Appendix 5 - Breakdown of the Liquidator's time costs for the entire period of the liquidation

1. Introduction

The purpose of this report is to detail the acts and dealings of the Liquidator and it should be read in conjunction with previous reports to creditors.

I was appointed Liquidator of the Company on 7 February 2020.

Since 1 January 2021, I have been licensed to act as an Insolvency Practitioner in the UK by the Institute of Chartered Accountants in England and Wales and prior to that date I was licensed by the Insolvency Practitioners Association. I can confirm that there has been no change in office-holder since the date of the liquidation.

Statutory information regarding the Company is provided at Appendix 1.

2. Progress

Administration

A summary of the Liquidator's administrative duties are detailed at Appendix 2 of this report.

Assets

According to the Statement of Affairs lodged in these proceedings, the assets of the Company had an estimated value of £152,962.03, which comprised principally of book debts.

The progress of realisation of these assets for the period of this report is detailed below.

Creditors should refer to previous reports for details of assets realised in prior periods.

Book Debts

Further to my previous report, I have submitted information requested by the FCA in respect of the 35 outstanding loan accounts and respective guarantors. Following submission of this information I continued collection of said accounts and to date I have collected a total of £3,469.67.

Responses from debtors have continued to be limited and I am considering further actions that can be taken in order to realise the remaining debts owing to the Company. Recovery of this asset is ongoing.

R & D Tax Refund

As per my previous report, it remains uncertain if the R&D tax refund has been submitted to HM Revenue & Customs for processing. I am continuing in my enquiries in order to seek realisation of this asset for creditors.

Bank Interest Gross

A total of £0.04 has been received to date in respect of bank interest incurred on funds held in the liquidation account.

3. Investigations

An initial investigation into the Company's affairs was undertaken to establish whether there were any potential asset recoveries or conduct matters that justified further investigation.

There were no matters that justified further investigation in the circumstances of this appointment.

A report on the conduct of any individuals, who have been directors of the Company in the three years prior to the insolvency, is required to be submitted to the Secretary of State within three months of my appointment. I confirm that this has been submitted, however the content of this report is confidential.

4. Costs and Expenses

A Receipts and Payments Account for the period covered by this report and the liquidation in its entirety is enclosed at Appendix 3. Receipts relating to asset realisations have been detailed in the progress section above. Information in relation to the costs and expenses of the liquidation are detailed below.

Pre-Appointment Costs

At the decision procedure held on 25 March 2020 it was resolved that my fee in relation to the assisting the directors with preparing the Statement of Affairs be on the basis of time properly spent by me and my staff in attending to matters arising in the administration of the liquidation plus VAT. A total of £2,571.68 has been drawn in respect of my fee to date, with the remaining balance to be recovered as part of the liquidation.

Liquidator's Remuneration

Numerous activities have been undertaken in administering the liquidation. A summarised list of these activities is attached at Appendix 2 for your information.

On 25 March 2020 creditors agreed the basis upon which I was to be remunerated. A resolution was passed that I be remunerated on the basis of:

- A fixed fee of £37,500.00 plus VAT in respect of administration and planning;
- A percentage of 30% of all asset realisations; and
- By reference to time properly spent by me and my staff in attending to matters relating to creditors and investigations in the liquidation. A fee estimate of £22,960.00 was provided, in respect of these categories of work, when seeking the resolution.

My time costs in respect of creditors and investigations, for the period from 7 February 2021 to 6 February 2022, total £1,872.50, represented by 6.80 hours at an average hourly rate of £275.37. A breakdown of these time costs is enclosed at Appendix 4. None of these costs have been drawn to date.

My time costs for the entirety of the Liquidation in respect of creditor and investigation matters total £11,159.50, represented by 43.40 hours at an average hourly rate of £257.13. A breakdown of these time costs is enclosed at Appendix 5.

As set out above, a fee estimate was agreed by creditors to limit my liquidator's fees to £22,960.00 plus VAT.

It is not anticipated that time costs will exceed the amount provided in the fee estimate.

The fixed fee is considered to be fair and reasonable as it provides creditors with certainty as to the level of the fee to be charged for this work. Further, the Liquidator considers that the fee is commensurate with the amount of work required to carry out these activities in their professional experience.

For clarity the percentage fee is not only to cover costs of asset recovery but also to contribute to the costs of the proceedings generally. As this fee is conditional upon recoveries from this particular source, this percentage fee protects the estate from exposure to costs, which would apply in respect of a general fixed fee or time cost basis. I therefore consider the fee to be fair and reasonable.

Fees have been drawn in accordance with these limits to date, having drawn a total of £141.69 in respect of realised assets.

Liquidator's Expenses

My category 1 expenses paid for the period up to the end of this report are detailed below. The basis of these disbursements were approved at the decision procedure held on 25 March 2020. The sum of £111.38 has been drawn in respect of these expenses to date.

Nature of expenses	Provided by	Incurred this period £	Incurred to date £
Statutory Advertising	Courts Advertising	NIL	169.50
Insolvency Bond	Marsh	NIL	400.00
Courier Fees	Calderpink Limited	NIL	400.00
Land Registry Searches	Land Registry	NIL	195.00
Total		NIL	1,164.50

Other Professional Costs

Solicitors

Ellisons solicitors were instructed to assist in the collection of the Company's book debts. They also provided assistance with investigating and responding to queries raised by the FCA. Their costs have been agreed on the basis of their standard hourly charge out rates, plus expenses and VAT. No fees have been paid to Ellisons solicitors in this matter to date.

5. Outcome for Creditors

The following table shows the claims disclosed on the Statement of Affairs, the claims received to date, and the current projected dividend:

	Statement of Affairs £	Claims received £	Dividend paid to date p/£	Projected further dividend p/£
Fixed Charge	NIL	NIL	NIL	NIL
Preferential	NIL	NIL	NIL	NIL
Floating Charge	NIL	NIL	NIL	NIL
Unsecured	198,255.25	431,428.99	NIL	Uncertain
Total	198,255.25	431,428.99		

Given the uncertain nature of recoveries in respect of the Company's book debts, it is too early in the proceedings to provide an accurate estimated quantum for unsecured creditors. Any changes to this position will be reported to creditors in line with statutory reporting deadlines.

6. Further Information

As a creditor, you have a right to request further information with regard to any aspect of this report or to challenge my fees and expenses. If you require further information, please do not hesitate to contact me.

If you require any further information, please make a request in writing within 21 days of receipt of this report. I shall provide this information within 14 days of the request unless it is considered that:

1. The time and costs involved in preparing the information would be excessive;
2. Disclosure would be prejudicial to the conduct of the liquidation or might be expected to lead to violence against any person.

If you are not satisfied with my response, you have the right to request further information from me with regard to my remuneration and expenses, with either the permission of the Court or with a collective request from 10% in value of unsecured creditors. This request must be made within eight weeks of receipt of this report.

Further, creditors have the right to apply to Court to challenge the amount of, or the basis of, my remuneration and expenses, with either the permission of the Court or with a collective request from 10% in value of unsecured creditors. This application must be made within eight weeks of receipt of this report.

7. Conclusion

As set out in further detail throughout this report, I am currently unable to conclude the liquidation as the following matters are outstanding:

- Realisation of book debts
- Further enquiry in respect of R&D claim processing position

The next report will either be to conclude the liquidation, or will be issued within two months of the next anniversary.

If you have any queries, please contact George Robinson at this office.

Yours faithfully

Jamie Playford
