If the Debenture Security is enforced at a time when no amounts are due under the Finance Documents (but at a time when amounts may become so due), the Security Agent or a Receiver may pay the proceeds of any recoveries effected by it into a blocked suspense account with an Acceptable Bank chosen by the Security Agent or Receiver (bearing interest at such rate (if any) as the directed Acceptable Bank usually grants for accounts of that size and nature).

## 20.3 Appropriation, Intercreditor Agreement and suspense account

- (a) Subject to the Intercreditor Agreement and clause 20.1 (*Application*), the Security Agent shall apply all payments received in respect of the Secured Obligations in reduction of any part of the Secured Obligations in any order or manner which it may determine.
- (b) Any such appropriation shall override any appropriation by any Chargor.
- (c) All monies received, recovered or realised by the Security Agent under or in connection with this Deed may at the discretion of the Security Agent be credited to a separate interest-bearing suspense account held with an Acceptable Bank as directed by the Security Agent for so long as the Security Agent determines (with interest accruing thereon at such rate (if any) as the directed Acceptable Bank usually grants for accounts of that size and nature) without the Security Agent having any obligation to apply such monies and interest or any part of it in or towards the discharge of any of the Secured Obligations unless such monies would clear all Secured Obligations in full.

## 21. SET-OFF

### 21.1 Set-off rights

- (a) The Security Agent and each other Secured Party may (but shall not be obliged to) set off any obligation which is due and payable by any Chargor and unpaid (whether under the Finance Documents or which has been assigned to the Security Agent or such other Secured Party by any other Chargor) against any obligation (whether or not matured) owed by the Security Agent or such other Secured Party to such Chargor, regardless of the place of payment, booking branch or currency of either obligation.
- (b) At any time after the Debenture Security has become enforceable (and in addition to its rights under clause 21.1(a)), the Security Agent and each other Secured Party may (but shall not be obliged to) set-off any contingent liability owed by a Chargor under any Finance Document against any obligation (whether or not matured) owed by the Security Agent or such other Secured Party to such Chargor, regardless of the place of payment, booking branch or currency of either obligation.
- (c) If the obligations are in different currencies, the Security Agent or such other Secured Party may convert either obligation at a market rate of exchange in its usual course of business for the purpose of the set-off.
- (d) If either obligation is unliquidated or unascertained, the Security Agent or such other Secured Party may set off in an amount estimated by it in good faith to be the amount of that obligation.

## **21.2 Time deposits**

Without prejudice to clause 21.1 (*Set-off rights*), if any time deposit matures on any account which any Chargor has with an Acceptable Bank chosen by the Security Agent or with any other Secured Party at a time within the Security Period when:

- (a) this Debenture Security has become enforceable; and
- (b) no Secured Obligation is due and payable,

such time deposit shall automatically be renewed for such further maturity as the Security Agent or such other Secured Party in its absolute discretion considers appropriate unless the Security Agent or such other Secured Party otherwise agrees in writing.

## **22. DELEGATION**

Each of the Security Agent and any Receiver may delegate, by power of attorney (or in any other manner) to any person, any right, power or discretion exercisable by them under this Deed upon any terms (including power to sub-delegate) which it may think fit. Neither the Security Agent nor any Receiver shall be in any way liable or responsible to any Chargor for any loss or liability arising from any act, default, omission or misconduct on the part of any Delegate.

## **23. FURTHER ASSURANCES**

### **23.1 Further action**

Subject to the Agreed Security Principles each Chargor shall (and the Parent shall procure that each Chargor shall) at its own expense, immediately do all acts and execute all documents as the Security Agent or a Receiver may reasonably specify (and in such form as the Security Agent or a Receiver may reasonably require) for:

- (a) creating, perfecting or protecting the Security intended to be created by this Deed or any other Transaction Security Document;
- (b) facilitating the realisation of any Security Asset;
- (c) facilitating the exercise of any rights, powers and remedies exercisable by the Security Agent, any other Secured Party or any Receiver or any Delegate in respect of any Security Asset or provided by or pursuant to the Finance Documents or by law; or
- (d) creating and perfecting Security in favour of the Security Agent or the Secured Parties over any property and assets of such Chargor located in any jurisdiction outside England and Wales equivalent or similar to the Security intended to be created by or pursuant to this Deed or any other Transaction Security Document.

This includes:

- (i) the re-execution of this Deed or such Transaction Security Document;
- (ii) the execution of any legal mortgage, charge, transfer, conveyance, assignment, assignation or assurance of any property, whether to the Security Agent or to its nominee; and
- (iii) the giving of any notice, order or direction and the making of any filing or registration,

which, in any such case, the Security Agent may think expedient.

### **23.2 Finance Documents**

Each Chargor shall (and the Parent shall procure that each member of the Group shall) take all such action as is available to it (including making all filings and registrations) as may be necessary for the purpose of the creation, perfection, protection or maintenance of any Security conferred or intended to be conferred on the Security Agent or the Secured Parties by or pursuant to the Finance Documents.

### **23.3 Specific security**

Without prejudice to the generality of clause 23.1 (*Further action*), each Chargor will immediately upon request by the Security Agent execute any document contemplated by that clause over any Security Asset which is subject to or intended to be subject to any fixed security under this Deed (including any fixed security arising or intended to arise pursuant to clause 6 (*Conversion of Floating Charge*)).

## **24. POWER OF ATTORNEY**

Each Chargor, by way of security, irrevocably and severally appoints the Security Agent, each Receiver and any Delegate to be its attorney to take any action whilst an Event of Default is continuing or enforcement of the Debenture Security has occurred which such Chargor is obliged to take under this Deed, including under clause 23 (*Further Assurances*) or, if no Event of Default is continuing, which such Chargor has failed to take. Each Chargor ratifies and confirms whatever any attorney does or purports to do pursuant to its appointment under this clause.

## **25. CURRENCY CONVERSION**

All monies received or held by the Security Agent or any Receiver under this Deed may be converted from their existing currency into such other currency as the Security Agent or any Receiver considers necessary or desirable to cover the obligations and liabilities comprised in the Secured Obligations in that other currency at the Agent's Spot Rate of Exchange. Each Chargor shall indemnify the Security Agent against all costs, charges and expenses incurred in relation to such conversion. Neither the Security Agent nor any Receiver shall have any liability to any Chargor in respect of any loss resulting from any fluctuation in exchange rates after any such conversion.

## **26. CHANGES TO THE PARTIES**

### **26.1 Chargors**

No Chargor may assign any of its rights or obligations under this Deed.

### **26.2 Security Agent**

The Security Agent may assign or transfer all or any part of its rights under this Deed pursuant to the resignation or removal of the Security Agent in accordance with the Intercreditor Agreement. Each Chargor shall, immediately upon being requested to do so by the Security Agent, enter into such documents as may be necessary or desirable to effect such assignment or transfer.

### 26.3 Accession Deed

Each Chargor:

- (a) consents to new Subsidiaries of the Parent becoming Chargors as contemplated by the Finance Documents; and
- (b) irrevocably authorises the Parent to agree to and, if required, sign any duly completed Accession Deed as agent and attorney for and on behalf of such Chargor.

## 27. MISCELLANEOUS

### 27.1 New accounts

- (a) If the Security Agent or any other Secured Party receives, or is deemed to be affected by, notice, whether actual or constructive, of any subsequent Security (other than a Permitted Security) affecting any Security Asset and/or the proceeds of sale of any Security Asset or any guarantee under the Finance Documents ceases to continue in force, it may open a new account or accounts for any Chargor. If it does not open a new account, it shall nevertheless be treated as if it had done so at the time when it received or was deemed to have received such notice.
- (b) As from that time all payments made to the Security Agent or such other Secured Party will be credited or be treated as having been credited to the new account and will not operate to reduce any amount of the Secured Obligations.

### 27.2 Tacking

- (a) Each Finance Party shall perform its obligations under the Senior Facilities Agreement (including any obligation to make available further advances).
- (b) This Deed secures advances already made and further advances to be made.

### 27.3 Articles of association

Each Chargor certifies that the Debenture Security does not contravene any of the provisions of the articles of association of such Chargor.

### 27.4 Land Registry

- (a) Each Chargor shall apply to the Chief Land Registrar (and consents to such an application being made by or on behalf of the Security Agent) for a restriction in the following terms to be entered on the Register of Title relating to any property registered at the Land Registry (or any unregistered land subject to first registration) and against which this Deed may be noted:

*"No disposition of the registered estate by the proprietor of the registered estate is to be registered without a written consent signed by the proprietor for the time being of the charge dated [ ♦ 20 ♦ ] in favour of HSBC Corporate Trustee Company (UK) Limited as Security Agent referred to in the charges register or their conveyancer."*

- (b) Each Chargor:
  - (i) authorises the Security Agent to make any application which the Security Agent deems appropriate for the designation of this Deed, the Senior

Facilities Agreement or any other Finance Document as an exempt information document under rule 136 of the Land Registration Rules 2003;

- (ii) shall use its best endeavours to assist with any such application made by or on behalf of the Security Agent; and
  - (iii) shall notify the Security Agent in writing as soon as it receives notice of any person's application under rule 137 of the Land Registration Rules 2003 for the disclosure of this Deed, the Senior Facilities Agreement or any other Finance Document following its designation as an exempt information document.
- (c) No Chargor shall make any application under rule 138 of the Land Registration Rules 2003 for the removal of the designation of any such document as an exempt information document.
  - (d) Each Chargor shall promptly make all applications to and filings with the Land Registry which are necessary or desirable under the Land Registration Rules 2003 to protect the Debenture Security.

## **27.5 Protective clauses**

- (a) Each Chargor is deemed to be a principal debtor in relation to this Deed. The obligations of each Chargor under, and the security intended to be created by, this Deed shall not be impaired by any forbearance, neglect, indulgence, extension or time, release, surrender or loss of securities, dealing, amendment or arrangement by any Secured Party which would otherwise have reduced, released or prejudiced this Debenture Security or any surety liability of a Chargor (whether or not known to it or to any Secured Party).
- (b) Clause 20 of the Senior Facilities Agreement (*Guarantee and indemnity*) applies in relation to this Deed as if references to the obligations referred to in such clause were references to the obligations of each Chargor under this Deed.

## **28. NOTICES**

### **28.1 Senior Facilities Agreement**

Subject to clause 27.2 (*Notices through Parent*):

- (a) clause 33 of the Senior Facilities Agreement (*Notices*) (other than clauses 33.3(c), 33.6 (*Electronic communication*) and 33.7 (*Use of websites*)) is incorporated into this Deed as if fully set out in this Deed; and
- (b) the address and fax numbers of each Party for all communications or documents given under or in connection with this Deed are those identified with its name in the execution pages to this Deed or subsequently notified from time to time by the relevant Party for the purposes of the Senior Facilities Agreement or this Deed.

### **28.2 Notices through Parent**

- (a) All communications and documents from the Chargors shall be sent through the Parent and all communications and documents to the Chargors may be sent through the Parent.
- (b) Any communication or document made or delivered to the Parent in accordance with this clause 28 will be deemed to have been made or delivered to each of the Chargors.

**29. CALCULATIONS AND CERTIFICATES**

Any certificate of or determination by a Secured Party, the Security Agent or the Agent specifying the amount of any Secured Obligation due from the Chargors (including details of any relevant calculation thereof) is, in the absence of manifest error, conclusive evidence against the Chargors of the matters to which it relates.

**30. PARTIAL INVALIDITY**

All the provisions of this Deed are severable and distinct from one another and if at any time any provision is or becomes illegal, invalid or unenforceable in any respect under any law of any jurisdiction, neither the legality, validity or enforceability of any of the remaining provisions nor the legality, validity or enforceability of such provision under the law of any other jurisdiction will in any way be affected or impaired.

**31. REMEDIES AND WAIVERS**

No failure to exercise, nor any delay in exercising, on the part of the Security Agent (or any other Secured Party), any right or remedy under this Deed shall operate as a waiver, nor shall any single or partial exercise of any right or remedy prevent any further or other exercise, or the exercise of any other right or remedy. The rights and remedies provided are cumulative and not exclusive of any rights or remedies provided by law.

**32. AMENDMENTS AND WAIVERS**

Any provision of this Deed may be amended only if the Security Agent and the Chargors or the Parent on their behalf so agree in writing and any breach of this Deed may be waived before or after it occurs only if the Security Agent so agrees in writing. A waiver given or consent granted by the Security Agent under this Deed will be effective only if given in writing and then only in the instance and for the purpose for which it is given.

**33. COUNTERPARTS**

This Deed may be executed in any number of counterparts, and this has the same effect as if the signatures (and seals, if any) on the counterparts were on a single copy of this Deed.

**34. RELEASE**

**34.1 Release**

Upon the expiry of the Security Period (but not otherwise) the Security Agent shall, at the request and cost of the Chargors, take whatever action is necessary to release or re-assign (without recourse or warranty) the Security Assets from the Security.

**34.2 Reinstatement**

Where any discharge (whether in respect of the obligations of any Chargor or any security for those obligations or otherwise) is made in whole or in part or any arrangement is made on the faith of any payment, security or other disposition which is avoided or must be restored on insolvency, liquidation or otherwise (without limitation), the liability of the Chargors under this Deed shall continue as if the discharge or arrangement had not occurred. The Security Agent may concede or compromise any claim that any payment, security or other disposition is liable to avoidance or restoration.

**35. GOVERNING LAW**

This Deed and any non-contractual obligations arising out of or in connection with it shall be governed by English law.

IN WITNESS of which this Deed has been duly executed by each Original Chargor as a deed and duly executed by the Security Agent and has been delivered on the first date specified on page 1 of this Deed by each Original Chargor.
