**1. Accounting policies**

**Significant accounting policies**

**Statement of compliance**

These financial statements have been prepared in compliance with FRS 102 – The Financial Reporting Standard applicable in the UK and Republic of Ireland and the Companies Act 2006.

**Basis of preparation**

The financial statements have been prepared on the going concern basis and under the historical cost convention as modified by the revaluation of land and buildings and certain financial instruments measured at fair value in accordance with the accounting policies.

The financial statements are prepared in sterling which is the functional currency of the company.

**Turnover**

Turnover comprises the invoiced value of goods and services supplied by the company, net of Value Added Tax and trade discounts.

**Taxation**

Taxation represents the sum of tax currently payable and deferred tax. Tax is recognised in the statement of income, except to the extent that it relates to items recognised in other comprehensive income or directly in capital and reserves. The company's liability for current tax is calculated using the tax rates and laws that have been enacted or substantively enacted at the reporting date. Current and deferred tax assets and liabilities are not discounted

## **Deferred taxation**

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the reporting date.

Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the reporting date that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Current and deferred tax assets and liabilities are not discounted.

## **Dividends**

Proposed dividends are only included as liabilities in the statement of financial position when their payment has been approved by the shareholders prior to the statement of financial position date.

## **Investment properties**

Investment properties are properties held to earn rentals and/or for capital appreciation.

Investment properties should be recognised initially at cost and subsequently investment properties are measured at fair value. Gains and losses arising from changes in the fair value of investment properties are included in profit or loss in the period in which they arise.

## **Fixed asset investments**

Fixed asset investments are stated at cost less provision for any permanent diminution in value.

## **2. Average number of employees**
