(i) variation of the rights attaching to or conferred by all or any part of the Relevant Shares;

(ii) increase in the issued share capital of any company whose shares are charged pursuant to this Agreement;

(iii) exercise, renunciation or assignment of any right to subscribe for any shares or securities; or

(iv) reconstruction, amalgamation, sale or other disposal of any company or any of its assets or undertaking (including the exchange, conversion or reissue of any shares or securities as a consequence thereof), whose shares or other securities charged pursuant to this Agreement,

which in the reasonable opinion of the Security Agent would prejudice the value of, or the ability of the Security Agent to realise, the security created by this Agreement provided that the proceeds of any such action shall form part of the Relevant Shares.

10.4 **Investments and Shares: Payment of calls**

The relevant Chargor shall pay when due all calls or other payments which may be or may become due in respect of any of the Relevant Shares or other Investments, and in any case of default by it in such payment, the Security Agent may, if it thinks fit, make such payment on its behalf in which case any sums paid by the Security Agent shall be reimbursed by each Chargor to the Security Agent on demand and shall carry

interest from the date of payment by the Security Agent until reimbursed at the rate from time to time applicable to unpaid sums specified in the Facility Agreement.

10.5 **Shares: PSC notices**

Each relevant Chargor shall:

(i) within the relevant timeframe, comply with any notice it receives pursuant to Part 21A of the Companies Act 2006 from the issuer of any Relevant Share or other Investment; and

(ii) promptly provide the Security Agent with a copy of any such notice.

10.6 **Investments: Exercise of rights**

No Chargor shall exercise any of its rights and powers in relation to any of the Investments in any manner which would prejudice the value of, or the ability of the Security Agent to realise, the Security created pursuant to this Agreement.

11. ENFORCEMENT OF SECURITY

11.1 **Enforcement**

On and at any time after the occurrence of:

(a) an Event of Default (for as long as it is continuing); or

(b) a request from any Chargor to the Security Agent that it exercise any of its powers under this Agreement,

the Security created by or pursuant to this Agreement is, immediately enforceable and the Security Agent may, without notice to any Chargor or prior authorisation from any court, in its absolute discretion:

(i) enforce all or any part of that Security (at the times, in the manner and on the terms it thinks fit) and take possession of and hold or dispose of all or any part of the Security Assets (at the times, in the manner and on the terms it thinks fit (including whether for cash or non-cash consideration)); and

(ii) whether or not it has appointed a Receiver, exercise all or any of the rights, powers, authorities and discretions conferred by the Law of Property Act 1925 (as varied or extended by this Agreement) on mortgagees and by this Agreement on any Receiver or otherwise conferred by law on mortgagees or Receivers.

11.2 **Effect of moratorium**

The Security Agent shall not be entitled to exercise its rights under Clause 11.1 (*Enforcement*) where the right arises solely due to any person obtaining or taking steps to obtain a moratorium pursuant to Schedule A1 of the Insolvency Act 1986.

12. EXTENSION OF POWERS AND RIGHT OF APPROPRIATION

12.1 Extension of powers

The power of sale or other disposal conferred on the Security Agent and on any Receiver by this Agreement shall operate as a variation and extension of the statutory power of sale under Section 101 of the Law of Property Act 1925 and such power shall arise (and the Secured Liabilities shall be deemed due and payable for that purpose) on execution of this Agreement.

12.2 Restrictions

The restrictions contained in Sections 93 and 103 of the Law of Property Act 1925 shall not apply to this Agreement or to the exercise by the Security Agent of its right to consolidate all or any of the security created by or pursuant to this Agreement with any other security in existence at any time or to its power of sale, which powers may be exercised by the Security Agent without notice to any Chargor on or at any time after this Agreement has become enforceable in accordance with Clause 11 (*Enforcement of Security*).

12.3 Power of leasing

(a) The statutory powers of leasing may be exercised by the Security Agent at any time on or after this Agreement has become enforceable in accordance with Clause 11 (*Enforcement of Security*) and the Security Agent and any Receiver may make any lease or agreement for lease, accept surrenders of leases and grant options on such terms as it shall think fit, without the need to comply with Sections 99 and 100 of the Law of Property Act 1925.

(b) For the purposes of Sections 99 and 100 of the Law of Property Act 1925, the expression "Mortgagor" will include any incumbrancer deriving title under any Chargor and neither Sub-section (18) of Section 99 nor Sub-section (12) of Section 100 of the Law of Property Act 1925 will apply.

(c) No Chargor shall have, at any time during the Security Period, the power pursuant to Section 99 of the Law of Property Act 1925 to make any lease in respect of any Real Property without the prior written consent of the Security Agent or as permitted pursuant to the terms of the Facility Agreement.

12.4 Right of appropriation

To the extent that the provisions of the Financial Collateral Arrangements (No. 2) Regulations 2003 (the "**Regulations**") apply to a Security Asset, the Security Agent shall have the right to appropriate all or any part of that Security Asset in or towards the payment or discharge of the Secured Liabilities and may exercise such right to appropriate upon giving written notice to the Chargors at any time after the Security created by or pursuant to this Agreement has become enforceable. For this purpose, a commercially reasonable method of valuing a Security Asset shall be:

(a) in the case of cash, the amount standing to the credit of each Account or to the credit of any other account with any bank, building society, financial

institution or otherwise, together with any accrued but unposted interest, at the time of appropriation; and

(b) in the case of any Investments or Shares, their market value determined by the Security Agent by reference to a public index, independent valuation or by such other process as the Security Agent may select.

In each case, the parties agree that the method of valuation provided for this Agreement shall constitute a commercially reasonable method of valuation for the purposes of the Regulations.

13. APPOINTMENT OF RECEIVER OR ADMINISTRATOR

13.1 Appointment and removal

After the Security created by or pursuant to this Agreement has become enforceable in accordance with Clause 11 (*Enforcement of security*), the Security Agent may by deed or otherwise (acting through an authorised officer of the Security Agent):

(a) without prior notice to any Chargor:

(i) appoint one or more persons to be a Receiver of the whole or any part of the Security Assets; or

(ii) appoint two or more Receivers of separate parts of the Security Assets; or

(iii) remove (so far as it is lawfully able) any Receiver so appointed; or

(iv) appoint another person(s) as an additional or replacement Receiver(s); or

(v) appoint one or more persons to be an administrator of any Chargor pursuant to paragraph 14 of Schedule B1 of the Insolvency Act 1986; and

(b) appoint one or more persons to be an administrator of any Chargor pursuant to paragraph 12 of Schedule B1 of the Insolvency Act 1986.

13.2 Capacity of Receivers

Each person appointed to be a Receiver pursuant to Clause 13.1 (*Appointment and removal*) shall be:

(a) entitled to act individually or together with any other person appointed or substituted as Receiver;

(b) for all purposes deemed to be the agent of each Chargor which shall be solely responsible for his acts, defaults and liabilities and for the payment of his remuneration and no Receiver shall at any time act as agent for the Security Agent; and

(c) entitled to remuneration for his services at a rate to be fixed by the Security Agent from time to time (without being limited to the maximum rate specified by the Law of Property Act 1925).

13.3 **Statutory powers of appointment**

The powers of appointment of a Receiver shall be in addition to all statutory and other powers of appointment of the Security Agent under the Law of Property Act 1925 (as extended by this Agreement) or otherwise and such powers shall remain exercisable from time to time by the Security Agent in respect of any part of the Security Assets.

14. POWERS OF RECEIVERS

Every Receiver shall (subject to any restrictions in the instrument appointing him but notwithstanding any winding-up or dissolution of any Chargor) have and be entitled to exercise, in relation to the Security Assets (and any assets which, when got in, would be Security Assets in respect of which he was appointed), and as varied and extended by the provisions of this Agreement (in the name of or on behalf of any Chargor or in his own name and, in each case, at the cost of that Chargor):

(a) all the powers conferred by the Law of Property Act 1925 on mortgagors and on mortgagees in possession and on receivers appointed under that Act;

(b) all the powers of an administrative receiver set out in Schedule 1 to the Insolvency Act 1986 (whether or not the Receiver is an administrative receiver);

(c) all the powers and rights of an absolute owner and power to do or omit to do anything which any Chargor itself could do or omit to do; and

(d) the power to do all things (including bringing or defending proceedings in the name or on behalf of any Chargor) which seem to the Receiver to be incidental or conducive to:

(i) any of the functions, powers, authorities or discretions conferred on or vested in him;

(ii) the exercise of any rights, powers and remedies of the Security Agent provided by or pursuant to this Agreement or by law (including realisation of all or any part of the assets in respect of which that Receiver was appointed); or

(iii) bringing to his hands any assets of any Chargor forming part of, or which when got in would be, Security Assets.

15. APPLICATION OF MONEYS

All moneys received or recovered and any non-cash recoveries made or received by the Security Agent or any Receiver pursuant to this Agreement or the powers conferred by it shall be applied in accordance with the Facility Agreement. This

Clause 15 does not prejudice the right of any Secured Party to recover any shortfall from the Chargor or any other Transaction Obligor.

16. PROTECTION OF PURCHASERS

16.1 Consideration

The receipt of the Security Agent or any Receiver shall be conclusive discharge to a purchaser and, in making any sale or disposal of any of the Security Assets or making any acquisition, the Security Agent or any Receiver may do so for such consideration (whether cash or non-cash), in such manner and on such terms as it thinks fit.

16.2 Protection of purchasers

No purchaser or other person dealing with the Security Agent or any Receiver shall be bound to inquire whether the right of the Security Agent or such Receiver to exercise any of its powers has arisen or become exercisable or be concerned with any propriety or regularity on the part of the Security Agent or such Receiver in such dealings.

17. POWER OF ATTORNEY

17.1 Appointment and powers

Each Chargor by way of security irrevocably appoints the Security Agent and any Receiver severally to be its attorney and in its name, on its behalf and as its act and deed to execute, deliver and perfect all documents and do all things which the attorney may consider to be required for:

(i) carrying out any obligation imposed on any Chargor by this Agreement or any other agreement binding on such Chargor to which the Security Agent is party (including the execution and delivery of any deeds, charges, assignments or other security and any transfers of the Security Assets and perfecting and/or releasing the security created or intended to be created in respect of the Security Assets) and which such Chargor has failed to do; and

(ii) enabling the Security Agent and any Receiver to exercise, or delegate the exercise of, any of the rights, powers and authorities conferred on them by or pursuant to this Agreement or by law (including, after this Agreement has become enforceable in accordance with Clause 11 (*Enforcement of security*), the exercise of any right of a legal or beneficial owner of the Security Assets).

17.2 Ratification

Each Chargor shall ratify and confirm all things done and all documents executed by any attorney in the exercise or purported exercise of all or any of his powers.

18. EFFECTIVENESS OF SECURITY

18.1 Continuing security

(a) The Security created by or pursuant to this Agreement shall remain in full force and effect as a continuing security for the Secured Liabilities unless and until discharged by the Security Agent in writing.

(b) No part of the Security from time to time intended to be constituted by this Agreement will be considered satisfied or discharged by an intermediate payment, discharge or satisfaction of the whole or any part of the Secured Liabilities.

18.2 Cumulative rights

The Security created by or pursuant to this Agreement shall be cumulative, in addition to and independent of every other Security which the Security Agent or any Secured Party may at any time hold for the Secured Liabilities or any other obligations or any rights, powers and remedies provided by law and shall operate as an independent security notwithstanding any receipt, release or discharge endorsed on or given in respect of or under any such other Security. No prior Security held by the Security Agent (whether in its capacity as trustee or otherwise) or any of the other Secured Parties over the whole or any part of the Security Assets shall merge into the Security constituted by this Agreement.

18.3 No prejudice

The Security created by or pursuant to this Agreement shall not be prejudiced by any unenforceability or invalidity of any other agreement or document or by any time or indulgence granted to each Chargor or any other person, by the Security Agent (whether in its capacity as trustee or otherwise) or any of the other Secured Parties or by any variation of the terms of the trust upon which the Security Agent holds the security or by any other thing which might otherwise prejudice that Security.

18.4 Remedies and Waivers

No failure on the part of the Security Agent to exercise, nor any delay on its part in exercising, any right, power or remedy under this Agreement, shall operate as a waiver of that right, power or remedy or, power constitute an election to affirm this Agreement. No election to affirm this Agreement on the part of the Security Agent shall be effective unless it is in writing. The rights, powers and remedies provided in this Agreement are cumulative and not exclusive of any provided by law. No single or partial exercise of any right, power or remedy shall preclude any further or other exercise of that or any other right or remedy.

18.5 No liability

None of the Security Agent, its nominee(s) nor any Receiver shall be liable

(a) to account as a mortgagee or mortgagee in possession; or

(b) for any loss arising by reason of taking any action permitted by this Agreement or any neglect or default in connection with the Security Assets or taking possession of or realising all or any part of the Security Assets,

except in the case of gross negligence or wilful default upon its part.

18.6 **Partial invalidity**

If, at any time, any provision of this Agreement is or becomes illegal, invalid or unenforceable in any respect under the law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions of this Agreement nor of such provision under the laws of any other jurisdiction shall in any way be affected or impaired thereby and, if any part of the security intended to be created by or pursuant to this Agreement is invalid, unenforceable or ineffective for any reason, that shall not affect or impair any other part of the security.

18.7 **Waiver of defences**

The obligations of, and the Security created by, each Chargor under this Agreement and the rights and remedies provided by this Agreement will not be affected by any act, omission, matter or thing which, but for this Clause 18.7, would reduce, release or prejudice any of its obligations under, or the Security created by, this Agreement and whether or not known to that Chargor or any Secured Party including:

(a) any time, waiver or consent granted to, or composition with, any Obligor or other person;

(b) the release of any other Obligor or any other person under the terms of any composition or arrangement with any creditor of any Obligor;

(c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or Security over assets of, any Obligor or other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any Security;

(d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of, any Obligor or any other person;

(e) any amendment, novation, supplement, extension (whether of maturity or otherwise) or restatement (in each case however fundamental and of whatsoever nature, and whether or not more onerous) or replacement of a Finance Document or any other document or security or of the Secured Liabilities (including, without limitation, any change in the purpose of, any extension of, or any variation or increase in any facility or amount made available under any facility or the addition of any new facility under any Finance Document or other documents);

(f) any unenforceability, illegality or invalidity of any obligation of any person under any Finance Document or any other document or Security or of the Secured Liabilities; and

(g) any insolvency or similar proceedings.

18.8 **Chargor intent**

Without prejudice to the generality of Clause 18.7 (*Waiver of Defences*), each Chargor expressly confirms that it intends that the Security created under this Agreement and the rights and remedies arising thereunder, shall extend from time to time to any (however fundamental and of whatsoever nature, and whether or not more onerous) variation, increase, extension or addition of or to any of the Finance Documents and/or any facility or amount made available under any of the Finance Documents for the purposes of or in connection with any of the following: acquisitions of any nature; increasing working capital; enabling investor distributions to be made; carrying out restructurings; refinancing existing facilities; refinancing any other indebtedness; making facilities available to new borrowers; any other variation or extension of the purposes for which any such facility or amount might be made available from time to time; and any fees, costs and/or expenses associated with any of the foregoing.

18.9 **Immediate recourse**

Each Chargor waives any right it may have of first requiring any Secured Party (or any trustee or agent on its behalf) to proceed against or enforce any other rights or Security or claim payment from any other person before claiming from any Chargor under this Agreement. This waiver applies irrespective of any law or any provision of this Agreement to the contrary.

18.10 **Deferral of rights**

Until the end of the Security Period, no Chargor will exercise any rights which it may have by reason of performance by it of its obligations under this Agreement:

(a) to be indemnified by an Obligor;

(b) to claim any contribution from any guarantor of any Obligor's obligations under this Agreement;

(c) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any right of the Secured Parties under this Agreement or of any other guarantee or Security taken pursuant to, or in connection with, this Agreement by any Secured Party;

(d) to bring legal or other proceedings for an order requiring any Obligor to make any payment, or perform any obligation, in respect of which any Obligor has given a guarantee, undertaking or indemnity under any Finance Document;

(e) to exercise any right of set-off against any Obligor; or

(f) to claim or prove as a creditor of any Obligor in competition with any Secured Party.

If any Chargor receives any benefit, payment or distribution in relation to such rights it shall hold that benefit, payment or distribution to the extent necessary to enable all amounts which may be or become payable to any Secured Party by any Chargor under or in connection with this Agreement to be repaid in full on trust for the Security Agent and shall promptly pay or transfer the same to the Security Agent or as the Security Agent may direct for application in accordance with Clause 15 (*Application of Moneys*).

19. PRIOR SECURITY INTERESTS

(a) In the event of any action, proceeding or step being taken to exercise any powers or remedies conferred by any prior ranking Security against any of the Security Assets or in case of exercise by the Security Agent or any Receiver of any power of sale under this Agreement, the Security Agent may redeem such prior Security or procure the transfer thereof to itself.

(b) The Security Agent may settle and agree the accounts of the prior Security and any accounts so settled and agreed will be conclusive and binding on each Chargor.

(c) All principal moneys, interest, costs, charges and expenses of and incidental to any redemption or transfer will be paid by each Chargor to the Security Agent promptly on demand together with accrued interest thereon as well as before judgment at the rate from time to time applicable to unpaid sums specified in the Facility Agreement from the time or respective times of the same having been paid or incurred until payment thereof (as well as after as before judgment).

20. SUBSEQUENT SECURITY INTERESTS

If the Security Agent acting in its capacity as trustee or otherwise or any of the other Secured Parties at any time receives or is deemed to have received notice of any subsequent Security, assignment or transfer affecting all the Security Assets or any part of the Security Assets which is prohibited by the terms of any Finance Document, all payments thereafter by or on behalf of that Chargor to the Security Agent (whether in its capacity as trustee or otherwise) or any of the other Secured Parties will (in the absence of any express contrary appropriation by that Chargor) be credited or treated as having been credited to a new account of that Chargor and not as having been applied in reduction of the Secured Liabilities at the time that notice was received.

21. SUSPENSE ACCOUNTS

All moneys received, recovered or realised by the Security Agent under this Agreement (including the proceeds of any conversion of currency) may in the discretion of the Security Agent be credited to any interest bearing suspense or impersonal account(s) maintained with a bank, building society, financial institution or other person as it considers appropriate (including itself) for so long as it may think fit (the interest being credited to the relevant account) pending their application from time to time at the Security Agent's discretion, in or towards the discharge of any of the Secured Liabilities and save as provided herein no party will be entitled to

withdraw any amount at any time standing to the credit of any suspense or impersonal account referred to above.

22. RELEASE OF SECURITY

22.1 Release of Security

Upon the expiry of the Security Period, the Security Agent shall, at the request and cost of the relevant Chargor, release and cancel the security constituted by this Agreement and procure the reassignment to that Chargor of the property and assets assigned to the Security Agent pursuant to this Agreement, in each case without recourse to, or any representation or warranty by, the Security Agent or any of its nominees.

22.2 Clawback

If the Security Agent reasonably considers that any amount paid or credited to any Secured Party is capable of being avoided or reduced by virtue of any bankruptcy, insolvency, liquidation or similar laws, the liability of each Chargor under this Agreement and the Security constituted by that document will continue and such amount will not be considered to have been irrevocably discharged.

23. SET-OFF

Each Chargor authorises the Security Agent (but the Security Agent shall not be obliged to exercise such right), after the occurrence of an Event of Default, to set off against the Secured Liabilities any amount or other obligation (contingent or otherwise) owing by the Security Agent to each Chargor and apply any credit balance to which each Chargor is entitled on any account with the Security Agent in accordance with Clause 15 (*Application of Moneys*) (notwithstanding any specified maturity of any deposit standing to the credit of any such account).

24. DISCRETION AND DELEGATION

24.1 Discretion

Any liberty or power which may be exercised or any determination which may be made under this Agreement by the Security Agent or any Receiver may, subject to the terms and conditions of the Facility Agreement, be exercised or made in its absolute and unfettered discretion without any obligation to give reasons.

24.2 Delegation

Each of the Security Agent and any Receiver shall have full power to delegate (either generally or specifically) the powers, authorities and discretions conferred on it by this Agreement (including the power of attorney) on such terms and conditions as it shall see fit which delegation shall not preclude either the subsequent exercise, any subsequent delegation or any revocation of such power, authority or discretion by the Security Agent or the Receiver itself.

25. TRANSFERS

No Chargor may assign or otherwise transfer any of its rights and obligations under this Agreement.

26. SUCCESSORS

26.1 Security Agent successors

This Agreement shall remain in effect despite any amalgamation or merger (however effected) relating to the Security Agent, and references to the Security Agent shall include any transferee, assignee or successor in title of the Security Agent and any person who, under the laws of its jurisdiction of incorporation or domicile, has assumed the rights and obligations of the Security Agent under this Agreement or to which, under such laws, those rights and obligations have been transferred.

26.2 Disclosure

The Security Agent shall be entitled to disclose such information concerning any Chargor or any other person and this Agreement as the Security Agent considers appropriate to any actual or proposed direct or indirect successor or to any person to whom information may be required to be disclosed by applicable law.

27. GOVERNING LAW

This Agreement and all non-contractual obligations arising out of or in connection with it are governed by English law.

28. JURISDICTION

28.1 Jurisdiction

(a) The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this Agreement (including a dispute relating to the existence, validity or termination of this Agreement or the consequences of its nullity or any non-contractual obligation arising out of or in connection with this Agreement) (a "**Dispute**").

(b) The parties agree that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no party will argue to the contrary.

(c) Notwithstanding paragraph (a) above, the Security Agent shall not be prevented from taking proceedings relating to a Dispute in any other courts with jurisdiction. To the extent allowed by law, the Security Agent may take concurrent proceedings in any number of jurisdictions.

THIS AGREEMENT has been executed as, and is intended to take effect as, a deed by each Chargor and has been signed by the Security Agent on the date written on the first page of this Agreement.

No Chargor shall exercise (and shall procure that any nominee acting on its behalf does not exercise) its voting rights and powers in relation to the Relevant Shares or other Investments in any manner, or otherwise permit or agree to, or concur or participate in any:

(i) variation of the rights attaching to or conferred by all or any part of the Relevant Shares;

10.4 **Investments and Shares: Payment of calls**

The relevant Chargor shall pay when due all calls or other payments which may be or may become due in respect of any of the Relevant Shares or other Investments, and in any case of default by it in such payment, the Security Agent may, if it thinks fit, make such payment on its behalf in which case any sums paid by the Security Agent shall be reimbursed by each Chargor to the Security Agent on demand and shall carry

interest from the date of payment by the Security Agent until reimbursed at the rate from time to time applicable to unpaid sums specified in the Facility Agreement.

10.5 **Shares: PSC notices**

Each relevant Chargor shall:

(i) within the relevant timeframe, comply with any notice it receives pursuant to Part 21A of the Companies Act 2006 from the issuer of any Relevant Share or other Investment; and

(ii) promptly provide the Security Agent with a copy of any such notice.

10.6 **Investments: Exercise of rights**

No Chargor shall exercise any of its rights and powers in relation to any of the Investments in any manner which would prejudice the value of, or the ability of the Security Agent to realise, the Security created pursuant to this Agreement.

11. ENFORCEMENT OF SECURITY

11.1 **Enforcement**

On and at any time after the occurrence of:

(a) an Event of Default (for as long as it is continuing); or

(b) a request from any Chargor to the Security Agent that it exercise any of its powers under this Agreement,

the Security created by or pursuant to this Agreement is, immediately enforceable and the Security Agent may, without notice to any Chargor or prior authorisation from any court, in its absolute discretion:

(i) enforce all or any part of that Security (at the times, in the manner and on the terms it thinks fit) and take possession of and hold or dispose of all or any part of the Security Assets (at the times, in the manner and on the terms it thinks fit (including whether for cash or non-cash consideration)); and

(ii) whether or not it has appointed a Receiver, exercise all or any of the rights, powers, authorities and discretions conferred by the Law of Property Act 1925 (as varied or extended by this Agreement) on mortgagees and by this Agreement on any Receiver or otherwise conferred by law on mortgagees or Receivers.

11.2 **Effect of moratorium**

The Security Agent shall not be entitled to exercise its rights under Clause 11.1 (*Enforcement*) where the right arises solely due to any person obtaining or taking steps to obtain a moratorium pursuant to Schedule A1 of the Insolvency Act 1986.

12. EXTENSION OF POWERS AND RIGHT OF APPROPRIATION

12.1 Extension of powers

The power of sale or other disposal conferred on the Security Agent and on any Receiver by this Agreement shall operate as a variation and extension of the statutory power of sale under Section 101 of the Law of Property Act 1925 and such power shall arise (and the Secured Liabilities shall be deemed due and payable for that purpose) on execution of this Agreement.

12.2 Restrictions

The restrictions contained in Sections 93 and 103 of the Law of Property Act 1925 shall not apply to this Agreement or to the exercise by the Security Agent of its right to consolidate all or any of the security created by or pursuant to this Agreement with any other security in existence at any time or to its power of sale, which powers may be exercised by the Security Agent without notice to any Chargor on or at any time after this Agreement has become enforceable in accordance with Clause 11 (*Enforcement of Security*).

12.3 Power of leasing

(a) The statutory powers of leasing may be exercised by the Security Agent at any time on or after this Agreement has become enforceable in accordance with Clause 11 (*Enforcement of Security*) and the Security Agent and any Receiver may make any lease or agreement for lease, accept surrenders of leases and grant options on such terms as it shall think fit, without the need to comply with Sections 99 and 100 of the Law of Property Act 1925.

(b) For the purposes of Sections 99 and 100 of the Law of Property Act 1925, the expression "Mortgagor" will include any incumbrancer deriving title under any Chargor and neither Sub-section (18) of Section 99 nor Sub-section (12) of Section 100 of the Law of Property Act 1925 will apply.

(c) No Chargor shall have, at any time during the Security Period, the power pursuant to Section 99 of the Law of Property Act 1925 to make any lease in respect of any Real Property without the prior written consent of the Security Agent or as permitted pursuant to the terms of the Facility Agreement.

12.4 Right of appropriation

To the extent that the provisions of the Financial Collateral Arrangements (No. 2) Regulations 2003 (the "**Regulations**") apply to a Security Asset, the Security Agent shall have the right to appropriate all or any part of that Security Asset in or towards the payment or discharge of the Secured Liabilities and may exercise such right to appropriate upon giving written notice to the Chargors at any time after the Security created by or pursuant to this Agreement has become enforceable. For this purpose, a commercially reasonable method of valuing a Security Asset shall be:

(a) in the case of cash, the amount standing to the credit of each Account or to the credit of any other account with any bank, building society, financial

institution or otherwise, together with any accrued but unposted interest, at the time of appropriation; and

(b) in the case of any Investments or Shares, their market value determined by the Security Agent by reference to a public index, independent valuation or by such other process as the Security Agent may select.

In each case, the parties agree that the method of valuation provided for this Agreement shall constitute a commercially reasonable method of valuation for the purposes of the Regulations.

13. APPOINTMENT OF RECEIVER OR ADMINISTRATOR

13.1 Appointment and removal

After the Security created by or pursuant to this Agreement has become enforceable in accordance with Clause 11 (*Enforcement of security*), the Security Agent may by deed or otherwise (acting through an authorised officer of the Security Agent):

(a) without prior notice to any Chargor:

(i) appoint one or more persons to be a Receiver of the whole or any part of the Security Assets; or

Each person appointed to be a Receiver pursuant to Clause 13.1 (*Appointment and removal*) shall be:

(a) entitled to act individually or together with any other person appointed or substituted as Receiver;

(b) for all purposes deemed to be the agent of each Chargor which shall be solely responsible for his acts, defaults and liabilities and for the payment of his remuneration and no Receiver shall at any time act as agent for the Security Agent; and

(c) entitled to remuneration for his services at a rate to be fixed by the Security Agent from time to time (without being limited to the maximum rate specified by the Law of Property Act 1925).

13.3 **Statutory powers of appointment**

The powers of appointment of a Receiver shall be in addition to all statutory and other powers of appointment of the Security Agent under the Law of Property Act 1925 (as extended by this Agreement) or otherwise and such powers shall remain exercisable from time to time by the Security Agent in respect of any part of the Security Assets.

14. POWERS OF RECEIVERS

Every Receiver shall (subject to any restrictions in the instrument appointing him but notwithstanding any winding-up or dissolution of any Chargor) have and be entitled to exercise, in relation to the Security Assets (and any assets which, when got in, would be Security Assets in respect of which he was appointed), and as varied and extended by the provisions of this Agreement (in the name of or on behalf of any Chargor or in his own name and, in each case, at the cost of that Chargor):

(a) all the powers conferred by the Law of Property Act 1925 on mortgagors and on mortgagees in possession and on receivers appointed under that Act;

(b) all the powers of an administrative receiver set out in Schedule 1 to the Insolvency Act 1986 (whether or not the Receiver is an administrative receiver);

(c) all the powers and rights of an absolute owner and power to do or omit to do anything which any Chargor itself could do or omit to do; and

(d) the power to do all things (including bringing or defending proceedings in the name or on behalf of any Chargor) which seem to the Receiver to be incidental or conducive to:

(i) any of the functions, powers, authorities or discretions conferred on or vested in him;

(ii) the exercise of any rights, powers and remedies of the Security Agent provided by or pursuant to this Agreement or by law (including realisation of all or any part of the assets in respect of which that Receiver was appointed); or

(iii) bringing to his hands any assets of any Chargor forming part of, or which when got in would be, Security Assets.

15. APPLICATION OF MONEYS

All moneys received or recovered and any non-cash recoveries made or received by the Security Agent or any Receiver pursuant to this Agreement or the powers conferred by it shall be applied in accordance with the Facility Agreement. This

Clause 15 does not prejudice the right of any Secured Party to recover any shortfall from the Chargor or any other Transaction Obligor.

16. PROTECTION OF PURCHASERS

16.1 Consideration

The receipt of the Security Agent or any Receiver shall be conclusive discharge to a purchaser and, in making any sale or disposal of any of the Security Assets or making any acquisition, the Security Agent or any Receiver may do so for such consideration (whether cash or non-cash), in such manner and on such terms as it thinks fit.

16.2 Protection of purchasers

No purchaser or other person dealing with the Security Agent or any Receiver shall be bound to inquire whether the right of the Security Agent or such Receiver to exercise any of its powers has arisen or become exercisable or be concerned with any propriety or regularity on the part of the Security Agent or such Receiver in such dealings.

17. POWER OF ATTORNEY

17.1 Appointment and powers

Each Chargor by way of security irrevocably appoints the Security Agent and any Receiver severally to be its attorney and in its name, on its behalf and as its act and deed to execute, deliver and perfect all documents and do all things which the attorney may consider to be required for:

(i) carrying out any obligation imposed on any Chargor by this Agreement or any other agreement binding on such Chargor to which the Security Agent is party (including the execution and delivery of any deeds, charges, assignments or other security and any transfers of the Security Assets and perfecting and/or releasing the security created or intended to be created in respect of the Security Assets) and which such Chargor has failed to do; and

(ii) enabling the Security Agent and any Receiver to exercise, or delegate the exercise of, any of the rights, powers and authorities conferred on them by or pursuant to this Agreement or by law (including, after this Agreement has become enforceable in accordance with Clause 11 (*Enforcement of security*), the exercise of any right of a legal or beneficial owner of the Security Assets).

17.2 Ratification

Each Chargor shall ratify and confirm all things done and all documents executed by any attorney in the exercise or purported exercise of all or any of his powers.

18. EFFECTIVENESS OF SECURITY

18.1 Continuing security

(a) The Security created by or pursuant to this Agreement shall remain in full force and effect as a continuing security for the Secured Liabilities unless and until discharged by the Security Agent in writing.

(b) No part of the Security from time to time intended to be constituted by this Agreement will be considered satisfied or discharged by an intermediate payment, discharge or satisfaction of the whole or any part of the Secured Liabilities.

18.2 Cumulative rights

The Security created by or pursuant to this Agreement shall be cumulative, in addition to and independent of every other Security which the Security Agent or any Secured Party may at any time hold for the Secured Liabilities or any other obligations or any rights, powers and remedies provided by law and shall operate as an independent security notwithstanding any receipt, release or discharge endorsed on or given in respect of or under any such other Security. No prior Security held by the Security Agent (whether in its capacity as trustee or otherwise) or any of the other Secured Parties over the whole or any part of the Security Assets shall merge into the Security constituted by this Agreement.

18.3 No prejudice

The Security created by or pursuant to this Agreement shall not be prejudiced by any unenforceability or invalidity of any other agreement or document or by any time or indulgence granted to each Chargor or any other person, by the Security Agent (whether in its capacity as trustee or otherwise) or any of the other Secured Parties or by any variation of the terms of the trust upon which the Security Agent holds the security or by any other thing which might otherwise prejudice that Security.

18.4 Remedies and Waivers

No failure on the part of the Security Agent to exercise, nor any delay on its part in exercising, any right, power or remedy under this Agreement, shall operate as a waiver of that right, power or remedy or, power constitute an election to affirm this Agreement. No election to affirm this Agreement on the part of the Security Agent shall be effective unless it is in writing. The rights, powers and remedies provided in this Agreement are cumulative and not exclusive of any provided by law. No single or partial exercise of any right, power or remedy shall preclude any further or other exercise of that or any other right or remedy.

18.5 No liability

None of the Security Agent, its nominee(s) nor any Receiver shall be liable

(a) to account as a mortgagee or mortgagee in possession; or

(b) for any loss arising by reason of taking any action permitted by this Agreement or any neglect or default in connection with the Security Assets or taking possession of or realising all or any part of the Security Assets,

except in the case of gross negligence or wilful default upon its part.

18.6 **Partial invalidity**

If, at any time, any provision of this Agreement is or becomes illegal, invalid or unenforceable in any respect under the law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions of this Agreement nor of such provision under the laws of any other jurisdiction shall in any way be affected or impaired thereby and, if any part of the security intended to be created by or pursuant to this Agreement is invalid, unenforceable or ineffective for any reason, that shall not affect or impair any other part of the security.

18.7 **Waiver of defences**

The obligations of, and the Security created by, each Chargor under this Agreement and the rights and remedies provided by this Agreement will not be affected by any act, omission, matter or thing which, but for this Clause 18.7, would reduce, release or prejudice any of its obligations under, or the Security created by, this Agreement and whether or not known to that Chargor or any Secured Party including:

(a) any time, waiver or consent granted to, or composition with, any Obligor or other person;

(b) the release of any other Obligor or any other person under the terms of any composition or arrangement with any creditor of any Obligor;

(c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or Security over assets of, any Obligor or other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any Security;

(d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of, any Obligor or any other person;

(e) any amendment, novation, supplement, extension (whether of maturity or otherwise) or restatement (in each case however fundamental and of whatsoever nature, and whether or not more onerous) or replacement of a Finance Document or any other document or security or of the Secured Liabilities (including, without limitation, any change in the purpose of, any extension of, or any variation or increase in any facility or amount made available under any facility or the addition of any new facility under any Finance Document or other documents);

(f) any unenforceability, illegality or invalidity of any obligation of any person under any Finance Document or any other document or Security or of the Secured Liabilities; and

(g) any insolvency or similar proceedings.

18.8 **Chargor intent**

Without prejudice to the generality of Clause 18.7 (*Waiver of Defences*), each Chargor expressly confirms that it intends that the Security created under this Agreement and the rights and remedies arising thereunder, shall extend from time to time to any (however fundamental and of whatsoever nature, and whether or not more onerous) variation, increase, extension or addition of or to any of the Finance Documents and/or any facility or amount made available under any of the Finance Documents for the purposes of or in connection with any of the following: acquisitions of any nature; increasing working capital; enabling investor distributions to be made; carrying out restructurings; refinancing existing facilities; refinancing any other indebtedness; making facilities available to new borrowers; any other variation or extension of the purposes for which any such facility or amount might be made available from time to time; and any fees, costs and/or expenses associated with any of the foregoing.

18.9 **Immediate recourse**

Each Chargor waives any right it may have of first requiring any Secured Party (or any trustee or agent on its behalf) to proceed against or enforce any other rights or Security or claim payment from any other person before claiming from any Chargor under this Agreement. This waiver applies irrespective of any law or any provision of this Agreement to the contrary.

18.10 **Deferral of rights**

Until the end of the Security Period, no Chargor will exercise any rights which it may have by reason of performance by it of its obligations under this Agreement:

(a) to be indemnified by an Obligor;

(b) to claim any contribution from any guarantor of any Obligor's obligations under this Agreement;

(c) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any right of the Secured Parties under this Agreement or of any other guarantee or Security taken pursuant to, or in connection with, this Agreement by any Secured Party;

(d) to bring legal or other proceedings for an order requiring any Obligor to make any payment, or perform any obligation, in respect of which any Obligor has given a guarantee, undertaking or indemnity under any Finance Document;

(e) to exercise any right of set-off against any Obligor; or

(f) to claim or prove as a creditor of any Obligor in competition with any Secured Party.

If any Chargor receives any benefit, payment or distribution in relation to such rights it shall hold that benefit, payment or distribution to the extent necessary to enable all amounts which may be or become payable to any Secured Party by any Chargor under or in connection with this Agreement to be repaid in full on trust for the Security Agent and shall promptly pay or transfer the same to the Security Agent or as the Security Agent may direct for application in accordance with Clause 15 (*Application of Moneys*).

19. PRIOR SECURITY INTERESTS

(a) In the event of any action, proceeding or step being taken to exercise any powers or remedies conferred by any prior ranking Security against any of the Security Assets or in case of exercise by the Security Agent or any Receiver of any power of sale under this Agreement, the Security Agent may redeem such prior Security or procure the transfer thereof to itself.

(b) The Security Agent may settle and agree the accounts of the prior Security and any accounts so settled and agreed will be conclusive and binding on each Chargor.

(c) All principal moneys, interest, costs, charges and expenses of and incidental to any redemption or transfer will be paid by each Chargor to the Security Agent promptly on demand together with accrued interest thereon as well as before judgment at the rate from time to time applicable to unpaid sums specified in the Facility Agreement from the time or respective times of the same having been paid or incurred until payment thereof (as well as after as before judgment).

20. SUBSEQUENT SECURITY INTERESTS

If the Security Agent acting in its capacity as trustee or otherwise or any of the other Secured Parties at any time receives or is deemed to have received notice of any subsequent Security, assignment or transfer affecting all the Security Assets or any part of the Security Assets which is prohibited by the terms of any Finance Document, all payments thereafter by or on behalf of that Chargor to the Security Agent (whether in its capacity as trustee or otherwise) or any of the other Secured Parties will (in the absence of any express contrary appropriation by that Chargor) be credited or treated as having been credited to a new account of that Chargor and not as having been applied in reduction of the Secured Liabilities at the time that notice was received.

21. SUSPENSE ACCOUNTS

All moneys received, recovered or realised by the Security Agent under this Agreement (including the proceeds of any conversion of currency) may in the discretion of the Security Agent be credited to any interest bearing suspense or impersonal account(s) maintained with a bank, building society, financial institution or other person as it considers appropriate (including itself) for so long as it may think fit (the interest being credited to the relevant account) pending their application from time to time at the Security Agent's discretion, in or towards the discharge of any of the Secured Liabilities and save as provided herein no party will be entitled to

withdraw any amount at any time standing to the credit of any suspense or impersonal account referred to above.

22. RELEASE OF SECURITY

22.1 Release of Security

Upon the expiry of the Security Period, the Security Agent shall, at the request and cost of the relevant Chargor, release and cancel the security constituted by this Agreement and procure the reassignment to that Chargor of the property and assets assigned to the Security Agent pursuant to this Agreement, in each case without recourse to, or any representation or warranty by, the Security Agent or any of its nominees.

22.2 Clawback

If the Security Agent reasonably considers that any amount paid or credited to any Secured Party is capable of being avoided or reduced by virtue of any bankruptcy, insolvency, liquidation or similar laws, the liability of each Chargor under this Agreement and the Security constituted by that document will continue and such amount will not be considered to have been irrevocably discharged.

23. SET-OFF

Each Chargor authorises the Security Agent (but the Security Agent shall not be obliged to exercise such right), after the occurrence of an Event of Default, to set off against the Secured Liabilities any amount or other obligation (contingent or otherwise) owing by the Security Agent to each Chargor and apply any credit balance to which each Chargor is entitled on any account with the Security Agent in accordance with Clause 15 (*Application of Moneys*) (notwithstanding any specified maturity of any deposit standing to the credit of any such account).

24. DISCRETION AND DELEGATION

24.1 Discretion

Any liberty or power which may be exercised or any determination which may be made under this Agreement by the Security Agent or any Receiver may, subject to the terms and conditions of the Facility Agreement, be exercised or made in its absolute and unfettered discretion without any obligation to give reasons.

24.2 Delegation

Each of the Security Agent and any Receiver shall have full power to delegate (either generally or specifically) the powers, authorities and discretions conferred on it by this Agreement (including the power of attorney) on such terms and conditions as it shall see fit which delegation shall not preclude either the subsequent exercise, any subsequent delegation or any revocation of such power, authority or discretion by the Security Agent or the Receiver itself.

25. TRANSFERS

No Chargor may assign or otherwise transfer any of its rights and obligations under this Agreement.

26. SUCCESSORS

26.1 Security Agent successors

This Agreement shall remain in effect despite any amalgamation or merger (however effected) relating to the Security Agent, and references to the Security Agent shall include any transferee, assignee or successor in title of the Security Agent and any person who, under the laws of its jurisdiction of incorporation or domicile, has assumed the rights and obligations of the Security Agent under this Agreement or to which, under such laws, those rights and obligations have been transferred.

26.2 Disclosure

The Security Agent shall be entitled to disclose such information concerning any Chargor or any other person and this Agreement as the Security Agent considers appropriate to any actual or proposed direct or indirect successor or to any person to whom information may be required to be disclosed by applicable law.

27. GOVERNING LAW

This Agreement and all non-contractual obligations arising out of or in connection with it are governed by English law.

28. JURISDICTION

28.1 Jurisdiction
