CLS KINGS COURT LIMITED

DIRECTORS' REPORT

FOR THE YEAR ENDED 31 DECEMBER 2021

The Directors present their annual report and financial statements for the year ended 31 December 2021.

The Directors' Report has been prepared in accordance with the special provision relating to small companies under section 415a of the Companies Act 2006.

The Company has also taken advantage of the small companies' exemption not to prepare a Strategic Report.

Principal activities

The principal activity of the Company continued to be that of investment in commercial property.

On 1 January 2022, the CLS Holdings plc group converted its UK operations to a REIT. As a result of the conversion, the Company will pay no UK corporation tax on its UK property operations (rental income, gains on property sales and sales of companies owning UK property) which fall within the REIT regime from the 2022 financial year onwards.

Results and dividends

The results for the year are set out on page 8.

No dividends were paid (2020: £4,500,000). The Directors do not recommend payment of a final dividend (2020: nil).

Directors

The Directors who held office during the year and up to the date of signature of the financial statements were as follows:

David Fuller	(Appointed 1 July 2021)
Andrew Kirkman	
Alain Millet	
Simon Wigzell	(Resigned 30 June 2021)
Fredrik Widlund	

Directors' insurance

Qualifying third-party indemnity provisions (as defined in section 234 of the Companies Act 2006) are in force for the benefit of the Directors who held office in 2021. The ultimate parent company CLS Holdings plc maintains liability insurance for its Directors and Directors of its associated companies.

Future developments

At the date of approval of this report, the Directors do not intend to change the principal activities of the Company from those described above.

CLS KINGS COURT LIMITED

DIRECTORS' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2021

Statement of Directors' responsibilities

The Directors are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law) including Financial Reporting Standard 101 *Reduced Disclosure Framework*. Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company at the balance sheet date and of the profit or loss of the Company for the period ending on that date. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Auditor

Deloitte LLP served as auditor of the Company during the year.

Ernst & Young Limited was appointed as the auditor of CLS Holdings plc, the Company's ultimate parent undertaking, at its annual general meeting on 28th April 2022 and it is intended that Ernst & Young Limited will also be appointed as auditor to the Company during 2022.

Statement of disclosure to auditor

Each of the persons who is a Director at the date of approval of this report confirms that:

- so far as each Director is aware, there is no relevant audit information of which the Company's auditor is unaware; and
- the Directors have taken all the necessary steps that they ought to have taken as Directors in order to make themselves aware of all relevant audit information and to establish that the Company's auditor is aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of section 418 of the Companies Act 2006.

CLS KINGS COURT LIMITED

DIRECTORS' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2021

Principal risks and uncertainties

The Directors consider there are a number of potential risks and uncertainties which could have a material impact on the Company's performance and could cause the actual results to differ materially from expected or historical results; the management and mitigation of these risks are the responsibility of the Directors of the Company. The Company is a wholly-owned subsidiary of CLS Holdings plc (together with other subsidiaries, the "Group") and is managed on a day-to-day basis by employees of the Group. The principal risks and uncertainties facing the Company are broadly grouped as property investment risk, funding risk, political and economic risk, and COVID-19 pandemic risk.

Property Investment Risk

A cyclical downturn in the property market, changes in the supply of space and/or occupier demand or overall poor asset management could have a negative impact on the cash flows, profitability and net assets of the Company. To mitigate this risk, senior management of the Group have detailed knowledge of the market in which the Company operates through years of experience within the industry. Furthermore the Group has property managers who actively monitor the performance of the investment properties on a daily basis and report to the Directors.

Funding Risk

The unavailability of financing at acceptable prices, adverse interest rate movements or a breach in borrowing covenants may have a detrimental effect on the ability of the Company to meet its financial obligations. In order to mitigate this risk, the Group's treasury function closely monitors the performance of the Company and looks to limit its exposure through various financial hedging instruments.

Political and Economic Risk

To date, the Company has experienced little direct impact following the United Kingdom's exit from the European Union. However, it is harder to assess whether there have been indirect impacts. As noted by many commentators, including the World Economic Forum, the global level of uncertainty has increased. We continue to monitor whether additional risk mitigation actions need to be taken to counter greater expected increases in inflation and interest rates, and overall economic disruption.

COVID-19 Pandemic Risk

The COVID-19 pandemic presents several potential economic impacts including a potentially adverse risk in relation to collectability of future contracted rental income. To mitigate this risk, the Company will continue to leverage the in-house management model to maintain close links with our customers. Furthermore, the Company's policy of collecting rent in advance assists management identify which customers are most significantly impacted and where mitigating action may be required.

The Directors have considered the risks attached to the Company's financial instruments. The Company's exposure to price risk, credit risk, liquidity risk and cash flow risk is not considered material to the assessment of assets and liabilities in the financial statements. Further discussion of risks and uncertainties, in the context of the Group as a whole, is provided in the Group's annual report which does not form part of this report and can be found on www.clsholdings.com or from its registered address (see note 18).

CLS KINGS COURT LIMITED

DIRECTORS' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2021

Going concern

At the time of approving the financial statements, the Directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future despite the net current liability position at 31 December 2021. The Directors are in receipt of an unequivocal letter of support from the Parent Company confirming that sufficient funds will be available to ensure all liabilities are met as they fall due for a period of 12 months from the date of approval of the financial statements, so long as the Company is a wholly owned direct or indirect subsidiary of its current ultimate parent company (note 18). The Directors do not expect that the ownership of the Company will change in the foreseeable future. The Board of Directors of CLS Holdings plc have assessed the resilience of the Group particularly with reference to the impact of COVID-19. This assessment supports the ability of the Group to continue as a going concern. Thus the Directors continue to adopt the going concern basis of accounting in preparing the financial statements.

Approved by the Board and signed on its behalf

David Fuller

Company Secretary

CLS KINGS COURT LIMITED

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF CLS KINGS COURT LIMITED

Report on the audit of the financial statements

Opinion

In our opinion the financial statements of CLS Kings Court Limited (the "Company"):

- give a true and fair view of the state of the Company's affairs as at 31 December 2021 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice including Financial Reporting Standard 101 "Reduced Disclosure Framework"; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements which comprise:

- the statement of comprehensive income;
- the balance sheet;
- the statement of changes in equity; and
- the related notes 1 to 18.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 101 "Reduced Disclosure Framework" (United Kingdom Generally Accepted Accounting Practice).

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report.

We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the Financial Reporting Council's (the 'FRC's') Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

CLS KINGS COURT LIMITED

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

TO THE MEMBERS OF CLS KINGS COURT LIMITED

Responsibilities of Directors

As explained more fully in the Statement of Directors' responsibilities, the Directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Extent to which the audit was considered capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

We considered the nature of the company's industry and its control environment, and reviewed the Company's documentation of their policies and procedures relating to fraud and compliance with laws and regulations. We also enquired of management about their own identification and assessment of the risks of irregularities.

We obtained an understanding of the legal and regulatory frameworks that the company operates in, and identified the key laws and regulations that:

- had a direct effect on the determination of material amounts and disclosures in the financial statements. These included the UK Companies Act and tax legislation; and
- do not have a direct effect on the financial statements but compliance with which may be fundamental to the Company's ability to operate or to avoid a material penalty.

We discussed among the audit engagement team including relevant internal specialists such as tax and real estate specialists regarding the opportunities and incentives that may exist within the organisation for fraud and how and where fraud might occur in the financial statements.

As a result of performing the above, we identified the greatest potential for fraud in the following area, and our specific procedures performed to address it are described below:

- **Valuation of the investment property portfolio:** We obtained an understanding of the relevant controls in place and assessed management's process for reviewing the valuations of the property portfolio. We obtained the external valuation reports and met with the external valuers of the property portfolio to understand and challenge the valuation process, to discuss performance of the portfolio, and for a sample of properties discuss significant assumptions and critical judgement areas, including estimated rental values, yields and occupancy rates. We utilised the expertise of a real estate specialist, a chartered surveyor, for our challenge of the investment property valuations, in particular to analyse those assumptions applied in the valuation performed by the Company's valuers as well as the inputs used in the data supplied to the Company's valuers for the valuation process. We assessed, on a sample basis, the integrity of information provided to the valuers, relating to rental income, to evaluate whether it was consistent with the relevant leases.

CLS KINGS COURT LIMITED

INDEPENDENT AUDITOR'S REPORT (CONTINUED) TO THE MEMBERS OF CLS KINGS COURT LIMITED

In common with all audits under ISAs (UK), we are also required to perform specific procedures to respond to the risk of management override. In addressing the risk of fraud through management override of controls, we tested the appropriateness of journal entries and other adjustments; assessed whether the judgements made in making accounting estimates are indicative of a potential bias; and evaluated the business rationale of any significant transactions that are unusual or outside the normal course of business.

In addition to the above, our procedures to respond to the risks identified included the following:

- reviewing financial statement disclosures by testing to supporting documentation to assess compliance with provisions of relevant laws and regulations described as having a direct effect on the financial statements;
- performing analytical procedures to identify any unusual or unexpected relationships that may indicate risks of material misstatement due to fraud;
- enquiring of management and in-house legal counsel concerning actual and potential litigation and claims, and instances of non-compliance with laws and regulations; and
- reading minutes of meetings of those charged with governance and reviewing correspondence with HMRC.

Report on other legal and regulatory requirements

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Directors' report has been prepared in accordance with applicable legal requirements.

In the light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, we have not identified any material misstatements in the Directors' report.

Matters on which we are required to report by exception

Under the Companies Act 2006 we are required to report in respect of the following matters if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the Directors were not entitled to take advantage of the small companies' exemptions in preparing the Directors' Report and from the requirement to prepare a Strategic Report.

We have nothing to report in respect of these matters.

Use of our report

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

CLS KINGS COURT LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2021

1 Accounting policies

Company information

CLS Kings Court Limited is a private company limited by shares, incorporated in the United Kingdom under the Companies Act 2006, and registered in England. The registered office is 16 Tinworth Street, London, SE11 5AL.

1.1 Accounting convention

The Company meets the definition of a qualifying entity under Financial Reporting Standard 100 (FRS 100) issued by the Financial Reporting Council. These financial statements were prepared in accordance with FRS 101 *Reduced Disclosure Framework* as issued by the Financial Reporting Council.

The nature of the Company's operations and its principal activities are set out in the Directors' report on page 1.

The financial statements have been prepared on the historical cost basis except for the revaluation of investment properties. The principal accounting policies adopted are set out below. Historical cost is generally based on the fair value of the consideration given in exchange for the goods and services. Fair value is the price that would be received to sell the asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique.

These financial statements are presented in pounds sterling because that is the currency of the primary economic environment in which the Company operates.

As permitted by FRS 101, the Company has taken advantage of the disclosure exemptions in relation to share based payments, financial instruments, capital management, fair value measurements, presentation of a cash flow statement, presentation of comparative information in respect of certain assets, standards not yet effective, impairment of assets, business combinations, discontinued operations and related party transactions.

Where required, equivalent disclosures are given in the group accounts of CLS Holdings plc. The group accounts of CLS Holdings plc are available to the public and can be obtained as set out in note 18.

1.2 Going concern

At the time of approving the financial statements, the Directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future despite the net current liability position at 31 December 2021. The Directors are in receipt of an unequivocal letter of support from the Parent Company confirming that sufficient funds will be available to ensure all liabilities are met as they fall due for a period of 12 months from the date of approval of the financial statements, so long as the Company is a wholly owned direct or indirect subsidiary of its current ultimate parent company (note 18). The Directors do not expect that the ownership of the Company will change in the foreseeable future. The Board of Directors of CLS Holdings plc have assessed the resilience of the Group particularly with reference to the impact of COVID-19. This assessment supports the ability of the Group to continue as a going concern. Thus the Directors continue to adopt the going concern basis of accounting in preparing the financial statements.

CLS KINGS COURT LIMITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2021

1 Accounting policies

(Continued)

1.3 Turnover

Turnover comprises the total value of rents from operating leases and is recognised on a straight-line basis over the lease term. The cost of incentives is recognised over the lease term, on a straight-line basis, as a reduction of rental income. Rents received in advance are shown as deferred income.

Service charge income is recognised in the accounting period in which the associated maintenance services are rendered. Any tenant contributions received above the cost of the services rendered in the accounting period are deferred.

1.4 Investment property

Investment properties are those properties held for long-term rental yields or for capital appreciation or both. Investment properties are measured initially at cost, including related transaction costs. Additions to investment properties comprise costs of a capital nature; in the case of investment properties under development, these include capitalised interest and certain staff costs directly attributable to the management of the development. Capitalised interest is calculated at the rate on associated borrowings applied to direct expenditure between the date of gaining planning consent and the date of practical completion. Investment properties are carried at fair value, based on market value as determined by professional external valuers at the balance sheet date. Changes in fair value are recognised in profit or loss before tax.

Acquisitions and disposals of investment property are recognised when control has been transferred, typically on unconditional exchange of contracts or when legal title passes. Gains or losses on the sale of investment property (calculated as the difference between net proceeds and the carrying amount of the asset) is included in profit or loss before tax in the period in which the property is sold.

1.5 Cash and cash equivalents

Cash and cash equivalents comprise cash in hand, demand deposits and other short-term highly liquid investments which are readily convertible to a known amount of cash and are subject to an insignificant risk of changes in value.

1.6 Financial assets

Financial assets are recognised in the Company's balance sheet when the Company becomes party to the contractual provisions of the instrument.

Financial assets are classified into specified categories. The classification depends on the nature and purpose of the financial assets and is determined at the time of recognition.

Financial assets are initially measured at fair value plus transaction costs, other than those classified as fair value through profit and loss, which are measured at fair value.

Loans and receivables

Trade and other receivables are recognised initially at fair value. Subsequently they are measured at amortised cost with a recognised loss allowance for expected credit losses which is measured at an amount equal to the lifetime expected credit loss. An impairment provision is created where there is objective evidence that the Company will not be able to collect the receivable in full.

Impairment of financial assets

Financial assets, other than those at fair value through profit and loss, are assessed for indicators of impairment at each balance sheet date.

Financial assets are impaired where there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flows of the investment have been affected.

CLS KINGS COURT LIMITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2021

1 Accounting policies

(Continued)

Derecognition of financial assets

Financial assets are derecognised only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership to another entity.

1.7 Financial liabilities

Financial liabilities are classified as either financial liabilities at fair value through profit and loss or other financial liabilities. Trade and other payables are stated at cost, which equates to fair value.

Other financial liabilities

Other financial liabilities, including borrowings, are initially measured at fair value, net of transaction costs. They are subsequently measured at amortised cost using the effective interest method, with interest expense recognised on an effective yield basis.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments through the expected life of the financial liability to the net carrying amount on initial recognition.

Derecognition of financial liabilities

Financial liabilities are derecognised when the Company's obligations are discharged or cancelled, or when they expire.

1.8 Equity instruments

Equity instruments issued by the Company are recorded at the proceeds received, net of direct issue costs. Dividends payable on equity instruments are recognised as liabilities once they are no longer at the discretion of the Company.

1.9 Taxation

The tax expense represents the sum of the tax currently payable and deferred tax.

Current tax

Current tax is based on taxable profit or loss for the year and is calculated using tax rates that have been enacted or substantively enacted by the balance sheet date.

Deferred tax

The amount of deferred tax provided is based on the expected manner of realisation or settlement of the carrying amount of assets and liabilities, and is calculated using rates that are expected to apply in the period when the liability is settled or the asset is realised. Deferred tax is charged or credited in arriving at profit after tax, except when it relates to items recognised in other comprehensive income, in which case the deferred tax is recognised in other comprehensive income.

Deferred tax assets are recognised only to the extent that it is probable that future taxable profits will be available against which the assets can be used. The deferred tax assets and liabilities are only offset if there is a legally enforceable right of set-off and the Company intends to settle its current tax assets and liabilities on a net basis.

CLS KINGS COURT LIMITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2021

1 Accounting policies

(Continued)

1.10 Leases

When the Company is a lessee, a right-of-use asset and a lease liability is recognised for all leases except leases with a lease term of less than 12 months or with a low underlying asset value.

When the Company is a lessor, leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessees. All other leases are classified as operating leases.

Rental income from operating leases is recognised on a straight line basis over the term of the relevant lease.

2 Adoption of new and revised standards and changes in accounting policies

No new accounting standards, amendments to accounting standards, or IFRIC interpretations that were effective for the year ended 31 December 2021 have had an impact on the Company.

3 Critical accounting estimates and judgements

The Directors have considered the judgements that have been made in the process of applying the Company's accounting policies, which are described in note 1, and which of those judgements have the most significant effect on amounts recognised in the financial statements.

In the Directors' opinion for the year ended 31 December 2021 there are no accounting judgements that are material to the financial statements.

Key areas of estimation uncertainty

The Company uses the valuations performed by its independent external valuers as the fair value of its investment properties. The valuations are based upon assumptions including future rental income, anticipated maintenance costs, future development costs and an appropriate discount rate. The valuers also make reference to market evidence of transaction prices for similar properties, see note 10.

4 Turnover

An analysis of the Company's turnover is as follows:

	2021 £	2020 £
Rental income	396,372	149,647
Service charge income	193,212	36,025
Dilapidation income	100,000	-
	<u>689,584</u>	<u>185,672</u>

Geographical market

Revenue arose wholly within the United Kingdom.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2021

9 Tax on loss

(Continued)

The rate of corporation tax for the year beginning 1 January 2021 was 19%. The weighted average corporation tax rate for the year ended 31 December 2021 was 19% (2020: 19%).

The standard rate of UK corporation tax will increase from the current 19% to 25% from 1 April 2023. CLS Holdings plc elected into the UK REIT regime from 1 January 2022. As a result, no corporation tax should be due on future income or capital gains in respect of investment properties within the REIT group, of which the Company is a member. As such, the tax rate increase will not impact the Company's tax charge.

The tax charge/(credit) for the year can be reconciled to the statement of comprehensive income as follows:

	2021 £	2020 £
Loss before taxation	(883,175)	(726,883)
Expected tax credit based on a corporation tax rate of 19% (2020: 19%)	(167,803)	(138,108)
Expenses not deductible	-	27
Adjustment in respect of prior years	21,006	(17,744)
Capital allowances	(5,581)	-
Non deductible loss on property revaluation	156,834	-
Release of deferred tax on entry into REIT regime	147,393	-
Tax charge/(credit) for the year	151,849	(155,825)

10 Investment property

	£
Fair value	
At 1 January 2021	6,975,000
Additions	575,444
Revaluation of investment property	(825,444)
At 31 December 2021	6,725,000

The investment property was revalued at 31 December 2021 to its fair value, based on current prices in an active market for all properties. The property valuations were carried out by Cushman & Wakefield who are external, independent, professional qualified valuers. The valuation, which conforms to International Valuation Standards, was arrived at by reference to market evidence of transaction prices for similar properties.

Property valuations are complex and require a degree of judgement and are based on data which is not publicly available. Consistent with EPRA guidance, we have classified the valuations of our property portfolio as level 3 as defined by IFRS 13. Inputs into the valuations include equivalent yields and rental income and are described as 'unobservable' under the definition in IFRS 13. All other factors remaining constant, an increase in rental income would increase valuations, whilst an increase in equivalent nominal yield would result in a fall in value, and vice versa.

The historical cost of investment property was £8,357,543 (2020: £7,782,099).

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2021

16 Operating lease commitments

Lessor

At the balance sheet date the Company had contracted to receive the following future minimum lease payments from tenants:

	2021 £	2020 £
Within one year	336,437	222,422
Between one and five years	709,167	658,472
In over five years	307,137	471,755
	<u>1,352,741</u>	<u>1,352,649</u>

Operating leases where the Company is the lessor are typically negotiated on a tenant-by-tenant basis and include break clauses and indexation provisions. Rental income earned during the year was £396,372 (2020: £149,647) and direct operating expenses arising on the properties in the year was £494,552 (2020: £149,224). The lessees do not have an option to purchase the property at the expiry of the lease period.

17 Post balance sheet events

On 1 January 2022, the CLS Holdings plc group converted its UK operations to a REIT. As a result of the conversion, the Company will pay no UK corporation tax on its UK property operations (rental income, gains on property sales and sales of companies owning UK property) which fall within the REIT regime from the 2022 financial year onwards.

18 Controlling party

The Directors consider that the immediate parent undertaking is CLS UK Property Finance Limited, with registered address of 16 Tinworth Street, London, SE11 5AL and the smallest group into which the Company is consolidated for the year ended 31 December 2021. The financial statements of the group are publicly available through Companies House. The ultimate parent undertaking and ultimate controlling party is CLS Holdings plc, which is incorporated in the United Kingdom, and the largest group that financial statements of the Company are consolidated for the year ended 31 December 2021. Copies of the Group financial statements are publicly available and may be obtained from its registered address, CLS Holdings plc, 16 Tinworth Street, London, SE11 5AL.
