11.7 Financial collateral

- (a) To the extent that the Security Assets constitute "financial collateral" and this Deed and the obligations of each Chargor under this Deed constitute a "security financial collateral arrangement" (in each case, for the purpose of and as defined in the Financial Collateral Arrangements (No. 2) Regulations 2003), the Security Agent will have the right after this Security has become enforceable to appropriate all or any part of that financial collateral in or towards the satisfaction of the Secured Liabilities.
