The company is entitled to exemption from audit under Section 477 of the Companies Act 2006 for the year ended 31 December 2017.

The members have not required the company to obtain an audit of its financial statements for the year ended 31 December 2017 in accordance with Section 476 of the Companies Act 2006.

The directors acknowledge their responsibilities for:

- (a) ensuring that the company keeps accounting records which comply with Sections 386 and 387 of the Companies Act 2006 and preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of each financial year and of its profit or loss for each financial year in accordance with the requirements of Sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the company.
- (b)

The financial statements have been prepared and delivered in accordance with the provisions of Part 15 of the Companies Act 2006 relating to small companies.

In accordance with Section 444 of the Companies Act 2006, the Income Statement has not been delivered.

The financial statements were approved by the Board of Directors on 18 May 2018 and were signed on its behalf by:

D L Sommer - Director

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2017**

1. STATUTORY INFORMATION

Kudos Innovations Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

The presentation currency of the financial statements is the Pound Sterling (£).

2. STATEMENT OF COMPLIANCE

These financial statements have been prepared in accordance with the provisions of Section 1A "Small Entities" of Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006.

3. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements have been prepared under the historical cost convention.

Significant judgements and estimates

No significant judgements or estimates have been used to arrive at the figures contained within these financial statements.

Turnover

Turnover represents revenue recognised, excluding value added tax.

Other income

Other income represents grants receivable.

Tangible fixed assets

Tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. Depreciation is provided on all tangible fixed assets, other than freehold land, at rates calculated to write off the cost, less estimated residual value, of each asset evenly over its expected useful life, as follows:

Office equipment - 25% on straight line

Computer equipment - 20% on reducing balance

Financial instruments

The company only enters into basic financial instruments transactions that result in the recognition of financial assets and liabilities like trade and other accounts receivable and payable, loans from banks and other third parties, loans to related parties and investments in non-puttable ordinary shares. Derivative financial instruments are initially recorded at cost and thereafter at fair value with changes recognised in the income statement.

Financial assets that are measured at cost and amortised cost are assessed at the end of each reporting period for objective evidence of impairment. If objective evidence of impairment is found, an impairment loss is recognised in the income statement.

For financial assets measured at cost less impairment, the impairment loss is measured as the difference between an asset's carrying amount and the best estimate, which is an approximation, of the amount that the company would receive for the asset if it were to be sold at the reporting date.

Financial assets and liabilities are offset and the net amount reported in the statement of financial position when there is an enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

3. ACCOUNTING POLICIES - continued

Taxation

Taxation for the year comprises current tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the statement of financial position date.

Tax credits disclosed on the income statement represent losses surrendered for research and development tax credits.

Research and development

Revenue expenditure on research and development is written off in the year in which it is incurred.

Foreign currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the statement of financial position date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at the operating result.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to profit or loss on a straight line basis over the period of the lease.

Pension costs and other post-retirement benefits

The company operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to profit or loss in the period to which they relate.

Going concern

The financial statements have been prepared on the going concern basis. During the year the company incurred losses but the directors were successful in raising additional investment. The directors have a reasonable expectation that the company has sufficient resources to meet its obligations if and when they become due. It is on this basis they consider the company should continue to adopt the going concern basis of accounting in preparing the financial statements.

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and demand deposits and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk to changes in value.

4. EMPLOYEES AND DIRECTORS

The average number of employees during the year was 15 (2016 - 14) .

9. CALLED UP SHARE CAPITAL

The Ordinary share capital of £146 is divided into the following classes.

Ordinary shares 9,000,000 shares of £0.00001 each

A1 Ordinary shares 1,800,073 shares of £0.00001 each

A2 Ordinary shares 3,835,330 shares of £0.00001 each

During the year the company issued 1,421,262 A2 Ordinary shares of £0.00001 each for a total consideration of £500,000.

The shares have attached to them full voting and dividend rights; however on a distribution of assets on a liquidation or a return of capital, Ordinary shares are ranked first, then A1 Ordinary shares followed by A2 Ordinary shares.

10. RELATED PARTY DISCLOSURES

During the year the company re-imbursed TBI Communications Limited £8,866 (2016 - £1,505) for expenses. The balance outstanding at the end of the year is nil. TBI Communications Limited is a company incorporated in England and Wales and is under the control of one of the directors.

All transactions with related parties are conducted at arm's length.
