TRUSTEES' REPORT
FOR THE YEAR ENDED 31 DECEMBER 2018

Achievements and performance

The Charity received donations from generous donors to meet the costs of the Charity. During the year the Charity began the process of setting up a UK office in order to start fundraising to support the Al Basar International Foundation movement. As such the Charity employed its first member of staff in the year and obtained legal and professional advice in order to ensure the Charity is properly established and governed as it grows its fundraising activities.

Financial review

The Trustees view the future operations of the Charity as being an internationally based Charity. As such the Trustees have elected to present the financial statements in the functional currency of US Dollars.

During the year the Charity raised funds of \$1,072 from donations from individuals, against 2017 \$11,773 donations. The Charity also received donations of \$77,643 from the Al Basar International Foundation, Dubai. The Charity expended funds of \$54,831 (2017: \$17,111) in establishing its UK office and on professional advice.

As a result, the Charity made a surplus of \$23,890 in the year. Funds carried forward at the year end were \$38,287.

Reserves policy & going concern

At the year end the charity held unrestricted reserves of \$38,287. The Trustees are in the process of formalising a reserve policy.

Plans for future periods

The Charity will work closely with the Al Basar International Foundation (Dubai) in order to commence, in full, its fundraising and charitable activities within the UK.

INDEPENDENT EXAMINER'S REPORT
FOR THE YEAR ENDED 31 DECEMBER 2018

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF AL BASAR INTERNATIONAL FOUNDATION (the 'Charity')

I report to the charity Trustees on my examination of the accounts of the Charity for the year ended 31 December 2018.

This report is made solely to the Charity's Trustees in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the Charity's Trustees those matters I am required to state to them in an Independent Examiner's Report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Charity and the Charity's Trustees for my work or for this report.

RESPONSIBILITIES AND BASIS OF REPORT

As the Trustees of the Charity (and its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the Charity's accounts carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

INDEPENDENT EXAMINER'S STATEMENT

I have completed my examination. I can confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Charity as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Signed:

Dated: 5 July 2019.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2018

1. ACCOUNTING POLICIES (continued)

1.5 Support costs allocation

Support costs are those that assist the work of the Charity but do not directly represent charitable activities and include office costs and governance costs. They are incurred directly in support of expenditure on the objects of the Charity and include project management carried out at Headquarters. Where support costs cannot be directly attributed to particular headings they have been allocated to expenditure on raising funds and expenditure on charitable activities on a basis consistent with use of the resources. Governance costs are those incurred in connection with the running of the Charity and compliance with constitutional and statutory requirements.

Raising funds costs are those incurred in seeking voluntary contributions and do not include the costs of disseminating information in support of the charitable activities.

The analysis of these costs is included in Note 5.

1.6 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the Bank.

1.7 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered.

1.8 Cash at Bank and in hand

Cash at bank and in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

1.9 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the Charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide. Provisions are measured at the best estimate of the amounts required to settle the obligation.

1.10 Financial instruments

The Charity only holds basic Financial Instruments. The financial assets and financial liabilities of the Charity are as follows:

Cash at bank – is classified as a basic financial instrument and is measured at face value.
