4. PROGRESS DURING THE PERIOD

Receipts and Payments

Attached at Appendix 1 is our abstract of receipts and payments for the period from 7 December 2018 to 6 June 2019.

What work has been done in the period of this report, why was that work necessary and what has been the financial benefit (if any) to creditors?

Details of the types of work that generally fall into the headings mentioned below are available on our firm's website - <http://www.begbies-traynorgroup.com/work-details> Under the following headings we have explained the specific work that has been undertaken on this case. Not every piece of work has been described, but we have sought to give a proportionate overview which provides sufficient detail to allow creditors to understand what has been done, why it was necessary and what financial benefit (if any) the work has provided to creditors.

The costs incurred in relation to each heading are set out in the Time Costs Analysis which is attached at Appendix 2.

General case administration and planning

We have formulated an appropriate strategy and then monitored and reviewed that strategy; including meetings with internal and external parties to agree the same, including meetings and correspondence with solicitors to discuss and agree strategy and seek strategy advice.

We are required to maintain records to demonstrate how the case is administered and to document the reasons for any decisions that materially affect the case. This includes regular updates with staff and

regular case management to review progress. Time spent also includes complying with internal filing and information recording practices, including documenting strategy decisions made.

Time has been spent uplifting the Company's books and records held in storage. The Company's books and records have been forensically reviewed and an inventory undertaken.

Whilst not all of this work benefits creditors financially, it is necessary to ensure the efficient and compliant progression of the administration and ensures that the joint administrators and their staff carry out their work to high professional standards. Such strategy has enabled us to ensure all matters continue to be progressed in an effective and timely manner.

Compliance with the Insolvency Act, Rules and best practice

There are certain tasks which we have a statutory obligation to undertake during the administration. We have notified the various bodies of our appointment, including creditors and the Registrar of Companies, and advertised our appointment in the London Gazette.

We have also prepared and sent our Statement of Proposals dated 29 January 2019 together with supporting documentation, to provide creditors with a detailed explanation of the reasons for the failure of the Company, the progress made during the administration and the work which will be undertaken in order to achieve the objective of the administration.

Time spent also includes banking and other cashiering related activities.

This work has not benefitted creditors financially but is necessary in accordance with the Act and best practice.

Investigations

We have a duty to examine the conduct of the Company and its directors in order to identify what assets are available to realise for the benefit of the creditors, including any actions against directors or other parties, such as challenging transactions at undervalue or preferences.

Detailed forensic investigations have been carried out (and are ongoing) into the conduct of the Company, its directors and other connected third parties. This has included examining the Company's books and records in our possession both electronic and hard copy, information provided by third parties, creditors and the Company's advisors. Our investigations also included arranging interviews with key staff and directors.

Our in-house forensic team have carried out detailed investigations and forensic analysis of the Company's records, including bank statement analysis and forensic review of the Company's accounting systems.

Realisation of assets

Agreement for Lease

The Company had entered into an Agreement for Lease on 31 March 2017 to undertake a renovation of the unit at Trinity, Leeds. Upon our appointment we instructed our agents to advise on the value of the Company's interest in the Agreement. At the date of our proposals, we were in discussions with a third party, who had expressed an interest in purchasing the Company's interest however this interest did not result in any offer being put forward.

We are continuing to liaise with the landlord of the premises and all parties of the Agreement for Lease.

Dealing with all creditors' claims (including employees), correspondence and distributions

We have dealt with all unsecured creditor queries as and when they have been received. We have maintained a database as regards creditors' contact details and claims and logged their claims and supporting information.

Other matters which includes seeking decisions of creditors via deemed consent procedure and/or decision procedures, meetings, tax, litigation, pensions and travel

Time has been spent attending telephone meetings with third party independent advisors to agree marketing strategy and the offers received on the marketing and the sale of the group companies. Meetings have also been held with external independent legal advisors as regards practical, technical and legal aspects of the case to ensure efficient progress.

We have sought a decision from the secured creditor on the approval of our remuneration and disbursements on a time cost basis

Time has also been spent in dealing with the review of the VAT and corporation tax returns in respect of the administration period.

Whilst this does not benefit creditors financially, it is necessary in accordance with statutory requirements and best practice.

5. ESTIMATED OUTCOME FOR CREDITORS

Details of the sums owed to each class of the Company's creditors were provided in our statement of proposals.

On the basis of realisations to date we estimate an outcome for each class of the Company's creditors as follows:

Secured creditor

As part of the sale of certain assets of the Burningnight group, a Deed of Novation has been entered into by the Company (and other Burningnight subsidiary companies), resulting in its release and discharge from its obligations and liabilities to pay the debt outstanding to AIF 1 Ltd ("AIF") and any other Access Finance Group company. Access 6 has assumed all obligations and liabilities due under the loan facility provided to the Burningnight subsidiaries.

Preferential creditors

There are no known preferential creditors.

Prescribed Part for unsecured creditors pursuant to Section 176A of the Act

Details of how the prescribed part for unsecured creditors is calculated were provided in our statement of proposals.

As a consequence of the Deed of Novation entered into by the Company and AIF (as detailed above), to the best of our knowledge and belief, there are no unsatisfied floating charges created or registered on or after 15 September 2003 and, consequently, Section 176A will not apply and, therefore, no prescribed part of net property is available for distribution to the unsecured creditors.

Unsecured creditors

Based upon realisations to date and estimated future realisations there will be insufficient funds available to enable a dividend to be paid to the unsecured creditors.

Effect of administration on limitation periods under the Limitation Act 1980

As we have previously confirmed, the Limitation Act 1980 continues to apply to all debts due from the Company. Case law indicates that where a company is in administration, time does not stop running for limitation purposes pursuant to the Limitation Act 1980. If you have any concerns in relation to your claim against the Company becoming time-barred during the course of the administration, we strongly recommend that you seek independent legal advice on the options available to you to prevent this.

6. PRE-ADMINISTRATION COSTS

On 15 February 2019 the following amounts in respect of unpaid pre-administration costs were approved by decision of creditors sought via a Decision Procedure:

Description	Name of recipient	Net amount £	VAT £	Gross amount £
Our fees in relation to the Work	Begbies Traynor	2,048.00	409.60	2,457.60
	O'Haras Limited	2,390.00	478.00	2,868.00
TOTAL PRE-ADMINISTRATION COSTS		887.60	5,179.10	5,325.60

7. REMUNERATION & DISBURSEMENTS

Our remuneration has been fixed by reference to the time properly given by us and the various grades of our staff calculated at the prevailing hourly charge out rates of Begbies Traynor (Central) LLP in attending to matters as set out in the fees estimate dated 29 January 2019.

We are also authorised to draw disbursements for services provided by our firm and/or entities within the Begbies Traynor Group, in accordance with our firm's policy, details of which accompanied the Statement of proposals for achieving the purpose of administration and which are attached at Appendix 2 of this report.

Begbies Traynor (Central) LLP's time costs for the period from 7 December 2018 to 6 June 2019 amount to £13,398 which represents 46 hours at an average rate of £293 per hour.

O'Haras Limited's time costs for the period from 7 December 2018 to 6 June 2019 amount to £2,740 which represents 10 hours at an average rate of £274 per hour.

Further information in relation to our time costs is set out at Appendix 2 and provides details of the work undertaken by us and our staff following our appointment only.

To 6 June 2019, neither Begbies Traynor (Central) LLP nor O'Haras Limited have drawn any funds on account of our remuneration, against total time costs of £13,398 and £2,740, incurred respectively since the date of our appointment.

As can be seen from the information above, our previously approved estimate has not been exceeded. We are pleased to report that we do not anticipate that it is likely to be exceeded if matters progress to conclusion as envisaged.

Disbursements

To 6 June 2019, Begbies Traynor (Central) LLP have incurred disbursements in the sum of £104.

O'Hara's Limited have incurred disbursements in the sum of £32.

Category 2 Disbursements

No Category 2 Disbursements have incurred on the case.

A copy of 'A Creditors Guide to Administrators' Fees (E&W) 2017 which provides guidance on creditors' rights on how to approve and monitor an Administrator's remuneration and on how the remuneration is set can be obtained online at www.begbies-traynor.com/creditorsguides. Alternatively, if you require a hard copy of the Guide, please contact our office and we will arrange to send you a copy.

8. ADMINISTRATORS' EXPENSES

A statement of the expenses incurred during the period of this progress report is attached at Appendix 3.

Expenses actually incurred compared to those that were anticipated

Creditors will recall that we estimated that the expenses of the administration would total £5,227. That estimate has not been exceeded and we do not expect it to be exceeded if matters progress to conclusion as envisaged. A significant portion of the legal fees incurred are all jointly and severally owed by each subsidiary company in administration.

9. ASSETS THAT REMAIN TO BE REALISED AND WORK THAT REMAINS TO BE DONE

What work remains to be done, why is this necessary and what financial benefit (if any) will it provide to creditors?

General case administration and planning

As the administration progresses, updates will need to be made to the strategy dependent upon the outcome of the realisations and investigations. This will include meetings between members of staff to formulate the strategy moving forward and ensure that the strategy is achieved.

We are also required to maintain records to demonstrate how the case was administered and to document the reasons for any decisions that materially affect the case on an ongoing basis. This will include compliance reviews, internal checklist updates, periodic case reviews and maintaining case files.

Whilst this work will not benefit creditors financially, it is necessary to ensure efficient progress of the case and is required in accordance with the law and by our regulatory body.

Compliance with the Insolvency Act, Rules and best practice

We are required to meet a considerable number of statutory and regulatory obligations. Whilst many of these tasks do not have a direct benefit in enhancing realisations for the insolvent estate, they assist in the efficient and compliant progressing of the administration, which ensures that the joint administrators and their staff carry out their work to high professional standards.

We will draft and issue interim progress reports on a six monthly basis to provide an update to the creditors of the progress made during the administration. These documents will be filed to meet statutory requirements.

In addition, a final progress report will have to be produced once the administration has reached its conclusion. This will provide creditors with an overview of the administration, including all realisations, costs and the final outcome for creditors.

It may be necessary for the Joint Administrators to seek an extension of the administration beyond its statutory term of 12 months.

We will also continue to monitor realisations and compare to the statutory bond level to ensure that sufficient cover is in place at all times in order to protect the interests of the Company's creditors.

Time will be spent in monitoring and updating the estate cash book and bank accounts, including regular bank reconciliations and processing receipts and payments.

Investigations

We have carried out a detailed investigation into the Company's affairs which are now reaching conclusion. We are fully considering the outcome of such investigations with our solicitors and, should it be necessary, intend to liaise with major creditors to determine what, if any, further action is to be taken.

It is unclear at present whether the work carried out will lead to any financial benefit to creditors.

Realisation of assets

We will continue to liaise with all parties to the Agreement for Lease and the landlord of the unit in order to deal with the Company's interest in it.

It is unclear at present whether the Company's interest in the Agreement for Lease will lead to any financial benefit for creditors.

Dealing with all creditors' claims (including employees), correspondence and distributions

We will continue to deal with any queries received from creditors of the Company.

Other matters which includes seeking decisions of creditors via the deemed consent procedure and/or decision procedures, meetings, tax, litigation, pensions and travel

In light of the extension of the licence to occupy, it is necessary to seek to extend the administration for a period of 12 months.

In accordance with law and best practice we will also ensure submission of VAT and corporation tax returns to HMRC in respect of the administration period.

Whilst the above work will not benefit creditors financially, it is necessary in accordance with statutory requirements and best practice.

How much will this further work cost?

We estimate that the costs of the future work to be carried out as detailed above will be approximately £10,000.

Expenses

Details of the expenses that we expect to incur in connection with the work that remains to be done referred to above are as set out in the estimate of anticipated expenses sent to creditors on 29 January 2019, which included all of the expenses that we anticipate that we will incur throughout the administration.

10. OTHER RELEVANT INFORMATION

Report on Directors conduct

As detailed in our statement of proposals, we have a duty to submit a report to the Department for Business, Energy and Industrial Strategy on the conduct of the directors. We have complied with our duties in this respect.

Investigations completed

We have carried out a detailed investigation into the conduct of the Company and its financial affairs. These investigations have included a forensic analysis of the Company's bank statements, review of the Company's books and records both electronic and hard copy and review of the Company's accounts system and accounts and are continuing as part of the wider "group" investigations.

Connected party transactions

We have not been made aware of any sales of the Company's assets to connected parties.

Use of personal information

Please note that in the course of discharging our statutory duties as Joint Administrators, we may need to access and use personal data, being information from which a living person can be identified. Where this is necessary, we are required to comply with data protection legislation. Right to make an application to court

BEGBIES TRAYNOR CHARGING POLICY

INTRODUCTION

This note applies where a licensed insolvency practitioner in the firm is acting as an office holder of an insolvent estate and seeks creditor approval to draw remuneration on the basis of the time properly spent in dealing with the case. It also applies where further information is to be provided to creditors regarding the office holder's fees following the passing of a resolution for the office holder to be remunerated on a time cost basis. Best practice guidance¹ requires that such information should be disclosed to those who are responsible for approving remuneration.

In addition, this note applies where creditor approval is sought to make a separate charge by way of expenses or disbursements to recover the cost of facilities provided by the firm. It also applies where payments are to be made to parties other than the firm, but in relation to which the office holder, the firm or any associate has an interest. Best practice guidance² indicates that such charges should be disclosed to those who are responsible for approving the office holder's remuneration, together with an explanation of how those charges are calculated.

OFFICE HOLDER'S FEES IN RESPECT OF THE ADMINISTRATION OF INSOLVENT ESTATES

The office holder has overall responsibility for the administration of the estate. He/she will delegate tasks to members of staff. Such delegation assists the office holder as it allows him/her to deal with the more complex aspects of the case and ensures that work is being carried out at the appropriate level. There are various levels of staff that are employed by the office holder and these appear below.

The firm operates a time recording system which allows staff working on the case along with the office holder to allocate their time to the case. The time is recorded at the individual's hourly rate in force at that time which is detailed below.

EXPENSES INCURRED BY OFFICE HOLDERS IN RESPECT OF THE ADMINISTRATION OF INSOLVENT ESTATES

Best practice guidance classifies expenses into two broad categories:

- *Category 1 disbursements (approval not required)* - specific expenditure that is directly related to the case and referable to an independent external supplier's invoice. All such items are charged to the case as they are incurred.
- *Category 2 disbursements (approval required)* - items of expenditure that are directly related to the case which include an element of shared or allocated cost and are based on a reasonable method of calculation, but which are not payable to an independent third party.

(A) The following items of expenditure are charged to the case (subject to approval):

- Internal meeting room usage for the purpose of statutory meetings of creditors is charged at the rate of £100 (London £150) per meeting;
- Car mileage is charged at the rate of 45 pence per mile;
- Storage of books and records (when not chargeable as a *Category 1 disbursement*) is charged on the basis that the number of standard archive boxes held in storage for a particular case bears to the total of all archive boxes for all cases in respect of the period for which the storage charge relates;

¹ Statement of Insolvency Practice 9 (SIP 9) – Remuneration of insolvency office holders in England & Wales

² Ibid 1

Expenses which should be treated as Category 2 disbursements (approval required) – in addition to the two categories referred to above, best practice guidance indicates that where payments are to be made to outside parties in which the office holder or his firm or any associate has an interest, these should be treated as Category 2 disbursements.

Services provided by other entities within the Begbies Traynor group

The following items of expenditure which relate to services provided by entities within the Begbies Traynor Group, of which the office holder's firm is a member, are also to be charged to the case (subject to approval):

It may become necessary to instruct Eddisons Commercial Limited to provide assistance in valuing the assets of the Company and provide any additional services, not currently anticipated, during the course of the case. In such circumstances and to avoid the costs associated with seeking further approval, the charges for such services will be calculated on a time costs basis at the prevailing hourly rates for their various grades of staff which are currently as follows:

Grade of staff	Charge-out rate (£ per hour)
Director	£275
Associate	£180
Surveyor	£120
Graduate	£100
Administration	£80
Porters	£35

(B) The following items of expenditure will normally be treated as general office overheads and will not be charged to the case although a charge may be made where the precise cost to the case can be determined because the item satisfies the test of a *Category 1 disbursement*:

- Telephone and facsimile
- Printing and photocopying
- Stationery

Additional payments received by Eddisons Commercial Limited from purchasers where assets are disposed of by way of auction

In addition to the charges of Eddisons Commercial Limited detailed above for providing the services to the office holder, where any machinery and business assets (other than freehold/leasehold property) are disposed of by way of auction, Eddisons Commercial Limited will also receive a payment from the purchaser, known as a buyer's premium, equivalent to 15% of the successful bid. Where any freehold/leasehold property is disposed of by way of auction, Eddisons Commercial Limited will also receive a payment from the purchaser, known as a buyer's administration fee, in the sum of £600. It is standard auction industry practice for a buyer's premium and buyer's administration fee to be charged. The buyer's premium and buyer's administration fee is paid by the purchaser of the assets and is not paid by the office holder from the assets of the estate.

BEGBIES TRAYNOR CHARGE-OUT RATES

Begbies Traynor is a national firm. The rates charged by the various grades of staff that may work on a case are set nationally, but vary to suit local market conditions. The rates applying to the Leeds office as at the date of this report are as follows:

Grade of staff	Charge-out rate (£ per hour) 1 December 2018 – until further notice
Partner	495
Director	445
Senior Manager	395
Manager	345
Assistant Manager	250
Senior Administrator	225
Administrator	175
Junior Administrator	140

Time spent by support staff such as secretarial, administrative and cashiering staff is charged directly to cases. It is not carried as an overhead.

The office holder may use the services of BTG Forensic during the course of the case. BTG Forensic is a specialist department of the office holder's firm which provides forensic accounting services. The current charge-out rates applying to work carried out by BTG Forensic are as follows:

Grade of staff	Charge-out rate (£ per hour)
Partner	250
Senior Manager	175

O'Haras Limited Practice Fees and Disbursements Recovery Policy

Time Cost basis

When charging fees on a time cost basis we use charge out rates appropriate for the skills and experience of a member of staff and the work that they perform. This is combined with the amount of time that they work on each case, recorded in 6 minute units with supporting narrative to explain the work undertaken.

Charge out Rates

Grade of Staff	Current Charge out Rate (Effective from 1 January 2013) £ per hour
Director	300 - 400
Senior Manager	250 - 300
Manager	200 - 250
Administrator	175 - 200
Support Staff	150 - 175
Time costs are calculated using 6 minute units.	

These charge out rates are reviewed on 1 January each year and are adjusted to take account of inflation and the firm's overheads.

Disbursements

In accordance with Statement of Insolvency Practice 9 (SIP 9) the basis of disbursement allocation in respect of disbursements incurred by the Office Holder in connection with the administration of the estate must be fully disclosed to creditors. Disbursements are categorised as either Category 1 or Category 2.

Category 1 expenses are directly referable to an invoice from a third party, which is either in the name of the estate or O'Haras Limited; in the case of the latter, the invoices makes a reference to, and therefore can be directly attributed to, the estate.
