NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30TH NOVEMBER 2022

1. STATUTORY INFORMATION

Betocare UK Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

2. ACCOUNTING POLICIES

Accounting convention

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Going Concern Justification

The directors have assessed various factors and risks affecting the company and its ability in these difficult economic times to continue to trade as a going concern. The directors have not identified any material uncertainties or risks related to events or conditions that could affect the carrying values of the company's assets and liabilities as at the balance sheet date. Therefore the financial statements for the period ended 30 November 2022 have been prepared using the going concern basis of accounting.

Revenue

Revenue - Described as turnover - is the value of goods (net of VAT) provided to customers during the year, plus the value of work (net of VAT) performed during the year with respect to services.

Revenue is recognised on the sale of goods when the goods are delivered and title has passed. Revenue is recognised on the provision of services once completed.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Taxation

Taxation for the year comprises current and deferred tax. Tax is recognised in the Statement of Income and Retained Earnings, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to profit or loss on a straight line basis over the period of the lease.
