Section 93 (*Restriction on consolidation of mortgages*) of the Law of Property Act shall not apply to this Deed.

12.4 Sections 99 and 100

At any time after the Security Interests have become enforceable, the Security Agent may make any lease or agreement for lease, accept any surrender of lease and grant any option as it sees fit and without the need to comply with any provision of section 99 (*Leasing powers of mortgagor and mortgagee in possession*) or section 100 (*Powers of mortgagor and mortgagee in possession to accept surrenders of leases*) of the Law of Property Act.

13. APPOINTMENT OF RECEIVERS AND ADMINISTRATORS**13.1 Appointment of Receivers**

If:

- (a) requested by the Chargor; or
- (b) the Security Interests have become enforceable,

the Security Agent may, by deed or otherwise in writing signed by the Security Agent or any person authorised for this purpose by the Security Agent, appoint one or more persons to be a Receiver of all or any part of the Security Assets. The Security Agent may similarly remove any Receiver and appoint any person instead of any Receiver. If the Security Agent appoints more than one person as Receiver, the Security Agent may give those persons power to act either jointly or severally.

Any restriction imposed by law on the right of a mortgagee to appoint a Receiver (including under section 109(1) of the Law of Property Act) does not apply to this Deed.

13.2 Appointment of Administrators

Paragraph 14 of Schedule B1 to the Insolvency Act applies to this Deed and the Security Agent may appoint an Administrator of the Chargor pursuant to that paragraph.

13.3 Agent of Chargor

Any Receiver shall be the agent of the Chargor for all purposes. The Chargor alone shall be responsible for the Receiver's contracts, engagements, acts, omissions and defaults (other than those caused by the Receiver's gross negligence or wilful misconduct).

13.4 Remuneration of Receivers

The Security Agent may determine the remuneration of any Receiver and the maximum rate specified in sections 109(6) and (8) (*Appointment, powers, remuneration and duties of receiver*) of the Law of Property Act shall not apply. The Security Agent may direct payment of that remuneration out of moneys it receives as Receiver. The Chargor alone shall be liable for the remuneration and all other costs, losses, liabilities and expenses of the Receiver (other than those caused by the Receiver's gross negligence or wilful misconduct).

14. RIGHTS AND LIABILITIES OF SECURITY AGENT AND RECEIVERS

14.1 Rights of Receivers

Any Receiver appointed pursuant to Clause 12 (*Appointment of Receivers and Administrators*) shall have:

- (a) the rights set out in Schedule 1 (*Rights of Receivers*);
- (b) the rights, powers, privileges and immunities conferred by law, including:
 - (i) in the case of an administrative receiver, the rights, powers, privileges and immunities conferred by the Insolvency Act on administrative receivers duly appointed under the Insolvency Act; and
 - (ii) in all other cases, the rights, powers, privileges and immunities conferred by the Law of Property Act and the Insolvency Act on receivers or receivers and managers.

14.2 Rights of Security Agent

At any time after the Security Interests have become enforceable, to the fullest extent permitted by law, any rights conferred by any Finance Document or by law upon a Receiver may be exercised by the Security Agent, whether or not the Security Agent shall have appointed a Receiver of all or any part of the Security Assets.

14.3 Delegation

- (a) Each of the Security Agent, any Receiver and any Delegate may delegate in any manner to any person any rights exercisable by the Security Agent under any Finance Document or otherwise by law. Any such delegation may be made upon such terms and conditions (including power to sub-delegate) as the Security Agent thinks fit and the Security Agent may pass confidential information to any such delegate.

14.4 Financial collateral arrangement

- (a) To the extent that this Deed constitutes a "financial collateral arrangement" (as defined in the Financial Collateral Arrangements (No. 2) Regulations 2003 (the "**Financial Collateral Regulations**")) the Security Agent shall have the right following the occurrence of an Enforcement Event, to appropriate any Security Asset which constitutes "financial collateral" (as defined in the Financial Collateral Regulations ("**Financial Collateral**")) in such manner as it sees fit in or towards satisfaction of the Secured Liabilities in accordance with the Financial Collateral Regulations.
- (b) If the Security Agent is required to value any Financial Collateral for the purpose of paragraph (a) above, the value shall be:
 - (i) in the case of cash, its face value at the time of appropriation, together with any accrued but unposted interest at the time of appropriation; and
 - (ii) in the case of financial instruments or other Financial Collateral, their market value at the time of appropriation as determined (after appropriation) by the Security Agent by reference to a public index or other applicable generally recognised source or such other process as the Security Agent may select, including a valuation carried out by an independent investment bank, firm of accountants or other valuers appointed by the Security Agent,

as converted, where necessary, into the currency in which the Secured Liabilities are denominated at a market rate of exchange prevailing at the time of appropriation selected by the Security Agent. The Parties agree that the methods of valuation set out in this paragraph (b) are commercially reasonable for the purpose of the Financial Collateral Regulations.

14.5 Possession

If the Security Agent, any Receiver or any Delegate takes possession of the Security Assets, it may at any time relinquish possession. Neither the Security Agent, any Receiver nor any Delegate shall be liable, by reason of viewing or repairing any of the present or future assets of the Chargor, as a mortgagee in possession.

14.6 Security Agent's liability

(a) Neither the Security Agent, any Receiver nor any Delegate shall, either by reason of taking possession of the Security Assets or for any other reason and whether as mortgagee in possession or otherwise, be liable for:

- (i) any costs, losses, liabilities or expenses relating to the realisation of any Security Assets; or
- (ii) any act or omission of the Security Agent, any Receiver, any Delegate or their respective officers, employees or agents in relation to the Security Assets or in connection with the Finance Documents,

unless, in each case, directly caused by its gross negligence or wilful misconduct.

(b) Neither the Security Agent nor any other Secured Party shall be liable (either to the Chargor or to any other person) by reason of the appointment of a Receiver or Delegate nor in any way be liable for any misconduct, negligence or default of a Receiver or Delegate, unless directly caused by the gross negligence or wilful misconduct of the Security Agent or other Secured Party.

15. ORDER OF APPLICATION

All amounts from time to time received or recovered by the Security Agent or any Receiver pursuant to the terms of this Deed or in connection with the realisation or enforcement of all or any part of the Security Interests shall be held by the Security Agent on trust to apply them at any time as the Security Agent (in its discretion) sees fit, to the extent permitted by applicable law, in the following order of priority:

- (a) in discharging any sums owing to the Security Agent (other than pursuant to clause 31.12 (*Parallel Debt*) of the Facility Agreement), any Receiver or any Delegate;
- (b) in discharging all costs and expenses incurred by any Secured Party in connection with any realisation or enforcement of the Security Interests or any action taken at the request of the Security Agent under Clause 4 (*Further assurance*);
- (c) in payment or distribution to the Agent on its own behalf and on behalf of the other Secured Parties for application towards the discharge of the Secured Liabilities in accordance with the terms of the Facility Agreement;

- (d) if the Chargor is not under any further actual or contingent liability under any Finance Document, in payment or distribution to any person to whom the Security Agent is obliged to pay or distribute in priority to the Chargor; and
- (e) the balance, if any, in payment or distribution to the Chargor.

16. POWER OF ATTORNEY

16.1 Appointment

The Chargor by way of security irrevocably appoints the Security Agent, each Receiver and each Delegate severally to be its attorney (with full power of substitution), on its behalf and in its name or otherwise, at such time and in such manner as the attorney thinks fit:

- (a) to do anything which the Chargor is obliged to do under any Finance Document to which it is party but, following the expiry of any time period permitted for performance, has failed to do by the date it was obliged to do so (including to do all such acts or execute all such documents, assignments, transfers, mortgages, charges, notices, instructions, filings and registrations as the Security Agent may reasonably specify (and in such form as the Security Agent may reasonably require in favour of the Security Agent or its nominee(s))); or
- (b) following the occurrence of an Enforcement Event, to exercise any of the rights conferred on the Security Agent, any Receiver or any Delegate in relation to the Security Assets or under any Finance Document or under any law.

16.2 Ratification

The Chargor ratifies and confirms and agrees to ratify and confirm whatever any such attorney shall do in the exercise or purported exercise of the power of attorney granted by it in Clause 15.1 (*Appointment*).

17. PROTECTION OF THIRD PARTIES

No purchaser or other person dealing with the Security Agent, any Receiver or its agents shall be concerned to enquire:

- (a) whether the powers conferred on the Security Agent, any Receiver or its agents have arisen;
- (b) whether the powers conferred on the Security Agent, any Receiver or its agents have become exercisable;
- (c) whether any consents, regulations, restrictions or directions relating to such powers have been obtained or complied with;
- (d) whether the Security Agent, any Receiver or its agents is acting within such powers;
- (e) whether any money remains due under the Finance Documents and the receipt in writing of the Security Agent, any Receiver or its agents shall be sufficient discharge to that purchaser or other person;
- (f) as to the propriety or validity of acts purporting or intended to be in exercise of any such powers; or

(g) as to the application of any money paid to the Security Agent, any Receiver or its agents.

18. **SAVING PROVISIONS**

18.1 **Continuing Security**

Subject to Clause 18 (*Discharge of Security*), the Security Interests are continuing Security and will extend to the ultimate balance of the Secured Liabilities, regardless of any intermediate payment or discharge in whole or in part.

18.2 **Reinstatement**

If any discharge, release or arrangement (whether in respect of the obligations of the Chargor or any Obligor or any security for those obligations or otherwise) is made by a Secured Party in whole or in part on the basis of any payment, security or other disposition which is avoided or must be restored in insolvency, liquidation or otherwise, without limitation, then the liability of the Chargor and each Obligor and the Security Interests will continue or be reinstated as if the discharge, release or arrangement had not occurred.

18.3 **Waiver of defences**

Neither the obligations of the Chargor under this Deed nor the Security Interests will be affected by an act, omission, matter or thing which, but for this Clause, would reduce, release or prejudice any of its obligations under any Finance Document or any of the Security Interests (without limitation and whether or not known to it or any Secured Party) including:

- (a) any time, waiver or consent granted to, or composition with, the Chargor, any Obligor or other person;
- (b) the release of the Chargor, any Obligor or any other person under the terms of any composition or arrangement with any creditor of any member of the Group;
- (c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, the Chargor, any Obligor or other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;
- (d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of the Chargor, any Obligor or any other person;
- (e) any amendment, novation, supplement, extension, restatement (however fundamental and whether or not more onerous) or replacement of any Finance Document or any other document or security including any change in the purpose of, any extension of or any increase in any facility or the addition of any new facility under any Finance Document or other document or security;
- (f) any unenforceability, illegality or invalidity of any obligation of any person under any Finance Document or any other document or security; or
- (g) any insolvency or similar proceedings.

18.4 Chargor intent

Without prejudice to the generality of Clause 17.3 (*Waiver of defences*), the Chargor expressly confirms that it intends that the Security Interests shall extend from time to time to any (however fundamental) variation, increase, extension or addition of or to any of the Finance Documents and/or any facility or amount made available under any of the Finance Documents for the purposes of or in connection with any of the following: business acquisitions of any nature; increasing working capital; enabling investor distributions to be made; carrying out restructurings; refinancing existing facilities; refinancing any other indebtedness; making facilities available to new borrowers; any other variation or extension of the purposes for which any such facility or amount might be made available from time to time; and any fees, costs and/or expenses associated with any of the foregoing.

18.5 Immediate recourse

The Chargor waives any right it may have of first requiring any Secured Party (or any trustee or agent on its behalf) to proceed against or enforce any other rights or security or claim payment from any person before claiming from the Chargor under this Deed. This waiver applies irrespective of any law or any provision of a Finance Document to the contrary.

18.6 Appropriations

Until all amounts which may be or become payable by the Obligors or the Chargor under or in connection with the Finance Documents have been irrevocably paid in full and all facilities which might give rise to Secured Liabilities have terminated, each Secured Party (or any trustee or agent on its behalf) may:

- (a) refrain from applying or enforcing any other moneys, security or rights held or received by that Secured Party (or any trustee or agent on its behalf) in respect of those amounts, or apply and enforce the same in such manner and order as it sees fit (whether against those amounts or otherwise) and the Chargor shall not be entitled to the benefit of the same; and
- (b) hold in an interest-bearing suspense account any moneys received from the Chargor or on account of the Chargor's liability under this Deed.

18.7 Deferral of Chargor's rights

Until all amounts which may be or become payable by the Obligors or the Chargor under or in connection with the Finance Documents have been irrevocably paid in full and all facilities which might give rise to Secured Liabilities have terminated and unless the Security Agent otherwise directs, the Chargor will not exercise any rights which it may have by reason of performance by it of its obligations under the Finance Documents or by reason of any amount being payable, or liability arising, under the Finance Documents:

- (a) to be indemnified by an Obligor;
- (b) to claim any contribution from any other provider of Security for or guarantor of any Obligor's obligations under the Finance Documents;
- (c) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Secured Parties under the Finance Documents or of any other guarantee or security taken pursuant to, or in connection with, the Finance Documents by any Secured Party;

- (d) to bring legal or other proceedings for an order requiring any Obligor to make any payment, or perform any obligation, in respect of which the Obligor had given a guarantee, undertaking or indemnity;
- (e) to exercise any right of set-off against any Obligor; and/or
- (f) to claim or prove as a creditor of any Obligor in competition with any Secured Party.

If the Chargor receives any benefit, payment or distribution in relation to such rights it shall hold that benefit, payment or distribution to the extent necessary to enable all amounts which may be or become payable to the Secured Parties by the Obligors or the Chargor under or in connection with the Finance Documents to be repaid in full on trust for the Secured Parties and shall promptly pay or transfer the same to the Security Agent or as the Security Agent may direct for application in accordance with Clause 14 (*Order of application*).

18.8 **Additional security**

The Security Interests are in addition to and are not in any way prejudiced by any other guarantee or Security now or subsequently held by any Secured Party, notwithstanding any receipt, release or discharge endorses on or given in respect of or under any such other Security.

18.9 **Tacking**

Each Secured Party shall comply with its obligations under the Finance Documents (including any obligation to make further advances).

19. **DISCHARGE OF SECURITY**

19.1 **Final redemption**

- (a) Subject to Clause 18.2 (*Retention of security*), if the Secured Liabilities have been irrevocably paid in full and all facilities which could, in the opinion of the Security Agent (acting reasonably) reasonably be expected to give rise to Secured Liabilities have terminated, the Security Agent shall at the request and cost of the Chargor promptly:
 - (i) release, reassign or discharge (as appropriate) the Security Assets from the Security Interests, without recourse to, or any representation or warranty by, the Security Agent or any of its nominees; and
 - (ii) return all documents of title, transfer documents and other documentation relating to the Security Assets which it holds (or instruct any relevant person to return any documentation which is being held to its order).
- (b) The Security Agent shall, at the request and cost of the relevant Chargor (and without any further instruction or direction from any other Finance Party), promptly release, reassign or discharge (as appropriate) from the Security Interests any Security Asset which is subject to a disposal by a Chargor permitted under the Facility Agreement and provide a certificate of non-crystallisation of the floating charge created under this Deed (insofar as that charge has not crystallised).

19.2 **Retention of security**

If any amount paid or credited to any Secured Party under any Finance Document could, in the opinion of the Security Agent (acting reasonably) reasonably be expected to be avoided or

otherwise set aside, that amount shall not be considered to have been paid for the purposes of determining whether all the Secured Liabilities have been irrevocably paid.

20. **INDEMNITY**

The Chargor shall, within three Business Days of demand, indemnify the Security Agent and any Receiver against any cost, loss, liability or expense incurred by it or them as a result of:

- (a) any breach by the Chargor of this Deed; or
- (b) the exercise or purported exercise of any of the rights, powers, discretions, authorities and remedies conferred on it or them by this Deed or otherwise relating to the Security Assets.

21. **PAYMENTS**

21.1 **Undertaking to pay**

The Chargor shall pay each of the Secured Liabilities when due in accordance with its terms.

21.2 **Demands**

Any demand for payment made by any Secured Party shall, to the extent that any of the Secured Liabilities referred to therein are due and payable, be valid and effective even if it contains no statement of the relevant Secured Liabilities or an inaccurate or incomplete statement of them.

21.3 **Payments**

All payments by the Chargor under this Deed shall be made to such account, with such financial institution and in such other manner as the Security Agent may direct.

21.4 **Continuation of accounts**

- (a) At any time after a Secured Party has received or is deemed to have received notice of any subsequent Security in breach of Clause 3.1 (*Negative pledge*) affecting all or any part of the Security Assets of the Chargor, that Secured Party may open a new account in the name of the Chargor (whether or not it permits any existing account to continue).
- (b) If that Secured Party does not open such a new account, it shall be treated as if it had done so when the relevant notice was received or deemed to have been received and as from that time all payments made by or on behalf of the Chargor to that Secured Party shall be credited or be treated as having been credited to the relevant new account and not as having been applied in reduction of the Secured Liabilities as at the time the relevant notice was received or deemed to have been received.

21.5 **Contingencies**

If all or any part of the Security Interests are enforced at a time when no amount is due under the Finance Documents but any such amount may or will become due, the Security Agent or the Receiver may pay the proceeds of any recoveries effected by it into a suspense account.

22. **REMEDIES, WAIVERS AND DETERMINATIONS**

22.1 **Remedies and waivers**

No failure to exercise, nor any delay in exercising, on the part of any Secured Party, any right or remedy under any Finance Document shall operate as a waiver of any such right or remedy or constitute an election to affirm any of the Finance Documents. No waiver or election to affirm any

of the Finance Documents on the part of any Secured Party shall be effective unless in writing. No single or partial exercise of any right or remedy shall prevent any further or other exercise or the exercise of any other right or remedy. The rights and remedies provided in the Finance Documents are cumulative and not exclusive of any rights or remedies provided by law, including the right to appoint an Administrator under the Insolvency Act.

22.2 **Certificates and Determinations**

Any certification or determination by the Security Agent or any Receiver of a rate or amount under any Finance Document is, in the absence of manifest error, conclusive evidence of the matters to which it relates.

23. **SEPARATE AND INDEPENDENT OBLIGATIONS**

The Security created by the Chargor by or in connection with any Finance Document is separate from and independent of the Security created or intended to be created by any other Obligor or other provider of Security by or in connection with any Finance Document.

24. **COUNTERPARTS**

This Deed may be executed in any number of counterparts, and this has the same effect as if the signatures on the counterparts were on a single copy of this Deed.

25. **GOVERNING LAW**

This Deed and any non-contractual obligations arising out of or in connection with it are governed by English law.

26. **ENFORCEMENT**

- (a) The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this Deed (including a dispute relating to the existence, validity or termination of this Deed or any non-contractual obligation arising out of or in connection with this Deed) (a "**Dispute**").
- (b) The Parties agree that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no Party will argue to the contrary.
- (c) Notwithstanding paragraphs (a) and (b) above, the Security Agent shall not be prevented from taking proceedings relating to a Dispute in any other courts with jurisdiction. To the extent allowed by law, the Security Agent may take concurrent proceedings in any number of jurisdictions.

This Deed has been delivered on the date stated at the beginning of this Deed.
