OTHER MATTERS

As a consequence of a change in stance by HM Revenue & Customs regarding how statutory interest must be calculated, a review of the company's tax position had to be undertaken. This was following a Court action taken by HM Revenue & Customs, where the Court found in their favour that statutory interest in all Members Voluntary Liquidations is to be calculated at 8% per annum from the date of liquidation. The Joint Liquidators review confirmed that no statutory interest was due and clearance to close the liquidation has been requested from HM Revenue & Customs. This has now been received and the Joint Liquidators will now take steps to bring the liquidation to a close.

LIQUIDATOR'S FEES

Set out below are details of the current charge out rates of the various grades of staff who have attended to matters arising in the case. The day to day administration of the case was carried out at a level of an administrator, who is responsible to a manager experienced in insolvency matters, together with the appointed partner.

Grade	£/Hour

Manager	125 - 195
Administrator	75 - 125
