TRUSTEES' REPORT
FOR THE YEAR ENDED 31 AUGUST 2022

The Trustees present their Annual Report together with the Financial Statements and Auditor's Report of the charitable company for the year 1st September 2021 to 31st August 2022. The Annual Report serves the purposes of both a Trustees' Report, and a Directors' Report under company law.

The Academy Trust operates an Academy for pupils aged 11 to 16 serving a catchment area in Markfield, Thornton, Stanton under Bardon and Leicester Forest East. It has a pupil capacity of 870 and had a roll of 869 in the school census 6th October 2022.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Constitution

The Academy Trust is a company limited by guarantee and an exempt charity. The charitable company's memorandum and articles of association are the primary governing documents of the Academy Trust. The Trustees of South Charnwood High School are also the Directors of the charitable company for the purposes of company law. The charitable company operates as South Charnwood High School.

Details of the Trustees who served during the year and to the date these accounts are approved are included in the Reference and Administrative Details on page 1.

Members' Liability

Each Member of the charitable company undertakes to contribute to the assets of the charitable company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10.00, for the debts and liabilities contracted before they ceased to be a Member.

Trustees' Indemnities

Trustees' benefit from indemnity insurance to cover the liability of the Trustees which by virtue of any rule of law would otherwise attach to them in respect of any negligence, default or breach of trust or breach of duty of which they may be guilty in relation to the Academy Trust.

Method of Recruitment and Appointment or Election of Trustees

The Board of Trustees of South Charnwood High School is constituted as laid down in its articles of association and is made up of not less than three but (unless otherwise determined by ordinary resolution) shall not be subject to any maximum, allowing the school to adjust the membership to reflect the needs of the school as it evolves. All Trustees serve for a term of four years, other than the Headteacher. When their term of office comes to an end they are required to be re-elected / re-appointed if the trustee wishes to stand for a further term.

Community Trustees

The Academy Trust endeavours to follow a 'skills based' approach in order to appoint Community Trustees and will advertise the position specifying the particular skills required by the Board of Trustees.

Community Trustees are appointed by the Members on the Board of Trustees. Following an initial expression of interest, potential candidates will be invited to present themselves to the Headteacher, Chair of Trustees and even other Members of the Board of Trustees and explain the particular qualities and skills they would bring to the Board of Trustees. A decision is then made by the Members of the Board of Trustees as to whether the candidate is suitable.

TRUSTEES' REPORT (continued)
FOR THE YEAR ENDED 31 AUGUST 2022

Parent Trustees

Parent Trustees are elected by the Parents/Carers of pupils attending the school. Established procedures are always followed. The role is advertised to parents/carers of the school with a time limit for applications. A single candidate is automatically approved, but if more than one parent/carer applies then a ballot is held following all correct guidelines and procedures.

Policies and Procedures Adopted for the Induction and Training of Trustees

As soon as possible after a new Trustee starts the clerk will send out a Trustees' induction pack. The Clerk will then arrange for the new Trustee to visit the Academy Trust, meet with the Headteacher and have a tour of the Academy Trust. The new Trustee will also complete all necessary paperwork. The Clerk will also contact the Link Governor who will draw up a training plan program depending on the skills and requirements of the new Trustee. The Academy Trust subscribes to the Governors Development Service based at Leicestershire County Council. Governors' induction training, alongside a menu of extensive specialised training, is available through this service. The Link Governor will inform the Board of Trustees at all full meetings about the courses / training available.

Organisational Structure

The Members, then the Board of Trustees' (which includes Trustees), determines the overall direction of the school. The day-to-day running of the school is delegated to the Headteacher and Senior Leadership Team. The Headteacher undertakes the key leadership role in consultation with Trustees and Staff, and in line with the agreed policies. The Members meet separately, to consider Academy Trust strategic issues, Board of Trustees structure and appointments, as well as holding an AGM on an annual basis. Then the Board of Trustees meet at least five times per year and additional strategy meetings may be convened when new strategic plans are at a draft stage. The Board of Trustees is supported by committees covering Finance, Audit and Risk, Quality of Education, Premises, Health and Safety and Personal Development, Behaviour and Attitude. Each sub-committee has terms of reference. The Headteacher is also the Accounting Officer. The Headteacher oversees the recruitment of all staff and is an ex-officio Governor and Trustee.

Arrangements for setting pay and remuneration of key management personnel

The pay for members of the Senior Leadership Team who are on the Teachers pay scale are dictated by the calculation for the school group, in which South Charnwood High School is currently located. The Board of Trustees then sets the Individual School Range (ISR) within the school group for each role, ensuring that the required gaps are present between the various roles within a school group. The pay scale for the Business Manager is in line with the Hays job evaluation pay scale. The new Headteacher and the two new Assistant Headteachers are on the bottom of their range and will not be eligible to progress further till September 2023 at the earliest. The Deputy Headteacher who started in Autumn Term 2017, is working through the job ISR. In addition, there is a third Assistant Headteacher who is currently moving up an increment at a time through her ISR. All cost of living rises are in line with the agreed national body pay rates, which have been approved by the Unions. The newly appointed Business Manager will start to progress through his salary grade increment, over the next few years. It is the responsibility of the Board of Trustees to establish a Pay Committee, of no fewer than 3 members, in order to monitor pay decisions. The Pay Committee will take responsibility, in consultation with the Headteacher, for making decisions concerning performance related pay awards for all eligible staff. The Headteacher will make recommendations to the Pay Committee regarding Performance Related Pay and staff pay progression and the Pay Committee will make a final decision taking into account the Headteacher's recommendations.

Trade union facility time

No employees undertook the role of a union official during the year 1st September 2021 to 31st August 2022. Accordingly no time has been spent on facility time and therefore there were no cost implications to the Trust.

Related Parties and other Connected Charities and Organisations

South Charnwood High School is an Academy Trust in its own legal identity with no connected charities or organisations.

OBJECTIVES AND ACTIVITIES

Objects and Aims

South Charnwood High School's objective is to advance education for the public benefit by maintaining, managing and developing a Academy Trust offering a broad and balanced curriculum. Also, the Academy Trust promotes the provision of facilities for recreation or other leisure time occupations for individuals who have need of such facilities by reason of their youth, age, infirmity or disablement, financial hardship or social and economic circumstances.

South Charnwood is an 11-16 co-educational comprehensive high school. The Academy Trust currently has 869 pupils who come from diverse cultures and backgrounds. The Trustees want the Academy Trust to continue to provide an outstanding secondary education for all pupils. The Academy Trust works as an optimistic, affirmative learning community, seeking continuous improvement. It particularly values high Academic achievement and pupils' success in terms of personal growth and confidence. It aims to foster aspiration and give all pupils lifelong resources to achieve their full potential and will work with all pupils to:

- achieve high standards in all areas of the curriculum;
- develop them as self-reliant lifelong learners;
- make effective use of current technology;
- foster powers of imagination and creativity; of questioning and reasoning;
- teach good citizenship, encouraging responsible and compassionate attitudes towards all members of the community;
- teach awareness of enduring moral and spiritual values;
- teach appreciation of the strengths of diversity; and
- provide opportunities for pupils to exercise responsibility.

Objectives, Strategies and Activities

The Strategic Plan 2019-2022 sets out the following objectives and strategies amongst many others:

- to ensure all elements of safeguarding are highly effective and an example of outstanding practice by appointing a Safeguarding and Vulnerable Pupils (including PP and LAC pupils) Manager (SVPM);
- to ensure the impact of all interventions for Pupil premium pupils and pupils involved in LPUs and NPUs (catch up) is evaluated, and interventions reassessed in light of findings (to enable leaders, including Trustees, to prioritise spending) by ensuring the SVPM role includes monitoring and mentoring of identified pupils and a rigorous evaluation of interventions;
- to increase capacity within the pastoral staffing structure to ensure all pupils, especially those considered to be vulnerable, are further supported to fulfil their potential and to ensure appropriate data is routinely analysed to support this target by appointing a Behaviour, Inclusion and Attendance Manager to further support HoYs, Senco, Pastoral Assistant, Attendance Officer and Assistant Headteacher

SOUTH CHARNWOOD HIGH SCHOOL
(A company limited by guarantee)

TRUSTEES' REPORT (continued)
FOR THE YEAR ENDED 31 AUGUST 2022

- to improve further the clerical support staff structure to recognise the greater demands of a larger school and increase SLT capacity by appointing a Data and Exams Assistant and an SLT Admin and Finance Officer;
- to review and develop the KS3 curriculum in all subjects to ensure breadth and depth, seamless progression into KS4 and the maintenance of outstanding outcomes at KS4 by reviewing & evaluating the current KS3 curriculum and by developing clear KS3 assessment portfolios in each subject linked to KS3 assessment criteria To reduce gaps in progress and attainment for identified groups by using data to identify specific underperforming groups (eg Middle ability disadvantaged boys); and
- to implement a systematic whole Academy Trust approach to the monitoring, evaluation and improvement of Teaching and Learning by implementing a new T&L Monitoring and Evaluation cycle incorporating learning walks, pupil voice and book looks fully.

The Key Priorities for 2022-23 are as follows:

- Ensure the consistent use of assessment, feedback and analysis of data that results in high quality outcomes for all pupils, particularly disadvantaged pupils.
- Ensure staff professional development and appraisal translates into improvements in the wellbeing, development and outcomes of pupils.
- Strengthen the quality and consistency of teaching and learning to ensure it is highly effective, adapted to pupils needs and leads to outstanding outcomes.
- Ensure that the school has a clear and consistent ethos around expectations of behaviour and attitudes which is embraced by and communicated to pupils, parents, staff and governors.
- Consistently promote and celebrate the personal development of pupils by developing their unique characters, nurturing their talents and interests.
- Ensure the long term viability of the school, its ethos and the effectiveness of the new senior leadership team.
- Continue to ensure that safeguarding procedures are effective and robust.
- Ensure that the school responds appropriately to national initiatives and government guidance with regards to SEND and inclusion.

Public Benefit

South Charnwood High School is a charitable trust which seeks to benefit the school users through the pursuit of its stated aims above. In setting our objective and planning out activities the Trustees have carefully considered the Charity Commission's general guidance on public benefit.

STRATEGIC REPORT

Achievements and Performance

The Academy Trust continues to perform outstandingly well, achieving excellent GCSE results in 2022, putting it in the top 15% of the country for Progress 8.

SOUTH CHARNWOOD HIGH SCHOOL
(A company limited by guarantee)

TRUSTEES' REPORT (continued)
FOR THE YEAR ENDED 31 AUGUST 2022

Key Performance Indicators

The Academy Trust is rated as Good by Ofsted. GCSE results in 2022 were outstanding in English, Maths and Science and were well above national averages:

- progress 8 was +0.31;
- 64% of pupils achieved Grade 5+ in English & Maths;
- attainment 8 score was 54.3;
- EBacc average point score was 4.71; and
- destination data for 2019-20 was outstanding with 96% staying in education, employment or training.

However, the percentage of pupils entering EBacc was 25% and below national average.

Going Concern

After making appropriate enquiries, the Board of Trustees has a reasonable expectation that the Academy Trust has adequate resources to continue in operational existence for the foreseeable future. For this reason, it continues to adopt the going concern basis in preparing the Financial Statements. Further details regarding the adoption of the going concern basis can be found in the Statement of Accounting Policies.

FINANCIAL REVIEW

- Most of the Academy Trust's income is obtained from the DfE via the ESFA in the form of recurrent grants, the use of which is restricted to particular purposes. The grants received from the DfE during the year ended 31 August 2022 and the associated expenditure are shown as Restricted Funds in the Statement of Financial Activities.
- The number on roll and the demographics are the biggest factors on the Academy Trust's annual level of income from the ESFA. That means the annual demographics of the intake and the current number of pupils on roll are the biggest risk to the long-term financial position of the Academy Trust. However, the Academy Trust currently is budgeting for a surplus balance over the next three years.
- The expenditure ensures the Academy Trust meets its key objectives, with expenditure also linked to the three-year Strategic Plan.
- There is a material pension liability for the Academy Trust arising from obligations to a defined local authority pension scheme.
- The Restricted Fixed Asset Fund balance is reduced by annual depreciation charges over the useful life of the assets concerned, as defined in the Academy Trust's Finance policy.
- At 31 August 2022 the net book value of fixed assets was £10,088,000. The assets were used exclusively for providing education and the associated support services to the pupils of the Academy Trust.
- The in-year surplus figure is £299,000 which is the change in balance of restricted general funds (excluding pension reserve) plus unrestricted funds.

The actual position of reserves (restricted general funds, excluding pension reserves and fixed asset funds, plus unrestricted funds) as at 31 August 2022 is £929,000.

Key financial policies adopted or reviewed during the year were:

- Data Protection Policy;
 - Teachers Pay Policy;
 - Support Staff Pay Policy; and
 - Whistleblowing Policy.
-

TRUSTEES' REPORT (continued)
FOR THE YEAR ENDED 31 AUGUST 2022

The Academy Trust aims to manage its cash balances to provide for the day-to-day working capital requirements of its operations, whilst protecting the real long-term value of any surplus cash balances against inflation. In addition, the Academy Trust aims to invest surplus cash funds to optimise returns, but ensuring the investments are such that there is no risk to the loss of these cash funds. The amount of the surplus is identified on the cash flow spreadsheets.

Reserves Policy

The Trustees' Finance, Audit and Risk Committee review all reserve levels at all of their meetings. This review encompasses the nature of income and expenditure streams, the need to match income with commitments and the nature of reserves. The reason for this is to provide sufficient working capital to cover delays between spending and receipt of grants and to provide a cushion to deal with unexpected emergencies such as urgent maintenance. The Trustees ask for 1% of the General Annual Grant to be kept as an accessible contingency in the event of a major premises breakdown e.g. Boiler, sewerage works, roof, etc. In addition, the Academy Trust is building up year on year reserves to fund the resurfacing of the 3G pitch and to support the building of a new sports hall.

As part of the reserves policy any surplus or deficit position on the pension scheme, would generally result in a cash flow effect for the Academy Trust, in the form of an increase or decrease in employers' pension contributions, over a period of years.

At 31 August 2022 the total funds comprised:

Unrestricted		£245,000
Restricted:		
	Fixed asset funds	£10,358,000
	Pension reserve	(£106,000)
	Other	£684,000
		<hr/>
		£11,181,000
		=====

Investment Policy

The Academy Trust has an investment policy. It aims to invest surplus cash funds to optimise returns, but ensuring the investments are such that there is no risk to the loss of these cash funds. The amount of the surplus is identified on the cash flow spreadsheets. The Academy Trust keeps a running cash flow spreadsheet. Currently, the Academy Trust invests £300,000 in a Lloyds Bank 95 Day Notice Account.

Principal Risks and Uncertainties

Three times a year a detailed Risk Register is assessed and updated by the Senior Leadership Team, then approved via the Finance, Audit and Risk Committee along with an annual audit and statement of internal controls. The register involved identifying the types of risk the Academy Trust faces, categorising risk into teaching, safeguarding, leadership, resources, financial, IT, premises, health and safety, human resources and other impacts, assessing the likelihood of the occurrence and the impact that the occurrence will have on the Academy Trust and putting in place controls to mitigate such risks.

The principal risks for the Academy Trust during the future are:

- A reduction in the pupil numbers on roll – The Academy Trust closely monitors applications for places in each year group and models the financial implications of any trends; and

SOUTH CHARNWOOD HIGH SCHOOL
(A company limited by guarantee)

TRUSTEES' REPORT (continued)
FOR THE YEAR ENDED 31 AUGUST 2022

- Funding formula changes – The Headteacher, Business Manager and Trustees Finance, Audit and Risk Committee monitor and analyse any national or local changes and make the necessary adjustments to react to these changes.

Increase in the cost of living - The Academy Trust is facing the challenge of high inflationary factors (noticeably with energy costs) and staff pay rises. Increases in budget allocation have reflected this challenge in 2022/23 onwards.

The Academy Trust and the Trustees are aware of the significant Local Government Pension Scheme pension fund deficit of £106,000 as at 31 August 2022. This does not mean that this is an immediate liability as employer contributions have been set at a level which responds to the deficit level and is reviewed three yearly to ensure that this continues to be the case. The Academy Trust has also mitigated its risk in relation to this pension scheme by taking out insurance against early retirement on the grounds of ill health.

FUNDRAISING

The Academy Trust undertakes an annual charity sponsored walk and one non-uniform day per term for nominated charities. Unfortunately, due to Covid19 restrictions, the sponsored walk was not undertaken in this financial year but is already scheduled in for 2022/23.

The Academy Trust does not use any external fundraisers. All fundraising undertaken during the year was monitored by the Trustees.

PLANS FOR FUTURE PERIODS

The Academy Trust will continue its primary objective to foster aspiration and give all pupils lifelong resources to achieve their full potential. The Trust's strategic plan details how its objectives will be achieved over a period of time.

The Key Priorities for 2022-23 are as follows:

- Ensure the consistent use of assessment, feedback and analysis of data that results in high quality outcomes for all pupils, particularly disadvantaged pupils.
- Ensure staff professional development and appraisal translates into improvements in the wellbeing, development and outcomes of pupils.
- Strengthen the quality and consistency of teaching and learning to ensure it is highly effective, adapted to pupils needs and leads to outstanding outcomes.
- Ensure that the school has a clear and consistent ethos around expectations of behaviour and attitudes which is embraced by and communicated to pupils, parents, staff and governors.
- Consistently promote and celebrate the personal development of pupils by developing their unique characters, nurturing their talents and interests.
- Ensure the long term viability of the school, its ethos and the effectiveness of the new senior leadership team.
- Continue to ensure that safeguarding procedures are effective and robust.
- Ensure that the school responds appropriately to national initiatives and government guidance with regards to SEND and inclusion.

SOUTH CHARNWOOD HIGH SCHOOL
(A company limited by guarantee)

TRUSTEES' REPORT (continued)
FOR THE YEAR ENDED 31 AUGUST 2022

To support these key priorities, the Trust has outlined several strategic capital projects including:

- An extension to the building infrastructure of the school to provide increased accommodation for
- SEND and pastoral services.
- A new multi-purpose hall to be used by the school and local community for indoor sport and functions.
- Upgrade and modernise the buildings utilising CIF bids to ensure value for money (eg. Door & windows, decarbonisation via new heating and/or new technologies).

FUNDS HELD AS CUSTODIAN TRUSTEE ON BEHALF OF OTHERS

The Academy Trust does not hold any such funds on behalf of any other organisations.

AUDITOR

Insofar as the Trustees are aware:

- there is no relevant audit information of which the charitable company's auditor is unaware; and
- the Trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

The Finance, Audit and Risk committee agreed annually whether to continue using the services of MHA MacIntyre Hudson as its external auditors.

Trustees' Report, incorporating a Strategic Report, was approved by order of the Board of Trustees, as the Company Directors, on 15 December 2022 and signed on the Board's behalf by:

GOVERNANCE STATEMENT
FOR THE YEAR ENDED 31 AUGUST 2022

SCOPE OF RESPONSIBILITY

As Trustees we acknowledge we have overall responsibility for ensuring that South Charnwood High School has an effective and appropriate system of control, financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

As Trustees, we have reviewed and taken account of the guidance in DfE's Governance Handbook and competency framework for governance.

The Board of Trustees has delegated the day-to-day responsibility initially to Andrew Morris then Simon Andrews, as Accounting Officers, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between South Charnwood High School and the Secretary of State for Education. They are also responsible for reporting to the Board of Trustees any material weaknesses or breakdowns in internal control.

GOVERNANCE

The information on governance included here supplements that described in the Trustees' Report and in the Statement of Trustees' Responsibilities. The Board of Trustees has formally met six times during the year. Attendance during the year at meetings of the Board of Trustees was as follows:

Trustees	Meetings attended	Out of a possible

**GOVERNANCE STATEMENT
FOR THE YEAR ENDED 31 AUGUST 2022**

The Board of Trustees have had two resignations and one appointment of Trustees during the year. The Board of Trustees have a number of current vacancies, which they hope to fill, following a skills audit of the current Trustees in September 2022. There has also been one Member resignation and a subsequent appointment of one new Member.

Trustees were particularly proactive last year in ensuring their contribution to the strategic direction of the Academy Trust, especially as regards spending on infrastructure, the appointment of a new Headteacher and creation of a new School Improvement Plan. Following a review of the committees, all committees have new terms of reference and vice chairs were appointed to each committee.

The Board of Trustees is supportive and challenges and questions senior leaders to check their own understanding and to ensure they are fully aware of developments.

Trustees were kept fully informed of the attainment and progress data from the Centre Assessed Grades in 2022 and the Teacher Assessed Grades awarded in summer 2021. Financial data is presented at each meeting of the Finance, Audit and Risk sub-committee and is accessible to, and welcomed by, all Trustees.

The Finance, Audit and Risk Committee is a committee of the main Board of Trustees. Its purpose is to have a strategic role in the financial management in Academy Trusts. Its key responsibilities include:

- Setting financial priorities through the Annual Development Plan, three to five-year financial plan and annual budget;
- Deciding on how the Academy Trust's delegated budget should be spent in accordance with the Annual Development Plan and the statutory curriculum requirements laid down by government;
- Approving the annual budget and monitoring expenditure;
- Ensuring the Academy budget is managed effectively;
- Ensuring the Academy Trust meets all its statutory obligations and that there is compliance with financial regulations;
- Determining virement and expenditure thresholds through the Academy Trust's finance policy;
- Evaluating the effectiveness of spending decisions;
- Ensuring scrutiny coverage; and
- Reviewing risks to the Academy Trust at every meeting.

In 2021-22 the committee spent much time in discussion with regards to improvements to the Academy Trust's infrastructure, budget planning, budget monitoring, terms of reference and new management report format.

Attendance at meetings in the year was as follows:

GOVERNANCE STATEMENT
FOR THE YEAR ENDED 31 AUGUST 2022

Conflicts of interest

On an annual basis all Governors are asked to complete or update their own register of interests. This register is held on the governors drive for all governors to review. The register of business interest is also available for all stakeholders to review via the school's official website. In addition to this, there is a fixed agenda item on all official governor meeting agendas, which asks governors to declare any 'Conflicts of Interest'.

Governance reviews

The board of governors commissioned an external review of governance in 2018. Since then the governors have undertaken a couple of internal reviews that has led to the following action:

- New committee structure, which includes a new Premises, Health and Safety Committee and Personal development and Attitude Committee in 2021.
- All committee terms of references have been reviewed and updated from 2021 onwards
- There a now Vice Chair of Committees, as well as the chairs from 2022.
- The appointment of a new GDPR Governors and Wellbeing Governor from 2021.
- Whole governing and SLT training sessions (e.g. in 2022 OfSTED Preparation and Engaging with Parents).
- Introduction of Members only meetings from 2021.

Action planned for 2022-23:

- Review and update of the academy trust's Articles of Association.
- Recruitment of new governors, following the recent skills audit.

REVIEW OF VALUE FOR MONEY

As Accounting Officer, the Headteacher has responsibility for ensuring that the Academy Trust delivers good value in the use of public resources. The Accounting Officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

The Accounting Officer considers how the Academy Trust's use of its resources has provided good value for money during each Academic year, and reports to the Board of Trustees where value for money can be improved, including the use of benchmarking data where appropriate. The Accounting Officer for the Academy Trust has delivered improved value for money during the year by:

- Ensuring value for money on all building projects and major contracts by gaining three quotations or undertaking a formal tendering process (e.g. the large CIF capital projects and photocopying contract this year);
- Attempting to access additional funding to offset the cost of large capital projects. Examples of this include for the Football Foundation with regards to the 3G Pitch, CIF for security fencing, drainage repairs and replacement windows and doors and Salix Funding for de-carbonisation capital project;
- Encouraging budget holders and the Finance Assistant to look for the best prices before placing orders. This is normally done on-line;
- Building and new Premises Team that can undertaking repairs and maintenance work in house, instead of relying solely on external contractors;
- Following the principles of a paperless environment as reasonably possible;
- Bulk purchasing products to receive maximum discounts (e.g. paper and hygiene products).;
- Undertaking on-line purchasing when an obvious lower price is available; and
- Encouraging re-cycling of scrap metal, paper etc to either reduce costs or generate additional funds.

**GOVERNANCE STATEMENT
FOR THE YEAR ENDED 31 AUGUST 2022**

THE PURPOSE OF THE SYSTEM OF INTERNAL CONTROL

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives. It can, therefore, only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an on-going process designed to identify and prioritise the risks to the achievement of Academy Trust policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in South Charnwood High School for the period 1st September 2021 to 31 August 2022 and up to the date of approval of the Annual Report and Financial Statements.

CAPACITY TO HANDLE RISK

The Board of Trustees has reviewed the key risks to which the Academy Trust is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The Board of Trustees is of the view that there is a formal on-going process for identifying, evaluating and managing the Academy Trust's significant risks that has been in place for the period 1st September 2021 to 31 August 2022 and up to the date of approval of the Annual Report and Financial Statements. This process is regularly reviewed by the Board of Trustees.

THE RISK AND CONTROL FRAMEWORK

The Academy Trust's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the Board of Trustees;
- regular reviews by the finance and general purposes committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes;
- setting targets to measure financial and other performance;
- clearly defined purchasing (asset purchase or capital investment) guidelines; and
- identification and management of risks.

The Board of Trustees has considered the need for an external independent scrutiny service and has decided to commission Diane Kennington of Greenhill Independent Audit Service. Diane has many years' service working for the Internal Audit and Assurance Service at Leicestershire County Council, and understands the Academy Trusts environment and legal requirements and standards the Academy Trust works to. This year the internal audit was undertaken during April 2022.

The following scope areas were agreed with the Finance Audit and Risk Committee for this current period:

- Compliance – Monthly Management information is prepared and shared with the Trustees;
- Bank Reconciliations – Reconciliations are prepared on a timely basis and independently reviewed;
- Purchase Order System – Orders are raised and authorised;
- Payment System – Processing of invoices, payment authorisation and BACS approval;
- Credit Card Payments – authorisation and approval;
- Payroll – Variations, review and payroll journal posting; and
- VAT – Process of submitting VAT Return (VAT 126).

**GOVERNANCE STATEMENT
FOR THE YEAR ENDED 31 AUGUST 2022**

During the Internal Audit there were only minor control issues found which includes:

- Carrying out sample checks of changes in supplier information .
- Ensuring official order should be raised for all appropriate purchases.
- Both the preparer and person independently reviewing should sign the credit card statement. .

The Business Manager and Finance Officer will ensure these points are address.

On an annual basis the internal auditor prepares a summary report to the committee outlining the areas reviewed, key findings, recommendations and conclusions to help the committee consider actions and assess year on year progress. All minutes, supporting papers and agendas are all made available to all Trustees in the governor's shared drive.

REVIEW OF EFFECTIVENESS

As Accounting Officer the Headteacher has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- the work of the internal auditors;
- the financial management and governance self-assessment process or the school resource management self-assessment tool;
- the work of the executive managers within the Academy Trust who have responsibility for the development and maintenance of the internal control framework;
- the work of the external auditor; and
- correspondence from ESFA e.g. FNTI/NtI and 'minded to' letters.

The Accounting Officer has been advised of the implications of the result of their review of the system of internal control by the Finance, Audit and Risk Committee and a plan to address weaknesses if relevant and ensure continuous improvement of the system is in place.

STATEMENT ON REGULARITY, PROPRIETY AND COMPLIANCE
FOR THE YEAR ENDED 31 AUGUST 2022

As Accounting Officer of South Charnwood High School I have considered my responsibility to notify the Academy Trust Board of Trustees and the Education and Skills Funding Agency (ESFA) of material irregularity, impropriety and non-compliance with terms and conditions of funding received by the Academy Trust, under the funding agreement in place between the Academy Trust and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academies Financial Handbook 2021.

I confirm that I and the Academy Trust Board of Trustees are able to identify any material irregular or improper use of all funds by the Academy Trust, or material non-compliance with the terms and conditions of funding under the Academy Trust's funding agreement and the Academies Financial Handbook 2021.

I confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date have been notified to the Board of Trustees and ESFA. If any instances are identified after the date of this statement, these will be notified to the Board of Trustees and ESFA.

**STATEMENT OF TRUSTEES' RESPONSIBILITIES
FOR THE YEAR ENDED 31 AUGUST 2022**

The Trustees (who are also the Governors of South Charnwood High School and are also the Directors who are also the directors of the charitable company for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with the Academies Accounts Direction published by the Education and Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the Trustees to prepare financial statements for each financial . Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP 2019 and the Academies Accounts Direction 2021 to 2022;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring grants received from ESFA/DfE have been applied for the purposes intended.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF SOUTH CHARNWOOD HIGH SCHOOL

Opinion

We have audited the financial statements of South Charnwood High School (the 'Academy Trust') for the year ended 31 August 2022 which comprise the Statement of Financial Activities incorporating Income and Expenditure, the Balance Sheet, the Statement of Cash Flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland', the Charities SORP 2019 and the Academies Accounts Direction 2021 to 2022 issued by the Education and Skills Funding Agency.

In our opinion the financial statements:

- give a true and fair view of the state of the Academy Trust's affairs as at 31 August 2022 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities SORP 2019 and the Academies Accounts Direction 2021 to 2022 issued by the Education and Skills Funding Agency.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the Academy Trust in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Academy Trust's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF SOUTH CHARNWOOD HIGH SCHOOL (CONTINUED)

Other information

The other information comprises the information included in the Trustees's Report other than the financial statements and our Auditors' Report thereon. The Trustees are responsible for the other information contained within the Trustees's Report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Report (incorporating the Strategic Report and the Directors' Report) for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic Report and Directors' Report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of our knowledge and understanding of the Academy Trust and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Report including the Strategic Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of Trustees

As explained more fully in the Trustees' Responsibilities Statement set out on page 17, the Trustees (who are also the Directors of the Academy Trust for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

SOUTH CHARNWOOD HIGH SCHOOL

(A Company Limited by Guarantee)

INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF SOUTH CHARNWOOD HIGH SCHOOL (CONTINUED)

In preparing the financial statements, the Trustees are responsible for assessing the Academy Trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the Academy Trust or to cease operations, or have no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- Obtaining and understanding of the legal and regulatory frameworks that the Academy Trust operates in, focusing on those laws and regulations that have a direct effect on the financial statements;
- Enquiring of management and Trustees around known or suspected instances of non-compliance of laws and regulations and fraud;
- Discussing among the engagement team regarding how and where fraud might occur in the Academy Trust financial statements and any potential indications of fraud;
- Reviewing minutes of meetings of those charged with governance; and
- Performing audit work in relation to the risk of management override, including testing of journal entries and other adjustments for appropriateness and reviewing accounting estimates for bias.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our Auditors' Report.

Use of our report

This report is made solely to the Academy Trust's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Academy Trust's members those matters we are required to state to them in an Auditors' Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Academy Trust and its members, as a body, for our audit work, for this report, or for the opinions we have formed.

INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO SOUTH CHARNWOOD HIGH SCHOOL AND THE EDUCATION AND SKILLS FUNDING AGENCY

In accordance with the terms of our engagement letter and further to the requirements of the Education and Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2021 to 2022, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by South Charnwood High School during the year 1 September 2021 to 31 August 2022 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to South Charnwood High School and ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to South Charnwood High School and ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than South Charnwood High School and ESFA, for our work, for this report, or for the conclusion we have formed.

Respective responsibilities of South Charnwood High School's Accounting Officer and the Reporting Accountant

The Accounting Officer is responsible, under the requirements of South Charnwood High School's funding agreement with the Secretary of State for Education dated 1 April 2013 and the Academy Trust Handbook, extant from 1 September 2021, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2021 to 2022. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the year 1 September 2021 to 31 August 2022 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

Approach

We conducted our engagement in accordance with the Framework and Guide for External Auditors and Reporting Accountant of Academy Trusts issued by ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the Academy Trust's income and expenditure.

SOUTH CHARNWOOD HIGH SCHOOL

(A Company Limited by Guarantee)

INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO SOUTH CHARNWOOD HIGH SCHOOL AND THE EDUCATION & SKILLS FUNDING AGENCY (CONTINUED)

The work undertaken to draw our conclusions includes:

- a review of the objectives and activities of the Academy Trust, with reference to the income streams and other information available to us as auditors of the Academy Trust;
- testing of a sample of grants received and other income streams;
- testing of a sample of payments to suppliers and other third parties;
- testing of a sample of payroll payments to staff;
- evaluating the internal control procedures and reporting lines, and testing as appropriate;
- reviewing the Minutes of the meetings of the Board of Trustees and other evidence made available to us, relevant to our consideration of regularity; and
- consideration of governance issues.

Conclusion

In the course of our work, nothing has come to our attention which suggest in all material respects the expenditure disbursed and income received during the year 1 September 2021 to 31 August 2022 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2022

1. Accounting policies

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgements and key sources of estimation uncertainty, is set out below.

1.1 Basis of preparation of financial statements

The financial statements of the Academy Trust, which is a public benefit entity under FRS 102, have been prepared under the historic cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2021 to 2022 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

South Charnwood High School meets the definition of a public benefit entity under FRS 102.

South Charnwood High School is a company limited by guarantee, incorporated in England and Wales. The address of the registered office, principal place of operation and registered number are detailed on page 1. The nature of the Academy Trust's operations and principal activity are detailed in the Trustees' Report.

The Financial Statements are prepared in British Pound Sterling (£), the functional and presentational currency, rounded to the nearest £1,000.

1.2 Going concern

The Trustees assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the Academy Trust to continue as a going concern. The Trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the Financial Statements and have concluded that the Academy Trust has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the Academy Trust's ability to continue as a going concern, thus they continue to adopt the going concern basis of accounting in preparing the Financial Statements.

This consideration has taken into account as far as possible, the economic and political climate, and its impact on the Academy Trust, as far as it can be determined, and the Trustees remain satisfied that the going concern principle remains appropriate.

SOUTH CHARNWOOD HIGH SCHOOL

(A Company Limited by Guarantee)

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2022

1. Accounting policies (continued)

1.3 Income

All incoming resources are recognised when the Academy Trust has entitlement to the funds, the receipt is probable and the amount can be measured reliably.

- **Grants**

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance Sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the Statement of Financial Activities in the year for which it is receivable and any abatement in respect of the period is deducted from income and recognised as a liability.

Capital grants are recognised in full when there is an unconditional entitlement to the grant. Unspent amounts of capital grants are reflected in the Balance Sheet in the restricted fixed asset fund. Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended.

- **Donations**

Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable and the amount can be reliably measured.

- **Other income**

Other income, including the hire of facilities, is recognised in the period it is receivable and to the extent the Academy Trust has provided the goods or services.

1.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

- **Expenditure on raising funds**

This includes all expenditure incurred by the Academy Trust to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

- **Charitable activities**

These are costs incurred on the Academy Trust's educational operations, including support costs and costs relating to the governance of the Academy Trust apportioned to charitable activities.

(A Company Limited by Guarantee)

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2022

1. Accounting policies (continued)

1.4 Expenditure (continued)

All resources expended are inclusive of irrecoverable VAT.

1.5 Tangible fixed assets

Assets costing £1,000 or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the Balance Sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding requiring the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the Statement of Financial Activities and carried forward in the Balance Sheet. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the Statement of Financial Activities. Where tangible fixed assets have been acquired with unrestricted funds, transfers are made to the restricted fixed asset fund.

Depreciation is provided on all tangible fixed assets, other than assets under construction, at rates calculated to write off the cost of each asset on a straight-line basis over its expected useful life, as follows:

Long leasehold land	- 125 years over life of lease
Long leasehold property	- 2% Straight-line per annum
Furniture and equipment	- 15% Straight-line per annum
Plant and machinery	- 15% Straight-line per annum
Computer equipment	- 20% Straight-line per annum

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of Financial Activities.

1.6 Stocks

Stocks are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow-moving stocks.

1.7 Taxation

The Academy Trust is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes.

Accordingly, the Academy Trust is potentially exempt from taxation in respect of income or capital gains received within categories covered by Part 11, chapter 3 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

1.9 Liabilities

Liabilities are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the Academy Trust anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

1.10 Provisions

Provisions are recognised when the Academy Trust has an obligation at the reporting date as a result of a past event which it is probable will result in the transfer of economic benefits and the obligation can be estimated reliably.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised within interest payable and similar charges.

1.11 Pensions

Retirement benefits to employees of the Academy Trust are provided by the Teachers' Pension Scheme ("TPS") and the Local Government Pension Scheme ("LGPS"). These are defined benefit schemes.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the Academy Trust in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quadrennial valuations using a prospective unit credit method. As stated in note 27, TPS is an unfunded multi-employer scheme with no underlying assets to assign between employers. Consequently, the TPS is treated as a defined contribution scheme for accounting purposes and the contributions recognised in the period to which they relate.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2022

1. Accounting policies (continued)

1.11 Pensions (continued)

The LGPS is a funded multi-employer scheme and the assets are held separately from those of the Academy Trust in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each balance sheet date. The amounts charged to net income/(expenditure) are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the Statement of Financial Activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses.

Actuarial gains and losses are recognised immediately in other recognised gains and losses.

1.12 Financial instruments

The Academy Trust only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the Academy Trust and their measurement bases are as follows:

Financial assets - trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost as detailed in note 16. Prepayments are not financial instruments.

Cash at bank - is classified as a basic financial instrument and is measured at face value.

Financial liabilities - trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost as detailed in notes 17 and 18. Taxation and social security are not included in the financial instruments disclosure definition. Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument.

1.13 Fund accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the Academy Trust at the discretion of the Trustees.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by the funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder/donor and include grants from the Department for Education Group.

Investment income, gains and losses are allocated to the appropriate fund.

FOR THE YEAR ENDED 31 AUGUST 2022**

2. Critical accounting estimates and areas of judgement

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The Academy Trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The annual depreciation charge for tangible fixed assets is sensitive to changes in the estimated useful economic lives and residual values of the assets. The useful economic lives and residual values are reassessed annually. See note 14 for the carrying amount of tangible fixed assets, and note 1.5 for the useful economic lives for each class of assets.

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost or income for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 27, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2019 has been used by the actuary in valuing the pensions liability at 31 August 2022. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

Critical areas of judgement:

The judgements that have had a significant effect on amounts recognised in the Financial Statements are those covering the choice of depreciation policies and asset lives.

19. Statement of funds (continued)

The specific purposes for which the funds are to be applied are as follows:

Unrestricted funds

Unrestricted funds are to be used towards meeting any of the charitable objectives of the Academy Trust at the discretion of the Trustees.

General Annual Grant (GAG)

Funds from the Education and Skills Funding Agency for the provision of education, in line with the funding agreement.

Under the funding agreement with the Secretary of State, the Academy Trust was not subject to a limit on the amount of GAG that it could carry forward at 31 August 2022. Transfers of £139,000 from restricted funds to the restricted fixed asset fund represents allocations from GAG towards fixed assets. Transfers of £16,000 from restricted fixed asset to restricted funds represents capital grants used for revenue expenditure, this is inline with the terms of the grants. Transfers of £10,000 from restricted funds to restricted fixed asset funds represents the repayments on the Salix loan.

Pupil premium

Additional funds from the Education and Skills Funding Agency to support their disadvantaged pupils and close the attainment gap between them and their peers. This is allocated for every pupil who receives free school meals.

Other DfE/ESFA Grants

Other funds provided by the DfE/ESFA for particular purposes within the Academy Trust's educational operations.

Other Government Grants

This includes funds and grants received from the Local Authority and other institutions for use on specific educational projects.

Other income

These consist of income from all other sources to be used primarily for the Academy Trust's educational operations.

Pension reserve

Being the fund in relation to the defined benefit pension scheme liability included in the Balance Sheet. The fund is in deficit but given the nature of the liability this is not payable immediately. Plans are in place to address the deficit.

Restricted Fixed asset funds

The restricted fixed asset fund was funded predominately by the funds inherited on conversion to an Academy Trust from Local Authority following the transfer of assets. It includes further amounts invested in property improvements, furniture and equipment, plant and machinery and computer equipment. Also included in the funds is depreciation charged on fixed assets held. Transfers of £139,000 from restricted funds to the restricted fixed asset fund represents allocations from GAG towards fixed assets. Transfers of £16,000 from restricted fixed asset to restricted funds represents capital grants used for revenue expenditure, this is inline with the terms of the grants.

Salix loan

This fund includes a loan from Salix Finance which were taken out to fund multiple projects. The fund is in deficit and the balance is being paid off through the GAG over the terms of the loans. Transfers of £10,000 from restricted funds to restricted fixed asset funds represents the repayments on the Salix loan.

19. Statement of funds (continued)

Capital grants

This consists of Devolved Formula Capital (DFC) and other capital funding from the Education and Skills Funding Agency. The DFC is to be used for ICT items, improvements to building and other facilities or capital repairs and refurbishments and minor works. Other capital grants are to be used as per the individual terms of the agreement and for the specific capital projects as applied for.

FA 3G pitch funding

This consists of funding received from the football foundation. This fund has been created to recognise unspent funding received for the purpose of the acquisition of tangible fixed assets. As the tangible fixed assets are purchased a transfer is made to the restricted fixed assets fund.

The Academy Trust's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for Academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by Leicestershire County Council. Both are multi-employer defined benefit schemes.

The latest actuarial valuation of the TPS related to the period ended 31 March 2016 and of the LGPS 31 March 2019.

Contributions amounting to £73,000 were payable to the schemes at 31 August 2022 (2021: £70,000) and are included within creditors.

Teachers' Pension Scheme

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for full-time teachers in Academies. All teachers have the option to opt-out of the TPS following enrolment.

The TPS is an unfunded scheme to which both the member and employer makes contributions, as a percentage of salary - these contributions are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

Valuation of the Teachers' Pension Scheme

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury every 4 years. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2016. The valuation report was published by the Department for Education on 5 March 2019. The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 23.68% of pensionable pay (including a 0.08% administration levy)
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £218,100 million and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £196,100 million, giving a notional past service deficit of £22,000 million; and
- the SCAPE rate, set by HMT, is used to determine the notional investment return. The current SCAPE rate is 2.4% above the rate of CPI, assumed real rate of return is 2.4% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.2%. The assumed nominal rate of return including earnings growth is 4.45%.

The next valuation result is due to be implemented from 1 April 2024.

The employer's pension costs paid to TPS in the year amounted to £476,000 (2021: £475,000).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website (<https://www.teacherspensions.co.uk/news/employers/2019/04/teachers-pensions-valuation-report.aspx>).

Under the definitions set out in FRS 102, the TPS is an unfunded multi-employer pension scheme. The Academy Trust has accounted for its contributions to the scheme as if it were a defined contribution scheme. The Academy Trust has set out above the information available on the scheme.

Local Government Pension Scheme

The LGPS is a funded defined benefit pension scheme, with the assets held in separate trustee-administered funds. The total contribution made for the year ended 31 August 2022 was £188,000 (2021: £187,000), of which employer's contributions totalled £151,000 (2021: £149,000) and employees' contributions totalled £37,000 (2021: £38,000). The agreed contribution rates for future years are 24.6% for employers and 5.5% - 12.5% for employees. The updated future rates are expected imminently following the completion of the Triennial review.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2022

28. Related party transactions

Owing to the nature of the Academy Trust and the composition of the Board of Trustees being drawn from local public and private sector organisations, transactions may take place with organisations in which the Trustees have an interest. All transactions involving such organisations are conducted in accordance with the requirements of the Academy Trust Handbook, including notifying the ESFA of all transactions made on or after 1 April 2019 and obtaining their approval where required, and with the Academy Trust's financial regulations and normal procurement procedures relating to connected and related party transactions.

Mayprint Limited is a company in which A May, a Trustee, has a majority interest. Transactions totalling £60 (2021: £48) for the purchase of uniforms and student organisers took place during the year. The contract with Mayprint Limited was entered into prior to 7 November 2013 and followed correct procurement procedures. A May neither participated in, nor influenced the decision for the procurement of these goods. All goods were supplied at cost. There were no amounts outstanding at 31 August 2022 and 31 August 2021. In entering into the transaction the Trust has complied with the requirements of the Academies Financial Handbook 2021.

Sue Sprason, cleaner and midday supervisor at the Academy Trust, is the spouse of David Sprason, a Trustee of the Academy Trust. Sue's appointment was made in open competition. She is paid within the normal pay scale for her role and receives no special treatments as a result of her relationship to a Trustee.

No other related party transactions took place in the year of account, other than certain Trustees' remuneration and expenses already disclosed in note 11.

29. Company limited by guarantee

The Academy Trust is a company limited by guarantee and does not have share capital.

30. Members' liability

Each member of the charitable company undertakes to contribute to the assets of the company in the event of it being wound up while he/she is a member, or within one year after he/she ceases to be a member, such amount as may be required, not exceeding £10 for the debts and liabilities contracted before he/she ceases to be a member.
