1. Progress of the liquidation

Work undertaken during the Period and work yet to be completed

I attach at **Appendix C** a schedule of work undertaken during the Period together with a summary of work still to be completed.

Highlights include:

- Reviewing the Company's available books and records and other information to identify any assets that may be available to realise for the benefit of the insolvency estate.
- Assisting HMRC with general enquiries and their ongoing investigations;
- Realising the sum of £15,769.16 representing a sundry refund.

Receipts and payments account

Attached at **Appendix B** is a receipts and payments account detailing both transactions for the Period.

Investigations

Part of my duties include carrying out proportionate investigations into what assets the Company has, including any potential claims that could be brought by the Company or by me in my capacity as Liquidator against any party which could result in a benefit to the estate. I have reviewed the Company's available books and records and accounting information, requested further information from the director, and invited creditors to provide information on any concerns they have concerning the way in which the Company's business has been conducted.

Further details of the conduct of my investigations are set out in the schedule of work attached. A report has been submitted to the Department of Business, Energy and Industrial Strategy and I can confirm that our review is ongoing.

2. Estimated outcome for the creditors

The estimated outcome for creditors is as follows:

Outcome for Secured Creditors

There are no secured creditors in this matter.

Preferential Creditors

There are no preferential creditors in this matter.

Unsecured Creditors

Unsecured creditors were estimated at £993,356 and I have received claims totalling £2,081,242.30 from unsecured creditors in these proceedings.

It is currently estimated that there will not be sufficient funds available to pay a distribution to the unsecured creditors in this matter.

The Prescribed Part

In accordance with the Insolvency Act 1986, the prescribed part is an element of net realisations due to the floating charge holder which is made available for unsecured creditors (subject to the floating charge post-dating 15 September 2003).

As there is no floating charge the prescribed part does not apply in this instance.

3. Liquidators' remuneration, disbursements and expenses

Liquidators' remuneration

To date no approval of the Liquidators' remuneration has been sought from creditors. Approval of the Liquidators' remuneration will be sought subsequent to the circulation of this report.

Liquidators' disbursements

The Liquidators' disbursements are a recharge of actual costs incurred by the Liquidator in dealing with this matter. Mileage payments made for expenses relating to the use of private vehicles for business travel, which is directly attributable to the insolvency estate, are paid by FRP Advisory at the HMRC approved mileage rate prevailing at the time the mileage was incurred. Details of disbursements incurred during the Period are set out in **Appendix D**.

Expenses of the liquidation

An estimate of the Liquidators' expenses was set out in the information previously circulated to creditors. I attach at **Appendix E** a statement of expenses that have been incurred during the Period.

Creditors have a right to request further information from the Liquidator and further have a right to challenge the Liquidator's remuneration and other expenses, which are first disclosed in this report, under the Insolvency (England and Wales) Rules. (For ease of reference these are the expenses incurred in the Period as set out in **Appendix E** only). Further details of these rights can be found in the Creditors' Guide to Fees which you can access using the following link <http://creditors.frpadvisory.com/feesguide.htm> and select the one for liquidation. Alternatively, a hard copy of the relevant guide will be sent to you on request. Please note there is a time limit for requesting information being 21 days following the receipt of this progress report. There is a time limit of 8 weeks following the receipt of this report for a Court application that the remuneration or expenses are excessive.
