Notes to the abbreviated financial statements for the year ended 31 March 2015

1. Accounting policies

1.1. Accounting convention

The accounts are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

1.2. Turnover

Turnover represents the total invoice value, excluding value added tax, of sales made during the year and derives from the provision of goods falling within the company's ordinary activities.

1.3. Deferred taxation

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date except for: revaluation gains and losses unless, by the balance sheet date, the company has entered into a binding agreement to sell the asset and has revalued the asset to selling price: and taxable gains arising on revaluations or sales if it is more likely than not that the gain will be rolled over into a replacement asset.

Deferred tax assets are recognised where it is considered more likely than not that future profits will be available for offset.
