NOTES TO THE FINANCIAL STATEMENTS for the Year Ended 30 November 2019

1. STATUTORY INFORMATION

Estate Research Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

these financial statements have been prepared in accordance with the provisions of Section 1A "Small Entities" of Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

The disclosure requirements of section 1a of FRS 102 have been applied other than where additional disclosure is required to show a true and fair view.

The principal accounting policies adopted in the preparation of the financial statements are set out below.

Turnover

Turnover is recognised at the fair value of the consideration received or receivable for goods and services provided and is shown net of value added tax.

Turnover for the provision of services is recognised at the point that the service is provided.

Goodwill

Goodwill, being the amount paid in connection with the acquisition of a business in 2013, is being amortised evenly over its estimated useful life of five years.

Intangible assets

Intangible assets are initially measured at cost. After initial recognition, intangible assets are measured at cost less any accumulated amortisation and any accumulated impairment losses.

Tangible fixed assets

Tangible fixed assets are stated cost less accumulated depreciation and impairment losses.

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life;

Plant and machinery etc - 25% on reducing balance and 33% straight line Land and buildings - 2% straight line

Work in progress

Work in progress is valued at the lower of cost and net realisable value.

Financial instruments

The company has elected to apply the provisions of FRS 102 Section 11 'Basic Financial Instruments' to all of its financial instruments.

The following assets and liabilities are classified as financial instruments; bank accounts, trade debtors, directors' loan accounts, trade creditors and accruals.

Financial instruments that are payable or receivable within one year, typically bank accounts, trade debtors, directors' loan accounts, trade creditors and accruals are measured initially and subsequently at the undiscounted amount of the cash or other consideration that is expected to be paid or received.

2. ACCOUNTING POLICIES - continued

Taxation

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the statement of financial position date.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the statement of financial position date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Leasing commitments

Rentals paid under operating leases are charged to profit or loss on a straight line basis over the period of the lease.

Pension costs and other post-retirement benefits

The company operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to profit or loss in the period to which they relate.

3. EMPLOYEES AND DIRECTORS

The average number of employees during the year was 18 (2018 - 16).
