Dear Sirs

Ceona Chartering (UK) Limited ("Chartering")
Ceona Ship 1 Limited ("Ship 1")
Ceona Services (UK) Limited ("Services UK")
Ceona Investments Limited ("Investments")
Ceona Contracting (UK) Limited ("Contracting")
Ceona Equipment Limited ("Equipment")
Ceona Ship Holdings Limited ("Ship Holdings")
(All in Administration) (together "the Companies")

I write in accordance with Rule 18.3 of the Insolvency (England and Wales) Rules 2016, to provide creditors with a report on the progress of the Administrations of the Companies. This report covers the period from 2 July 2020 to 1 January 2021. This report should be read in conjunction with the Joint Administrators' Statements of Proposals dated 14 December 2015 in respect of each of the Companies and subsequent progress reports dated 8 April 2016, 15 July 2016, 19 January 2017, 21 July 2017, 19 January 2018, 13 July 2018, 30 January 2019, 31 July 2019, 29 January 2020, 30 July 2020 and 29 January 2021.

I have included at Appendix 1 the relevant and required statutory information in respect of the Companies.

Summary of steps taken during the period covered by this report

Ceona Services (US) LLC ("CSUS")

CSUS entered a solvent Delaware liquidation process on 16 September 2015. The Joint Administrators continue to liaise with the sole liquidator of CSUS in order to finalise the settlement of outstanding intercompany claims. The Joint Administrators are not able to comment on the quantum or timing of any receipts in this regard.

Collection of Nigerian debtor balances

The Joint Administrators have continued to seek to obtain the necessary Nigerian governmental approvals required to enable Contracting to access Nigerian foreign currency markets in order to repatriate cash held in Contracting's Nigerian bank account (c.US\$1.1m) and recover the outstanding Nigerian debtor (c.US\$1.2m) during the period.

We continue to liaise with the Nigerian debtor and The National Office for Technology Acquisition and Promotion "NOTAP" through our agent, to resolve this matter and seek to recover Contracting's Nigerian assets. We cannot repatriate the cash until NOTAP approval is received.

We submitted documentation to NOTAP on 2 July 2021 and are expecting a decision in the upcoming weeks.

Taxation

During the period the Joint Administrators have complied with their obligations in relation to the preparation and submissions of the relevant VAT and corporation tax returns.

Receipts and payments account

A summary of our receipts and payments ("R&P") accounts for the period from 2 January 2021 to 1 July 2021 are attached at Appendix 2. Please note that these do not reflect estimated future realisations or costs.

Investigations

I can confirm that no investigations were undertaken in the period covered by this report and no investigations are ongoing.

Joint Administrators' remuneration

The statutory provisions relating to remuneration are set out in Part 18 of the Insolvency (England and Wales) Rules 2016. Further information is given in the Association of Business Recovery Professionals' publication 'A Creditors' Guide to Administrators' Fees' a copy of which may be accessed from the web site of the Institute of Chartered Accountants in England and Wales at <https://www.icaew.com/en/technical/insolvency/creditors-guides> or is available in hard copy upon written request to me. Please note that the references in the Guide to fee estimates do not apply to Administrations which commenced prior to 1 October 2015, such as the administration of the Companies. In certain circumstances, creditors are entitled to request further information about our remuneration or expenses, or to apply to court if they consider the costs to be excessive (Rules 18.9 and 18.34 of the Insolvency (England and Wales) Rules 2016). Further information is provided in 'A Creditors' Guide to Administrators' Fees' referred to above.

The Joint Administrators' remuneration has been fixed by reference to the time properly spent by the Administrators and their staff in attending to matters arising in the Administration by a resolution of the creditors passed on 22 December 2015.

During the period covered by this report, the Joint Administrators have incurred total time-costs in respect of the Companies in the sum of £84,791, as summarised below. In addition, £119,700 has been billed and paid, which partly relates to the prior period. During the period covered by this report, the Joint Administrators have incurred expenses totalling £1,155, which partly relate to the prior period.

	Time Costs	Billed and Paid	Category 1 Expenses
Chartering	10,987.00	27,202.00	191.80
Ship 1	14,179.00	-	191.80
Services (UK)	22,717.00	53,257.00	195.99
Investments	10,097.00	17,362.00	191.80
Contracting	13,296.00	21,879.00	191.80
Equipment	13,515.00	-	191.80
Total	84,791.00	119,700.00	1,154.99

At Appendix 3 to this report there is an analysis of the time spent by the Joint Administrators and their staff.

Asset realisations

Services UK

Services UK received a refund from White & Case of £27 in relation to an overpayment of legal fees.

Expenses of the Administrations

During the period covered by this report, we have incurred expenses, excluding Joint Administrators fees, totalling £8,419 plus VAT. At Appendix 4 to this report there is an analysis of expenses incurred by the Joint Administrators and their staff.

Services UK

Sundry expenses totalling £372 were incurred during the period, relating to ongoing storage charges.

Employers NIC of £6,992 has been paid in the period to rectify a previous underpayment.

Other expenses

Direct legal fees and expenses in the sum of £6,356, were paid during the period. Certain of these expenses were incurred in prior periods but billed during the period of this report and relate to general legal advice. A further sum of approximately £10k in relation to legal fees were incurred during the period but remain unbilled.

Bank charges totalling £1,159 were incurred during the period.

For individual breakdowns of the above charges in individual company estates please refer to Appendix 2.

Remaining work

Services

Ceona Services (US) LLC ("CSUS")

The Joint Administrators will continue to liaise with the sole liquidator of CSUS in order to finalise the settlement of outstanding intercompany claims and realise any recoveries.

Contracting

The Joint Administrators' will, via their Nigerian agent, continue to seek to obtain the necessary approvals from the NOTAP to facilitate the repatriation of cash balances in the sum of US\$1.1m and the recovery of outstanding debtor balances totalling US\$1.2m.

This process has been severely delayed by the ongoing pandemic and regional lock downs. As a result, the timescale to resolution remains uncertain.

Final distribution to unsecured non preferential creditors

In addition to the outstanding matters highlighted above, there remain intercompany receivable balances outstanding between the Companies and across the wider Ceona group which form unsecured non-preferential claims in those Administrations.

The recovery of these amounts is dependent on the resolution of the outstanding matters detailed above in order to facilitate a final distribution of net realisations to unsecured non preferential creditors of the Companies in the Administration.

As outlined, the Joint Administrators anticipate that a final dividend will be declared to the unsecured non-preferential creditors in due course. However, we cannot yet comment on the quantum or timing of any distribution.

Next report

The Joint Administrators will issue a further report on the conclusion of the Administrations, or in six months' time, whichever is sooner.

Should you have any remaining questions about the Administrations, please do not hesitate to contact Emily Hewitt at this office.

Yours faithfully
for the Companies

AM Hudson
Joint Administrator
