Statement of directors' responsibilities in respect of the directors' report and the financial statements

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations. Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK accounting standards and applicable law (UK generally accepted accounting practice), including Financial Reporting Standard 101 Reduced Disclosure Framework.

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

Independent auditor's report to the members of Carillion Private Finance (Health) 2013 Limited

We have audited the financial statements of Carillion Private Finance (Health) 2013 Limited for the year ended 31 December 2016 set out on pages 7 to 12. The financial reporting framework that has been applied in their preparation is applicable law and UK Accounting Standards (UK Generally Accepted Accounting Practice), including FRS 101 Reduced Disclosure Framework.

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Directors' Responsibilities Statement set out on page 4, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit, and express an opinion on, the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

A description of the scope of an audit of financial statements is provided on the Financial Reporting Council's website at www.frc.org.uk/auditscopeukprivate.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2016 and of its result for the period then ended;
- have been properly prepared in accordance with UK Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year is consistent with the financial statements.

Based solely on the work required to be undertaken in the course of the audit of the financial statements and from reading the Directors Report:

- we have not identified material misstatements in that report; and
- in our opinion, that report has been prepared in accordance with the Companies Act 2006.

Independent auditor's report to the members of Carillion Private Finance (Health) 2013 Limited (Continued)

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to take advantage of the small companies exemption from the requirement to prepare a strategic report.

Notes

(forming part of the financial statements)

1. Principal accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements:

Carillion Private Finance (Health) 2013 Limited is a company incorporated and domiciled in the UK.

Basis of accounting

These financial statements were prepared in accordance with Financial Reporting Standard 101 Reduced Disclosure Framework ("FRS 101"). The amendments to FRS 101 (2014/15 Cycle) issued in July 2015 and effective immediately have been applied.

In preparing these financial statements, the Company applies the recognition, measurement and disclosure requirements of International Financial Reporting Standards as adopted by the EU ("Adopted IFRSs"), but makes amendments where necessary in order to comply with Companies Act 2006 and has set out below where advantage of the FRS 101 disclosure exemptions has been taken.

In these financial statements, the company has applied the exemptions available under FRS 101 in respect of the following disclosures:

- a Cash Flow Statement and related notes;
- Comparative period reconciliations for share capital
- Disclosures in respect of transactions with wholly owned subsidiaries;
- Disclosures in respect of capital management;
- The effects of new but not yet effective IFRSs;
- An additional balance sheet for the beginning of the earliest comparative period following the retrospective change in accounting policy
- Disclosures in respect of the compensation of Key Management Personnel; and
- Disclosures of transactions with a management entity that provides key management personnel services to the company.

Where relevant, equivalent disclosures have been presented in the group accounts of Carillion plc.

As the consolidated financial statements of Carillion Plc include the equivalent disclosures, the Company has also taken the exemptions under FRS 101 available in respect of the following disclosures:

- Certain disclosures required by IFRS 13 Fair Value Measurement and the disclosures required by IFRS 7 Financial Instrument Disclosures.

The Company's ultimate parent undertaking, Carillion plc, includes the Company in its consolidated financial statements. The consolidated financial statements of Carillion plc are prepared in accordance with International Financial Reporting Standards and are available to the public and may be obtained from 84 Salop Street, Wolverhampton, WV3 0SR, United Kingdom.

The Company proposes to continue to adopt the reduced disclosure framework of FRS 101 in its next financial statements.

The accounting policies set out below have, unless otherwise stated, been applied consistently to all periods presented in these financial statements.

No judgements have been made by the directors, in the application of these accounting policies that have significant effect on the financial statements and there are no estimates with a significant risk of material adjustment in the next year.

The financial statements are prepared on the historical cost basis except that the following assets and liabilities are stated at their fair value

Notes (continued)

1. Principal accounting policies (continued)

1.1 Going concern

The company participates in the group's centralised treasury arrangements and so shares banking arrangements with its parent and fellow subsidiaries. The directors, having assessed the responses of the directors of the company's ultimate parent Carillion plc to their enquiries have no reason to believe that a material uncertainty exists that may cast significant doubt about the ability of the Carillion group to continue as a going concern or its ability to continue with the current banking arrangements. As with any company placing reliance on other group entities for financial support, the directors acknowledge that there can be no certainty that this support will continue, although, at the date of approval of these financial statements, they have no reason to believe that it will not do so.

Based on this undertaking the directors believe that it remains appropriate to prepare the financial statements on a going concern basis. The financial statements do not include any adjustments that would result in the basis of preparation being inappropriate.

1.2 Group financial statements

These financial statements present information about the company as an individual company and not about its group. The company is exempt under section 400 of the Companies Act 2006 from the obligation to prepare group financial statements and to deliver them to the Registrar of Companies as it is a wholly owned subsidiary undertaking of another UK corporate body, which prepares consolidated financial statements.

1.3 Non-derivative financial instruments

Investments in debt and equity securities

Investments in jointly controlled entities, associates and subsidiaries are carried at cost less impairment

Interest-bearing borrowings

Interest-bearing borrowings are recognised initially at fair value less attributable transaction costs. Subsequent to initial recognition, interest-bearing borrowings are stated at amortised cost using the effective interest method, less any impairment losses.

1.4 Expenses

Interest payable and similar charges include interest payable

Interest income and interest payable are recognised in profit or loss as they accrue, using the effective interest method.

Dividend income is recognised in the profit and loss account on the date the company's right to receive payments is established. Dividends on shares are only recognised as a liability at the balance sheet date to the extent that they are declared prior to year end. Unpaid dividends that do not meet this criteria are disclosed in the notes to the financial statements.

1.5 Taxation

Tax comprises current and deferred tax. Income tax is recognised in the profit and loss account except to the extent that it relates to items directly in equity, in which case it is recognised in equity or other comprehensive income

Current tax is the expected tax payable on the taxable income for the year, using tax rates enacted or substantively enacted at the balance sheet date, and any adjustment to tax payable in respect of previous years.

Deferred tax is provided using the balance sheet liability method, providing for temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. The amount of deferred tax provided is based on the expected manner of realisation or settlement of the carrying amount of the assets and liabilities, using tax rates enacted or substantively enacted at the balance sheet date.

A deferred tax asset is recognised only to the extent that it is probable that future taxable profits will be available against which the asset can be utilised. Deferred tax assets are reduced to the extent that it is no longer probable that the related tax benefit will be realised.

2. Directors, employees and auditor's fee

During the period the company had no employees other than its directors, none of whom received or waived any remuneration.

The audit fee for the year ended 31 December 2016, amounting to £1,340 was borne by Carillion Construction Limited, a fellow group subsidiary.

Fees paid to the company's auditor, KPMG LLP, and its associates for services other than the statutory audit of the company are not disclosed in these financial statements since the consolidated financial statements of the company's parent, Carillion plc, are required to disclose non-audit fees on a consolidated basis.

7. Related party transactions

As a wholly-owned subsidiary of Carillion plc, the company has taken advantage of the exemption under FRS 101 not to provide information on related party transactions with other undertakings within the Carillion Group. Note 8 gives details of how to obtain a copy of the published financial statements of Carillion plc.

The company had no related party transactions with participating interests during the current or prior year.

8. Ultimate Parent Company and Parent company of a larger group

The Company is controlled by Carillion Private Finance Limited being the Company's intermediate parent undertaking.

The Company is a subsidiary undertaking of Carillion Plc which is the ultimate parent company in the United Kingdom.

The largest group in which the results of the Company are consolidated is that headed by Carillion Plc, incorporated in the United Kingdom. No other group financial statements include the results of the Company. The consolidated financial statements of these groups are available to the public and may be obtained from 84 Salop Street, Wolverhampton, WV3 0SR, United Kingdom.

9. Subsequent Events

There have been no subsequent events in the current financial year.
