### TRUSTEES' REPORT - YEAR ENDED 31 MARCH 2018 (CONTINUED)

#### Structure, Governance and Management

The organisation is a charitable company, limited by guarantee, incorporated on 15 January 2013 and registered as a charity on 22 March 2013. The company was established under a Memorandum of Association which established the objects and powers of the charitable company and is governed under its Articles of Association.

In the event of the company being wound up members are required to contribute an amount not exceeding £10 to the assets of the charitable company whilst a member, or within one year of membership ceasing.

### **Objects**

The object of the Charity is the advancement of education and training by means of collaboration with the City and Guilds Land Based Services in the administration of schemes of Proficiency Tests, Vocational Qualifications, Certificates of Competence, Certificates of Qualification and other such awards in the land based industries as the Charity shall from time to time decide. The area of operations mainly covers the County of East Sussex but requests are considered from any other area.

### Main activities in relation to the objects of the Charity

The Committee is responsible for all matters, including the assessing, monitoring and maintaining of standards relating to awards and acts on recommendations issued by the City and Guilds Land Based Services.

- a) It is required to submit a report to interested bodies and receive recommendations from participating bodies.
  - b) It seeks to promote and publicise the awards wherever possible.
  - c) It provides facilities to enable access to awards for any person who requires them.
- d) It appoints examiners and or assessors for awards and ensures that such examiners and assessors are regularly updated in accordance with the policies of the Council. It reviews annually lists of examiners in its list of examiners and assessors.
  - e) It may award Certificates of Proficiency.
  - f) It appoints an Administrator who, not being a member of the committee, is responsible for the administration of the Proficiency Testing Scheme and the organisation of proficiency tests.
  - g) It submits to the City and Guilds Land Based Services such information as may from time to time be required.

### Achievements and performance

The Charity has had a challenging year and reports a deficit of expenditure over income of £18,193. Whilst income rose, additional costs were incurred this year for quality control and a prior year adjustment for registration fees paid. Additional secretarial fees were also payable this year.

### Financial review

The charity does not have any restricted reserve funds. It's general reserves are held on short term investment to enable the Charity to take advantage of any opportunities, within its overall objective, that may arise.

#### TRUSTEES' REPORT - YEAR ENDED 31 MARCH 2018 (CONTINUED)

#### Public benefit

The charity's trustees have complied with their duty to have due regard to the guidance on public benefit published by the commission in exercising their powers or duties.

### Statement of Directors' and Trustees' Responsibilities

The Charites Act and the Companies Act requires the trustees to prepare accounts for each financial year which give a true and fair view of the state of affairs of the charity as at the end of the financial year and of the surplus or deficit of the charity.

In preparing those accounts the trustees are required to:-

- (a) select suitable accounting policies and then apply them consistently.
- (b) make judgements and estimates that are reasonable and prudent.
- (c) state whether the policies adopted are in accordance with SORP Regulations and with applicable accounting standards, subject to any material departures disclosed and explained in the financial statements.
- (d) prepare the accounts on the going concern basis unless it is inappropriate to assume that the charity will continue in business.

The trustees are also responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which are sufficient to show and explain the charity's transactrions and enable them to ensure that the accounts comply with the Companies Act 2006 and comply with regulations made under the Charities Act. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud or other irregularities.

The trustees are also responsible for the contents of the trustees' report, and the responsibility of the independent examiner in relation to the trustees' report is limited to examing the report and ensuring that, on the face of the report, there are no inconsistencies with the figures disclosed in the financial statements.

This report has been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities (March 2005) and in accordance with the special provisions for small companies under Part 15 of the Companies Act 2006.

This report was approved by the board of trustees on 28 November 2018 and signed on its behalf by

6/12/18

### INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF THE CHARITY

I report on the accounts of the company for the period ended 31 March 2018, which are set out on pages 7 to 15.

#### Respective responsibilities of trustees and examiner

The charity's trustees (some of whom are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this period under section 144 of the Charities Act 2011, and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the General Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

### Basis of independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

### Independent examiner's statement

In the course of my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements:
- to keep proper accounting records in accordance with section 386 of the Companies Act 2006 and
- to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

### NOTES TO THE FINANCIAL STATEMENTS - YEAR ENDED 31 MARCH 2018

#### 1. General information

The company is a private company limited by guarantee, registered in England. The address of the registered office is ESPTC Office, Plumpton College, Ditchling Road, Plumpton, Lewes, East Sussex, BN7 3AE.

#### 2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

### 3. Accounting policies

#### Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through profit or loss.

The financial statements are prepared in sterling, which is the functional currency of the entity.

#### **Turnover**

Turnover is measured at the fair value of the consideration received or receivable for goods supplied and services rendered, net of discounts and Value Added Tax.

Revenue from the sale of goods is recognised when the significant risks and rewards of ownership have transferred to the buyer, usually on despatch of the goods; the amount of revenue can be measured reliably; it is probable that the associated economic benefits will flow to the entity and the costs incurred or to be incurred in respect of the transactions can be measured reliably.

### **Taxation**

The taxation expense represents the aggregate amount of current and deferred tax recognised in the reporting period. Tax is recognised in the statement of comprehensive income, except to the extent that it relates to items recognised in other comprehensive income or directly in capital and reserves. In this case, tax is recognised in other comprehensive income or directly in capital and reserves, respectively.

Current tax is recognised on taxable profit for the current and past periods. Current tax is measured at the amounts of tax expected to pay or recover using the tax rates and laws that have been enacted or substantively enacted at the reporting date.

Deferred tax is recognised in respect of all timing differences at the reporting date. Unrelieved tax losses and other deferred tax assets are recognised to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits. Deferred tax is measured using the tax rates and laws that have been enacted or substantively enacted by the reporting date that are expected to apply to the reversal of the timing difference.

#### Intangible assets

Intangible assets are initially recorded at cost, and are subsequently stated at cost less any accumulated amortisation and impairment losses. Any intangible assets carried at a revalued amount, are recorded at the fair value at the date of revaluation, as determined by reference to an active market, less any subsequent accumulated amortisation and subsequent accumulated impairment losses.

Intangible assets acquired as part of a business combination are recorded at the fair value at the acquisition date.

### NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) - YEAR ENDED 31 MARCH 2018

#### **Amortisation**

Amortisation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful life of that asset as follows:

Premises licences

- 10% straight line

If there is an indication that there has been a significant change in amortisation rate, useful life or residual value of an intangible asset, the amortisation is revised prospectively to reflect the new estimates.

### Tangible assets

Tangible assets are initially recorded at cost, and are subsequently stated at cost less any accumulated depreciation and impairment losses.

Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other comprehensive income and accumulated in capital and reserves, except to the extent it reverses a revaluation decrease of the same asset previously recognised in profit or loss. A decrease in the carrying amount of an asset as a result of revaluation is recognised in other comprehensive income to the extent of any previously recognised revaluation increase accumulated in capital and reserves in respect of that asset. Where a revaluation decrease exceeds the accumulated revaluation gains accumulated in capital and reserves in respect of that asset, the excess shall be recognised in profit or loss.

### Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Fittings fixtures and equipment

- 25%

If there is an indication that there has been a significant change in depreciation rate, useful life or residual value of tangible assets, the depreciation is revised prospectively to reflect the new estimates.

### **Impairment**

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

When it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that are largely independent of the cash inflows from other assets or groups of assets.

### 4. Limited by guarantee

In the event of the company being wound up members are required to contribute an amount not exceeding £10 to the assets of the charitable company whilst a member, or within one year of membership ceasing.
