Dear Sirs

Ceona Ship 1 Limited (“Ship 1”)
Ceona Services (UK) Limited (“Services UK”)
Ceona Investments Limited (“Investments”)
Ceona Contracting (UK) Limited (“Contracting”)

Ceona Ship Holdings Limited (“Ship Holdings”)
(All in Administration) (together “the Companies”)**

I write in accordance with Rule 18.3 of the Insolvency (England and Wales) Rules 2016, to provide creditors with a report on the progress of the Administrations of the Companies. This report covers the period from 2 January 2020 to 1 July 2020. This report should be read in conjunction with the Joint Administrators’ Statements of Proposals dated 14 December 2015 in respect of each of the Companies and subsequent progress reports dated 8 April 2016, 15 July 2016, 19 January 2017, 21 July 2017, 19 January 2018, 13 July 2018, 30 January 2019, 31 July 2019 and 29 January 2020.

I have included at Appendix 1 the relevant and required statutory information in respect of the Companies.

Summary of steps taken during the period covered by this report

Services UK

Transitional Services Agreement (“TSA”)

As previously reported, at the date of Administration, Services UK entered into a TSA with certain of the Companies (“the Group TSA”) and the Giant group (“the Giant TSA”) to support the ongoing progress of the Administrations and solvent winddown respectively. As a result of these TSA’s, Services UK has generated a profit of 5% on services provided.

During the period covered by this report, we have taken the relevant steps to agree and finalise all costs and activities related to the Giant TSA. No further realisations are expected in relation to the Giant TSA.

Ceona Services (US) LLC ("CSUS")

CSUS entered a solvent Delaware liquidation process on 16 September 2015. The Joint Administrators continue to liaise with the sole liquidator of CSUS in order to finalise the settlement of outstanding intercompany claims. The Joint Administrators are not able to comment on the quantum or timing of any receipts in this regard.

Chartering

Third party debtor realisations

During the period covered by this report, the Joint Administrators finalised and agreed a final payment in the sum of £4,164 relating to the commission agreement entered into for the recovery of the Brazilian debtor. In addition, the Joint Administrators have agreed their costs in respect of all recoveries received from the Brazilian debtor, totalling £75,180 which were billed after the period of this report. A final distribution to the Lenders under their fixed charge will be undertaken at the conclusion of Chartering's Administration.

Contracting

Collection of Nigerian debtor balances

During the period covered by this report, the Joint Administrators, through our Nigerian agent, have continued to seek to obtain the necessary Nigerian governmental approvals required to enable Contracting to access Nigerian foreign currency markets in order to repatriate cash held in Contracting's Nigerian bank account (c.US\$0.8m) and recover the outstanding Nigerian debtor (c.US\$0.8m)..

As part of the National Office for Technology Acquisition and Promotion ("the NOTAP") application, a registration fee of N1.25m (c.US\$3.4k) remained outstanding to the Nigerian Government Authority by the Nigerian debtor in order to facilitate the relevant approvals. Following ongoing negotiations, the Nigerian debtor has agreed to remit these funds to the NOTAP for an equivalent reduction in their outstanding debt.

We continue to liaise with the Nigerian debtor and the NOTAP, through our agent, to resolve this matter and seek to recover Contracting's Nigerian assets. We are not yet able to comment on the quantum or timing of any future realisations in this regard.

Taxation

During the period the Joint Administrators have complied with their obligations in relation to the preparation and submissions of the relevant VAT and corporation tax returns.

Receipts and payments account

A summary of our receipts and payments ("R&P") accounts for the period from 2 January 2020 to 1 July 2020 is attached at Appendix 2. It does not reflect estimated future realisations or costs.

Investigations

I can confirm that no investigations were concluded in the period covered by this report and no investigations are ongoing.

Joint Administrators' remuneration

The statutory provisions relating to remuneration are set out in Part 18 of the Insolvency (England and Wales) Rules 2016. Further information is given in the Association of Business Recovery Professionals' publication 'A Creditors' Guide to Administrators' Fees' a copy of which may be accessed from the web site of the Institute of Chartered Accountants in England and Wales at <https://www.icaew.com/en/technical/insolvency/creditors-guides> or is available in hard copy upon written request to me. Please note that the references in the Guide to fee estimates do not apply to Administrations, such as this one, which started before 1 October 2015. In certain circumstances, creditors are entitled to request further information about our remuneration or expenses, or to apply to court if they consider the costs to be excessive (Rules 18.9 and 18.34 of the Insolvency (England and Wales) Rules 2016). Further information is provided in 'A Creditors' Guide to Administrators' Fees' referred to above.

The Joint Administrators' remuneration has been fixed by reference to the time properly spent by the Administrators and their staff in attending to matters arising in the Administration by a resolution of the creditors passed on 22 December 2015.

During the period covered by this report, the Joint Administrators have incurred total time-costs in respect of the Companies in the sum of £150,066, as summarised below. In addition, £201,507 has been billed and paid, which partly relates to the prior period. During the period covered by this report, the Joint Administrators have incurred expenses totalling £1,171, which partly relates to the prior period.

Bank interest

Bank interest totalling £6,642 was received by the Companies during the reporting period. Individual breakdowns are included in the respective R&P's at Appendix 2.

Expenses of the Administrations

During the period covered by this report, we have incurred expenses, excluding Joint Administrators fees, totalling £129,603 plus VAT. At Appendix 4 to this report there is an analysis of expenses incurred by the Joint Administrators and their staff.

Services UK

As discussed in our previous progress report, the final remaining employee of Services UK was made redundant. During the period of this report, an expense of £245 was incurred in relation to this employee's NIC.

Sundry expenses totalling £558 were incurred during the period, relating to ongoing storage charges.

Chartering

A final payment totalling £4,165 was made to the contractor that assisted in recovering the Brazilian debtor, being monies that are due under the agreed commission structure.

Ship 1

Funding in the sum of £16,971 was provided to Equipment in line with the Lender fee agreement and the Group TSA to meet certain of the Joint Administrators fees.

The Group TSA

Costs in respect of the Group TSA totalled £12,552 during the period which principally relate to legal fees incurred in respect of assistance in recovering the Brazilian debtor and general legal advice. Profit in respect of the Group's TSA totalled £557.

Other expenses

Direct legal fees and expenses in the sum of £56,791, being £16,948 in respect of the fixed charge and £39,843 in respect of the floating charge, were incurred during the period. These expenses relate to legal and counsels' fees in regard to the Administrations' extensions and general legal advice relating to the finalisation of Giants TSA and collection of the Brazilian debtor. Certain of these expenses were incurred in prior periods but billed during the period of this report.

Bank charges totalling £639 were incurred during the period.

For individual breakdowns of the above charges in individual company estates please refer to Appendix 2.

Remaining work

Services

TSA's

We will continue to take steps to finalise the Group and Giant TSA's.

Ceona Services (US) LLC ("CSUS)

The Joint Administrators will continue to liaise with the sole liquidator of CSUS in order to finalise the settlement of outstanding intercompany claims and realise any recoveries.

Chartering

A final distribution to the Lenders under their fixed charge will be undertaken at the conclusion of the Administration.

Contracting

The Joint Administrators' will, via their Nigerian agent, continue to seek to obtain the necessary approvals from the NOTAP to facilitate the repatriation of cash balances in the sum of US\$0.8m and the recovery of outstanding debtor balances totalling US\$0.8m.

Final distribution to unsecured non preferential creditors

In addition to the outstanding matters highlighted above, there remain intercompany receivable balances outstanding between the Companies and across the wider Ceona group which form an unsecured non-preferential claim in those Administrations. The recovery of these amounts is dependent on the resolution of the outstanding matters detailed above in order to facilitate a final distribution of net realisations to unsecured non preferential creditors or the Companies in the Administrations.

As outlined, the Joint Administrators anticipate that a final dividend will be declared to the unsecured non-preferential creditors and paid in the Administrations however, we cannot yet comment on the quantum or timing of any distribution.

Next report

The Joint Administrators will report to you on the conclusion of the Administrations, or in six months' time, whichever is sooner.

Should you have any remaining questions about the Administrations, please do not hesitate to contact Emily Hewitt at this office.

Yours faithfully
for the Companies
