The company is entitled to exemption from audit under Section 477 of the Companies Act 2006 for the year ended 30 December 2020.

The members have not required the company to obtain an audit of its financial statements for the year ended 30 December 2020 in accordance with Section 476 of the Companies Act 2006.

The director acknowledges her responsibilities for:

- (a) ensuring that the company keeps accounting records which comply with Sections 386 and 387 of the Companies Act 2006 and
- (b) preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of each financial year and of its profit or loss for each financial year in accordance with the requirements of Sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the company.

The financial statements have been prepared and delivered in accordance with the provisions applicable to companies subject to the small companies regime.

In accordance with Section 444 of the Companies Act 2006, the Income Statement has not been delivered.

The financial statements were approved by the director and authorised for issue on 15 September 2021 and were signed by:

Miss H M P Velliades - Director

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 DECEMBER 2020**

1. STATUTORY INFORMATION

Bryval Co Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

2. ACCOUNTING POLICIES

BASIS OF PREPARING THE FINANCIAL STATEMENTS

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

The financial statements have been prepared on a going concern basis as the director is satisfied that the company will have adequate resources to meet its liabilities to third parties as they fall due.

TURNOVER

Turnover represents net invoiced sales of goods and services provided, excluding value added tax.

TANGIBLE FIXED ASSETS

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Computer equipment - 25% on reducing balance.

GOVERNMENT GRANTS

In accordance with FRS 102 the company accounts for grants under the accrual model and classified as a grant relating to revenue (revenue-based grant) or a grant relating to assets (capital-based grants). The method of accounting for grants under the accrual model, depends on whether they are revenue or capital based grants:

Grants relating to revenue are recognised in profit and loss on a systematic basis over the periods in which the entity recognises the related costs for which the grant is intended to compensate. Grants that are received in respect of expenses or losses already incurred are recognised in profit and loss in the period when the grant becomes receivable. Capital-based grants are recognised in profit and loss on a systematic basis over the useful economic life of the asset (usually to match the associated depreciation charge). Grants relating to an asset which are deferred are recognised as a liability (deferred income) and are not deducted from the carrying value of an asset.

TAXATION

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the statement of financial position date.

DEFERRED TAX

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the statement of financial position date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

HIRE PURCHASE AND LEASING COMMITMENTS

Rentals paid under operating leases are charged to profit or loss on a straight line basis over the period of the lease.

PENSION COSTS AND OTHER POST-RETIREMENT BENEFITS

The company operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to profit or loss in the period to which they relate.

8. GOING CONCERN

In March 2020 the UK's economy was adversely impacted by the pandemic Covid19 and as a result the Company's income has deteriorated from that in the prior year. Consequently however, the Company's performance has not been adversely impacted. The Company has determined that these events are non-adjusting subsequent events. Accordingly, the financial position and results of operations as of and for the year ended 31 December 2020 have not been adjusted to reflect their impact. The duration and impact of the Covid-19 pandemic, as well as the effectiveness of government and central bank responses, remains unclear at this time. It is not possible to reliably estimate the duration and severity of these consequences, as well as their impact on the financial position and results of the Company for future periods. The Company has sufficient reserves to ensure it can operate successfully until the effects of the Covid19 pandemic have lifted.
