3. CHARGING CLAUSE

3.1 Fixed Charges

Each Chargor, as security for the payment and discharge of the Secured Obligations, charges in favour of the Security Trustee with full title guarantee all of its right, title and interest in the following assets, both present and future, from time to time owned by it or in which it has an interest and, in each case, all Related Rights, by way of first fixed charge:

- (a) all Subsidiary Shares;
- (b) all Investments (other than Subsidiary Shares);
- (c) all Material Equipment;
- (d) all Intellectual Property;
- (e) its goodwill and uncalled capital; and
- (f) to the extent not effectively assigned by clause 3.2 (Security Assignment):
 - (i) the Assigned Agreements; and
 - (ii) the Insurances.

3.2 Security Assignment

As further security for the payment and discharge of the Secured Obligations, each Chargor assigns absolutely with full title guarantee in favour of the Security Trustee all its right, title and interest in the following assets, both present and future, and, in each case, all Related Rights:

- (a) the Assigned Agreements; and
- (b) the Insurances,

provided that on payment or discharge in full of the Secured Obligations the Security Trustee will at the request and cost of the relevant Chargor re-assign the relevant rights, title and interest in the assigned assets to that Chargor (or as it shall direct).

3.3 Fixed Security

Clause 3.1 (Fixed Charges) and clause 3.2 (Security Assignment) shall be construed as creating a separate and distinct mortgage, fixed charge or security assignment over each relevant asset within any particular class of assets specified in this deed. Any failure to create effective fixed security (for whatever reason) over an asset shall not affect the fixed nature of the security on any other asset, whether within the same class of assets or not.

3.4 Floating Charge

As further security for the payment and discharge of the Secured Obligations, each Chargor charges with full title guarantee in favour of the Security Trustee by way of first floating charge:

- (a) all its Floating Charge Assets;
- (b) all its Property; and
- (c) all its present and future assets not effectively charged by way of fixed charge under clause 3.1 (Fixed Charges) or assigned under clause 3.2 (Security Assignment).

3.5 Conversion of Floating Charge

- (a) Subject to paragraph (b) below, if:
 - (i) an Event of Default has occurred and is continuing; or
 - the Security Trustee is (acting reasonably) of the view that any legal process or execution is being enforced against any Floating Charge Asset or that any Floating Charge Asset is in danger of being seized or otherwise in jeopardy; or
 - (iii) the Security Trustee considers that it is necessary to protect the priority of the security,

the Security Trustee may, by notice to any Chargor, convert the floating charge created under this deed into a fixed charge as regards those assets which it specifies in the notice.

(b) The floating charge created under this deed may not be converted into a fixed charge solely by reason of the obtaining of a moratorium under Part A1 of the

Insolvency Act 1986 in relation to a Chargor, or anything done with a view to obtaining such a moratorium.

(c) Paragraph (b) above does not apply if the floating charge created under this deed is a floating charge referred to in section A52(4) of Part A1 of the Insolvency Act 1986.

3.6 Automatic Conversion of Floating Charge

If:

- (a) any Chargor creates (or purports to create) any Security in breach of clause 6.2 (Negative Pledge) of the Original Debenture over any Floating Charge Asset; or
- (b) any person levies or attempts to levy any distress, attachment, execution or other legal process against any Floating Charge Asset,

the floating charge created under this deed over the relevant Floating Charge Asset will automatically and immediately be converted into a fixed charge.

3.7 Excluded Property and counterparty consent

- (a) Each relevant Chargor is required to use all reasonable endeavours for a period of no more 180 days after the date of this deed (or, if later, by the date not exceeding 180 days following its entry into or acquisition of such Excluded Property) to obtain consents from the relevant counterparty to grant Security over any Excluded Property.
- (b) The relevant Chargor is deemed to have satisfied the obligation under paragraph (a) above if, after having requested the consent, the counterparty has refused to provide the consent or, if in that Chargor's reasonable opinion, there is no reasonable prospect that the counterparty will give such consent or that any further attempt to comply would be to its material commercial detriment.
- (c) The Security under clauses 3.1 (Fixed charge), 3.2 (Security Assignment) and 3.4 (Floating Charge) will take effect over any property that is Excluded Property upon the appointment of an administrator, liquidator, receiver, administrative receiver, compulsory manager, judicial manager or other similar officer in respect of the relevant Chargor or any of its assets.

3.8 Details of Charged Property

The fact that no details of any Charged Property are included in any relevant schedule to the Original Debenture does not affect the validity or enforceability of any Security created by or pursuant to this deed.

3.9 Ranking

Where this deed purports to create first ranking Security, that Security will be subject to the equivalent Security created by the Original Debenture and/or the Supplemental Debenture until such time as the relevant Security created by the Original Debenture and/or the Supplemental Debenture ceases to have effect.

4. INCORPORATION OF TERMS
