2 ACCOUNTING POLICIES

Statement of compliance

These financial statements have been prepared in accordance with Financial Reporting Standard 102 Section 1A - 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006.

Basis of preparation

These financial statements have been prepared using the historical cost convention except any items disclosed in the accounting policies as being shown at fair value and are presented in sterling, which is the functional currency of the entity.

Going concern

At 31 December 2017 the statement of financial position showed a deficit of net assets of £75,535. The directors, to whom an amount of £58,245 was due at 31 December 2017, continue to support the company and are confident that the company will generate sufficient working capital in the forthcoming year. Additionally, an amount of £15,999 is due to a previous shareholder who have confirmed that they will not call for repayment until the company has sufficient working capital.

After making enquiries, the directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. Accordingly, the directors continue to adopt the going concern basis in preparing the financial statements.

Revenue recognition

Turnover comprises the fair value of the consideration received or receivable for the sale of goods or provision of services in the ordinary course of the company's activities. Turnover is shown net of value added tax, returns, rebates and discounts.

The company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the company and specific criteria have been met for each of the company's activities.

Tax

The tax expense for the period comprises tax. Tax is recognised in profit or loss, except that a change attributable to an item of income or expense recognised as other comprehensive income is also recognised directly in other comprehensive income.

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the reporting date in the countries where the company operates and generates taxable income.

Tangible assets

Tangible assets are stated in the statement of financial position at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

The cost of tangible assets includes directly attributable incremental costs incurred in their acquisition and installation.

Depreciation

Depreciation is charged so as to write off the cost of assets, other than land and properties under construction over their estimated useful lives, as follows:

STAR RESILIANZ LTD.

Notes to the Financial Statements for the Year Ended 31 December 2017

Asset class	Depreciation method and rate
Fixtures & fittings	33% straight line
Equipment	33% straight line

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Share capital

Ordinary shares are classified as equity. Equity instruments are measured at the fair value of the cash or other resources received or receivable, net of the direct costs of issuing the equity instruments. If payment is deferred and the time value of money is material, the initial measurement is on a present value basis.

3 STAFF NUMBERS

The average number of persons employed by the company during the year, was 0 (2016 - 0).
