Statement of Directors' Responsibilities  
for the Year Ended 31 March 2023

**The following reproduces the text of the report prepared for the directors in respect of the company's annual unaudited financial statements. In accordance with the Companies Act 2006, the company is only required to file a Balance Sheet. Readers are cautioned that the Income Statement and certain other primary statements and the Report of the Directors are not required to be filed with the Registrar of Companies.**

The directors are responsible for preparing the Report of the Directors and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**ON BEHALF OF THE BOARD:**

Mrs J Shields - Director

In accordance with the Companies Act 2006, the company is only required to file a Balance Sheet. Readers are cautioned that the Income Statement and certain other primary statements and the Report of the Directors are not required to be filed with the Registrar of Companies.**

We have reviewed the financial statements of Carrs Tool Steels Holdings Limited for the year ended 31 March 2023, which comprise the Income Statement, Balance Sheet and Notes to the Financial Statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

**Directors' responsibility for the financial statements**

As explained more fully in the Statement of Directors' Responsibilities set out on page eight, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

**Accountants' responsibility**

Our responsibility is to express a conclusion on the financial statements. We conducted our review in accordance with International Standard on Review Engagements (ISRE) 2400 (Revised), 'Engagements to review historical financial statements' and ICAEW Technical Release TECH 09/13AAF (Revised) 'Assurance review engagements on historical financial statements'. ISRE 2400 (Revised) requires us to conclude whether anything has come to our attention that causes us to believe that the financial statements, taken as a whole, are not prepared, in all material respects, in accordance with United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice). ISRE 2400 (Revised) also requires us to comply with the ICAEW Code of Ethics and the FRC's Ethical Standard, as applicable.

**Scope of the assurance review**

A review of financial statements in accordance with ISRE 2400 (Revised) is a limited assurance engagement. We have performed additional procedures, primarily consisting of making enquiries of management and others within the entity, as appropriate, applying analytical procedures and evaluating the evidence obtained. The procedures performed in a review are substantially less than those performed in an audit conducted in accordance with International Standards on Auditing (UK). Accordingly, we do not express an audit opinion on these financial statements.

**Conclusion**

Based on our review, nothing has come to our attention that causes us to believe that the financial statements have not been prepared:

- so as to give a true and fair view of the state of the company's affairs as at 31 March 2023 and of its profit for the year then ended;
- in accordance with United Kingdom Generally Accepted Accounting Practice; and
- in accordance with the requirements of the Companies Act 2006.

**Use of our report**

This report is made solely to the company's directors, as a body, in accordance with our terms of engagement. Our review has been undertaken so that we might state to the directors those matters that we have agreed with them in a reviewer's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's directors as a body for our work, for this report, or for the conclusions we have formed.
