Report of the Directors for the Year Ended 31 December 2022

The directors present their report with the financial statements for the year ended 31 December 2022.

PRINCIPAL ACTIVITY

The company is not a trading company. The principal activity of the company is the management of land and property.

As part of the management of that land and property, service charges are collected from lessees to meet the costs of managing and maintaining the land and property. Service charges are held in trust for the benefit of the lessees. Accordingly, the service charge income and expenditure is excluded from the company's financial statements and separate service charge accounts are prepared.

D Smith

R Evans

G Gusterson resigned as director on 31 March 2022.

J Parker resigned as director on 01 April 2022.

R Williams and P James were appointed as directors after 31 December 2022 but prior to the date of this report (appointed 16 February and 17 March 2023 respectively).

P Robins was appointed as a director on 12 May 2022 and resigned as a director after 31 December 2022 but prior to the date of this report (resigned 31 January 2023).

The company is limited by guarantee and therefore has no share capital.

GOING CONCERN

The financial position of the company is set out in the Balance Sheet and the accompanying Notes to the Financial Statements.

The company has satisfactory financial resources to fulfil the requirements of the principal activity. As a consequence, the directors believe that the company is well placed to manage its business risks successfully despite the current uncertain economic outlook. After making enquiries, the directors have a reasonable expectation that the company has adequate resources to continue in existence for the foreseeable future. Thus, they continue to adopt the going concern basis in preparing the annual financial statements. In doing so, the directors have considered the latest guidelines from the Financial Reporting Council regarding the preparation of financial statements on a going concern basis.
