TRUSTEES' REPORT

FOR THE YEAR ENDED 31 AUGUST 2023

The Trustees (who are also directors of the charity for the purposes of the Companies Act) present their annual report together with the audited financial statements of Our Lady Help of Christians Catholic Academy Trust (the academy – OLHoCC) the year ended 31 August 2023. The Trustees confirm that the Annual Report and Financial Statements of the academy comply with the current statutory requirements, the requirements of the academy's governing document and the provisions of the Statement of Recommended Practice (SORP) Charities SORP FRS102. The annual report serves the purpose of both a trustees' report and a directors' report under company law.

The trust operates two secondary and four primary academies in Cheshire East and Cheshire West & Chester. The second secondary school, Ellesmere Port Catholic High School, joined the Trust on 1 April 2023. Its academies have a pupil capacity of 2340 including sixth form and a current roll of 1949.

Mission Statement

To provide an inspirational, outstanding Catholic education for all the children and young people in our schools. Our ethos is driven by Gospel values, which are lived each day, as we strive for excellence in all areas of our work and cherish every person in our care.

We are committed to the principle of working together for the Common Good for the future of our Catholic Schools. We provide an education for the whole person where our children are nurtured in character, wisdom and values, so that they 'can aspire not to have more but to be more' (Saint Oscar Romero) and so make a positive difference in their communities and in God's world.

Vision

We have a vision for Catholic education that goes beyond our individual schools and changes our perceptions from 'my' school, to 'our' schools. The Trust allows us to strengthen the work we all do together in providing a world class Catholic education for all the families within our localities and parishes. We work together to provide the best for our young people in all our schools throughout their education. The bonds formed between our schools enable a seamless faith learning journey of excellence in Christian education from the early years, through the key stages right the way through to the age of 18. The challenge for us all is how we can share our gifts and talents to ensure that education for all our children is outstandingly holistic as we seek to nurture and challenge our young people to become the best persons that God has created them to be. Part of our vision includes welcoming diocesan schools that are on their own improvement journey into our Trust. We are an integral part of the academy growth strategy of the Diocese of Shrewsbury and as such we are growing rapidly. We welcomed our sixth school into the Trust on 1 April 2023 and will continue to grow at a rate of two to three schools per year from this point.

Structure, governance and management

Constitution

The Academy Trust is a company limited by guarantee and an exempt charity.

The Charitable Company's memorandum and articles of association are the primary governing documents of the Academy Trust.

The Trustees for the charitable activities of Our Lady Help of Christians Catholic Academy Trust are also the directors of the Charitable Company for the purposes of company law and the Governors of the academies.

The schools within the Trust are as follows:

All Hallows Catholic College, Macclesfield, Ellesmere Port Catholic High School, Ellesmere Port, St Alban's Catholic Primary School, Macclesfield, Saint Mary's Catholic Primary School, Congleton, St Paul's Catholic Primary School, Poynton and Christ the King Catholic and Church of England Primary School

Details of the Trustees who served throughout the year are included in the Reference and Administrative Details on page 1.

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2023

Details of the Trustees who served throughout the year are included in the Reference and Administrative Details on page 1.

The Trust has the following organisational structure:

Level 1: Board of the Multi Academy Trust (Directors)

Level 2: CEO

Level 3: Local Governing Bodies (LGBs)

Level 4: Principal/Head

The Charitable Company's Memorandum and Articles of Association (in conjunction with The Schemes of Delegation) are the primary governing documents of the Multi-Academy Trust.

The Board of Directors are responsible for and oversee the management and administration of the Company and Academies run by the Company. The Board of Directors is the ultimate decision-making authority and has overall responsibility for setting strategy and setting the Company's policy.

In order to discharge its responsibilities and to ensure the good governance of each Academy within the Trust, the Board of Directors currently delegates functions, other than those defined as 'reserved functions', to each Local Governing Body (LGB). The LGBs have devolved responsibility for the day to day management of the Academies to the Principal, in the case of AHCC or the Heads of the other schools, supported by their Senior Leadership Teams (SLT).

The Principal / the Heads have a key leadership role overseeing educational, pastoral and administrative functions in consultation with senior staff. The day to day administration is undertaken within the policies and procedures laid down by the LGBs and the SLTs report back to the LGBs on performance. The Heads and SLTs are also responsible for the authorisation of spending within agreed budgets with some spending control being devolved to Faculty and Departmental Leaders or other key personnel. In turn, the LGBs reports to the Academy Trust on the exercise of its responsibilities.

The Chief Executive Officer is the Accounting Officer. The principal activity of the Academy Trust is the provision of education.

Members' liability

Each member of the Charitable Company undertakes to contribute to the assets of the Charitable Company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a member.

Trustees' indemnities

In accordance with normal commercial practice the Trust has purchased insurance to protect governors and officers from claims arising from negligent acts, errors or omissions occurring whilst on Academy business. The insurance provides cover up to £10,000,000 on any one claim.

Method of recruitment and appointment or election of Trustees

All members of the Academy Trust are appointed and/or elected in accordance with the Articles of Association of Our Lady Help of Christians Catholic Academy Trust. In summary:

- Up to 1 Director appointed by the Members save that no more than one third of the total number of individuals appointed as Directors shall be employees of the Academy Trust.
- Foundation Directors, are appointed by the Diocesan Bishop provided that the number of Foundation Directors and Academy Directors together shall always be 2 more than the total number of other Directors (including co-opted directors).
- The Chief Executive Officer for as long as he or she remains in office.

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2023

- 3 co-opted Directors provided that if any such Directors are appointed the number of Foundation Directors permitted shall increase proportionately to ensure that a majority of Directors are Foundation Directors.
- The Secretary of State may appoint Additional Directors as they thinks fit.
- The term of office for all Directors, with the exception of the Chief Executive Officer, is 4 years. Any
 Director may be re-appointed or re-elected. During the year under review the Multi Academy Trust held 6
 meetings (6 full board meetings with finance and standards meetings incorporated into three Board
 meetings each and the LGBs had a total of 31 meetings.

Policies and procedures adopted for the induction and training of governors

Training is provided for new governors according to their existing skills and experience and tailored specifically to the individual. Where necessary training is provided on charity, educational, legal and financial matters. The Chair of Governors and Senior Leadership Team will undertake training and induction of new governors and access specialist and/or independent trainers where deemed necessary. Governors are provided with copies, or electronic access to, policies, procedures, minutes, accounts, budgets, plans and other documents considered relevant for them to undertake their role effectively. In the year under review the CEO met twice with all chairs and vice chairs of the LGBs to disseminate central training and updates.

The academies within the Trust draw on the services of the Diocese and One Education for governance support. One Education also provide a clerk to the Governors with knowledge and experience to guide and assist Governors to meet their statutory obligations. In addition, this service consists of a range of tools (training courses, governor bulletins, discussion forums and governor briefings) for both newly appointed and longer serving Governors.

Organisational structure

The Governing Bodies are collectively responsible for the overall direction of the individual Academies and their strategic management. This involves determining the guiding principles within which the Academy operates, setting general policy, adopting a College / School Improvement Plan and Budget, monitoring the Academy activities and making major decisions about capital expenditure and senior staff appointments. The Governing Body is also responsible for ensuring that the Academy meets all its statutory obligations and through the CEO, CFO, Principals / Heads and Business Managers that it complies with financial regulations.

The Governing Body recognises that it would be impractical to undertake all day-to-day activities itself in discharging its responsibilities and that it is necessary to delegate some of its functions through committees and to the CEO, CFO, Principal / Heads and the Senior Management of each Academy.

The Senior Leadership Team (SLT) of each, which manages the Academy at an executive level implementing the policies laid down by Governors and reporting back to them, is as follows. For the year under review, responsibilities were distributed as follows:

All Hallows Catholic College

Tim Beesley - Principal

Michelle Garvey - Deputy Principal

Martin Blades – Assistant Principal, Pastoral and Progress Years 7-11 Steve Lawson – Acting Associate Assistant Principal, Attendance and Punctuality (resigned 31/12/2022)

Jo Pridding - Assistant Principal, CPD, Teaching and Learning

Alex Cook - Assistant Principal

Georgina Wood - Assistant Principal

Gemma Roberts - Assistant Principal, Raising Standards and Curriculum

David Howells - Associate Assistant Principal, Head of Sixth Form

Christ the King Catholic and Church of England Primary School

Claire Gurden - Head of School

Clare Bradley - Assistant Head (resigned 31/08/23)

Nicola Farrelly Assistant Head

Arrangements for setting pay and remuneration of key management personnel

The Board has approved a Pay Policy which gives each LGB discretion to determine the remuneration levels for senior posts in its school. This reflects the individual circumstances and challenges facing each school. All teaching posts are graded and paid in accordance with the national School Teachers' Pay and Conditions Document. Support staff are subject to a pay-scale approved by the Finance and Resources Committee which is uniform across the Trust. Except where the Trustee is an employee of the Trust, Trustees receive no remuneration for their role.

Trade Union Facilities Time

There are no employees who were union officials during the relevant period.

Connected organisations, including related party relationships

The first relationship of Our Lady Help of Christians Catholic Academy Trust is with the Catholic Diocese of Shrewsbury.

The Trust includes schools that are part of the All Hallows Learning Community. Currently there are five AHLC schools which have converted to academies within Our Lady Help of Christians Catholic Academy Trust: All Hallows Catholic College, St Alban's (Macclesfield), Saint Mary's (Congleton), St Paul's (Poynton) and Christ the King (Macclesfield). In addition, All Hallows Catholic College is a member of Teach Cheshire in conjunction with Fallibroome Academy and Poynton High School offering initial teacher training.

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2023

Responsibility for the strategic direction of the AHLC lies with the AHLC Forum which includes Heads and Chairs of Governors from each of the schools. The AHLC Headteachers' group meets on a regular basis to draw together and monitor the learning community development plan.

All Hallows Catholic College is a strategic partner in one of the recently designated teaching school hubs, St Joseph's Stoke-on -Trent and has been working with them since January 2022 to deliver the NPQ qualifications.

All Hallows Catholic College continues to provide placements for Initial Teacher Training with the University of Manchester, Manchester Metropolitan University and Chester University.

St Alban's has Leading Partnership status with Manchester Metropolitan University.

St Paul's is a partner with Manchester Metropolitan University for Initial Teacher Training and works in partnership with the PDA (Poynton, Disley, Adlington) partnership of schools. Saint Mary's is a partner with Staffordshire University for Initial Teacher Training and works in partnership with the Congleton Education Community partnership of schools. Christ the King is a partner with Manchester Metropolitan University for Initial Teacher Training. Ellesmere Port continues to provide placements for Initial Teacher Training with the University of Manchester, Manchester Metropolitan University and Chester university.

Objectives and activities

All Hallows became an Academy within a Multi-academy trust framework (Holy Family of Nazareth Catholic Academy Trust) in order to strengthen the work they do in providing a world class Catholic education for all the families within our localities and parishes and to respond to the DfE invitation to support other schools in academy conversion. The Trust was renamed to Our Lady Help of Christians Catholic Academy Trust on 1 April 2023, to reflect the growth plan of the Diocese of Shrewsbury. The Multi-academy trust currently has six member schools. Part of the Trust's vision includes welcoming diocesan schools that are on their own improvement journey into our Trust.

The principle objective and activity of the Charitable Company is the operation of diocesan schools to advance, for the public benefit, Christian education for students within the Catholic tradition. This includes students of all abilities between the ages of 4 -19 with an emphasis on the Christian formation and education of the whole child.

Public benefit

The Governors have confirmed their compliance with their duty to have regard to the guidance on public benefit issued by the Charity Commission and recognise the seven principles of public life extend to them.

Equal opportunities policy

Equal Opportunities Trustees recognise that equal opportunities should be an integral part of good practice in the workplace. The Trust aims to establish equal opportunity in all areas of its activities including maintaining a working environment in which the contribution and needs of all people are fully valued. This includes there are appropriate adjustments for people with a physical disability.

Strategic report

Achievements and performance

The Our Lady Help of Christians Catholic Academy Trust, in its ninth academic year of operation, has six schools: All Hallows Catholic College, which became an academy on 1 January 2013. Three primary schools (St Alban's Catholic Primary School, Saint Mary's Catholic Primary School and St Paul's Catholic Primary School), all of which converted to academy status in 2014/15. Christ the King primary school joined the Trust on 1 April 2022 and Ellesmere Port joined the Trust on 1 April 2023.

All Hallows, St Alban's, St Pauls and St Mary's were graded as 'Outstanding,' Christ the King 'inadequate' and EPCHS 'Requires Improvement' at their last inspections.

Going concern

After making appropriate enquiries, the Board of Trustees has a reasonable expectation that the academies have adequate resources to continue in operational existence for the foreseeable future. For this reason, it continues to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Accounting Policies.

Christ The King Catholic and Church of England Primary School is carrying a net deficit of £8,000. In addition to the incremental salary increases in the year, a significant amount of overtime was incurred to cover absences and additional duties. The academy trust is taking the following action to return the academy to surplus –

- ·The academy has undertaken a full staffing review.
- ·Overtime is now only permitted with prior approval from the Head and only in exceptional circumstances.
- A full contract review of non staffing expenditure has been carried out which has achieved savings.
- In year pupil numbers are growing and the trust is actively marketing the school through open days.

The staff review and savings achieved have enabled the school to set a balanced budget for the academic year 2023 - 24. The budget is closely monitored and reviewed each month.

Financial review

During the year ended 31 August 2023, total expenditure of £15,670 (2022: £11,679,000) was covered by recurrent grant funding from the ESFA and LA together with other incoming resources. The excess of expenditure over income for the year totalled £55,000 (2022: excess of income over expenditure £101,000).

The Academies' core funding has been in the form of General Annual Grant (GAG) from the ESFA. This includes the mainstreamed grants. Income relating to HNB funding has been received from the Local Authority.

All the grants receivable from the ESFA and the LA during the year to 31 August 2023 and the associated expenditure are shown as restricted funds in the Statement of Financial Activities (SOFA).

At 31 August 2023 the net book value of fixed assets was £1,362,000 and movements in tangible fixed assets are shown in note 12 to the financial statements. The assets were used exclusively for providing education and the associated support services to the students of the Academies within the Trust.

The Trust's primary schools received a total of £44,467 in relation to recovery funding and school led tutoring. Each school planned a strategy tailored to assist both individual and groups of pupils to catch up on their academic work and social skills, together with a focus on mental health wellbeing. Progress against the plan was carefully monitored in-year with excellent progress made against the plan.

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2023

All Hallows Catholic College received £73373 in for recovery funding and school led tutoring and Ellesmere Port received £40274 from the period April to August. The schools developed a short and medium-term strategic plan aimed at both individual and groups of learners to focus on the needs of all learners at all stages of their academic journey. The funding this year has been used to run targeted intervention for small learner groups with an increased focus on preparing learners for the return of external examinations There has also been an investment in mental health with an additional package of Visyon counselling sessions provided and additional attendance support. The focus on learner well-being underpins all stages of the plan.

The company shows the deficit in relation to its staff in the Local Government Pension Scheme (LGPS) in its balance sheet. This deficit totalled £1,029,000 at 31 August 2023 (2022: £905,000).

The pension values as at 31 August 2023 have been determined by the actuary which is showing the following pension assets and liabilities within the academy trust as at the balance sheet date:

All Hallows Catholic College – pension liability of £150,000
St Alban's Catholic primary School – pension liability of £283,000
St Mary's Catholic Primary School – pension liability of £86,000
St Paul's Catholic Primary School - pension liability of £73,000
Christ The King Catholic and Church of England Primary School - pension asset of £121,000
Ellesmere Port Catholic High School – pension liability of £437,000

This results in the academy trust's consolidated position as showing a pension liability and pension fund deficit. In accordance with applicable accounting standards, the asset values in Christ The King Catholic and Church of England Primary School have been capped at an asset ceiling value on the basis that the academy trust has minimum funding requirements existing for future service. Although a pension asset is arising, this does not create an immediately realisable asset that can be expended for the specific purposes of the pension fund.

The Academy held fund balances at 31 August 2023 of £3,374,000 surplus comprising £1,466,000 restricted fixed asset funds, £1,843,000 of restricted funds (excluding £1,029,000 pension reserve deficit) and £1,094,000 of unrestricted funds.

All Hallows was awarded the following grants:

• £20,000 through University of Central Lancashire for The Mandarin Excellence Programme. In addition, the college received £19,418 retention payment for the programme

The Trust was awarded £31,000 TCAF grant. This was used to establish a new payroll and HR system, including training, design and implement a new Trust website and associated artwork peripherals and for school improvement support and educational standards benchmarking.

Reserves policy

The Trust's policy is to maintain a prudent level of resources designed to meet the long-term plan and any unforeseen contingencies. The Governors consider the reserves policy annually. This review will consider the nature of income and expenditure streams, the need to match income with commitments and the nature of reserves and future threats to revenue. The Board have decided to take a cautious and low risk approach in its forecasting of income and expenditure.

The academy's current level of free reserves (total funds less the amount held in fixed assets restricted fund but excluding the pension deficit of £1,029,000) as at 31 August 2023 is £2,937,000. The deficit position of the pension scheme would result in a cash flow effect for the academy trust in the form of an increase of employers' pension contributions over a period of years.

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2023

Academy	Pension Reserve	Fixed Asset Fund	Fund Balances	Total	
All Hallows Catholic College	(150,000)	845,000	1,647,000	2,342,000

Investment policy

There are no investments held beyond cash deposits retained with the major UK clearing banks. Speculative investments are not permitted.

Principal risks and uncertainties

The Trust has established a Risk Register to ensure it identifies and manages risks appropriately. LGBs and individual school's senior management team are responsible for identifying and mitigating, as far as possible, the day-to-day operational risks encountered by each school. The Board wishes to maintain a fairly low risk appetite and uses the Risk Register to evaluate and monitor the probability and impact of each risk. The Risk Register is reviewed by the Headteachers regularly and reported on at the Board meetings. The principal risks and uncertainties facing the Trust are: (a) pupil numbers; (b) reductions in grant income from principal funders (ESFA, LA); (c) increasing cost pressures; (d) recruitment and retention of suitably qualified staff; (e) sickness and absence of key personnel and (f) not maintaining high academic standards (g) recruitment of senior leaders in schools (h) responsibility to ensure that the trust's estate is safe, well maintained and complies with relevant regulations.

An annual health and safety audit is carried out and follow up recommendations and requirements are addressed. A compliance checklist is held for estates to ensure that all regulatory requirements are adhered to.

To mitigate these key risks, the Board receives monthly Management Accounts for the Trust and must approve any changes to the established staffing structure. A full time permanent CFO has been appointed in March 2023.

Fundraising

The emphasis that the Trust and the individual schools place on education in values and through social enterprise has resulted in some notable achievements. These include:

All Hallows Catholic College

This year the students and staff of All Hallows raised over £5k for a variety of charities.

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2023

The College has an ongoing commitment to support the clinic in India and this is the major focus of its fundraising activity. A visit took place in October 2023 and the pledge to financially support the ongoing work in All Hallows clinic in Varasanadu remains the same.

As well as the India project the College also supports other local, national and international social enterprise programmes, including food hampers for families within our own College who continue to struggle in the current financial climate. In December through the generosity of our students we were able to purchase Christmas gifts to the value of £1,473 to donate to CARITAS. We continue to support CAFOD through our Hunger lunches, East Cheshire Hospice through the Santa/Reindeer run, Poppies for The British Legion. Men's cancer awareness and research in 'Movember' and Macmillan Nurse through our annual coffee morning.

Ellesmere Port Catholic High School

CAFOD

The student CAFOD group meets on a regular basis. All pupils took part in the 'Big Lent Walk' to raise money for CAFOD. The CAFOD group learnt about caring for our common home and they decided to grow tomato and green bean plants to encourage sustainability. They grew about 20 plants and then sold them to staff. With the money raised, they bought some CAFOD World Gifts: a veg garden, paid towards firefighters in the Amazon, a soup kitchen and a tree for life. They raised £42 altogether.

Charities supported with fundraising during the 50th Year Celebration Street Market were CAFOD; CARITAS; Young Minds; Cancer Research.

Lent Fundraising

Students and Staff were encouraged to make donations towards food hampers in support of families in need. Each year group did their own raffles to support CARITAS. The 10:10 team made Mother's Day gifts and Easter treats using Fair Trade Chocolate to sell to raise money.

St Alban's Catholic Primary School

All pupils are encouraged to take responsibility and be fully involved in the school community – Head Girl and Head Boy, Deputy Head Girl and Deputy Head Boy, Year 6 Prefects, School Council, House Captains and Vice Captains, E-Safety Officers, Eco-Council, Recycling Officers Year 6 Buddies and GIFT team (Growing in Faith Together).

The children have much involvement in St Alban's Parish and the wider community. Some examples are, CAFOD, Mission Together, Operation Christmas Child, NSPCC, Poppy Appeal, East Cheshire Hospice, Macclesfield Care and Concern Homeless Project, Salvation Army, Cheshire East Recycling, Fair Trade Fortnight, Down Syndrome Association, Cancer Research UK and Children in Need and Manchester Royal Children's Hospital.

Saint Mary's Catholic Primary School

Pupils' leadership is a strong element of the provision at Saint Mary's, where children are encouraged be active partners in their education and have the opportunity to be fully involved in the school community. A wide range of enrichment activities take place, such as School Council, Mini Vinnies, the GIFT team, play leaders, the Eco and Fairtrade activities and pupil led fundraising, which ensure that pupils are actively involved in living out the mission of the school. We regularly support charities including CAFOD, Mission Together, RNLI, NSPCC, Poppy Appeal, Age UK, East Cheshire Hospice, Salvation Army, Cheshire East Recycling, Fair Trade Fortnight, Cancer Research UK and other local charities.

Children from the school are also regular volunteers at Congleton in Bloom events to ensure the town is a cleaner and greener place to live, work and visit, and ensures the school's continued focus on sustainability. The school offers regular forest school sessions for all pupils, covering a range of topics including sustainability and conservation. To support children's emotional wellbeing, the school provides a nurture space, designed by staff and children and this has been a great addition to the school and builds on the strong catholic ethos of Saint Mary's Catholic Primary School.

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2023

St Paul's Catholic Primary School

The pupils of St Paul's are committed to fundraise whenever possible to support charities linked with causes which have touched the lives of children in our school, for example: Batten Disease Family Association; Click Sargent; Ollie's Army; Jeans for Genes; Down Syndrome Association; Reuban's Retreat; Macmillan Cancer Support and East Cheshire Hospice. Further fundraising takes place throughout the year, such as: Mary's Meals; CAFOD; Mini-Vinnies; Mission Together; Wellspring; The Royal British Legion; the NSPCC and Children in Need.

Christ the King Primary School

The school has an ongoing commitment to support local fundraising events and community projects. They have established an allotment where members of the local community have got involved with sustainable green projects with the pupils. They have also established an IT suite to assist families with completing forms and where they can receive support and information about benefits and opportunities available to them. Other fundraising activities that the pupils have taken part in are Macmillan Coffee mornings, CAFOD, and the pupils have collected for the food banks which have been taken to Cre8 and the Salvation Army Streetwise project:

The academy trust does not use any external fundraisers. All fundraising undertaken during the year was monitored by the Trustees.

Plans for future periods

The Trust has developed a strategic plan which reflects the Board's aims and the activities that flow from them to ensure that excellent standards are maintained, and attainment continues to rise across the Trust. The key strategic aims are as follows:

Strategic Aim 1: Catholic Ethos

To further strengthen our schools as beacons of faith that engage with other Our Lady Help of Christians Catholic Academy Trust schools, their local parishes and the wider Catholic communion disseminating Christ's teachings.

- a. Further strengthen the Catholic distinctiveness of our schools and continue to promote and develop our Catholic ethos.
- b. Ensure all staff, children and young people have opportunities to grow in their faith.
- c. Provide training opportunities for staff that supports the Catholic life of our schools.
- d. Ensure all schools within the Trust are fully prepared for their Denominational Inspection.
- e. Enhance the image and work of the Trust through communication, media and marketing.

Strategic Aim 2: Quality of Education

To ensure our schools are centres of excellence in teaching and learning where every child and young person makes outstanding progress and is ready for the next stage in their education and lives.

- a. To improve standards in Reading, Writing and Mathematics so that year-on-year more pupils achieve and exceed age-related expectations, and progress exceeds that made by pupils with similar starting points.
- b. To ensure Progress 8 and Attainment 8 scores at KS4 show year on year improvement from current position with gaps in disadvantaged groups closing when compared to others.
- c. To ensure all subjects at KS5 achieve + VA with ALPS 3.
- d. To secure high quality teaching and learning of a dynamic and broad curriculum which supports academic progress, emotional well- being and the development of independence and preparation for next steps.
- e. To identify effective practice in supporting the needs of pupils in receipt of pupil premium so that groups at risk of underachieving make good or better progress as required.
- f. To improve pupil attendance levels and reduce the number of persistent absentees.
- g. To address the specific challenges and priorities as a result of Covid-19.

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2023

Strategic Aim 3: Leadership

To ensure high quality leadership and governance at Trust Board / Local Governing Board and individual school level.

- a. To develop a fully-functioning, high-level Trust Board that represents the full range of skills required.
- b. To embed high quality governance at Local Governing Board level, focused clearly on raising standards.
- c. To empower leaders, including senior and middle leaders, to lead the improvement journey within and beyond their academies, holding others to account for outcomes.
- d. To secure retention of good staff and recruitment of high-quality staff.
- e. To ensure effective succession planning to secure high quality leaders across the Trust.

Strategic Aim 4: Growth and Sustainability

To ensure that all OLHOCCAT resources are well used, maintained and managed, to ensure improvement, capacity and growth for the future.

- a. To explore opportunities for growth.
- b. To develop the structure of the organisation.
- c. To deliver a strong financial plan.
- d. To ensure that all physical resources buildings, equipment, and IT infrastructures are fit for purpose, secure and accessible.

Medium term, the Trust remains committed to working with the Diocese to grow a larger, more sustainable Trust.

Funds held as custodian trustee on behalf of others

During the period from 1 September 2022 to 31 August 2023, Our Lady Help of Christians Catholic Academy Trust did not hold any funds as a custodian trustee on behalf of any other charitable organisation.

Auditor

Insofar as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditor is unaware
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

The trustees' report, incorporating a strategic report, was approved by order of the board of trustees, as the company directors, on 6 December 2023 and signed on the board's behalf by:

Mr Jóhn Kalnins Chair of Trustees

GOVERNANCE STATEMENT

FOR THE YEAR ENDED 31 AUGUST 2023

Scope of responsibility

As Trustees we acknowledge we have overall responsibility for ensuring that Our Lady Help of Christians Catholic Academy Trust has an effective and appropriate system of control, financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives and can provide only reasonable and not absolute assurance against material misstatement or loss.

During 2022-2023 The Trustees delegated the day-to-day responsibility to the Chief Executive Officer for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between Our Lady Help of Christians Catholic Academy Trust and the Secretary of State for Education. They are also responsible for reporting to the Board any material weaknesses or breakdowns in internal control.

Governance

The information on governance included here supplements that described in the Trustees' Report and in the Statement of Trustees' Responsibilities. The Board has formally met 6 times during the year as a full Board and three finance and resources committee meetings incorporated into the full board meetings.

Attendance during the year at meetings of the Board was as follows:

Trustee	Meetings attended	Out of a possible (depending on date of appointment/resignation)		
John Kalnis	6	. 6		
Patrick Collins	6	6		
Nicky Hutchins	4	6		
Ros Stuart-Buttle	6	6		
Jennifer Hardy	6	6		
Mrs A M Connor	1	1		
Mark Mountcastle	6	6		
Rita Price (observer)	2	2		

Mr J Kalnins and Dr R Stuart-Buttle were re-appointed as Chair and Vice Chair respectively at the October 2022 Board meeting.

The Board of Trustees is selected to ensure an appropriate skill set for the Trust, providing a wide breadth of talent and expertise which enables the Trust to enhance the opportunities for its staff and pupils and to ensure the objects of the trust are being met at all levels. The Trust conducts an annual skills audit for its trustees to identify any gaps in expertise and to inform these selections.

Training is provided for new Directors according to their existing skills and experience and tailored specifically to the individual. Where necessary, training is provided on charity, educational, legal and financial matters. Individual Directors have been involved in a range of training including health and safety, disability and equality, safeguarding and child protection, GDPR, privacy and data protection, as well as representing the Trust at the Primary conference and Foundation Directors conference. Directors are provided with copies or electronic access to, policies, procedures, minutes, accounts, budgets, plans and other documents considered relevant for them to undertake their role effectively. The Trust uses an external provider to provide a Governing Body Termly Handbook.

GOVERNANCE STATEMENT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2023

The risk and control framework

The Trust's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which
 are reviewed and agreed by the Board of Trustees;
- regular reviews by the Trust of Combined School Standards reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes;
- setting targets to measure financial and other performance;
- clearly defined purchasing (asset purchase or capital investment) guidelines;
- · delegation of authority and segregation of duties; and
- · identification and management of risks.
- Ensuring that the trust's estate is safe, well maintained and complies with relevant legislation, in so far as funding permits

Dains LLP have been the internal auditor throughout the financial year. They continue to support the Trust in relation to VAT claims and have also undertaken internal scrutiny work including Management Information and Reports, Procurement and Payroll. The report findings have been presented to the Trust Board.

Review of effectiveness

The Accounting Officer has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- the work of the internal auditor;
- the work of the external auditors:
- support from a School's Resource Management Advisor;
- the work of the staff within the academies who have responsibility for the development and maintenance of the internal control framework.

The Accounting Officer has been advised of the implications of the result of their review of the system of internal control by the auditors and a plan to address weaknesses and ensure continuous improvement of the system is in place.

Approved by order of the members of the Board of Trustees on 6 December 2023 and signed on its behalf,

hv.

Mr J Kalnins Chair of Trustees Mr M Mountcastle Accounting Officer

STATEMENT OF REGULARITY, PROPRIETY AND COMPLIANCE FOR THE YEAR ENDED 31 AUGUST 2023

As accounting officer of Our Lady Help of Christians Catholic Academy Trust (formerly known as The Holy Family Of Nazareth Catholic Academy Trust), I have considered my responsibility to notify the academy trust board of trustees and the Education and Skills Funding Agency (ESFA) of material irregularity, impropriety and non-compliance with terms and conditions of all funding, including for estates safety and management, under the funding agreement in place between the academy trust and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academy Trust Handbook 2022, including responsibilities for estates safety and management.

I confirm that I and the academy trust's board of trustees are able to identify any material irregular or improper use of funds by the academy trust, or material non-compliance with the terms and conditions of funding under the academy trust's funding agreement and the Academy Trust Handbook 2022.

I confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the board of trustees and ESFA.

Mr M Mountcastle Accounting Officer

Date: 6 December 2023

STATEMENT OF TRUSTEES' RESPONSIBILITIES

FOR THE YEAR ENDED 31 AUGUST 2023

The trustees (who are also the directors of Our Lady Help of Christians Catholic Academy Trust (formerly known as The Holy Family Of Nazareth Catholic Academy Trust) for the purposes of company law) are responsible for preparing the trustees' report and the accounts in accordance with the Academies Accounts Direction 2022 to 2023 published by the Education and Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the trustees to prepare accounts for each financial year. Under company law, the trustees must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period.

In preparing these accounts, the trustees are required to:

- · select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2019 and the Academies Accounts Direction 2022 to 2023;
- · make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the accounts; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring that grants received from ESFA/DfE have been applied for the purposes intended.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of accounts may differ from legislation in other jurisdictions.

Approved by order of the members of the board of trustees on 6 December 2023 and signed on its behalf by:

Mr J Kalnins Chair of Trustees

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF OUR LADY HELP OF CHRISTIANS CATHOLIC ACADEMY TRUST (FORMERLY KNOWN AS THE HOLY FAMILY OF NAZARETH CATHOLIC ACADEMY TRUST)

FOR THE YEAR ENDED 31 AUGUST 2023

Opinion

We have audited the accounts of Our Lady Help of Christians Catholic Academy Trust (formerly known as The Holy Family Of Nazareth Catholic Academy Trust) for the year ended 31 August 2023 which comprise the statement of financial activities, the balance sheet, the statement of cash flows and notes to the accounts, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice), the Charities SORP 2019 and the Academies Accounts Direction 2022 to 2023 issued by the Education and Skills Funding Agency.

In our opinion the accounts:

- give a true and fair view of the state of the charitable company's affairs as at 31 August 2023 and of its
 incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006; and
- have been prepared in accordance with the Charities SORP 2019 and the Academies Accounts Direction 2022 to 2023.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the 'Auditor's responsibilities for the audit of the accounts' section of our report. We are independent of the academy trust in accordance with the ethical requirements that are relevant to our audit of the accounts in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the academy trust's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report other than the accounts and our auditor's report thereon. The trustees are responsible for the other information contained within the annual report. Our opinion on the accounts does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the accounts or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the accounts themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF OUR LADY HELP OF CHRISTIANS CATHOLIC ACADEMY TRUST (FORMERLY KNOWN AS THE HOLY FAMILY OF NAZARETH CATHOLIC ACADEMY TRUST) (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2023

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' report including the incorporated strategic report for the financial year for which the accounts are prepared is consistent with the accounts; and
- the trustees' report including the incorporated strategic report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the academy trust and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' report, including the incorporated strategic report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the accounts are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the statement of trustees' responsibilities, the trustees are responsible for the preparation of the accounts and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of accounts that are free from material misstatement, whether due to fraud or error. In preparing the accounts, the trustees are responsible for assessing the academy trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the accounts

Our objectives are to obtain reasonable assurance about whether the accounts as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these accounts.

The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

• Identify and assess the risks of material misstatement of the group's or the parent charitable company's financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF OUR LADY HELP OF CHRISTIANS CATHOLIC ACADEMY TRUST (FORMERLY KNOWN AS THE HOLY FAMILY OF NAZARETH CATHOLIC ACADEMY TRUST) (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2023

- The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Identify and test journal entries, in particular any journal entries posting with unusual account combinations.
- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the group's or parent charitable company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the group or parent charitable company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation (ie. gives a true and fair view).
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business
 activities within the group to express an opinion on the consolidated financial statements. We are responsible
 for the direction, supervision and performance of the group audit. We remain solely responsible for our audit
 opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO OUR LADY HELP OF CHRISTIANS CATHOLIC ACADEMY TRUST (FORMERLY KNOWN AS THE HOLY FAMILY OF NAZARETH CATHOLIC ACADEMY TRUST) AND THE EDUCATION AND SKILLS FUNDING AGENCY

FOR THE YEAR ENDED 31 AUGUST 2023

In accordance with the terms of our engagement letter dated 2 October 2023 and further to the requirements of the Education and Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2022 to 2023, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by Our Lady Help of Christians Catholic Academy Trust (formerly known as The Holy Family Of Nazareth Catholic Academy Trust) during the period 1 September 2022 to 31 August 2023 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to Our Lady Help of Christians Catholic Academy Trust (formerly known as The Holy Family Of Nazareth Catholic Academy Trust) and ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to the Our Lady Help of Christians Catholic Academy Trust (formerly known as The Holy Family Of Nazareth Catholic Academy Trust) and ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Our Lady Help of Christians Catholic Academy Trust (formerly known as The Holy Family Of Nazareth Catholic Academy Trust) and ESFA, for our work, for this report, or for the conclusion we have formed.

Respective responsibilities of Our Lady Help of Christians Catholic Academy Trust (formerly known as The Holy Family Of Nazareth Catholic Academy Trust)'s accounting officer and the reporting accountant

The accounting officer is responsible, under the requirements of Our Lady Help of Christians Catholic Academy Trust (formerly known as The Holy Family Of Nazareth Catholic Academy Trust)'s funding agreement with the Secretary of State for Education dated 31 December 2012 and the Academy Trust Handbook, extant from 1 September 2022, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance, and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2022 to 2023. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the period 1 September 2022 to 31 August 2023 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

Approach

We conducted our engagement in accordance with the Framework and Guide for External Auditors and Reporting Accountant of Academy Trusts issued by ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the academy trust's income and expenditure.

INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO OUR LADY HELP OF CHRISTIANS CATHOLIC ACADEMY TRUST (FORMERLY KNOWN AS THE HOLY FAMILY OF NAZARETH CATHOLIC ACADEMY TRUST) AND THE EDUCATION AND SKILLS FUNDING AGENCY (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2023

The work undertaken to draw to our conclusion includes:

- We have confirmed that the activities conform to the academy trust's framework of authorities. As identified by review of minutes, management accounts, discussion with the accounting officer and other key management personnel.
- We have carried out an analytical review as part of the consideration of whether general activities of the academy trust are within the academy trust's framework of authorities.
- We have considered the evidence supporting the accounting officer's statement on regularity, propriety and compliance and have evaluated the general control environment of the academy trust and extended the procedures required for financial statements to include regularity.
- We have assessed and tested a sample of the specific control activities over regularity of a particular activity. In
 performing sample testing of expenditure, we have considered whether the activity is permissible within the
 academy trust's framework of authorities. We confirm that each item tested has been appropriately authorised
 in accordance with the academy trust's delegated authorities and that the internal delegations have been
 approved by the governing body, and conform to the limits set by the Department for Education.
- Formal representations have been obtained from the governing body and the accounting officer acknowledging
 their responsibilities including disclosing all non-compliance with laws and regulations specific to the authorising
 framework, access to accounting records, provision of information and explanations, and other matters where
 direct evidence is not available.
- In performing sample testing of expenditure, we have reviewed against specific terms of grant funding within the funding agreement. We have reviewed the list of suppliers and have considered whether supplies are from related parties and have reviewed minutes for evidence of declaration of interest, and whether or not there was involvement in the decision to order from this supplier.
- We have performed sample testing of other income and tested whether activities are permitted within the academy trust's charitable objects.

Conclusion

In the course of our work, nothing has come to our attention which suggests that in all material respects the expenditure disbursed and income received during the period 1 September 2022 to 31 August 2023 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2023

1 Accounting policies

Our Lady Help of Christians Catholic Academy Trust (formerly known as The Holy Family Of Nazareth Catholic Academy Trust) is a charitable company. The address of its principal place of business is given on page 1 and the nature of its operations are set out in the trustees' report.

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgements and key sources of estimation uncertainty, is set out below.

1.1 Basis of preparation

The accounts of the academy trust, which is a public benefit entity under FRS 102, have been prepared under the historical cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2022 to 2023 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

Our Lady Help of Christians Catholic Academy Trust meets the definition of a public benefit entity under FRS 102.

1.2 Going concern

The trustees assess whether the use of going concern is appropriate, ie whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the charitable company to continue as a going concern. The trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the accounts and have concluded that the academy trust has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the academy trust's ability to continue as a going concern. Thus they continue to adopt the going concern basis of accounting in preparing the accounts.

Christ The King Catholic and Church of England Primary School is carrying a net deficit of £8,000. In addition to the incremental salary increases in the year, a significant amount of overtime was incurred to cover absences and additional duties. The academy trust is taking the following action to return the academy to surplus –

- The academy has undertaken a full staffing review.
- Overtime is now only permitted with prior approval from the Head and only in exceptional circumstances
- A full contract review of non staffing expenditure has been carried out which has achieved savings.
- In year pupil numbers are growing and the trust is actively marketing the school through open days.

The staff review and savings achieved have enabled the school to set a balanced budget for the academic year 2023 - 24. The budget is closely monitored and reviewed each month.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2023

1 Accounting policies

(Continued)

1.3 Conversion to an academy trust

The conversion from a state maintained school to an academy trust involved the transfer of identifiable assets and liabilities and the operation of the school for £nil consideration. The substance of the transfer is that of a gift and it has been accounted for on that basis as set out below.

The assets and liabilities transferred on conversion from Ellesmere Port Catholic High School to the academy trust have been valued at their fair value. The fair value has been derived based on that of equivalent items. The amounts have been recognised under the appropriate balance sheet categories, with a corresponding amount recognised in Donations – transfer from local authority on conversion in the Statement of Financial Activities and analysed under unrestricted funds, restricted general funds and restricted fixed asset funds. The property is held under church supplemental agreements which permit occupancy of these premises with a notice period of two years. Further details of the transaction are set out in note 26.

1.4 Income

All incoming resources are recognised when the academy trust has entitlement to the funds, the receipt is probable and the amount can be measured reliably.

Grants

Grants are included in the statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the balance sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the statement of financial activities in the period for which it is receivable, and any abatement in respect of the period is deducted from income and recognised as a liability.

Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended. Capital grants are recognised in full when there is an unconditional entitlement to the grant. Capital grant income in connection with expenditure on property held under supplemental agreements is included in restricted general funds. Capital grant income in connection with expenditure on fixed assets is included in the restricted fixed asset fund. Unspent amounts of capital grants are reflected in the balance sheet in the restricted general funds and the restricted fixed asset funds as appropriate.

Donations

Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable and the amount can be reliably measured.

Other income

Other income, including school to school support and the hire of facilities, is recognised in the period it is receivable and to the extent the academy trust has provided the goods or services.

Donated goods, facilities and services

Goods donated for resale are included at fair value, being the expected proceeds from sale less the expected costs of sale. If it is practical to assess the fair value at receipt, it is recognised in stock and 'Income from other trading activities'. Upon sale, the value of the stock is charged against 'Income from other trading activities' and the proceeds are recognised as 'Income from other trading activities'. Where it is impractical to fair value the items due to the volume of low value items they are not recognised in the accounts until they are sold. This income is recognised within 'Income from other trading activities'.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2023

1 Accounting policies

(Continued)

Donated fixed assets

Donated fixed assets are measured at fair value unless it is impractical to measure this reliably, in which case the cost of the item to the donor is used. The gain is recognised as income from donations and a corresponding amount is included in the appropriate fixed asset category and depreciated over the useful economic life in accordance with the academy trust's accounting policies.

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

All resources expended are inclusive of irrecoverable VAT.

Expenditure on raising funds

This includes all expenditure incurred by the academy trust to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

Charitable activities

These are costs incurred on the academy trust's educational operations, including support costs and costs relating to the governance of the academy trust apportioned to charitable activities.

Other expenditure

Other expenditure includes donations to the Shrewsbury Roman Catholic Diocesan Trustees by way of improvements to property held under supplemental agreements.

1.6 Tangible fixed assets and depreciation

Assets costing £1,000 or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the balance sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding that require the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the statement of financial activities and carried forward in the balance sheet. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the statement of financial activities. Where tangible fixed assets have been acquired with unrestricted funds, depreciation on such assets is charged to the unrestricted fund.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

1 Accounting policies

(Continued)

Depreciation is provided on all tangible fixed assets other than freehold land, at rates calculated to write off the cost of each asset on a straight-line basis over its expected useful life, as follows:

Land and buildings 50 to 125 years (land), 10 to 50 years (leasehold improvements)

Computer equipment 3 years Fixtures, fittings & equipment 4 years

FOR THE YEAR ENDED 31 AUGUST 2023

The Trust also occupies property held under church supplemental arrangements which permit occupancy of these premises with a notice period of two years. The Trust is not able to exercise control over this property and therefore no such applicable property has been recognised in these financial statements.

The Trust holds football pitch facilities within one of its academies which are included within land and buildings. The trustees have changed the depreciation rate applied to the football pitch and this is now depreciated at 2% straight line per annum (previously 0.8% straight line per annum).

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the statement of financial activities.

1.7 Liabilities

Liabilities are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the academy trust anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods of services it must provide.

1.8 Leased assets

Rentals payable under operating leases are charged on a straight line basis over the period of the lease.

1.9 Financial instruments

The academy trust only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the academy trust and their measurement basis are as follows.

Financial assets

Trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost. Prepayments are not financial instruments.

Cash at bank is classified as a basic financial instrument and is measured at face value.

Financial liabilities

Trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost. Taxation and social security are not included in the financial instruments disclosure definition.

Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2023

1 Accounting policies

(Continued)

1.10 Taxation

The academy trust is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the academy trust is potentially exempt from taxation in respect of income or capital gains received within categories covered by chapter 3 part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

1.11 Pensions benefits

Retirement benefits to employees of the academy trust are provided by the Teachers' Pension Scheme ('TPS') and the Local Government Pension Scheme ('LGPS'). These are defined benefit schemes and the assets are held separately from those of the academy trust.

The TPS is an unfunded scheme and contributions are calculated to spread the cost of pensions over employees' working lives with the academy trust in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary based on quadrennial valuations using a prospective unit credit method. The TPS is an unfunded multi-employer scheme with no underlying assets to assign between employers. Consequently, the TPS is treated as a defined contribution scheme for accounting purposes and the contributions are recognised in the period to which they relate.

The LGPS is a funded multi-employer scheme and the assets are held separately from those of the academy trust in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high-quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each balance sheet date. The amounts charged to net income or expenditure are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the statement of financial activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses. Actuarial gains and losses are recognised immediately in other recognised gains and losses.

1.12 Fund accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the academy trust at the discretion of the trustees.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder/donor and include grants from the Department for Education Group.

1.13 Agency arrangements

The academy trust acts as an agent in distributing 16-19 bursary funds from the ESFA. Payments received from the ESFA and subsequent disbursements to students are excluded from the statement of financial activities as the trust does not have control over the charitable application of the funds. The funds received and paid and any balances held are disclosed in note 25.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2023

2 Critical accounting estimates and areas of judgement

Accounting estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions

The academy trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost or income for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 19, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2019 has been used by the actuary in valuing the pensions liability at 31 August 2023. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

Critical areas of judgement

The trustees have considered the apportionment of depreciation between direct and support costs. The majority of fixed assets are almost entirely used for the provision of education and only a small part for support services. Therefore a 95% direct cost and 5% support cost apportionment is considered appropriate.

The trustees have considered the accounting treatment of land and buildings utilised by the Trust and, in particular, the occupied property that is held under church supplemental agreements. The freehold titles to the properties occupied under supplemental agreements are held by Shrewsbury Roman Catholic Diocesan Trustees. Under church supplemental agreements the academy trust is permitted occupancy of the properties with a notice period of two years, and no rental is payable under these arrangements. The trustees do not consider that the academy trust is able to exercise control over the properties and therefore the properties do not meet the definition of an asset of the Trust and have not been recognised as fixed assets in these financial statements. The market value of such donated facilities has not been recognised in the financial statements as the trustees consider that no reliable measure is available. Any expenditure on such properties is included as other expenditure in the statement of financial activities.

Severance payments

The academy trust paid 2 severance payments in the year, disclosed in the following bands:

£0 - £25,000

2

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

9 Staff (Continued)

Special staff severance payments

FOR THE YEAR ENDED 31 AUGUST 2023

Special staff severance payments are amounts paid to employees outside of statutory and contractual requirements. Included in staff restructuring costs are special severance payments totalling £9,000 (2022: £nil). Individually, the payments were: £8,000 and £1,000.

Staff numbers

The average number of persons employed by the academy trust during the year was as follows:

	2023	2022	
	Number	Number	
Teachers	189	101	
Administration and support	133	149	
Management	8	8	
			
	330	258	

Higher paid staff

The number of employees whose employee benefits (excluding employer pension costs and employer national insurance contributions) exceeded £60,000 was:

	2023 Number	
£60,001 - £70,000	2	2 2
£70,001 - £80,000		3 1
£100,000 - £110,000		- 1
£110,001 - £120,000	2	-

Key management personnel

The key management personnel of the academy trust comprise the trustees and the senior management team as listed on page 1. The total amount of employee benefits (including employer pension contributions) received by key management personnel for their services to the academy trust was £793,000 (2022: £507,000).

10 Trustees' remuneration and expenses

None of the trustees received remuneration or other benefits from an employment with the academy trust.

During the year ended 31 August 2023, there were no travel and subsistence expenses reimbursed or paid directly to any of the trustees (2022: £291 paid to 2 trustees).

11 Trustees' and officers' insurance

The academy trust has opted into the Department for Education's Risk Protection Arrangement (RPA), an alternative to insurance where UK government funds cover losses that arise. This scheme protects trustees and officers from claims arising from negligent acts, errors or omissions occurring whilst on academy trust business, and provides cover up to £10,000,000. It is not possible to quantify the trustees and officers indemnity element from the overall cost of the RPA scheme.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2023

17 Funds (Continued)

The specific purposes for which the funds are to be applied are as follows:

Restricted general funds are those resources that have been designated restricted by the grant provider in meeting the objects of the academy and are restricted to both the day to day running of the academy and capital expenditure.

Restricted fixed asset funds are those funds relating to the long term assets of the academy used in delivering the objects of the academy. The restricted fixed asset fund represents the net book value of fixed assets of £1,362,000 plus unspent capital grant income of £104,000.

Unrestricted funds are those which the board of trustees may use in the pursuance of the academy's objectives and are expendable at the discretion of the trustees.

Designated funds are those which the board of trustees have reserved towards resurfacing costs of the football pitch.

The transfer from General Annual Grant restricted general funds to restricted fixed asset funds is to meet the cost of fixed asset additions for which there was no specific capital funding in the year.

The pension values as at 31 August 2023 have been determined by the actuary which is showing the following pension assets and liabilities within the academy trust as at the balance sheet date:

All Hallows Catholic College – pension liability of £150,000
St Alban's Catholic primary School – pension liability of £283,000
St Mary's Catholic Primary School – pension liability of £86,000
St Paul's Catholic Primary School - pension liability of £73,000
Christ The King Catholic and Church of England Primary School - pension asset of £121,000
Ellesmere Port Catholic High School – pension liability of £437,000

This results in the academy trust's consolidated position as showing a pension liability and pension fund deficit. In accordance with applicable accounting standards, the asset values in Christ The King Catholic and Church of England Primary School have been capped at an asset ceiling value on the basis that the academy trust has minimum funding requirements existing for future service. Although a pension asset is arising, this does not create an immediately realisable asset that can be expended for the specific purposes of the pension fund.

Under the funding agreement with the Secretary of State, the academy trust was not subject to a limit on the amount of GAG that it could carry forward at 31 August 2023.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2023

	Total funds	3,374	2,825
	Total fundo		

Christ The King Catholic and Church of England Primary School is carrying a net deficit of £8,000. In addition to the incremental salary increases in the year, a significant amount of overtime was incurred to cover absences and additional duties. The academy trust is taking the following action to return the academy to surplus -

- The academy has undertaken a full staffing review.
- Overtime is now only permitted with prior approval from the Head and only in exceptional circumstances.
- A full contract review of non staffing expenditure has been carried out which has achieved savings.
- In year pupil numbers are growing and the trust is actively marketing the school through open days.

The staff review and savings achieved have enabled the school to set a balanced budget for the academic year 2023 - 24. The budget is closely monitored and reviewed each month.

19 Pension and similar obligations

The academy trust's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by Cheshire Pension Fund. Both are multi-employer defined benefit schemes.

The latest actuarial valuation of the TPS related to the period ended 31 March 2016, and that of the LGPS related to the period ended 31 March 2019.

Contributions amounting to £281,000 (2022: £155,000) were payable to the schemes at 31 August 2023 and are included within creditors.

Teachers' Pension Scheme

Introduction

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for teachers in academy trusts. All teachers have the option to opt out of the TPS following enrolment.

The TPS is an unfunded scheme to which both the member and employer makes contributions, as a percentage of salary. These contributions are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

Valuation of the Teachers' Pension Scheme

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury every 4 years. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2016. The valuation report was published by the Department for Education on 5 March 2019.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2023

19 Pension and similar obligations

(Continued)

The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 23.68% of pensionable pay (including a 0.08% employer administration charge)
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £218,100 million, and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £196,100 million giving a notional past service deficit of £22,000 million
- the SCAPE rate, set by HMT, is used to determine the notional investment return. The current SCAPE rate is 2.4% above the rate of CPI. The assumed real rate of return is 2.4% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.2%. The assumed nominal rate of return including earnings growth is 4.45%.

The next valuation result is due to be implemented from 1 April 2024.

The employer's pension costs paid to the TPS in the period amounted to £1,421,000 (2022: £1,028,000).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website.

Under the definitions set out in FRS 102, the TPS is an unfunded multi-employer pension scheme. The academy trust has accounted for its contributions to the scheme as if it were a defined contribution scheme. The academy trust has set out above the information available on the scheme.

Local Government Pension Scheme

The LGPS is a funded defined benefit pension scheme, with the assets held in separate trustee-administered funds. The total contributions are as noted below. The agreed contribution rates for future years are 18.9 - 26.6% for employers and 5.5 - 12.5% for employees.

As described in note 26 the LGPS obligation relates to the employees of the academy trust, being the employees transferred as part of the conversion from the maintained school and new employees who joined the scheme in the period. The obligation in respect of employees who transferred on conversion represents their cumulative service at both the predecessor school and the academy trust at the balance sheet date.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013 and on 21 July 2022, the Department for Education reaffirmed its commitment to the guarantee, with a parliamentary minute published on GOV.UK.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2023

19	Pension and similar obligations	(0	Continued)
	Changes in the present value of defined benefit obligations	2023 £'000	2022 £'000
	At 1 September 2022	5,929	5,650
	Assets acquired on conversion	1,041	464
	Interest income	279	99
	Actuarial loss	(156)	(565)
	Employer contributions	487	299
	Employee contributions	149	90
	Benefits paid	(146)	(108)
	At 31 August 2023	7,583	5,929

The pension values as at 31 August 2023 have been determined by the actuary which is showing the following pension assets and liabilities within the academy trust as at the balance sheet date:

All Hallows Catholic College – pension liability of £150,000
St Alban's Catholic primary School – pension liability of £283,000
St Mary's Catholic Primary School – pension liability of £86,000
St Paul's Catholic Primary School - pension liability of £73,000
Christ The King Catholic and Church of England Primary School - pension asset of £121,000
Ellesmere Port Catholic High School – pension liability of £437,000

This results in the academy trust's consolidated position as showing a pension liability and pension fund deficit. In accordance with applicable accounting standards, the asset values in Christ The King Catholic and Church of England Primary School have been capped at an asset ceiling value on the basis that the academy trust has minimum funding requirements existing for future service. Although a pension asset is arising, this does not create an immediately realisable asset that can be expended for the specific purposes of the pension fund.

Amounts due in two and five years	47	35
	109	53
>		

23 Related party transactions

Owing to the nature of the academy trust and the composition of the board of trustees being drawn from local public and private sector organisations, transactions may take place with organisations in which the trustees have an interest. The following related party transactions took place in the financial period.

J Hardy, a trustee, is also a director at CRE8 Macclesfield Ltd and therefore has an interest. During the year, the academy trust paid £6,640 (2022: £390) in relation to Learning Plus sessions. No amounts were owed by the academy trust at the year end. In entering into this transaction, the academy trust has complied with the requirements of the Academies Trust Handbook 2022.

24 Members' liability

Each member of the charitable company undertakes to contribute to the assets of the company in the event of it being wound up while he or she is a member, or within one year after he or she ceases to be a member, such amount as may be required, not exceeding £10 for the debts and liabilities contracted before he or she ceases to be a member.

25 Agency arrangements

The academy trust acts as an agent in distributing 16-19 bursary funds for the ESFA. In the accounting period ending 31 August 2023, the trust also received £13,628 (2022: £10,579) and disbursed £15,388 (2022: £11,923) from the fund. An amount of £nil (2022: £1,760) is included in other creditors at the balance sheet date.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2023

26 Conversion to an academy

On 1 April 23 Ellesmere Port Catholic High School converted to academy trust status under the Academies Act 2010 and all the operations and assets and liabilities were transferred to Our Lady Help of Christians Catholic Academy Trust (formerly known as The Holy Family Of Nazareth Catholic Academy Trust) from the Chester West and Chester Local Authority for £nil consideration.

The transfer has been accounted for as a combination that is in substance a gift. The assets and liabilities transferred were valued at their fair values and recognised in the balance sheet under the appropriate headings with a corresponding net amount recognised as a net loss in the statement of financial activities as donations – transfer from local authority on conversion.

The following table sets out the fair values of the identifiable assets and liabilities transferred and an analysis of their recognition in the statement of financial activities.

Academy	Location	Date of conversion		
Ellesmere Port Catholic High School	Ellesmere Port	1 April 2023		*
