Elster Gas Holdings Limited
Strategic Report for the period from 22 October 2013 to 31 December 2013

The Directors present their strategic report for the period from 22 October 2013 to 31 December 2013.

Principal activity

The principal activity of the company is to act as a Holding company. The Directors do not expect any change in this activity in the foreseeable future.

Fair review of the business

The operating loss for the period ended 31 December 2013 was £9,000. The retained loss for the period ended 31 December 2013 was £9,000.

The Company was incorporated on 22 October 2013.

These financial statement cover the period from 22nd October 2013 to 31 December 2013 and no comparative information has been presented.

The Company considers its key performance indicators to be in line with those of Melrose Industries PLC as disclosed in the Strategic Report of the 2013 Annual Report.

Principal risks and uncertainties

The Company's activities expose it to a number of financial risks including credit risk and liquidity risk.

Credit risk

The Company's credit risk is primarily attributable to its receivables from other Group undertakings. The amounts presented in the Balance Sheet are net of allowances for doubtful receivables. An allowance for impairment is made where there is an identified loss event which, based on previous experience, is evidence of a reduction in the recoverability of the cash flows.

Liquidity risk

In order to maintain liquidity to ensure that sufficient funds are available for ongoing operations and future developments, the Company ensures regular communication with other Group companies.

Going concern

The Directors have considered the going concern assumption given the current uncertain economic climate and have reviewed the Company forecast for the foreseeable future. After making enquiries and considering the above facts, the Directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the financial statements.

Approved by the Board on 10 June 2014 and signed on its behalf by:

.....
G E Barnes
Director

Elster Gas Holdings Limited
Directors' Report for the period from 22 October 2013 to 31 December 2013

The Directors present their report and the audited financial statements for the period from 22 October 2013 to 31 December 2013.

Directors of the company

The directors who held office during the period were as follows:

G E Barnes (appointed 22 October 2013)

J Crawford (appointed 22 October 2013)

Dividends

The Directors do not recommend the payment of a dividend in the period.

Directors' indemnities

The ultimate parent undertaking has indemnified one or more Directors of the Company against liability in respect of proceedings brought by third parties, subject to the conditions set out in the Companies Act 2006. Such qualifying third party indemnity provision was in force throughout the period and at the date of this report.

Disclosure of information to the auditor

Each director has taken steps that they ought to have taken as a director in order to make themselves aware of any relevant audit information and to establish that the company's auditor is aware of that information. The directors confirm that there is no relevant information that they know of and of which they know the auditor is unaware.

This confirmation is given and should be interpreted in accordance with the provisions of s418 of the Companies Act 2006.

Approved by the Board on 10 June 2014 and signed on its behalf by:

.....
G E Barnes
Director

Elster Gas Holdings Limited

Statement of Directors' Responsibilities

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Elster Gas Holdings Limited

Independent Auditor's Report to the members of Elster Gas Holdings Limited

We have audited the financial statements of Elster Gas Holdings Limited for the period from 22 October 2013 to 31 December 2013, set out on pages 7 to 15. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Statement of Directors' Responsibilities (set out on page 4), the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Annual Report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on the financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2013 and of its loss for the period then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Strategic Report and the Directors' Report for the financial period for which the financial statements are prepared is consistent with the financial statements.

Elster Gas Holdings Limited
Independent Auditor's Report to the members of Elster Gas Holdings Limited

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Elster Gas Holdings Limited
Notes to the Financial Statements for the Period from 22 October 2013 to 31 December 2013

1 Accounting policies

The principal accounting policies are summarised below. They have all been applied consistently.

Basis of preparation

The financial statements have been prepared under the historical cost convention, in accordance with applicable United Kingdom law and accounting standards, and on a going concern basis as described in the Strategic Report.

Exemption from preparing a cash flow statement

The company is exempt from preparing a cash flow statement as 90% or more of the voting rights are held within the group.

Exemption from preparing group accounts

The company has taken advantage of the exemption provided by Section 400 of the Companies Act 2006 and has not prepared group accounts.

Going concern

The Directors have considered the going concern assumption given the current uncertain economic climate and have reviewed the Company forecast for the foreseeable future. After making enquiries and considering the above facts, the Directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the financial statements.

Impairment

Fixed assets (including investments) are reviewed for impairment when changes in circumstances or events indicate that the carrying value of the fixed assets may not be recoverable. An impairment loss is recognised where the recoverable amount is less than the carrying value.

Fixed asset investments

The Company's investments in shares in Group companies are stated at cost less provision for impairments in value. Income received from investments is credited to the Profit and Loss account on a receivables basis.

Elster Gas Holdings Limited
Notes to the Financial Statements for the Period from 22 October 2013 to 31 December 2013

1 Accounting policies (continued)

Taxation

Current tax, including UK corporation tax and foreign tax, is provided at amounts expected to be paid or recovered using the tax rates and laws that have been enacted or substantively enacted by the Balance Sheet date.

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the Balance Sheet date where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the Balance Sheet date. Timing differences are differences between the Company's taxable profits and its results as stated in the financial statements that arise from the inclusion of gains and losses in tax assessments in periods different from those in which they are recognised in the financial statements.

A net deferred tax asset is regarded as recoverable and therefore recognised only when, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax is not recognised when fixed assets are revalued unless by the Balance Sheet date there is a binding agreement to sell the revalued asset and the gain or loss expected to arise on sale has been recognised in the financial statements. Neither is deferred tax recognised when fixed assets are sold and it is more likely than not that the taxable gain will be rolled over, being charged to tax only if and when the replacement assets are sold.

Deferred tax is measured at the average rates that are expected to apply in the periods in which the timing differences are expected to reverse, based on tax rates and laws that have been enacted or substantively enacted by the Balance Sheet date. Deferred tax is measured on a non-discounted basis.

Foreign currency

Transactions in foreign currencies are translated at the foreign exchange rate ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies at the Balance Sheet date are translated to sterling at the foreign exchange rate ruling at that date. Foreign exchange differences arising on translation are recognised in the Profit and Loss Account with the exception of differences on foreign currency borrowings, to the extent that they are used to finance or provide a hedge against foreign equity investments, which are taken directly to reserves together with the exchange difference on the carrying amount on the related investments. Tax charges and credits attributable to exchange differences on those borrowings are also dealt with in reserves.

Non-monetary assets and liabilities that are measured in terms of historical cost in a foreign currency are translated using the exchange rate at the date of the transaction. Non-monetary assets and liabilities denominated in foreign currencies that are stated at fair value are translated at the foreign exchange rates ruling at the dates the fair values were determined.

Financial instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities. Where shares are issued, any component that creates a financial liability of the company is presented as a liability in the balance sheet. The corresponding dividends relating to the liability component are charged as interest expense in the profit and loss account.

Elster Gas Holdings Limited
Notes to the Financial Statements for the Period from 22 October 2013 to 31 December
2013

2 Operating loss

Operating loss is stated after charging/(crediting):

	22 October 2013 to 31 December 2013 £ 000
Foreign currency losses	<u>9</u>

3 Auditor's remuneration

The fees payable to the Company's auditor for the audit of the financial statements of £1,000 were borne by a fellow Group undertaking.

4 Particulars of employees

The Company did not have any employees in the current period.

5 Directors' remuneration

The Directors received no remuneration for their services to the Company during the period. The Directors of the Company who served during the period were also Directors of a number of the companies within the Melrose Group and as such remuneration of directors is borne by a fellow company.
