- (a) all its present and future Assets; and
- (b) without exception, all its Assets in so far as they are for the time being situated in Scotland.

3.4 Notices of Assignment

- (a) Each Original Chargor shall, within two Business Days after the date of the Debenture (or, in respect of any New Chargor, on the date of the relevant Deed of Accession and Charge), execute a notice of assignment in respect of the security over any Insurance Policies and their proceeds created by this Debenture in substantially the form set out in Part II of Schedule 6 (*Forms of Notice of Assignment*) and promptly deliver the notice to each of the relevant insurers (or any broker).
- (b) Each Original Chargor shall, within two Business Days after the date of this Debenture or, if later, on the date on which it enters into any Hedging Agreement (or, in respect of any New Chargor, on the date of the relevant Deed of Accession and Charge), execute a notice of assignment in respect of that Hedging Agreement in substantially the form set out in Part I of Schedule 6 (*Forms of Notice of Assignment*) and promptly deliver the notice to each relevant Hedge Counterparty. The obligation to deliver a notice of assignment shall not apply in respect of any Hedging Agreement that already contains a

notice and acknowledgement clause in respect of the Security created under this Debenture.

- (c) Each Chargor shall use reasonable endeavours to procure the execution and delivery to the Security Agent of acknowledgments by the addressees of the notices delivered to them pursuant to paragraphs (a) and (b) above.
- (d) The Security Agent hereby undertakes that, following delivery by the relevant Chargor of the notices pursuant to paragraphs (a) and (b) of this Clause 3.4, it shall not, prior to the occurrence of a Declared Default:
 - (i) issue any notice or instruction referred to in paragraph 1 of the notice to insurers set out in Part II of Schedule 6 (*Forms of Notice of Assignment*); or
 - (ii) issue any written notice or instruction to any Hedge Counterparty to (A) hold all or any sums from time to time due and payable by that Hedge Counterparty to any Chargor and/or (B) pay or release all or any part of the sums from time to time due and payable by that Hedge Counterparty to any Chargor to any party other than that Chargor.
- (e) The execution of the Intercreditor Agreement (or any Debtor Accession Deed (as defined in the Intercreditor Agreement), as the case may be) by each Debtor and the Security Agent shall constitute notice to each Debtor that owes Intercompany Receivables to a Chargor of any charge or assignment created over such Intercompany Receivables by that Chargor and acknowledgement by the relevant Chargor of such notice of charge or assignment.

3.5 Priority

- (a) Any fixed Security created by a Chargor and subsisting in favour of the Security Agent shall (save as the Security Agent may otherwise declare at or after the time of its creation) have priority over the floating charge created by Clause 3.3 (*Creation of floating charge*).
- (b) Any Security created in the future by a Chargor (except in favour of the Security Agent) shall be expressed to be subject to this Debenture and shall rank in order of priority behind the charges created by this Debenture.

3.6 Application to the Land Registry

Each Chargor:

- (a) in relation to each register of title of any present and future Material Property of that Chargor which is charged to the Security Agent under this Debenture (or pursuant to Clause 10 (*Further Assurance*)), consents to the Security Agent (or its solicitors) at any time:
 - (i) submitting a Form RX1 (application to register a restriction) in the following terms:

"No disposition of the registered estate by the proprietor of the registered estate is to be registered without a written consent signed by the proprietor for the time being of the charge dated [date] in favour of [Security Agent] referred to on the charges register or their conveyancer."; and

- (ii) submitting a Form CH2 (application to enter an obligation to make further advances); and
- (b) covenants to submit an application to the appropriate Land Registry for the first registration of any unregistered Material Property mortgaged by Clause 3.2 (*Fixed security*) at its own expense, as soon as reasonably practicable following its execution of this Debenture, and to promptly notify the Security Agent following completion of any such application.

3.7 Lessor's consent

- (a) There shall be excluded from the charge created by Clause 3.2 (*Fixed Security*) and from the operation of Clause 10 (*Further Assurance*) any leasehold property held by a Chargor under a lease which either precludes absolutely or conditionally (including requiring the consent of any third party) that Chargor from creating any charge over its leasehold interest in that property (each an "Excluded Property") until the relevant condition or waiver has been satisfied or obtained.
- (b) For each Excluded Property which constitutes a Material Property (each an "Excluded Material Property"), each relevant Chargor undertakes to apply for the relevant consent or waiver of prohibition or condition within fourteen days of the date of this Debenture (or, as the case may be, the date of the acquisition of the relevant Excluded Material Property) and, in respect of each Excluded Material Property which provides that the relevant third party will not unreasonably withhold its consent to charging, to use reasonable endeavours to obtain that consent as soon as possible and to keep the Security Agent informed of the progress of its negotiations, provided that, in each case, if the relevant consent or waiver has not been obtained within three months of the date of this Debenture (or, as the case may be, the date of the acquisition of the relevant Excluded Material Property), that Chargor shall be deemed to have satisfied all obligations under this Clause 3.7 to apply for or obtain such consent or waiver.
- (c) Forthwith upon receipt of the relevant waiver or consent, the relevant formerly Excluded Material Property shall stand charged to the Security Agent under Clause 3.2 (*Fixed Security*). If required by the Security Agent at any time following receipt of that waiver or consent, the relevant Chargor will forthwith execute a valid legal mortgage in such form as the Security Agent shall reasonably require.
- (d) If no consent has been obtained and/or any relevant third party takes, or threatens to take, proceedings to terminate the lease of any Excluded Property on the grounds that consent has not been obtained to the creation of the charge created over the Excluded Property by the Debenture, the Security Agent will

(if requested by such Chargor) confirm in writing that no fixed security was created by this Debenture over that Excluded Property.

4. CRYSTALLISATION

4.1 Crystallisation by notice

The floating charge created by each Chargor in Clause 3.3 (*Creation of floating charge*) may, subject to Clause 4.5 (*Moratorium Assets*), be crystallised into a fixed charge by notice in writing given at any time by the Security Agent to the relevant Chargor (or to Bidco on its behalf) if:

- (a) a Declared Default has occurred;
- (b) an Insolvency Event has occurred and is continuing;
- (c) the Security Agent in good faith and acting reasonably considers that the Assets specified in the notice may be in jeopardy or in danger of being seized or sold pursuant to any form of legal process which is prohibited under the terms of the Debt Documents and such crystallisation shall only apply in respect of such Assets; or
- (d) a circumstance envisaged by paragraph (a) of Clause 4.2 (*Automatic Crystallisation*) occurs and the Security Agent in good faith and acting reasonably considers that such crystallisation is necessary in order to protect the priority of its security.

Such crystallisation shall take effect over the class of Assets specified in the notice. If no such Assets are specified, it shall take effect over all Floating Charge Assets of the relevant Chargor.

4.2 Automatic crystallisation

If, without the Security Agent's prior written consent:

- (a) any Chargor, in contravention of any Debt Document, resolves to take or takes any step to:
 - (i) charge or otherwise encumber any of its Floating Charge Assets;
 - (ii) create a trust over any of its Floating Charge Assets; or
 - (iii) dispose of any Floating Charge Asset,in each case except where to do so would not be prohibited by any of the Debt Documents; or
- (b) any person resolves to take or takes any step with a view to levy distress, attachment, execution or other legal process in respect of any Floating Charge Asset or seize or sell any Floating Charge Asset; or
- (c) an Insolvency Event has occurred and is continuing,

then the floating charge created by Clause 3.3 (*Creation of floating charge*) shall, subject to Clause 4.5 (*Moratorium Assets*), be automatically and instantly crystallised (without the necessity of notice) into a fixed charge over such Floating Charge Asset or, in the case of paragraph (c) above into a fixed charge over all Floating Charge Assets of the relevant Chargor.

4.3 Future Floating Charge Assets

Except as otherwise stated in any notice given under Clause 4.1 (*Crystallisation by notice*) or unless the crystallisation relates to all its Floating Charge Assets, prospective Floating Charge Assets acquired by any Chargor after crystallisation has occurred under Clause 4.1 (*Crystallisation by notice*) or Clause 4.2 (*Automatic crystallisation*) shall become subject to the floating charge created by Clause 3.3 (*Creation of floating charge*), so that the crystallisation shall be effective only as to the specific Floating Charge Assets affected by the crystallisation.

4.4 Reconversion

Any charge which has crystallised under Clause 4.1 (*Crystallisation by notice*) or Clause 4.2 (*Automatic crystallisation*) may, by notice in writing given at any time by the Security Agent to the relevant Chargor, be reconverted into a floating charge in relation to the Assets specified in such notice.

4.5 Moratorium Assets

- (a) Subject to paragraph (b) below, notwithstanding any other provision of this Debenture, in respect of any floating charge created by this Debenture, the obtaining of a moratorium under Part A1 of the Insolvency Act 1986, or anything done with a view to obtaining such a moratorium (including any preliminary decision or investigation), shall not be an event causing the floating charge created by this Debenture to crystallise or be any event causing restrictions which would not otherwise apply to be imposed on the disposal of property by any Chargor or be a ground for the appointment of a Receiver.
- (b) Paragraph (a) above does not apply to any floating charges referred to in subsection (4) of section A52 of Part A1 of the Insolvency Act 1986.

5. REPRESENTATIONS AND WARRANTIES

Each Chargor represents and warrants to the Security Agent as set out in this Clause 5 on the date of this Debenture (or on the date of the relevant Deed of Accession and Charge, as applicable).

5.1 Material Property

Schedule 2 (*Material Properties*) identifies:

- (a) all freehold property; and
- (b) all leasehold property which at the date of this Debenture (or on the date of the relevant Deed of Accession and Charge, as applicable) comprises a leasehold

interest of 7 years or more and which has a market value equal to or more than £5,000,000,

in each case owned by it as at the date of this Debenture (or on the date of the relevant Deed of Accession and Charge, as applicable).

5.2 Shares

Schedule 10 (*Shares and Investments*) identifies all shares which are or will be beneficially owned by a Chargor in respect of its Subsidiaries at the date of this Debenture (or on the date of the relevant Deed of Accession and Charge, as applicable) and all those shares are fully paid.

6. TITLE DOCUMENTS AND TRANSFERS

6.1 Deposit of documents

- (a) Each Chargor will promptly deposit with the Security Agent (or as it shall direct):
 - (i) all deeds and documents of title relating to all real property mortgaged or charged under this Debenture and, if those deeds and documents are with the Land Registry, will promptly deposit them with the Security Agent (or as it shall direct) upon their release;
 - (ii) all stock and share certificates and other documents of title relating to the Specified Investments together with stock transfer forms executed in blank and left undated on the basis that the Security Agent shall be able to hold such documents of title and stock transfer forms until the Secured Obligations have been irrevocably and unconditionally discharged in full and shall be entitled, at any time following the occurrence of a Declared Default or if the Security Agent reasonably considers that the security constituted by this Debenture is in jeopardy to complete, under its power of attorney given in this Debenture, the stock transfer forms on behalf of the relevant Chargor in favour of itself or such other person as it shall select;
 - (iii) following a Declared Default, all documents (including any passbook) relating to the Collection Accounts;
 - (iv) if so requested by the Security Agent, certified copies of all Insurance Policies; and
 - (v) following the occurrence of a Declared Default, all other documents relating to the Charged Property which the Security Agent may from time to time reasonably require.
- (b) The Security Agent may retain any document delivered to it under this Clause 6.1 or otherwise until the security created under this Debenture is released and, if for any reason it ceases to hold any such document before that time, it may by notice to the relevant Chargor require that the document be

redelivered to it and the relevant Chargor shall promptly comply (or procure compliance) with that notice.

- (c) Any document required to be delivered to the Security Agent under Clause 6.1(a) which is for any reason not so delivered or which is released by the Security Agent to a Chargor shall be held on trust by the relevant Chargor for the Security Agent.

7. COLLECTION OF RECEIVABLES

7.1 Collection Account

Following the occurrence of a Declared Default, each Chargor shall, as agent for the Security Agent, collect and realise all its Receivables and, promptly on receipt, pay all money so collected into a Collection Account and pending such payment, hold all money so received upon trust for the Security Agent.

7.2 Collection Account Notices

- (a) Each Chargor shall, promptly after the execution of, but in any event within two Business Days after, this Debenture (or, in respect of any New Chargor, on the date of the relevant Deed of Accession and Charge), serve a Collection Account Notice to each bank with which a Collection Account is held and use reasonable endeavours to ensure that such bank delivers to the Security Agent an acknowledgement substantially in the form of the schedule to the Collection Account Notice.
- (b) The Security Agent shall not be entitled to give any notice referred to in paragraph 2(b) of the Collection Account Notice, withdrawing its consent to the making of withdrawals by the Chargors in respect of the Collection Accounts, unless and until a Declared Default has occurred.

7.3 No derogation

Following a Declared Default, no Chargor shall purport, without the Security Agent's prior written consent, to charge, factor, discount, assign, postpone, subordinate, release or waive its rights in respect of any Receivable in favour of any person or do or omit to do anything which might delay or prejudice its full recovery.

7.4 Factored debts

If, to the extent not prohibited by the Debt Documents, a Chargor factors or discounts any Receivable to any person (the "factor"), the charges created by this Debenture shall in all other respects remain in full force and effect. In particular, all amounts becoming due to such Chargor from the factor and any Receivables reassigned, or due to be reassigned to such Chargor, shall be subject to the relevant fixed charge created by this Debenture, subject only to any defences or rights of set-off which the factor may have against such Chargor.

7.5 Information

Each Chargor shall deliver to the Security Agent such particulars as to the amount and nature of its Receivables as the Security Agent may from time to time reasonably require.

8. NEGATIVE PLEDGE AND OTHER RESTRICTIONS

No Chargor shall, without the prior written consent of the Security Agent:

- (a) create, or agree or attempt to create, or permit to subsist, any Security or Quasi Security or any trust over any of the Charged Property;
- (b) sell, assign, lease, license or sub-license, or grant any interest in, any of the Charged Property, or part with possession or ownership of them, or purport or agree to do so; or
- (c) dispose of the equity of redemption in respect of all or any part of the Charged Property,

in each case, except to the extent not prohibited by any of the Debt Documents.

9. ENFORCEMENT OF SECURITY

9.1 Enforcement Powers

For the purpose of all rights and powers implied or granted by statute, the Secured Obligations are deemed to have fallen due on the date of this Debenture. The power of sale and other powers conferred by section 101 of the Law of Property Act 1925 and all other enforcement powers conferred by this Debenture shall be immediately exercisable at any time after a Declared Default has occurred.

9.2 Statutory Powers

The powers conferred on mortgagees, receivers or administrative receivers by the Law of Property Act 1925 and the Insolvency Act 1986 (as the case may be) shall apply to the Security created under this Debenture, unless they are expressly or impliedly excluded. If there is ambiguity or conflict between the powers contained in those Acts and those contained in this Debenture, those contained in this Debenture shall prevail.

9.3 Exercise of Powers

All or any of the powers conferred upon mortgagees by the Law of Property Act 1925 as varied or extended by this Debenture, and all or any of the rights and powers conferred by this Debenture on a Receiver (whether expressly or impliedly), may be exercised by the Security Agent without further notice to any Chargor at any time after a Declared Default has occurred, irrespective of whether the Security Agent has taken possession or appointed a Receiver of the Charged Property.

9.4 Disapplication of Statutory Restrictions

The restriction on the consolidation of mortgages and on power of sale imposed by sections 93 and 103 respectively of the Law of Property Act 1925 shall not apply to the security constituted by this Debenture.

9.5 Powers of sale extended

The statutory powers of sale, leasing and accepting surrenders exercisable by the Security Agent by virtue of this Debenture are extended so as to authorise the Security Agent upon this Debenture becoming enforceable (whether in its own name or that of the Chargor concerned) to:

- (a) grant a lease of any Property vested in a Chargor or in which it has an interest on such terms and conditions as the Security Agent shall think fit; and
- (b) sever any fixtures from Property vested in a Chargor and sell them separately.

9.6 Right of Appropriation

- (a) The Security Agent may, on or at any time after the security constituted by this Debenture becomes enforceable, by notice in writing to the relevant Chargor appropriate with immediate effect any of its Assets hereby charged comprising financial collateral which is subject to a security financial collateral arrangement (within the meaning of the Financial Collateral Arrangements (No 2) Regulations 2003) and apply it in or towards the discharge of the Secured Obligations, whether such Assets are held by the Security Agent or otherwise.

- (b) The value of any financial collateral appropriated under (a) of this Clause 9.6 shall be:

- (i) in the case of cash, its face value at the time of appropriation; and
- (ii) in the case of financial instruments or other financial collateral their market value at the time of appropriation as determined (after appropriation) by the Security Agent by reference to a public index or other applicable generally recognised source or such other process as the Security Agent may select, including an independent valuation carried out by an independent firm of accountants or valuers appointed by the Security Agent,

as converted, where necessary, into sterling at a market rate of exchange prevailing at the time of appropriation selected by the Security Agent.

- (c) The Security Agent will account to the relevant Chargor for any amount by which the value of the appropriated Assets exceeds the Secured Obligations then due and the Chargors shall remain liable to the Security Agent for any amount by which the value of the appropriated Assets is less than the Secured Obligations then due.

- (d) Each Chargor agrees that (i) all financial instruments have been delivered, transferred, held, registered or otherwise designated so as to be in the possession

or under the control of the Security Agent or a person acting on its behalf; and
(ii) the method of valuing such Assets under paragraph (b) of this Clause 9.6 is commercially reasonable.

10. FURTHER ASSURANCE

(a) Each Chargor shall promptly do all such acts and execute all such documents (including assignments, transfers, mortgages, charges, notices, forms and instructions) as the Security Agent may reasonably specify and in such form as the Security Agent may reasonably require (in favour of the Security Agent or its nominee(s)) in order to:

(i) perfect or protect the Security created or intended to be created by this Debenture (which may include the execution of a mortgage, charge, assignment, transfer, notice, instruction or other Security over all or any of the Assets which are, or are intended to be, the subject of the Security constituted by this Debenture) or for the exercise of any rights, powers and remedies of any Secured Party provided by this Debenture or by law;

(ii) confer on the Security Agent or confer on the Secured Parties, Security over any Assets of that Chargor located in any jurisdiction outside England and Wales which is (to the extent permitted by local law) equivalent or similar to the Security intended to be conferred by or pursuant to this Debenture; and/or

(iii) upon the occurrence of a Declared Default, facilitate the realisation of the Assets subject to the Security conferred or intended to be conferred by this Debenture or the exercise of any rights vested in the Security Agent, any Receiver, administrator or nominee, including executing any transfer, conveyance, charge, assignment or assurance of all or any of the Assets which are the subject of the Security constituted by this Debenture, making any registration and giving any notice, order or instructions.

(b) Each Chargor shall take all such reasonable action as is available to it (including making all filings and registrations) as may be necessary for the purpose of the creation, perfection, protection or maintenance of any Security conferred or intended to be conferred on the Security Agent or the Secured Parties by or pursuant to this Debenture. Without prejudice to the generality of this Clause 10, at the request of the Security Agent each Chargor will promptly execute a legal mortgage, charge or assignment over any of the Assets subject to or intended to be subject to any fixed security created by this Debenture either now or in the future in favour of the Security Agent in such form as the Security Agent may reasonably require.

(c) Without prejudice to the Chargors' obligations under any Debt Document, each Chargor irrevocably authorises the Security Agent to effect such registrations, renewals, payments and notifications or carry out such acts or things at the expense of such Chargor as shall, in the reasonable opinion of the Security Agent, be necessary or prudent to protect the Security Agent's interests in relation to the Intellectual Property Rights or to protect or maintain the

Intellectual Property Rights or any of them. Each Chargor shall give the Security Agent all such reasonable assistance as it may request.

11. CONTINUING SECURITY

This Debenture shall be a continuing security for the Secured Parties, notwithstanding any intermediate payment or settlement of accounts or other matter whatsoever, and shall be in addition to and shall not prejudice or be prejudiced by any right of set-off, combination, lien or other rights exercisable by any Secured Party as banker against any Chargor or any security, guarantee, indemnity and/or negotiable instrument now or in the future held by any Secured Party.

12. PROPERTY

12.1 Positive Covenants

Except as otherwise permitted by the Debt Documents, each Chargor covenants that it shall:

- (a) comply in all material respects with the terms of all agreements, assignments, contracts, conveyances, grants and other deeds and documents for the time being binding on it or affecting its Property or its use or enjoyment and not take any action which, or omit to take any action the omission of which, results in any of its interests or estates in its Property being adversely affected; and
- (b) punctually pay the rents reserved by and observe and perform in all material respects the other material covenants, agreements or obligations on its part to be observed and performed which are contained in any lease, agreement for lease, tenancy agreement or licence to occupy relating to any Property and enforce the observance and performance by the landlord or licensor of its material obligations under any such document,

in each case, provided that, in the case of any Property held by a Chargor:

- (i) under a lease which either precludes absolutely or conditionally (including requiring the consent of any third party) that Chargor from creating any charge over its leasehold interest in that property; and

- (ii) which does not constitute a Material Property,

any failure by that Chargor to apply for or obtain the relevant consent or waiver of such prohibition or condition in connection with the creation of the fixed charge or the floating charge over such property pursuant to Clauses 3.2 (*Fixed security*) and 3.3 (*Creation of floating charge*), as applicable, shall not constitute a breach of this Clause 12.

12.2 Negative covenants

No Chargor shall without the prior written consent of the Security Agent, except where to do so would not be prohibited by any of the Debt Documents:

- (a) enter into any onerous or restrictive obligation affecting its Property or create or permit to arise any overriding interest or any easement or right whatever in or over it which would be reasonably likely to affect adversely its value or the value of the Security constituted by this Debenture over it; or
- (b) extend, renew on substantially different terms or vary any lease or tenancy agreement or give any licence to assign or underlet in relation to its Property to the extent that it would be reasonably likely to materially adversely affect its value or the value of the Security constituted by this Debenture, provided that the Security Agent will as soon as reasonably practicable consent to an assignment or under-letting where any Chargor is required in the ordinary course of trade to consent to the same under the terms of any lease tenancy or licence.

13. INTELLECTUAL PROPERTY RIGHTS

13.1 Intellectual Property Restricting Charging

- (a) There shall be excluded from the charge created by Clause 3.2 (*Fixed Security*) and from the operation of Clause 10 (*Further Assurance*) any Intellectual Property in which a Chargor has an interest under any licence or other agreement which either precludes absolutely or conditionally (including requiring the consent of any third party) that Chargor from creating any charge over its interest in that Intellectual Property (each an "Excluded Intellectual Property") until the relevant condition or waiver has been satisfied or obtained.
- (b) For each Excluded Intellectual Property (other than commercial off the shelf licenses), each relevant Chargor undertakes to apply for the relevant consent or waiver of prohibition or condition within 28 days of the date of this Debenture (or, as the case may be, the date of the acquisition of the relevant Excluded Intellectual Property) and, in respect of any licence or agreement which provides that the relevant third party will not unreasonably withhold its consent to charging, to use its reasonable endeavours to obtain such consent as soon as possible and to keep the Security Agent informed of the progress of its negotiations, provided that, in each case, if, despite the relevant Chargor's reasonable endeavours to obtain such consent or waiver, the relevant consent or waiver has not been obtained within three months of the date of this Debenture (or, as the case may be, the date of the acquisition of the relevant Excluded Intellectual Property), that Chargor shall be deemed to have satisfied all obligations under this Clause 13.1 to apply for or obtain such consent or waiver.
- (c) Forthwith upon receipt of the relevant waiver or consent, the relevant formerly Excluded Intellectual Property shall stand charged to the Security Agent under Clause 3.2 (*Fixed Charges*). If required by the Security Agent, at any time following receipt of that waiver or consent, the relevant Chargor will forthwith execute a valid fixed charge or legal assignment in such form as the Security Agent shall reasonably require.
- (d) If, despite the Chargor's endeavours, no consent has been obtained and the relevant counterparty under any licence or agreement relating to the use or exploitation of any Intellectual Property Rights takes, or threatens to take,

proceedings to terminate such licence or agreement on the grounds that consent has not been obtained to the creation of the charge created over the Intellectual Property Rights by the Debenture, the Security Agent will (if so requested by such Chargor) release the fixed security created by this Debenture over those Intellectual Property Rights.

13.2 Filings and registrations

Each Chargor shall, as soon as reasonably practicable after the date of this Debenture and at the expense of such Chargor, execute any document and do all acts and things as the Security Agent may require to procure that the security created by this Debenture be recorded at such patent, trade mark or other intellectual property register or authority as may be available in each jurisdiction in which any Specified Intellectual Property is registered and maintain or renew such filings and registrations, including paying any fees associated with such filings or registrations, where applicable.

14. SPECIFIED INVESTMENTS

14.1 Voting and other rights

Each Chargor undertakes not to exercise any voting or other rights in a way which would prejudice the value of its Specified Investments or otherwise jeopardise the Security constituted by this Debenture over them.

14.2 Before Enforcement

Unless and until this Debenture has become enforceable:

- (a) all voting and other rights attaching to Specified Investments belonging to a Chargor shall continue to be exercised by such Chargor for so long as it remains their registered owner and such Chargor shall not permit any person other than such Chargor, the Security Agent or the Security Agent's nominee to be registered as holder of such Specified Investments or any part of them; and
- (b) if Specified Investments belonging to a Chargor are registered in the name of the Security Agent or the Security Agent's nominee, all voting and other rights attaching to them shall be exercised by the Security Agent or the Security Agent's nominee in accordance with instructions in writing from time to time received from such Chargor and, in the absence of any such instructions, the Security Agent or the Security Agent's nominee shall not exercise any such rights.

14.3 After Enforcement

At any time after this Debenture has become enforceable:

- (a) the Security Agent may exercise (but is not obliged to exercise) in the name of a Chargor or otherwise and without any further consent or authority on the part of any Chargor, all voting and other rights attaching to the Specified Investments, including any rights to nominate or remove a director as if the Security Agent were the sole beneficial owner of the Specified Investments;

- (b) all Derivative Rights shall, if received by a Chargor or its nominee, be held on trust for and forthwith paid or transferred to the Security Agent; and
- (c) each Chargor shall (and shall procure that its nominees shall) accept short notice for and attend any meeting of the holders of any Specified Investments, appoint proxies and exercise voting and other rights and powers exercisable by the holders of the Specified Investments as the Security Agent may direct from time to time.

14.4 Positive covenants

Each Chargor covenants with the Security Agent that it shall (at its own expense):

- (a) procure that any person holding Specified Investments as its nominee or to its order shall execute and deliver to the Security Agent or as it directs a letter substantially in the form set out in Schedule 7 (*Form of Nominee's Undertaking Relating to Specified Investments*) provided that the Security Agent shall not, prior to the occurrence of a Declared Default, require such nominee or person holding Specified Investments to deal with the Specified Investments other than in accordance with the instructions of the relevant Chargor; and
- (b) in the event of any consolidation, sub-division, conversion or variation of its Specified Investments, promptly provide to the Security Agent an updated share certificate and blank executed stock transfer form.

14.5 Negative covenants

Each Chargor covenants with the Security Agent that it will not, without the prior written consent of the Security Agent, give an instruction for its uncertificated Specified Investments to be recertificated (or for its certificated Specified Investments to be converted into uncertificated form) and shall ensure that on recertification the new certificates are delivered to the Security Agent immediately on their issue.

14.6 Cancellation of share certificates

Where Specified Investments are to be consolidated, sub-divided, converted or varied in accordance with the Debt Documents, the Security Agent shall, upon request from the relevant Chargor (acting reasonably) return to that Chargor the share certificate(s) relating to the relevant Specified Investments and such share certificate(s) shall promptly be cancelled.

15. OPENING OF NEW ACCOUNTS

15.1 Creation of new account

On receiving notice that any Chargor has granted Security over or otherwise encumbered or disposed of any of its Assets in contravention of any Debt Document, a Secured Party may rule off all its accounts and open new accounts with such Chargor.

15.2 Credits to new account

If a Secured Party does not open a new account immediately on receipt of such notice, it shall nevertheless be treated as if it had done so on that day. From that day, all payments made by the Chargor to that Secured Party shall be treated as having been credited to a new account and shall not operate to reduce the amount owing from the Chargor to such Secured Party at the time when it received such notice provided that if such monies at any time are sufficient to irrevocably discharge the Secured Obligations in full they shall be applied in the repayment of the Secured Obligations.

16. APPOINTMENT OF A RECEIVER OR AN ADMINISTRATOR

16.1 Appointment

Paragraph 14 of Schedule B1 to the Insolvency Act 1986 shall apply to this Debenture and the floating charges contained in this Debenture. At any time after:

- (a) the occurrence of a Declared Default; or
- (b) a request has been made by a Chargor to the Security Agent for the appointment of a Receiver or an administrator over its Assets or in respect of a Chargor,

then this Debenture shall become enforceable and, notwithstanding the terms of any other agreement between such Chargor and any Secured Party, the Security Agent may (unless precluded by law) appoint in writing any person or persons to be a receiver and manager or receivers and managers of all or any part of the Assets of such Chargor or, an administrator or administrators of such Chargor, as the Security Agent may choose in its entire discretion.

16.2 Power to act separately

Where more than one Receiver or administrator is appointed, the appointees shall have power to act separately unless the Security Agent shall specify to the contrary.

16.3 Receiver's remuneration

The Security Agent may from time to time determine the remuneration of a Receiver.

16.4 Removal of Receiver

The Security Agent may (subject to section 45 of the Insolvency Act 1986) remove a Receiver from all or any of the Assets of which he is the Receiver.

16.5 Further appointments of a Receiver

Such an appointment of a Receiver shall not preclude:

- (a) the Security Agent from making any subsequent appointment of a Receiver over all or any Assets over which a Receiver has not previously been appointed or has ceased to act; or

- (b) the appointment of an additional Receiver to act while the first Receiver continues to act.

16.6 Receiver's agency

The Receiver shall be the agent of the relevant Chargor (which shall be solely liable for his acts, defaults and remuneration) unless and until such Chargor goes into liquidation, after which time he shall act as principal and shall not become the agent of the Security Agent or any other Secured Party.

16.7 Section 109(1) Law of Property Act

Section 109(1) of the Law of Property Act 1925 shall not apply to this Debenture.

17. POWERS OF A RECEIVER

The Receiver may exercise, in relation to each Chargor over whose Assets he is appointed, all the powers, rights and discretions set out in Schedules 1 and 2 to the Insolvency Act 1986 and in particular, by way of addition to and without limiting such powers, the Receiver may, with or without the concurrence of others:

- (a) sell, lease, let, license, grant options over and vary the terms of, terminate or accept surrenders of leases, licences or tenancies of, all or any of the Assets of the relevant Chargor, without the need to observe any of the provisions of Sections 99 and 100 of the Law of Property Act 1925, in such manner and generally on such terms and conditions as he shall think fit in his absolute and unfettered discretion and any such sale or disposition may be for cash, Investments or other valuable consideration (in each case payable in a lump sum or by instalments) and carry any such transactions into effect in the name of and on behalf of such Chargor;
- (b) promote the formation of a Subsidiary of the relevant Chargor with a view to such Subsidiary purchasing, leasing, licensing or otherwise acquiring interests in all or any of the Assets of such Chargor;
- (c) sever any fixtures from Property and/or sell them separately;
- (d) exercise all voting and other rights attaching to Investments owned by the relevant Chargor;
- (e) arrange for the purchase, lease, licence or acquisition of all or any Assets of the relevant Chargor by any Subsidiary contemplated by paragraph (b) above on a basis whereby the consideration may be for cash, Investments, shares of profits or sums calculated by reference to profits or turnover or royalties or licence fees or otherwise, whether or not secured on the assets of such Subsidiary and whether or not such consideration is payable or receivable in a lump sum or by instalments over such period as the Receiver may think fit;
- (f) make any arrangement or compromise with any Secured Party or others as he shall think fit;

- (g) make and effect all repairs, renewals and improvements to the Assets of the relevant Chargor and effect, renew or increase insurances on such terms and against such risks as he shall think fit;
- (h) appoint managers, officers and agents for the above purposes at such remuneration as the Receiver may determine;
- (i) redeem any prior encumbrance and settle and pass the accounts of the encumbrancer and any accounts so settled and passed shall (subject to any manifest error) be conclusive and binding on the relevant Chargor and the money so paid shall be deemed an expense properly incurred by the Receiver;
- (j) pay the proper administrative charges of any Secured Parties in respect of time spent by their agents and employees in dealing with matters raised by the Receiver or relating to the receivership of the relevant Chargor;
- (k) commence and/or complete any building operations upon any Property of the relevant Chargor and apply for and obtain any planning permissions, building regulation consents or licences, in each case as he may in his absolute discretion think fit;
- (l) take all steps necessary to effect all registrations, renewals, applications and notifications as the Receiver may in his discretion think prudent to maintain in force or protect any of the relevant Chargor's Intellectual Property Rights; and
- (m) do all such other acts and things as may be considered by the Receiver to be incidental or conducive to any of the above matters or powers or otherwise incidental or conducive to the preservation, improvement or realisation of the relevant Assets.

18. POWER OF ATTORNEY

18.1 Appointment of attorney

Each Chargor, by way of security and to more fully secure the performance of its obligations under this Debenture, hereby irrevocably appoints the Security Agent (whether or not a Receiver or administrator has been appointed) and any Receiver, in each case, following the occurrence of a Declared Default separately to be its attorney (with full power to appoint substitutes and to delegate) with power in its name and on its behalf, and as its act and deed or otherwise to:

- (a) do anything which that Chargor is obliged to do (but has not done) in accordance with this Debenture, including to execute and deliver and otherwise perfect any agreement, assurance, deed, instrument or document; and
- (b) enable the Security Agent or any such Receiver to exercise (or to delegate) all or any of the rights conferred on it by this Debenture or by statute in relation to this Debenture or the Assets charged, or purported to be charged, by it.

18.2 Ratification

Each Chargor ratifies and confirms whatever any attorney does or purports to do pursuant to his appointment under this clause.

18.3 Sums recoverable

All sums expended by the Security Agent or any Receiver under this Clause 18 shall be recoverable from each Chargor under Clause 23 (*Costs, expenses and liabilities*).

19. OTHER POWERS EXERCISABLE BY THE SECURITY AGENT

19.1 Receiver's powers

All powers of a Receiver conferred by this Debenture may be exercised by the Security Agent after this Debenture has become enforceable. In that event, paragraph (i) of Clause 17 (*Powers of a Receiver*) shall be read and construed as if the words "be charged on the Assets of the relevant Chargor" were substituted for the words "be deemed an expense properly incurred by the Receiver".

19.2 Receipt of debts

The Security Agent or any manager, officer, nominee or agent of the Security Agent is hereby irrevocably empowered after this Debenture has become enforceable to:

- (a) receive all trade debts and other debts and claims which may be assigned to the Security Agent pursuant to this Debenture and/or Clause 10 (*Further assurance*);
- (b) on payment give an effectual discharge for them and on non-payment to take and institute (if the Security Agent in its sole discretion so decides) all steps and proceedings either in the name of the relevant Chargor or in the name of the Security Agent for their recovery; and
- (c) agree accounts and make allowances and give time to any surety.

Each Chargor ratifies and confirms whatever the Security Agent or any manager or officer of the Security Agent shall do or purport to do under this clause.

19.3 Security Agent's powers

The Security Agent shall have no liability or responsibility to any Chargor arising out of the exercise or non-exercise of the powers conferred on it by this Clause 19, except for gross negligence or wilful default.

19.4 No duty of enquiry

The Security Agent need not enquire as to the sufficiency of any sums received by it in respect of any debt or claim or make any claim or take any other action to collect in or enforce them.

20. APPLICATION OF MONEY RECEIVED BY THE SECURITY AGENT OR A RECEIVER

20.1 Order of priority

Any money received or realised under the powers conferred by this Debenture shall be paid or applied in the following order of priority, subject to the discharge of any prior-ranking claims:

- (a) in or towards satisfaction of the Secured Obligations in the manner applicable under clause 15.1 (*Order of Application*) of the Intercreditor Agreement; and
- (b) as to the surplus (if any), to the person or persons entitled to it.

20.2 Suspense account

Until all the Secured Obligations have been unconditionally and irrevocably paid and discharged in full, the Security Agent may place and keep to the credit of a suspense account any money received from or realised in respect of any Chargor's liability under this Debenture. The Security Agent shall have no intermediate obligation to apply such money in or towards the discharge of any of the Secured Obligations provided that if such monies at any time are sufficient to irrevocably discharge the Secured Obligations in full they shall be applied in repayment of the Secured Obligations. Amounts standing to the credit of any such suspense account shall bear interest at a rate considered by the Security Agent in good faith to be a fair market rate.

20.3 Discretion to apply

Until all Secured Obligations have been unconditionally and irrevocably paid and discharged in full, the Security Agent may refrain from applying or enforcing any other moneys, security or rights held by it in respect of the Secured Obligations or may apply and enforce such moneys, security or rights in such manner and in such order as it shall decide in its unfettered discretion.

20.4 Section 109 Law of Property Act 1925

Sections 109(6) and (8) of the Law of Property Act shall not apply to a Receiver appointed under this Debenture.

21. PROTECTION OF THIRD PARTIES

21.1 No duty to enquire

No purchaser from, or other person dealing with, the Security Agent or any Receiver or administrator appointed under this Debenture shall be concerned to enquire whether any of the powers which the Security Agent has exercised or purported to exercise has arisen or become exercisable, or whether this Debenture has become enforceable, or whether a Receiver or administrator has been validly appointed, or whether any event or cause has happened to authorise the Security Agent or a Receiver or administrator to act or as to the propriety or validity of the exercise or purported exercise of any such power, and the title of such a purchaser and the position of such a person shall not be impeachable by reference to any of those matters.

21.2 Receipt

The receipt of the Security Agent shall be an absolute and a conclusive discharge to a purchaser and shall relieve him of any obligation to see to the application of any money paid to or by the direction of the Security Agent.

22. PROTECTION OF THE SECURITY AGENT AND RECEIVER

22.1 Limitation

Neither the Security Agent nor any Receiver shall be liable in respect of any Liability which arises out of the exercise or the purported exercise of, or the failure to exercise, any of their respective powers under or by virtue of this Debenture, except if and in so far as such Liability results from its own gross negligence or wilful default.

22.2 Entry into possession

Without prejudice to the generality of Clause 22.1 (*Limitation*), neither the Security Agent nor any Receiver shall be liable to account as mortgagee in possession or otherwise for any sum not actually received by it or him respectively. If and whenever the Security Agent enters into possession of any Assets, it shall be entitled at any time at its discretion to go out of possession.

22.3 Primary Liability of Chargor

Each Chargor shall be deemed to be a principal debtor and the sole, original and independent obligor for the Secured Obligations and the Charged Property shall be deemed to be a principal security for the Secured Obligations. The liability of each Chargor under this Debenture and the charges contained in this Debenture shall not be impaired by any forbearance, neglect, indulgence, abandonment, extension of time, release, surrender or loss of securities, dealing, variation or arrangement by the Security Agent or any other Secured Party (save in the case of manifest error), or by any other act, event or matter whatsoever whereby the liability of the relevant Chargor (as a surety only) or the charges contained in this Debenture (as secondary or collateral charges only) would, but for this provision, have been discharged.

22.4 Cumulative Powers

The powers which this Debenture confers on the Security Agent, the other Secured Parties and any Receiver appointed under this Debenture are cumulative, without prejudice to their respective powers under the general law, and may be exercised as often as the relevant person thinks appropriate. The Security Agent, the other Secured Parties or the Receiver may, in connection with the exercise of their powers, join or concur with any person in any transaction, scheme or arrangement whatsoever. The respective powers of the Security Agent, the other Secured Parties and the Receiver will in no circumstances be suspended, waived or otherwise prejudiced by anything other than an express consent or amendment.

23. COSTS, EXPENSES AND LIABILITIES

23.1 Costs and expenses

Each Chargor will, promptly on the Security Agent's written demand from time to time, reimburse the Security Agent for all costs and expenses (including agreed legal fees) on a full indemnity basis, together with VAT thereon, reasonably and properly incurred by it in connection with:

- (a) the negotiation, preparation and execution of this Debenture and any Deed of Accession and Charge; and
- (b) the completion of the transactions and perfection of the Security contemplated in this Debenture in Clause 10 (*Further Assurance*) and in any Deed of Accession and Charge.

23.2 Enforcement costs

Each Chargor will, within three Business Days of the Security Agent's written demand, pay to the Security Agent, for each Secured Party on a full indemnity basis, the amount of all costs and expenses (including legal, valuation, accountancy and consultancy fees and disbursements and out-of-pocket expenses), and any VAT thereon, incurred by the Security Agent and/or any other Secured Party in connection with the exercise, enforcement and/or preservation of any of its rights under this Debenture and any Deed of Accession and Charge (or any of the documents contemplated by such documents) or any proceedings instituted by or against the Security Agent, in any jurisdiction.

23.3 Indemnity for Liabilities

Each Chargor shall also, within three Business Days of the Security Agent's written demand, reimburse or pay to the Security Agent, its employees or agents, on demand (on the basis of a full indemnity) the amount of all Liabilities incurred by the Security Agent, its employees or agents, in connection with:

- (a) any default or delay by such Chargor in the performance of any of its obligations under this Debenture;
- (b) the exercise, or the attempted or purported exercise, by or on behalf of the Security Agent of any of its powers or any other action taken by or on behalf of the Security Agent with a view to or in connection with the recovery of the Secured Obligations, the enforcement of the Security created by this Debenture or for any other purpose contemplated in this Debenture;
- (c) the carrying out or consideration of any other act or matter which the Security Agent may consider to be conducive to the preservation, improvement or benefit of any Asset; and

provided that such Liabilities (in the case of paragraph (c) above) are reasonably and properly incurred.

24. INTEREST ON OVERDUE AMOUNTS

- (a) Any amount not paid in accordance with this Debenture when due shall (subject to paragraph (b) below) carry interest at the rate and in accordance with the terms contained in the relevant Debt Document in relation to overdue sums or at such other rate as may be agreed between the relevant Chargor and Secured Party from time to time. In each case, interest shall accrue on a day to day basis until the date of irrevocable and unconditional repayment in full and, if unpaid, shall be compounded on the terms so agreed or (in the absence of such agreed terms) with quarterly rests on the Security Agent's usual quarterly interest days. Interest shall continue to be charged and compounded on this basis after as well as before any demand or judgment.
- (b) Paragraph (a) above shall not apply to the extent that default interest on such amount for such period is charged pursuant to the relevant Debt Document and itself constitutes part of the Secured Obligations.

25. SET-OFF

After the occurrence of a Declared Default and subject to the terms of the Intercreditor Agreement, a Secured Party may (but is not obliged to) retain any money standing to the credit of any Chargor with such Secured Party in any currency upon any account or otherwise (whether or not in such Chargor's name) as cover for any Secured Obligations and/or at any time or times without notice to such Chargor combine or consolidate all or any of such money with all or such part of the Secured Obligations due or owing by it as such Secured Party may select and such Secured Party may purchase with any such money any other currency required to effect such combination or consolidation.

- (b) The Security Agent may assign and transfer all of its rights and obligations under this Debenture to any replacement Security Agent appointed in accordance with the Intercreditor Agreement. Upon such assignment and transfer becoming effective, the replacement Security Agent shall be, and be deemed to be, acting as agent and trustee for each of the Secured Parties (including itself) for the purposes of this Debenture in replacement of the previous Security Agent.

27. ACCESSION OF A NEW CHARGOR

Any member of the Group may at any time become a party to this Debenture by delivering to the Security Agent:

- (a) a Deed of Accession and Charge; and

- (b) certified extracts from the minutes of a meeting of its Board of Directors evidencing the due authorisation and execution of the Deed of Accession and Charge and any other conditions precedent required by any Debt Document, in a form satisfactory to the Security Agent.

27.2 New Chargor bound

The New Chargor shall become a chargor under this Debenture with effect from the time when the Deed of Accession and Charge takes effect, at which point:

- (a) the New Chargor shall become bound by all the terms of this Debenture and shall assume the same obligations as "Chargor" as if it were an original party to this Debenture; and
- (b) the other Chargors shall assume the same obligations in respect of the New Chargor as if it were an original party to this Debenture.

27.3 Consent of Chargors

- (a) Each Chargor consents to new Subsidiaries becoming Chargors as contemplated by Clauses 27.1 (*Method*) and 27.2 (*New Chargor Bound*) above.
- (b) Each Chargor confirms that the execution of any Deed of Accession and Charge by a new Subsidiary will in no way prejudice or affect the security granted by each of them under (and the covenants given by each of them in), the Debenture and that the Debenture shall remain in full force and effect as supplemented by any such Deed of Accession and Charge.

- (d) Each Chargor other than Bidco irrevocably appoints Bidco as its attorney for the purpose of executing a Deed of Accession and Charge on its behalf.

Subject to Clause 28.2 (*Avoidance of Payments*), if all Secured Obligations have been unconditionally and irrevocably paid in full and none of the Secured Parties are under any further actual or contingent liability to make, advance or provide other financial accommodation to any person under any Debt Document, the Security Agent will (at the request and cost of the Chargors), execute and do all such reasonable acts as may be necessary to release the Assets from the Security constituted by this Debenture. Such release shall not prejudice the rights of the Security Agent under Clause 23 (*Costs, Expenses and Liabilities*). For the avoidance of doubt, if a Chargor is not prohibited from disposing of any Charged Property pursuant to the terms of the Debt Documents, the Security Agent shall, to the extent permitted under the terms of the Debt Documents, promptly upon request by the relevant Chargor (and at the cost of the relevant Chargor)

and with effect from such disposal; release such Charged Property from the security created by this Debenture.

28.2 Avoidance of Payments

28.3 Permitted Transactions

The terms of this Debenture shall not operate or be construed so as to prohibit or restrict any transaction, matter or other step not prohibited by the Debt Documents or to prevent the release of a security interest over any Charged Property that is otherwise automatically released pursuant to the terms of the Debt Documents. In each case, and in accordance with the terms of the Debt Documents, the Security Agent shall promptly enter into such documentation and/or take such other action as is required by a Chargor (acting reasonably) in order to facilitate any such transaction, matter, release or other step and with effect from such transaction, matter, release or other step, including by way of executing any confirmation, consent to dealing, release or other similar or equivalent document in connection with the Debenture, provided that any costs and expenses incurred by the Security Agent entering into such documentation and/or taking such other action at the request of such Chargor pursuant to this Clause 28.3 shall be for the account of such Chargor.
