**TRUSTEES' REPORT**  
**FOR THE YEAR ENDED 31 AUGUST 2022**

---

The Trustees present their annual report together with the financial statements and auditor's report of the charitable company for the year 1 September 2021 to 31 August 2022. The annual report serves the purposes of both a trustees' report, and a directors' report under company law.

During the year 1 September 2021 to 31 August 2022 Aspire Academies Trust consisted of six primary academies (Bedmond Academy, Bovingdon Primary Academy, Broadfield Academy, Hammond Academy, Knutsford Primary Academy, The Grove Academy) and the Training Centre for Aspire, all operating in South West Hertfordshire. The Trust academies are for pupils aged 4 to 11 years. The Trust has a combined pupil capacity (including nurseries) of 2806 and had a roll of 2285 in the school census in October 2021.

**STRUCTURE, GOVERNANCE AND MANAGEMENT**

**Constitution**

Aspire Academies Trust is a company limited by guarantee and an exempt charity. The charitable company's memorandum and articles of association are the primary governing documents of the Academy Trust.

The Trustees of Aspire Academies Trust Limited are also the directors of the charitable company for the purposes of company law. The charitable company operates as Aspire Academies Trust.

The West Herts Teaching School, company number 08240993, is a subsidiary company wholly owned by Aspire Academies Trust. This ceased trading at 31<sup>st</sup> August 2021 and is now a wholly owned non trading company.

Details of the Trustees, who served during the year and to the date these accounts are approved, are included in the Reference and Administrative Details on page 1.

**Members' Liability**

Each member of the charitable company undertakes to contribute to the assets of the charitable company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a member.

**Trustees' Indemnities**

Trustees benefit from indemnity insurance to cover the liability of the Trustees which by virtue of any rule of law would otherwise attach to them in respect of any negligence, default or breach of trust or breach of duty of which they may be guilty in relation to the Academy Trust. The cost of this insurance in the year was included in the total insurance cost and could not be separately identified.

**Method of Recruitment and Appointment or Election of Trustees**

Aspire Academies Trust shall have a minimum of three and maximum of ten trustees as set out in its articles of association. Trustees shall include the Chief Executive Officer and up to nine others, as agreed by Members, who have relevant skills including (without limitation) finance, human resources, legal and school improvement.

Any vacancies or additions to the Board of Trustees are subject to a recruitment process. Prospective trustees complete an application form and a skills audit for consideration by Trustees. A Member and the Chair of Trustees will meet the prospective trustee and, if considered suitable, all Members are asked to authorise the appointment. The Governance Officer will undertake safer recruitment checks before appointment is confirmed.

**Policies and Procedures Adopted for the Induction and Training of Trustees**

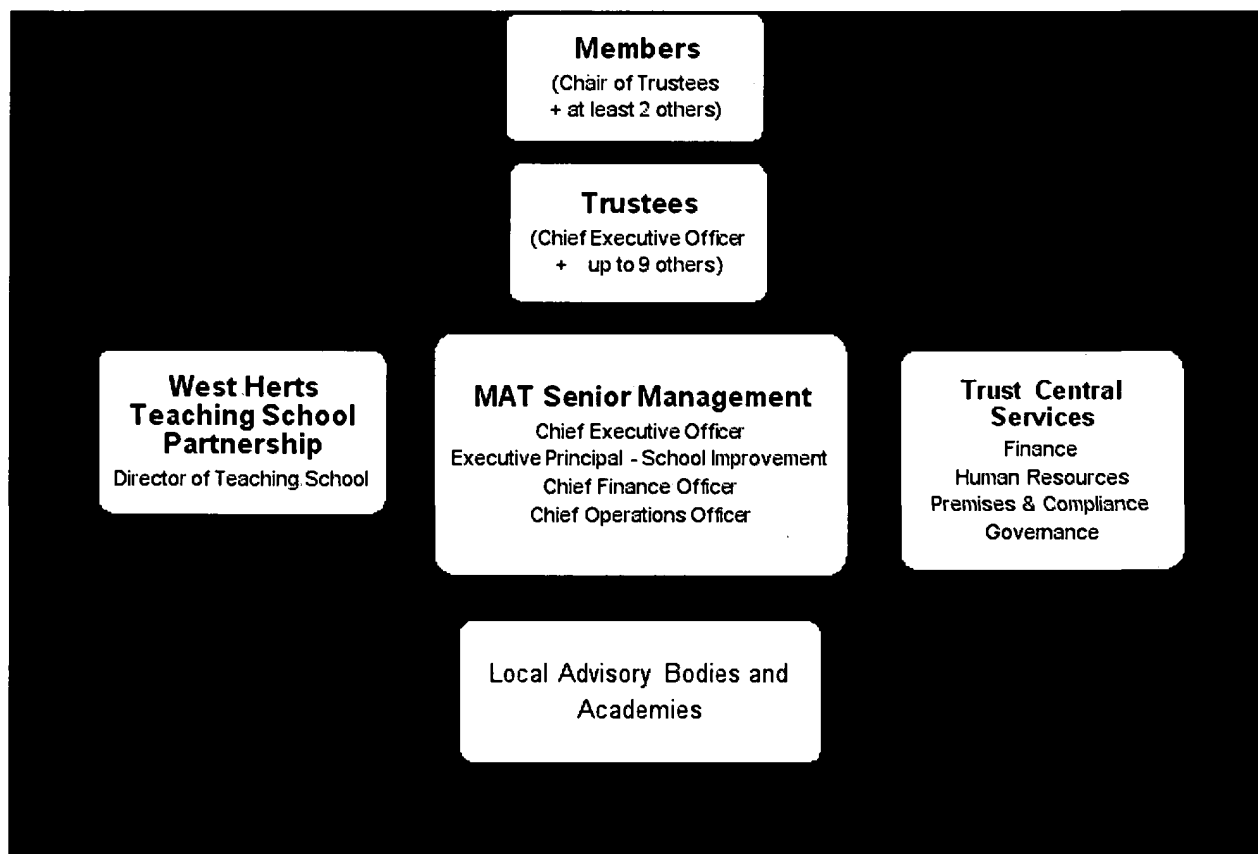

The training and induction provided for each new Trustee will depend on their existing experience and where necessary induction will provide training on charity, educational, legal and financial matters. All Trustees are provided with an induction booklet which includes copies of policies and procedures and offered an induction day to meet with Senior Officers of the Trust. Copies of minutes, accounts, budgets, plans and other documents needed to undertake their role as a Trustee are made available. The Trust will periodically perform a skills audit of Trustees and, should any gaps be identified, external training courses will be offered to address these issues.

**Organisational Structure**

Aspire Academies Trust currently consists of the following academies:

- Bedmond Academy
- Bovingdon Primary Academy
- Broadfield Academy
- Hammond Academy
- Knutsford Primary Academy
- The Grove Academy

The aim of the management structure of Aspire Academies Trust is to devolve responsibility and encourage involvement in decision making at all levels. The structure during this financial year was:

**Organisational Structure (continued)**

The Members have ultimate responsibility for the Trust achieving its charitable objectives. They approve the articles of association and have power to appoint and remove Trustees ensuring an appropriate balance of skills and effectiveness.

The Trustees are responsible for setting general policy, adopting an annual strategic plan and budget, approving the statutory accounts, monitoring each academy's performance by the use of budgets and other data, and making major decisions about the direction of each academy's capital expenditure. Trustees are responsible for the appointment of the Senior Management positions within the organisation and Chairs of the Local Advisory Bodies.

The Chief Executive Officer is supported by the MAT Senior Management Team, Aspire Central Services Team and the Principal and Senior Leadership Team of each Academy. This group control the Academies at an executive level implementing the strategy and policies laid down by the Trustees and reporting back to them. As a group they are responsible for the authorisation of spending and appointment of staff.

Each Local Advisory Body receives delegated authority from the Academy Trust Board to support the Trustees in fulfilling its obligations in the areas of Children, Curriculum and Community.

**Arrangements for setting pay and remuneration of key management personnel**

Employees at Trust level are employed on the same terms and conditions of employment as teaching staff and support staff, dependent on their role. The Trustees have determined the structure and pay scales for these employees and benchmark against ISRs, leadership, support staff pay and Hertfordshire County Council senior manager salary ranges.

There are Strategic Leadership Skills Descriptors in place for Trust level employees, as set out in the Trust performance management policy. The Trustees will ensure that both pay and performance development reviews are moderated for the Chief Executive Officer.

**Trade union facility time**

In line with the Trade Union (Facility Time Publication Requirements) Regulations 2017, the Trust's analysis is as follows:

**Related Parties and other Connected Charities and Organisations**

The West Herts Teaching School Partnership ceased training on 31<sup>st</sup> August 2021. It is currently a non-trading wholly owned subsidiary of the Trust.

The Trust has set up the Training Centre by Aspire, which commenced operating on 1<sup>st</sup> September 2021. This is not a separate subsidiary of the Trust but part of the central Trust operations. It facilitates educational training and will offer a valuable source of CPD and networking opportunities for both the Trust schools and other local education institutions.

**Engagement with employees (including disabled persons)**

In accordance with The Companies (Miscellaneous Reporting) Regulations 2018, the Trustees summarise below the action taken during the period to introduce, maintain or develop arrangements aimed at:

- **Providing employees with information on matters of concern to them**  
All employees have the opportunity to discuss issues of concern by means of regular staff meetings and have been kept informed on specific matters directly by management.  
All staff receive an Aspire Staff Newsletter every half term informing them of any Trust updates.
- **Consulting employees or their representatives regularly so that the views of employees can be considered in making decisions which are likely to affect their interests**  
The Trust carries out an annual staff wellbeing survey and uses the data and individual comments to plan for the future and to implement changes to assist staff wellbeing if appropriate and operationally possible. The outcomes are discussed at weekly Trust Strategy Meetings and at Principals Meetings.  
  
The Trust carries out exit interview for all staff leaving the organisation and has adopted a procedure of feedback for senior management and the Trustees.
- **Encouraging the involvement of employees in the company's performance**  
Staff are encouraged to work across the Trust to share best practice and there are regular meetings involving Principals and SLT to promote collaboration. The Executive Principal works closely with our Primary Lead Practitioners (PLP's) and subject leads to disseminate good practice across the Trust. He also works closely with the Training Centre by Aspire to ensure that staff are consulted about training requirements and the Training Centre by Aspire facilitates appropriate training.

**TRUSTEES' REPORT (continued)**  
**FOR THE YEAR ENDED 31 AUGUST 2022**

---

**Engagement with employees (including disabled persons) (continued)**

- **Achieving a common awareness on the part of all employees of the factors affecting the performance of the company**  
The Trust values are shared with new employees and form part of their induction. All staff are reminded of the values during the performance management process and staff surveys in order to ensure that their own values align with the Trust values.
  - **Policy in respect of applications for employment from disabled persons, the treatment of employees who become disabled and the training, career development and promotion of disabled person**  
The Trust has implemented several detailed policies in relation to all aspects of personnel matters including
    - Equality and Diversity Policy
    - Health and Safety Policy
- In accordance with the Trust's Equality and Diversity Policy, the Trust has established fair employment practices in the recruitment, selection, retention and training of disabled staff, including anonymised Application Forms. The Trust ensures that disabled persons have opportunities to fulfil their potential and realise their aspirations.

**Engagement with suppliers, customers and others in a business relationship with a trust**

In accordance with The Companies (Miscellaneous Reporting) Regulations 2018, the Trustees summarise below how they have had regard to the need to foster the company's business relation with suppliers, customers and others.

- **Suppliers**  
The Trust continues to foster strong relationships with its suppliers, keeping to regular payment runs to protect supplier cash flow and where possible negotiating Trust contracts to achieve best value.
- **Customers**  
School lettings, wrap around care and after school clubs are returning to pre-pandemic levels. The Trust operates an ethical business approach to obtaining best value in its commercial operations.
- **Other stakeholders and the wider community**  
The Trust actively communicates with the wider community by means of weekly newsletters from its schools and Senior Leadership Team.

**OBJECTIVES AND ACTIVITIES**

**Objects and Aims**

Aspire Academies Trust has entered into a funding agreement with the Secretary of State which specifies amongst other things, the basis for admitting pupils to the Trust, the catchment area from which the pupils are drawn, and that the curriculum should be broad and balanced.

The main objects / aims of the Trust during the period ended 31 August 2022 are summarised below

- to offer excellent education as standard to enable every pupil to reach their full potential
- to work collaboratively and in partnership across all our academies, sharing ideas and strengths
- to put people first, treating every person within the Trust and its Academies as individuals
- to provide value for money for the funds expended.

**TRUSTEES' REPORT (continued)**  
**FOR THE YEAR ENDED 31 AUGUST 2022**

**Objectives, Strategies and Activities**

At Aspire Academies Trust we care deeply about the development of everyone in our Academies.

We believe in achievement in its broadest sense and that enjoyment of learning is crucial to success. The strength of our leadership team will ensure that we provide the very best education for our pupils.

Our pupils are empowered to have high aspirations for their future. We nurture and challenge them to take responsibility, make decisions and work together so they grow into confident young people.

We value excellent teaching in our Academies, underpinned by the high-quality professional development support given by our Senior Management Team and the West Hertfordshire Teaching Schools Partnership/The Training Centre by Aspire. By sharing ideas and promoting best practice we will provide our pupils with a stimulating curriculum in a safe learning environment.

**Public Benefit**

In setting our objectives and planning out activities the Trustees have carefully considered the Charity Commission's general guidance on public benefit. Aspire Academies Trust fully complies with all statutory guidance and seeks to support its wider educational objectives via a strong community role. Trustees consider how planned activities will contribute to the aims and objectives they have set. Community based projects are undertaken throughout the year by staff and pupils which further enhances the public benefit.

**STRATEGIC REPORT**

**Achievements and Performance**

Aspire Academies Trust provided education for approximately 2285 children across South West Hertfordshire in the period ending 31 August 2022.

Partnership working has been a key strength of the Trust and continues to develop. Academy Principals, Senior Leaders, subject leaders and teachers meet regularly to share curriculum planning and best practice. In addition, The Training Centre by Aspire has continued to grow and develop leading to an increased breadth of training programmes and sharing of best practice within the Trust and its Alliance members.

Achievements within the Trust are supported by the following strengths:

- strong leadership by the Chief Executive Officer, Principals, combined with the effective support from the Trustees; the Local Advisory Bodies and Senior Leaders;
- all Academy data show pupils are making progress;
- the proportion of good or better teaching is high;
- pupil's behaviour and attitude to work are exemplary;
- pupil attendance is good;
- pupils get on well together and feel safe

Value for money has been secured through robust financial monitoring and control frameworks underpinned by the oversight maintained by the Trustees and MAT Senior Management Team.

**Key Performance Indicators**

Aspire Academies Trust uses a number of financial key performance indicators to monitor financial success of the Trust and progress / improvement against the targets set.

To ensure sustainability, staff costs as a % of income and expenditure are monitored by Trustees when approving the consolidated annual budget for the following financial year. Trustees are aware of the ESFA guidance on staff expenditure and have an expectation that its Academies are working towards these percentages. All Academies are required to produce a balanced in year budget.

The Trust Audit, Finance and Risk Committee monitors monthly expenditure and ensures appropriate checks and balances are in place to maintain high standards and the effective running of each of the Academies.

The Trust also uses a number of non-financial key performance indicators to monitor its Academies' performance. These include:

- pupil attendance data;
- staff recruitment, retention and promotion;
- Key Stage 1 and Key Stage 2 assessment data, ASP and IDSR

<b>Unvalidated Data 2022 End of Key Stage 2 Attainment</b>	<b>Trust's Performance 2022</b>	<b>Unvalidated National Data 2022</b>	<b>Trust's Performance 2022 (excluding Bedmond Academy; Small cohort of 14 pupils 8 of whom had Special Educational Needs)</b>

**Going Concern**

After making appropriate enquiries, the board of trustees has a reasonable expectation that the Academy Trust has adequate resources to continue in operational existence for the foreseeable future. For this reason, it continues to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Statement of Accounting Policies.

**Promoting the success of the company**

The Trustees have acted in accordance with their duties under section 172(1) of the Companies Act 2006 which includes their duty to act in the way in which they consider, in good faith, would be most likely to promote the success of the Trust for the benefit of its members and stakeholders, and in doing so have regard (amongst other matters) to—

- **The long term consequences of any decision**  
Trustees consider the consequences of any strategic decision as part of their assessment. We aim to balance our income and expenditure to ensure the Trust remains sustainable in the long term. This is balanced against the needs of our pupils, staff and other stakeholders, and the community, to ensure we are spending the funding in the most effective way to support our aims.
- **The interest of the company's employees**  
Details of how the Trustees give consideration to the interests of the Trust's employees can be found in the section Engagement with Employees. From April 2020, Trust employees are able to access an Employees Assistance Programme for advice and support.
- **The need to foster the company's business relationships with suppliers, customers and others**  
Details of how the Trustees give consideration to the interests of other stakeholders can be found in the section Engagement with suppliers, customers and others in a business relationship with the Trust. During the lockdown periods the Trust has supported suppliers, particularly in the case of small local businesses, by negotiating existing contract payments while deferring the delivery of services until the schools re-opened.

**Promoting the success of the company (continued)**

- **The impact of the company's operations on the community and the environment**  
Details of how the Trustees give consideration to the impact on the community can be found in the Section Engagement with suppliers, customers and others in a business relationship with the Trust. At the start of the lockdown the Trust considered the community and supplied supermarket vouchers to families normally in receipt of free school meals, ahead of the government introducing a national scheme. The Trust has also worked to ensure that schools remained open during holiday periods for children of key workers and vulnerable children.
- **The desirability of the company maintaining a reputation for high standards of business conduct**  
The Trust aims to conduct all its business with integrity adhering to ethics and social and moral responsibilities. The Trustees adhere to a number of policies that help to ensure high standards of business conduct.
- **The need to act fairly as between members of the company**  
All members of the Trust are treated fairly and equally, with the same access to information and the ability to directly contact Trustees. Strategically the Trustees work to ensure equality, diversity and inclusion within the Trust, recently carrying out a survey of all staff.

**FINANCIAL REVIEW**

During the period ended 31 August 2022, total revenue expenditure excluding depreciation (£ 955,534) and Local Government Pension Scheme movements (£1,141,000) and Capital grants (£138,019), was covered by recurrent grant funding from the DfE (via the Education & Skills Funding Agency) together with other incoming resources.

At 31 August 2022 the net book value of fixed assets was £33,448,998 and movements in tangible fixed assets are shown in note 15 to the financial statements. Capital expenditure in the period was £850,037. All the assets were used exclusively for providing education and the associated support services to the pupils of Aspire Academies Trust.

**Reserves Policy**

The Board of Trustees review the reserve levels of the Trust annually. This review encompasses the nature of income and expenditure streams, the need to match income with commitments and the nature of reserves.

The Trust is committed towards maintaining its buildings and has updated its capital maintenance programme aimed at ensuring a long useful life of the Trust's assets.

Future financial cost pressures for each of the Academies may reduce the level of financial reserves in the long term. The Board of Trustees have agreed that the consolidated minimum level of reserves held for revenue purposes should be no less than two months of the combined General Annual Grant for all schools. The reserve balance should only decrease due to capital investment and / or other organisational needs which shall at all times be approved by the Finance, Audit and Risk Committee.

At 31 August 2022 the total funds comprised:

Unrestricted		£1,476,295
Restricted:	Fixed asset funds	£33,517,394
	Pension reserve	(£913,000)
	Other	£2,480,793
		<u>£36,561,482</u>

**Investment Policy**

There are no material investments held by Aspire Academies Trust.

Surplus funds are invested with the Trust's banker, National Westminster Bank, in a business reserve account. An account is set up for each Academy. Funds are automatically transferred between the Academy's current account and business reserve account to maximise the interest received. Interest is received monthly.

**Principal Risks and Uncertainties**

The major risks to which the Trust is exposed, as identified by the Trustees, have been reviewed and systems and procedures have been established to mitigate those risks. The schedule of risks is tabled and the top five risks are reviewed at each Board Meeting and mitigating actions are agreed as required.

The Trust's most significant financial risk is future funding from Government which remains uncertain. Increased employment, energy premises costs are all contributing to cost pressures in future years, which in turn increases the importance of maintaining robust levels of revenue reserves. In addition, the Trust has plans for capital expenditure to improve its buildings and facilities some of which may have to be delayed if unanticipated emergency expenditure is needed.

The Trust recognises that the defined benefit scheme (Local Government Pension Scheme) is a significant liability, set out in note 26 to the financial statements. It is a potential liability which may result in the Trust having to make additional employers' pension contributions in future years.

**FUNDRAISING**

Aspire Academies Trust has no commercial fund raising arrangements in place. Each Academy within the Trust works in partnership with their school parents association to raise funds to wholly benefit the education of its pupils. The local association is accountable to the parent community reporting on the funds they have raised.

Principals encourage pupils to fundraise for Charities of their choice. In each Academy the pupil council will be involved to nominate a fundraising activity and decide on the charity.

**Qualification and Reporting Methodology**

We have followed the 2019 HM Government Environmental Reporting Guidelines. We have also used the GHG Reporting Protocol – Corporate Standard and have used the 2022 UK Government's Conversion Factors for Company Reporting.

**Intensity measurement**

The chosen intensity measurement ratio is total gross emissions in metric tonnes CO2e per pupil, the recommended ratio for the sector.

**Measures taken to improve energy efficiency 2021/22**

We have maintained our rolling program of changing lights in three classrooms per year per site where required. New 600X600 Led lights will replace existing lights. We continue to monitor impact of the new project at Bedmond Academy where we have installed new boilers, radiators and water heating resources throughout the whole school in Aug 20 as well as measure for impact on new window walling installed in The Grove KS1 building in Aug 21. We have reduced mileage on minibus use by stopping an in-house school run for mail delivery to each school twice a week and reduced staff mileage by holding meetings via Teams. We have had a new roof installed at Bovingdon Academy on their KS1 building as well as having a new boiler installed at Knutsford Academy both in August 2022.

We have secured funding for Decarbonisation Survey and Plans to be drawn up for each site using energy data and onsite surveys to determine next steps within our sustainability plan.

We have started to consider in depth our curriculum around energy and educating our pupils. We expect this to progress further and see impact in 22/23 and going forward. Encouraging light warriors in each school who monitor lights being left on has had a positive impact on awareness and energy usage.

We are now in a position post Covid to encourage that heat and be maintained within the building and that doors and windows be kept closed when possible.

**Plans for future periods**

Plans for 2022/23 and future years include:

- a continuation of the rolling program for LED Lights. Sensor lights to be installed at the same time to ensure they turn off when not in use
- embedding a culture of lights off when not in use across all sites
- encourage eco-councils within our schools to introduce new initiatives driven by the pupils
- continued use of Microsoft Teams for staff meetings introducing a hybrid approach as the agreed arrangement for meetings
- being able to close windows and doors to maintain heat post pandemic
- a number of plans for curriculum development around energy and climate control etc.

**Plans for future periods** (continued)

- Ensure decarbonisation plans are drawn up and included in the Trust's Sustainability Strategy.
- look at initiatives with our premises teams to see how we can save energy and waste
- look at initiatives within our catering teams at how we can reduce energy use and waste
- we have made Sustainability a Trust Focus for this academic year and phase one of our curriculum sustainability plan is already in place and being embedded in schools
- Boilers have been turned down and put on reduced timers so that heat will turn off earlier and go on later
- look into alternative heat sources such as electrical pumps and solar pumps as a source of energy
- monitor energy use monthly to check for any anomalies and look to investigate and understand the reasons.
- Capture energy use monthly to gather evidence based data to measure a reduction in usage and cost to the Trust
- Identify CIF Bid projects that will reduce energy waste such as Hammond Academy nursery which requires a refurb to include insulation and a new efficient heating system

**PLANS FOR FUTURE**

Aspire Academies Trust will continue to deliver the following in all of its Academies:

- outstanding teaching and learning to ensure high levels of progress and attainment;
- provision of learning environments which allow pupils of all abilities to thrive;
- mutual respect between the children, staff and community;
- high standards of behaviour and conduct;
- a wide range of enrichment opportunities for all pupils to get involved in
- adherence to an Equal Opportunities Policy for all stakeholders.

The Trust plans for growth in the number of Academies it runs. Trustees and Members continue to review the organisational structure to ensure it meets the requirements of a growing Multi-Academy Trust.

**GOVERNANCE STATEMENT**  
**FOR THE YEAR ENDED 31 AUGUST 2022**

---

**SCOPE OF RESPONSIBILITY**

As Trustees we acknowledge we have overall responsibility for ensuring that Aspire Academies Trust has an effective and appropriate system of control, financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives and can provide only reasonable and not absolute assurance against material misstatement or loss.

As Trustees, we have reviewed and taken account of the guidance in DfE's Governance Handbook and competency framework for governance.

The Board of Trustees has delegated the day-to-day responsibility to the Chief Executive Officer as Accounting Officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between Aspire Academies Trust and the Secretary of State for Education. They are also responsible for reporting to the Board of Trustees any material weaknesses or breakdowns in internal control.

**GOVERNANCE**

The information on governance included here supplements that described in the Trustees' Report and in the Statement of Trustees' Responsibilities. The Board of Trustees has formally met 6 times during the year. Attendance during the year at meetings of the Board of Trustees was as follows:

During the year the Board of Trustees undertook a skills audit and identified areas for future Trustee recruitment, namely individuals with knowledge of Teaching and Pedagogy, Finance, and Legal

The Finance, Audit and Risk Committee is a sub-committee of the main Board of Trustees. Its purpose is to ensure that the highest standards of financial governance are met and review any issues that may impact the finances of the Academy Trust.

During the year the Committee has reviewed all financial and risk policies and challenged the working practices in the Academies to ensure the end of year accounts are accurate and can be consolidated.

The Committee is aware of growing financial issues presented to all schools through Government legislation and increasing cost of living and are being proactive and strategic to ensure financial sustainability.

Prasad Pitale (Chair)	3	3
Vicky Parsey (CEO & Accounting Officer)	3	3
Alison Woodhams	2	3
Richard Russell-Hogg	3	3

**Conflicts of interest**

Declarations of interests are completed by all members, trustees, local governors and senior employees when first joining Aspire and updated annually or as soon as possible following any changes. The declarations are used to complete a register of interests which is published on Aspires website. Trustees and local governors confirm whether the details contained in the register are accurate at the start of each meeting, in addition they are asked to declare if they have a conflict with any item on the agenda at the beginning of every meeting in which they are participating.

Any conflicts or other arrangements with related parties are reported to the ESFA in advance of the contract or agreement commencing. Prior approval is obtained from ESFA where a contract or other agreement exceeds £20,000, or a contract or other agreement of any value means cumulative value of contracts or other agreements with the related part exceeds £20,000 in the same financial year.

**Governance reviews:**

The Trust Board and Local Advisory Bodies complete an annual self-assessment of skills and effectiveness. These are completed individually by each member of the board, and the results collated and discussed as a collective. The results are used to identify strengths and areas for development and seeks support and training to improve knowledge and skills where necessary. These reviews are also used to improve overall governance within Aspire and communication between the different layers of the governance structure. The recent self-assessment highlighted the need for recruitment to cover gaps in skills set amongst the Board of Trustees.

In 2021/2022 an external review of governance was completed as part of the scheme of internal scrutiny. This highlighted the need for the Trust to enhance its Trustee handbook and induction, implement a formalized document process for succession planning and reviewing the executive pay decision process. All actions have been completed as recommended.

The next self-evaluation for Local Advisory Bodies and the Trust Board is scheduled for the spring 2023.

**REVIEW OF VALUE FOR MONEY**

As Accounting Officer, the Chief Executive Officer has responsibility for ensuring that Aspire Academies Trust delivers good value in the use of public resources. The Accounting Officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

The Accounting Officer considers how Aspire Academies Trust's use of resources has provided good value for money during each academic year, and reports to the Board of Trustees where value for money can be improved, including the use of benchmarking data where appropriate. The Accounting Officer for Aspire Academies Trust has delivered improved value for money during the year by:

- securing the best possible education for all pupils, in the most efficient and effective way, at a reasonable cost;
- ensuring effective use of all resources in the Trust's charge;
- sharing expertise, experience, data and cost effective practices throughout the Trust Academies;
- having procedures in place for obtaining goods and services which provide 'best value' in terms of suitability, efficiency, time and cost. The Schedule of Financial Delegation ensures competitive tendering and consideration is given to the suitability and quality of workmanship when comparing quotations;

**REVIEW OF VALUE FOR MONEY (continued)**

- being able to access economies of scale when making shared purchases and negotiate lower costs with suppliers for the benefit of all Trust Academies.
- due to the requirements for re-opening safely during Covid-19 it was not always possible to achieve best value. A shortage in supply of personal protective equipment and cleaning materials meant in some cases purchases were made to ensure necessary provisions at higher than normal prices.

**THE PURPOSE OF THE SYSTEM OF INTERNAL CONTROL**

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives. It can, therefore, only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an on-going process designed to identify and prioritise the risks to the achievement of Aspire Academies Trust policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in Aspire Academies Trust for the period 01 September 2021 to 31 August 2022 and up to the date of approval of the annual report and financial statements.

**CAPACITY TO HANDLE RISK**

The Board of Trustees has reviewed the key risks to which Aspire Academies Trust is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The Board of Trustees is of the view that there is a formal on-going process for identifying, evaluating and managing Aspire Academies Trust's significant risks that has been in place for the period 01 September 2021 to 31 August 2022 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the Board of Trustees.

**THE RISK AND CONTROL FRAMEWORK**

Aspire Academies Trust system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the board of trustees
- regular reviews by the finance, audit and risk committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes
- setting targets to measure financial and other performance
- clearly defined purchasing (asset purchase or capital investment) guidelines
- delegation of authority and segregation of duties
- identification and management of risks.

The Board of Trustees has considered the need for a specific internal audit function and has decided to appoint Strictly Education as internal auditor.

The internal auditor's role includes giving advice on financial matters and performing a range of checks on the Academy Trust's financial and non-financial systems. In particular, the checks carried out in the current period included:

- a review of the Trust's governance and finance

**THE RISK AND CONTROL FRAMEWORK (continued)**

Where recommendations were made on internal procedures these have been adopted and incorporated into the Trust's internal control structure and systems.

The internal auditor reports to the Board of Trustees, through the Trust's Finance, Audit and Risk Committee, on the operation of the systems of control and on the discharge of financial responsibilities.

**REVIEW OF EFFECTIVENESS**

As Accounting Officer, the Chief Executive Officer has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- the work of the internal auditor
- the work of the external auditor
- the work of the executive managers within Aspire Academies Trust who have responsibility for the development and maintenance of the internal control framework

The Accounting Officer has been advised of the implications of the result of their review of the system of internal control by the Finance Committee ensures continuous improvement of the system is in place.

**FOR THE YEAR ENDED 31 AUGUST 2022**

---

As accounting officer of Aspire Academies Trust I have considered my responsibility to notify the Academy Trust board of trustees and the Education and Skills Funding Agency (ESFA) of material irregularity, impropriety and non-compliance with terms and conditions of funding received by the Academy Trust, under the funding agreement in place between the Academy Trust and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academies Financial Handbook 2019.

I confirm that I and the Academy Trust board of trustees are able to identify any material irregular or improper use of all funds by the Academy Trust, or material non-compliance with the terms and conditions of funding under the Academy Trust's funding agreement and the Academies Financial Handbook 2019.

I confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the board of trustees and ESFA.

**STATEMENT OF TRUSTEES' RESPONSIBILITIES**  
**FOR THE YEAR ENDED 31 AUGUST 2022**

---

The Trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with the Academies Accounts Direction published by the Education and Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the Trustees to prepare financial statements for each financial . Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Group and the charitable company and of their incoming resources and application of resources, including their income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP 2019 and the Academies Accounts Direction 2021 to 2022;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the group will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Group and the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the Group and the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Group and the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for ensuring that in their conduct and operation the Group and the charitable company apply financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring grants received from ESFA/DfE have been applied for the purposes intended.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the group's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

**INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF ASPIRE ACADEMIES TRUST**

---

**Opinion**

We have audited the financial statements of Aspire Academies Trust (the 'parent Academy Trust') and its subsidiaries (the 'Group') for the year ended 31 August 2022 which comprise the Consolidated Statement of Financial Activities, the Consolidated Balance Sheet, the Academy Trust Balance Sheet, the Consolidated Statement of Cash Flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland', the Charities SORP 2019 and the Academies Accounts Direction 2021 to 2022 issued by the Education and Skills Funding Agency.

In our opinion the financial statements:

- give a true and fair view of the state of the Group's and of the parent Academy Trust's affairs as at 31 August 2022 and of the Group's incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities SORP 2019 and the Academies Accounts Direction 2021 to 2022 issued by the Education and Skills Funding Agency.

**Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the Group in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Group's or the parent Academy Trust's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

**INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF ASPIRE ACADEMIES TRUST (CONTINUED)**

**Other information**

The other information comprises the information included in the Annual Report other than the financial statements and our Auditors' Report thereon. The Trustees are responsible for the other information contained within the Annual Report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

**Opinion on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Report (including the Strategic Report and the Directors Report) for the financial year for which the financial statements are prepared is consistent with the financial statements.
- the Trustees' Report and the Strategic Report have been prepared in accordance with applicable legal requirements.

**Matters on which we are required to report by exception**

In the light of our knowledge and understanding of the Group and the parent Academy Trust and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Report including the Strategic Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- the parent Academy Trust has not kept adequate accounting records, or returns adequate for our audit have not been received from branches not visited by us; or
- the parent Academy Trust financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

**INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF ASPIRE ACADEMIES TRUST (CONTINUED)**

---

**Responsibilities of trustees**

As explained more fully in the Statement of Trustees' Responsibilities, the Trustees (who are also the directors of the Academy Trust for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the Group's and the parent Academy Trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the Group or the parent Academy Trust or to cease operations, or have no realistic alternative but to do so.

**Auditors' responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- Enquiry of management around actual and potential litigation and claims;
- Performing audit work over the risk of management override of controls, including testing of journal entries and other adjustments for appropriateness, evaluating the business rationale of significant transactions outside the normal course of business and reviewing accounting estimates for bias;
- Reviewing minutes of meetings of those charged with governance;
- Reviewing internal audit reports;
- Reviewing financial statement disclosures and testing to supporting documentation to assess compliance with applicable laws and regulations.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our Auditors' Report.

**INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO ASPIRE ACADEMIES TRUST AND THE EDUCATION AND SKILLS FUNDING AGENCY**

---

In accordance with the terms of our engagement letter dated 31 August 2022 and further to the requirements of the Education and Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2021 to 2022, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by Aspire Academies Trust during the year 1 September 2021 to 31 August 2022 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to Aspire Academies Trust and ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to Aspire Academies Trust and ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Aspire Academies Trust and ESFA, for our work, for this report, or for the conclusion we have formed.

**Respective responsibilities of Aspire Academies Trust's accounting officer and the reporting accountant**

The accounting officer is responsible, under the requirements of Aspire Academies Trust's funding agreement with the Secretary of State for Education dated 31 August 2012 and the Academy Trust Handbook, extant from 1 September 2021, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2021 to 2022. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the year 1 September 2021 to 31 August 2022 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

**ASPIRE ACADEMIES TRUST**  
**(A Company Limited by Guarantee)**

---

**INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO ASPIRE ACADEMIES TRUST AND THE EDUCATION & SKILLS FUNDING AGENCY (CONTINUED)**

---

**Approach**

We conducted our engagement in accordance with the Framework and Guide for External Auditors and Reporting Accountant of Academy Trusts issued by ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the Academy Trust's income and expenditure.

The work undertaken to draw to our conclusion includes:

- reviewing the minutes of the meetings of the Governing Body and other evidence made available to us, relevant to our consideration of regularity;
- a review of the objectives and activities of the Academies, with reference to the income streams and other information available to us as auditors of the Academies;
- testing a sample of payroll payments to staff;
- testing a sample of payments to suppliers and other third parties;
- consideration of governance issues; and
- evaluating the internal control procedures and reporting lines and testing as appropriate, and making appropriate enquiries of the Accounting Officer.

**Conclusion**

In the course of our work, nothing has come to our attention which suggest in all material respects the expenditure disbursed and income received during the year 1 September 2021 to 31 August 2022 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

**1. Accounting policies**

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgements and key sources of estimation uncertainty, is set out below.

**1.1 Basis of preparation of financial statements**

The financial statements of the Academy Trust, which is a public benefit entity under FRS 102, have been prepared under the historical cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2021 to 2022 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

The Consolidated Statement of Financial Activities (SOFA) and Consolidated Balance Sheet consolidate the financial statements of the Academy Trust and its subsidiary undertaking. The results of the subsidiary are consolidated on a line by line basis.

The Academy Trust has taken advantage of the exemption allowed under section 408 of the Companies Act 2006 and has not presented its own Statement of Financial Activities in these financial statements.

Aspire Academies Trust is a company limited by guarantee incorporated in England and Wales. The address of the registered office, principal place of operations and registered number are detailed on page 1. The nature of the Academy Trust's operations and principal activity are detailed in the Trustees' Report.

The Financial Statements are prepared in British Pound Sterling (£), the functional and presentational currency, rounded to the nearest £1.

**1.2 Basis of consolidation**

The financial statements consolidate the accounts of Aspire Academies Trust and all of its subsidiary undertakings ('subsidiaries').

The net income/expenditure for the year dealt with in the accounts of the Academy Trust was a deficit of £1,449,821 (2021 - £134,434 deficit) before actuarial gains/losses.

**1.3 Fund accounting**

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the Group at the discretion of the Trustees.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by the funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder/donor and include grants from the Department for Education Group.

Investment income, gains and losses are allocated to the appropriate fund.

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31 AUGUST 2022**

---

**1. Accounting policies (continued)**

**1.4 Income**

All incoming resources are recognised when the Group has entitlement to the funds, the receipt is probable and the amount can be measured reliably.

- **Grants**

Grants are included in the Consolidated Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance Sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the Statement of Financial Activities in the year for which it is receivable and any abatement in respect of the year is deducted from income and recognised as a liability.

Capital grants are recognised in full when there is unconditional entitlement to the grant. Unspent amounts of capital grant are reflected in the balance sheet in the restricted fixed asset fund. Capital grants are not deferred over the life of the asset on which they are expended.

- **Donations**

Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable and the amount can be reliably measured.

- **Other income**

Other income, including the hire of facilities, is recognised in the year it is receivable and to the extent the Group has provided the goods or services.

- **Transfer on conversion**

Where assets and liabilities are received by the Group on conversion to an academy, the transferred assets are measured at fair value and recognised in the Balance Sheet at the point when the risks and rewards of ownership pass to the Group. An equal amount of income is recognised as a transfer on conversion within 'Income from Donations and Capital Grants' of the net assets received.

- **Donated fixed assets (excluding transfers on conversion or into the Group)**

Where the donated good is a fixed asset it is measured at fair value, unless it is impractical to measure this reliably, in which case the cost of the item to the donor should be used. The gain is recognised as income from donations and a corresponding amount is included in the appropriate fixed asset category and depreciated over the useful economic life in accordance with the Academy Trust's accounting policies.

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31 AUGUST 2022**

---

**1. Accounting policies (continued)**

**1.5 Expenditure**

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central services have been allocated to the Academies in the trust in proportion to General Annual Grant revenue income.

- **Charitable activities**

Expenditure on charitable activities are costs incurred on the Academy Trust's educational operations, including support costs and costs relating to the governance of the Academy Trust apportioned to charitable activities.

All resources expended are inclusive of irrecoverable VAT.

**1.6 Going concern**

The Trustees assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the Academy Trust to continue as a going concern. The Trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements and have concluded that the Academy Trust has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the Academy Trust's ability to continue as a going concern, thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

**1.7 Operating leases**

Rentals paid under operating leases are charged to the Consolidated Statement of Financial Activities on a straight line basis over the lease term.

**1.8 Taxation**

The Academy Trust is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes.

Accordingly, the Academy Trust is potentially exempt from taxation in respect of income or capital gains received within categories covered by Part 11, chapter 3 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31 AUGUST 2022**

---

**1. Accounting policies (continued)**

**1.9 Tangible fixed assets**

Assets costing £1,000 or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the Consolidated Balance Sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding requiring the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the Consolidated Statement of Financial Activities and carried forward in the Consolidated Balance Sheet. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the Consolidated Statement of Financial Activities.

Depreciation is provided on all tangible fixed assets other than long term leasehold land and assets under construction, at rates calculated to write off the cost of each asset on a straight-line basis over its expected useful life, as follows:

Long leasehold property	- 2%-10% per annum on cost (on buildings only)
Fixtures and fittings	- 20% per annum on cost
Motor vehicles	- 20% per annum on cost
Computer equipment	- 20% - 33% per annum on cost

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Consolidated Statement of Financial Activities.

**1.10 Investments**

The Academy Trust's shareholding in the wholly owned subsidiary, West Hertfordshire Teaching School Partnership Limited is included in the Balance Sheet at the cost of the share capital owned less impairment. There is no readily available market value and the cost of valuation exceeds the benefit derived.

**1.11 Debtors**

Trade and other debtors are recognised at the settlement amount. Prepayments are valued at the prepaid amount.

**1.12 Cash at bank and in hand**

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31 AUGUST 2022**

---

**1. Accounting policies (continued)**

**1.13 Pensions**

Retirement benefits to employees of the Group are provided by the Teachers' Pension Scheme ("TPS") and the Local Government Pension Scheme ("LGPS"). These are defined benefit schemes.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the Group in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quadrennial valuations using a prospective unit credit method. TPS is an unfunded multi-employer scheme with no underlying assets to assign between employers. Consequently, the TPS is treated as a defined contribution scheme for accounting purposes and the contributions recognised in the period to which they relate.

The LGPS is a funded multi-employer scheme and the assets are held separately from those of the Group in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each Balance Sheet date. The amounts charged to net income/(expenditure) are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the Consolidated Statement of Financial Activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses.

Actuarial gains and losses are recognised immediately in other recognised gains and losses.

**1.14 Liabilities and provisions**

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the Group anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are recognised when the Academy Trust has an obligation at the reporting date as a result of a past event which it is probable will result in the transfer of economic benefits and the obligation can be estimated reliably.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised within interest payable and similar charges.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 AUGUST 2022**

---

**1. Accounting policies (continued)**

**1.15 Financial instruments**

The Group only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the Group and their measurement bases are as follows:

Financial assets - trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost as detailed in note 16. Prepayments are not financial instruments. Amounts due from the Academy Trust's subsidiary are held at face value less any impairment.

Cash at bank is classified as a basic financial instrument and is measured at face value.

Financial liabilities - trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost as detailed in notes 17 and 18. Taxation and social security are not included in the financial instruments disclosure definition. Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument.

Amounts due to the charity's wholly owned subsidiary are held at face value less any impairment.

**2. Critical accounting estimates and areas of judgement**

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The Academy Trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost or income for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 26, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2019 has been used by the actuary in valuing the pensions liability at 31 August 2022. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

Critical areas of judgement:

The judgements that have had a significant effect on amounts recognised in the financial statements are those concerning the choice of depreciation policies and asset lives.

**14. Trustees' and Officers' insurance**

The Group has opted into the Department of Education's risk protection arrangement (RPA), an alternative to insurance where UK government funds cover losses that arise. This scheme protects Trustees and officers from claims arising from negligent acts, errors or omissions occurring whilst on academy business, and provides cover up to £10,000,000. It is not possible to quantify the Trustees and officers indemnity element from the overall cost of the RPA scheme membership.

**19. Statement of funds (continued)**

The specific purposes for which the funds are to be applied are as follows:

All general funds are held for the purposes of education in line with the Academy's objectives.

The General Annual Grant (GAG) represents the core funding for the educational activities of the school that has been provided to the Academy via the Education and Skills Funding Agency and the Department for Education. The GAG fund has been set up because the GAG must be used for the normal running costs of the Academy.

The other DfE/ESFA restricted fund represents other funding received from the government which does not form part of GAG but is received in relation to specific purposes including Universal Free School Meals and PE Sports grant.

Pupil premium must be used for the purpose detailed in the grant or donation.

The NCSL teaching school fund is to provide high-quality training, development and support to new and experienced school staff.

The Restricted Fixed Asset fund represents the net book value of capitalised fixed assets and unspent capital funds. Transfers to the fund are to meet the cost of additions or transfers into GAG for revenue expenditure.

Under the funding agreement with the Secretary of State, the Academy Trust was not subject to a limit on the amount of GAG it could carry forward at 31 August 2022.

**26. Pension commitments**

The Academy Trust's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by Hertfordshire County Council. Both are multi-employer defined benefit schemes.

The latest actuarial valuation of the TPS related to the period ended 31 March 2016 and of the LGPS 31 March 2019.

There were no outstanding or prepaid contributions at either the beginning or the end of the financial year.

**Teachers' Pension Scheme**

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for teachers in academies. All teachers have the option to opt-out of the TPS following enrolment.

The TPS is an unfunded scheme to which both the member and employer makes contributions, as a percentage of salary - these contributions are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

**Valuation of the Teachers Pension Scheme**

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury every 4 years. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2016. The valuation report was published by the Department for Education on 5 March 2019. The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 23.68% of pensionable pay (including a 0.08% administration levy)
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £218,100 million and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £196,100 million, giving a notional past service deficit of £22,000 million
- the SCAPE rate, set by HMT, is used to determine the notional investment return. The current SCAPE rate is 2.4% above the rate of CPI, assumed real rate of return is 2.4% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.2%. The assumed nominal rate of return including earnings growth is 4.45%.

The next valuation result is due to be implemented from 1 April 2024.

The employer's pension costs paid to TPS in the year amounted to £836,696 (2021 - £861,939).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website (<https://www.teacherspensions.co.uk/news/employers/2019/04/teachers-pensions-valuation-report.aspx>).

Under the definitions set out in FRS 102, the TPS is an unfunded multi-employer pension scheme. The Group has accounted for its contributions to the scheme as if it were a defined contribution scheme. The Group has set out above the information available on the scheme.

**Local Government Pension Scheme**

The LGPS is a funded defined benefit pension scheme, with the assets held in separate trustee-administered funds. The total contribution made for the year ended 31 August 2022 was £808,000 (2021 - £803,000), of which employer's contributions totalled £617,000 (2021 - £652,000) and employees' contributions totalled £156,000 (2021 - £151,000). The agreed contribution rates for future years are 25.3 per cent for employers and 12.5 per cent for employees.

As described in note 1.13 the LGPS obligation relates to the employees of the Academy Trust, who were the employees transferred as part of the conversion from the maintained school and new employees who were eligible to, and did, join the Scheme in the year. The obligation in respect of employees who transferred on conversion represents their cumulative service at both the predecessor school and the Academy Trust at the balance sheet date.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.

**29. Related party transactions**

Owing to the nature of the Academy Trust and the composition of the Board of Trustees being drawn from local public and private sector organisations, transactions may take place with organisations in which the trustees have an interest. All transactions involving such organisations are conducted in accordance with the requirements of the Academy Trust Handbook, including notifying the ESFA of all transactions made on or after 1 April 2019 and obtaining their approval where required, and with the Academy Trust's financial regulations and normal procurement procedures relating to connected and related party transactions.

K McQueen (spouse of P McQueen, a Trustee/Director) is employed by the academy trust as a Nursery Nurse. K McQueen's appointment was made in open competition and P McQueen was not involved in the decision-making process regarding appointment. K McQueen is paid within the normal pay scale for her role and receives no special treatment as a result of her relationship to a Trustee.
