102, have been prepared under the historical cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their Financial Statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2022 to 2023 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

1.2 Going concern

The Governors assess whether the use of going concern is appropriate, ie whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the charitable company to continue as a going concern. The Governors make this assessment in respect of a period of at least one year from the date of authorisation for issue of the Financial Statements and have concluded that the Academy Trust has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the Academy Trust's ability to continue as a going concern. Thus they continue to adopt the going concern basis of accounting in preparing the Financial Statements.

1.3 Income

All incoming resources are recognised when the Academy Trust has entitlement to the funds, the receipt is probable and the amount can be measured reliably.

Grants

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the balance sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the Statement of Financial Activities in the period for which it is receivable, and any abatement in respect of the period is deducted from income and recognised as a liability.

Capital grants are recognised in full when there is an unconditional entitlement to the grant. Unspent amounts of capital grants are reflected in the Balance Sheet in the restricted fixed asset fund. Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended.

Donations

Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable and the amount can be reliably measured.

Other income

Other income, including the hire of facilities, is recognised in the period it is receivable and to the extent the Academy Trust has provided the goods or services.

ST THOMAS BECKET CATHOLIC PRIMARY SCHOOL

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2023

1 Accounting policies

(Continued)

Donated fixed assets

Donated fixed assets are measured at fair value unless it is impractical to measure this reliably, in which case the cost of the item to the donor is used. The gain is recognised as income from donations and a corresponding amount is included in the appropriate fixed asset category and depreciated over the useful economic life in accordance with the Academy Trust's accounting policies.

1.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

All resources expended are inclusive of irrecoverable VAT.

Expenditure on raising funds

This includes all expenditure incurred by the Academy Trust to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

Charitable activities

These are costs incurred on the Academy Trust's educational operations, including support costs and costs relating to the governance of the Academy Trust apportioned to charitable activities.

1.5 Tangible fixed assets and depreciation

Assets costing £100 or more per item are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the Balance Sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding that require the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the Statement of Financial Activities and carried forward in the Balance Sheet. Where tangible fixed assets have been acquired / funded by other income, the fixed asset fund is also credited. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the Statement of Financial Activities.

Depreciation is provided on all tangible fixed assets, at rates calculated to write off the cost of each asset on a straight-line basis over its expected useful life, as follows:

Computer equipment	4 years
Fixtures, fittings & equipment	4 years
Motor vehicles	5 years

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of Financial Activities.

1.6 Liabilities

Liabilities are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the Academy Trust anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

1.7 Leased assets

Rentals under operating leases are charged on a straight-line basis over the lease term.

1.8 Financial instruments

The Academy Trust only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the Academy Trust and their measurement basis are as follows.

Financial assets

Trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost. Prepayments are not financial instruments.

Cash at bank is classified as a basic financial instrument and is measured at face value.

Financial liabilities

Trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost. Taxation and social security are not included in the financial instruments disclosure definition.

Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument.

1.9 Taxation

The Academy Trust is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the Academy Trust is potentially exempt from taxation in respect of income or capital gains received within categories covered by chapter 3 part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

1.10 Pensions benefits

Retirement benefits to employees of the Academy Trust are provided by the Teachers' Pension Scheme ('TPS') and the Local Government Pension Scheme ('LGPS'). These are defined benefit schemes and the assets and the liabilities are held separately from those of the Academy Trust.

The TPS is an unfunded scheme and contributions are calculated to spread the cost of pensions over employees' working lives with the Academy Trust in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary based on quadrennial valuations using a prospective unit credit method. The TPS is an unfunded multi-employer scheme with no underlying assets to assign between employers. Consequently, the TPS is treated as a defined contribution scheme for accounting purposes and the contributions are recognised in the period to which they relate.

FOR THE YEAR ENDED 31 AUGUST 2023

1 Accounting policies

(Continued)

The LGPS is a funded multi-employer scheme and the assets are held separately from those of the Academy Trust in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high-quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each balance sheet date. The amounts charged to net income or expenditure are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the statement of financial activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses. Actuarial gains and losses are recognised immediately in other recognised gains and losses.

1.11 Fund accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the Academy Trust at the discretion of the Governors.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder/donor and include grants from the Department for Education Group.

2 Critical accounting estimates and areas of judgement

Accounting estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions

The Academy Trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost or income for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 18, will impact on the carrying amount of the pension liability. Furthermore, a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2019 has been used by the actuary in valuing the pensions liability at 31 August 2023. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

Critical areas of judgement

In preparing these Financial Statements, the Governors have not needed to exercise any subjective judgements that would be critical to the Academy Trust's Financial Statements.

During the year, travel, subsistence and other payments totalling £240 (2022: £680) were reimbursed or paid directly to 2 Governors (2022: 1 Governor), in respect of costs incurred personally on behalf of the academy.

Other related party transactions involving the Governors are set out within the related parties note.

10 Governors' and officers' insurance

The Academy Trust has opted into the Department for Education's Risk Protection Arrangement (RPA), an alternative to insurance where UK government funds cover losses that arise. This scheme protects Governors and officers from claims arising from negligent acts, errors or omissions occurring whilst on Academy Trust business, and provides cover up to £10,000,000. It is not possible to quantify the Governors and officers indemnity element from the overall cost of the RPA scheme.

The academy trust company occupies land (including buildings) which is owned by its Trustees who are the Archdiocese of Southwark CIO. The Trustees are providers of the academy on the same basis as when the academy was a maintained school. The academy trust occupies the land (and buildings) under a mere licence. This continuing permission of the Trustees is pursuant to, and subject to, the Trustees charitable objects, and is part of the Catholic Church's contribution since 1847 to provide State funded education in partnership with the State. The licence delegates aspects of the management of the land (and buildings) to the academy trust company for the time being, but does not vest any rights over the land in the academy trust company. The Trustees have given an undertaking to the Secretary of State that they will not give the academy trust company less than two years notice to terminate the occupation of the land (including buildings). Having considered the factual matrix under which the academy trust company is occupying the land (and buildings), the Directors have concluded that the value of the land and buildings occupied by the academy trust will not be recognised on the balance sheet of the academy trust.

The Restricted LGPS Fund represents the Academy's share of the LGPS Pension Fund deficit.

The Restricted Fixed Asset Fund represents the net book value of fixed assets plus the unspent element of Capital funds, less Capital Loans. When assets are purchased the fund is increased and depreciation charges reduce the fund.

Unrestricted Funds represent balances held at period end that can be applied at the discretion of the Governors, to support any of the Academy's charitable purposes.

The Academy Trust's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by London Borough of Croydon. Both are multi-employer defined benefit schemes.

The latest actuarial valuation of the TPS related to the period ended 31 March 2016, and that of the LGPS related to the period ended 31 March 2022.

There were no outstanding or prepaid contributions at either the beginning or the end of the financial year.

Teachers' Pension Scheme

Introduction

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for teachers in academy trusts. All teachers have the option to opt out of the TPS following enrolment.

The TPS is an unfunded scheme to which both the member and employer makes contributions, as a percentage of salary. These contributions are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

Valuation of the Teachers' Pension Scheme

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury every 4 years. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2016. The valuation report was published by the Department for Education on 5 March 2019.

The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 23.68% of pensionable pay (including a 0.08% employer administration levy)
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £218,100 million, and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £196,100 million giving a notional past service deficit of £22,000 million
- the SCAPE rate, set by HMT, is used to determine the notional investment return. The current SCAPE rate is 2.4% above the rate of CPI. The assumed real rate of return is 2.4% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.2%. The assumed nominal rate of return including earnings growth is 4.45%.

The next valuation result is due to be implemented from 1 April 2024.

The employer's pension costs paid to the TPS in the period amounted to £206k (2022: £206k).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website.

Under the definitions set out in FRS 102, the TPS is an unfunded multi-employer pension scheme. The Academy Trust has accounted for its contributions to the scheme as if it were a defined contribution scheme. The Academy Trust has set out above the information available on the scheme.

Local Government Pension Scheme

The LGPS is a funded defined benefit pension scheme, with the assets held in separate trustee-administered funds. The total contributions are as noted below. The agreed contribution rates for future years are 21.7% for employers and 5.5% to 12.5% for employees.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013 and on 21 July 2022, the Department for Education reaffirmed its commitment to the guarantee, with a parliamentary minute published on GOV.UK.
