2. ADMINISTRATION AND PLANNING

Statutory information

- 2.1 Statutory information may be found at **Appendix I**.
- 2.2 The Joint Liquidators are required to meet a considerable number of statutory and regulatory obligations. Whilst many of these tasks do not have a direct benefit in enhancing realisations for the insolvent estate, they assist in the efficient and compliant progressing of the administration of the case, which ensures that work is carried out to high professional standards. A detailed list of these tasks may be found in **Appendix III**.
- 2.3 The Joint Liquidators have met their statutory and regulatory duties to report to creditors, as listed below. In consideration of the need for transparency and engagement with creditors, care has been taken to ensure that reports and other communications with creditors have provided useful details of the strategies pursued and the outcomes anticipated.

- 2.4 During the Review Period, the following key documents have been issued:
 - The report presented to creditors prior to the appointment of a liquidator;
 - This progress report;

Other administration tasks

- 2.5 During the Review Period, the following material tasks in this category were carried out:
 - Case reviews;
 - Investigation

3. ENQUIRES AND INVESTIGATIONS

- 3.1 During the Review Period, the Joint Liquidators carried out an initial review of the Company's affairs in the period prior to appointment. This included seeking information and explanations from the directors by means of questionnaires; making enquiries of the Company's accountants; reviewing information received from creditors; and collecting and examining the Company's bank statements, accounts and other records.
- 3.2 The directors provided the books and records and a completed questionnaire as well as a Statement of Affairs.
- 3.3 The information gleaned from this process enabled the Joint Liquidators to meet their statutory duty to submit a confidential report on the conduct of the directors (past and present) to the Insolvency Service.
- 3.4 This work was also carried out with the objective of making an initial assessment of whether there were any matters that may lead to any recoveries for the benefit of creditors. This would typically include any potential claims which may be brought against parties either connected to or who have past dealings with the Company.
- 3.5 This initial assessment has been completed and the Joint Liquidators did not identify any further assets or actions which might lead to a recovery for creditors.

4. REALISATION OF ASSETS, COSTS & EXPENSES

4.1 Detailed below is key information about asset realisation and strategy, however, more details about the work undertaken may be found at **Appendix III**. The Joint Liquidators formulated and worked through a realisation strategy that sought to maximise realisations net of costs. The financial benefit of those efforts is described further below.

- 4.2 As this is my annual account I attach at **Appendix II** the Joint Liquidators' receipts and payments account for the period 14 June 2016 to 13 June 2017.
- 4.3 I shall comment on all entries as follows:

Book debts

4.4 Book debts were not listed on the Statement of Affairs as they had been written down to nil by the directors due to the fact that they had been outstanding for over 12 months. After further investigation and following up on these debtors, it became apparent that these debts were disputed. It is not cost effective to continue to pursue these debtors and therefore this asset is agreed as nil.

Tax refund

4.5 The Statement of Affairs referred to a tax refund of £101 which I can confirm an amount of £100.92 was received after the final pre appointment VAT return was submitted, as detailed in the first report to creditors. No further realisations are expected.

Cash at bank

4.6 As per the Statement of Affairs an amount of £6,000 was due to be recovered in respect of funds held in the Company's pre appointment bank account. I can confirm that these funds were received in full. No further sums are expected in this respect.

Bank interest gross

4.7 The sum of £0.76 has been received in respect of interest accrued in the Liquidation bank account. The account has been moved to non-interest bearing and will therefore not accrue any further funds.

Payments

Storage costs

4.8 An amount of £80.96 has been paid in respect of the storage of the Company's books and records together with planned destruction of the same.

Pre Appointment Costs

- 4.9 The creditors authorised the fee of £6,000 for assisting the directors in placing the Company into Liquidation and with preparing the Statement of Affairs on 14 June 2016.
- 4.10 The fee for assisting with the Statement of Affairs and meetings was paid from first realisations on appointment and is shown in the enclosed receipts and payments account.

The Joint Liquidators' fees

4.11 It is the firm's practice to ensure that work is conducted by the appropriate staff member at the appropriate level of experience. Junior members of staff deal with the

day to day administration on cases and a manager and partner then oversees the work undertaken. Where the issues are complex and litigious, the work will be closely supervised or undertaken by a senior manager or partner.

4.12 The basis of the Joint Liquidators' fees was approved by creditors on 14 June 2016 in accordance with the following resolution:

"That the Joint Liquidators' remuneration, estimated to be £5,902 plus VAT, be fixed by reference to time properly given by the Joint Liquidators and their staff in attending to matters arising in the winding up, with authority to draw fees generally on account, as and when funds become available"

Summary of costs

- 4.13 The time costs for the period 14 June 2016 to 13 June 2017 total £4,923.00, representing 47.50 hours at an average hourly rate of £103.64. The time costs for the period are detailed at **Appendix IV**. A comparison between the original estimate and time costs to date is given at **Appendix II**.
- 4.14 Having regard for the costs that are likely to be incurred in bringing this Liquidation to a close, the Joint Liquidators consider that:
 - the original fees estimate is unlikely to be exceeded; and
 - the original expenses estimate is unlikely to be exceeded.

Joint Liquidators' Disbursements

- 4.15 The disbursements that have been incurred and not yet paid during the period are detailed on **Appendix V**. Also included in **Appendix V** is a comparison of the expenses likely to be incurred in the Liquidation as a whole with the original expenses estimate, together with reasons where any expenses are likely to exceed that estimate.
- 4.16 The category 1 disbursements paid for in the period 14 June 2016 to 13 June 2017 total £476.92 are detailed at **Appendix II** and represent the simple reimbursement of actual out of pocket payments made in relation to the assignment.
- 4.17 The category 2 disbursements for the period 14 June 2016 to 13 June 2017 total £205.00 and these may include an element of overhead charges in accordance with approval given by creditors on 14 June 2016. The basis of calculation of this category of disbursement was disclosed to creditors prior to the resolution being passed and is also detailed at **Appendix III**.
- 4.18 Information about this insolvency process may be found on the R3 website at http://www.creditorinsolvencyguide.co.uk/. A copy of 'A Creditors' Guide to Fees' together with the firm's charge-out rate and disbursement policy may be found at

www.uhy-uk.com. A hard copy of both the Creditors' Guide and the firm's charge-out rate and disbursement policy may be obtained on request.

5. CREDITORS

5.1 Irrespective of whether sufficient realisations are achieved to pay a dividend to creditors, the Joint Liquidators have had to carry out key tasks which are detailed in the list at **Appendix III**. The following sections explain the anticipated outcomes to creditors and any distributions paid.

Secured creditors

5.2 The Company had granted the following security: -

Type of charge	Date created	Beneficiary
Fixed & Floating	26/09/2013	FCT Enterprises Limited

5.3 The debt due to FCT Enterprises Limited (the secured creditor) at the date of appointment was made up of a loan, the total quantum of which was approximately £665,442 including charges and accruing interest. It is anticipated that asset realisations will not be sufficient to repay the secured creditor in full. The secured creditor has not received any funds as shown on the Receipts and Payments account at Appendix II.

Preferential creditors

5.4 There are no preferential creditors in this matter.

Dividend in relation to the Prescribed Part

- 5.5 Under the provisions of Section 176A of the Insolvency Act 1986 the Joint Liquidators must state the amount of funds available to unsecured creditors in respect of the prescribed part. This provision only applies where the Company has granted a floating charge to a creditor after 15 September 2003.
- 5.6 The Company granted a fixed and floating charge to FCT Enterprises Limited on 26 September 2013, however the Company's net property is less than the prescribed minimum (currently £10,000) and the Joint Liquidators think that the cost of distributing the prescribed part would be disproportionate to the benefits. Therefore there will be no prescribed part in this Liquidation.

Unsecured creditors

5.7 Unsecured creditors' claims, as per the Statement of Affairs totalled £134,405 and creditors have submitted claims amounting to £5,388.

5.8 As detailed above, there are insufficient realisations to warrant a dividend to any class of creditor.

6. CREDITORS' RIGHTS

- 6.1 An unsecured creditor may, with the permission of the court or with the concurrence of 5% in value of the unsecured creditors (including the creditor in question) request further details of the (insert officeholder)'s remuneration and expenses, within 21 days of receipt of this report. Any secured creditor may request the same details in the same time limit.
- 6.2 An unsecured creditor may, with the permission of the court or with the concurrence of 10% in value of the creditors (including the creditor in question), apply to court to challenge the amount and/or basis of the (insert officeholder)'s fees and the amount of any proposed expenses or expenses already incurred, within 8 weeks of receipt of this report. Any secured creditor may make a similar application to court within the same time limit.

7. EC REGULATIONS (WHETHER PROCEEDINGS ARE MAIN PROCEEDINGS OR TERRITORIAL)

7.1 The Company's centre of main interest was in the UK and their registered office was in 37-39 Welford Road, Leicester LE2 7AD and therefore it is considered that the EC Regulations will apply. These proceedings are main proceedings as defined in Article 3 of the EC Regulation.

8. CONCLUSION

- 8.1 The administration of the case has concluded and a final account will be issued shortly.
- 8.2 If you require any further information, please contact Lisa Portway of this office on 020 7216 4629.
