LONDON MARBLE ARCH TOWER LIMITED

DIRECTORS' REPORT

FOR THE YEAR ENDED 31 DECEMBER 2021

The directors present their annual report and financial statements for the year ended 31 December 2021.

RESULTS AND DIVIDENDS

The results for the year are set out on page 7.

The total distribution of dividends for the year ended 31 December 2021 was £47,000 (2020: £Nil).

FUTURE DEVELOPMENTS

COVID-19

Towards the end of the 2021 financial year, the Company saw signs of business improvement, which has continued through the first half of 2022. The Company continues to maintain a continued focus on further new-product development to support home and remote working. Demand for more flexible space will continue to grow in the post-COVID-19 world, as more companies build increasingly distributed workforces with more satellite offices and more employees working at or close to home. The Group's decentralised portfolio of urban and suburban workspaces in UK towns and cities means that the business is uniquely placed to help companies adapt to new ways of working.

Going concern

The directors are cautiously optimistic about future financial performance. The Company continues to benefit from being part of the IWG plc Group, and expects to continue to drive occupancy improvements through higher enquiries and conversion levels. Costs continue to be monitored closely and will be managed at a level which ensures they remain appropriate for forecast activity levels.

DIRECTORS

The directors who held office during the year and up to the date of signature of the financial statements were as follows:

R Morris
S Loh

Directors' insurance

As the directors do not intend to acquire a replacement trade, they have not prepared the financial statements on a going concern basis. The effect of this is explained in note 1.

Supplier payment policy

POLITICAL CONTRIBUTIONS

The Company made no political contributions in the year ended 31 December 2021 or the year ended 31 December 2020.

EVENTS SINCE THE END OF THE YEAR

There were no other events since the balance sheet date that would require adjustment or disclosure in the financial statements.

SMALL COMPANY EXEMPTION

In preparing the Directors' Report, the directors have taken the small companies exemption under section 414B of the Companies Act 2006 not to prepare a Strategic Report.

LONDON MARBLE ARCH TOWER LIMITED

DIRECTORS' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2021

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with FRS 101 Reduced Disclosure Framework.

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of its profit or loss for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- assess the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and
- use the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are responsible for such internal controls as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error, and have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Company and to prevent and detect fraud and other irregularities.

STATEMENT OF DISCLOSURE TO AUDITOR

The directors who held office at the date of approval of the Directors' Report confirm that, so far as they are each aware, there is no relevant audit information of which the Company's auditor is unaware, and each director has taken all the steps that he ought to have taken as a director in order to make himself aware of any relevant audit information and to establish that the Company's auditor is aware of that information.

AUDITORS

Pursuant to Section 487 of the Companies Act 2006, the auditor will be deemed to be re-appointed and KPMG will therefore continue in office.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF LONDON MARBLE ARCH TOWER LIMITED

Report on the audit of the financial statements

Opinion

We have audited the financial statements of London Marble Arch Tower Limited ('the Company') for the year ended 31 December 2021 set out on pages 7 to 15, which comprise the Profit and Loss Account and Other Comprehensive Income, the Balance Sheet, the Statement of Changes in Equity and related notes, including the summary of significant accounting policies set out in note 1. The financial reporting framework that has been applied in their preparation is UK Law and FRS 101 Reduced Disclosure Framework.

In our opinion:

- the financial statements give a true and fair view of the state of the Company's affairs as at 31 December 2021 and of its Profit for the year then ended;
- the financial statements have been properly prepared in accordance with FRS 101 Reduced Disclosure Framework issued by the UK's Financial Reporting Council; and
- the financial statements have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with ethical requirements that are relevant to our audit of financial statements in the UK, including the Financial Reporting Council (FRC)'s Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

The directors have prepared the financial statements on the going concern basis as they do not intend to liquidate the Company or to cease its operations, and as they have concluded that the Company's financial position means that this is realistic. They have also concluded that there are no material uncertainties that could have cast significant doubt over its ability to continue as a going concern for at least a year from the date of approval of the financial statements ("the going concern period").

In our evaluation of the directors' conclusions, we considered the inherent risks to the Company's business model and analysed how those risks might affect the Company's financial resources or ability to continue operations over the going concern period.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF LONDON MARBLE ARCH TOWER LIMITED (continued)

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Company's ability to continue as a going concern for a period of at least twelve months from the date when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

However, as we cannot predict all future events or conditions and as subsequent events may result in outcomes that are inconsistent with judgements that were reasonable at the time they were made, the absence of reference to a material uncertainty in this auditor's report is not a guarantee that the Company will continue in operation.

Detecting irregularities including fraud

We identified the areas of laws and regulations that could reasonably be expected to have a material effect on the financial statements and risks of material misstatement due to fraud, using our understanding of the entity's industry, regulatory environment and other external factors and inquiry with the directors. In addition, our risk assessment procedures included: inquiring with the directors as to the Company's policies and procedures regarding compliance with laws and regulations and prevention and detection of fraud; inquiring whether the directors have knowledge of any actual or suspected non-compliance with laws or regulations or alleged fraud; inspecting the Company's regulatory and legal correspondence; and reading Board minutes.

We discussed identified laws and regulations, fraud risk factors and the need to remain alert among the audit team.

The Company is subject to laws and regulations that directly affect the financial statements including companies and financial reporting legislation. We assessed the extent of compliance with these laws and regulations as part of our procedures on the related financial statement items, including assessing the financial statement disclosures and agreeing them to supporting documentation when necessary.

The Company is subject to many other laws and regulations where the consequences of non-compliance could have a material effect on amounts or disclosures in the financial statements, for instance through the imposition of fines or litigation. We identified the following areas as those most likely to have such an effect: health and safety, anti-bribery, employment law.

Auditing standards limit the required audit procedures to identify non-compliance with these non-direct laws and regulations to inquiry of the directors and other management and inspection of regulatory and legal correspondence, if any. These limited procedures did not identify actual or suspected non-compliance.

We assessed events or conditions that could indicate an incentive or pressure to commit fraud or provide an opportunity to commit fraud. As required by auditing standards, we performed procedures to address the risk of management override of controls. We did not identify any additional fraud risks.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF LONDON MARBLE ARCH TOWER LIMITED *(continued)*

In response to risk of fraud, we also performed procedures including: identifying journal entries to test based on risk criteria and comparing the identified entries to supporting documentation; evaluating the business purpose of significant unusual transactions; assessing significant accounting estimates for bias; and assessing the disclosures in the financial statements.

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards. For example, the further removed non-compliance with laws and regulations (irregularities) is from the events and transactions reflected in the financial statements, the less likely the inherently limited procedures required by auditing standards would identify it.

In addition, as with any audit, there remains a higher risk of non-detection of irregularities, as these may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. We are not responsible for preventing non-compliance and cannot be expected to detect non-compliance with all laws and regulations.

Other information

The directors are responsible for the other information presented in the Annual Report together with the financial statements. The other information comprises the information included in the directors' report. The financial statements and our auditor's report thereon do not comprise part of the other information. Our opinion on the financial statements does not cover the other information and, accordingly, we do not express an audit opinion or, except as explicitly stated below, any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether, based on our financial statements audit work, the information therein is materially misstated or inconsistent with the financial statements or our audit knowledge. Based solely on that work we have not identified material misstatements in the other information.

Opinions on other matters prescribed by the Companies Act 2006

Based solely on our work on the other information undertaken during the course of the audit:

- we have not identified material misstatements in the directors' report;
- in our opinion, the information given in the directors' report is consistent with the financial statements;
- in our opinion, the directors' report has been prepared in accordance with the Companies Act 2006.

Matters on which we are required to report by exception

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to take advantage of the small companies exemption from the requirement to prepare a strategic report.

We have nothing to report in these respects.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF LONDON MARBLE ARCH TOWER LIMITED (continued)

Respective responsibilities and restrictions on use

Responsibilities of directors for the financial statements

As explained more fully in the directors' responsibilities statement set out on page 7, the directors are responsible for: the preparation of the financial statements including being satisfied that they give a true and fair view; such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error; assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and using the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud, other irregularities or error, and to issue an opinion in an auditor's report. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud, other irregularities or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A fuller description of our responsibilities is provided on the FRC's website at www.frc.org.uk/auditorsresponsibilities.

The purpose of our audit work and to whom we owe our responsibilities

Our report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

LONDON MARBLE ARCH TOWER LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2021

1 ACCOUNTING POLICIES

Company information

London Marble Arch Tower Limited is a private company incorporated, domiciled and registered in England and Wales, in the UK. The registered office is 1 Burwood Place, London, W2 2UT and the company registration number is 08796572 (England and Wales).

Basis of preparation

The financial statements were prepared in accordance with Financial Reporting Standard 101 Reduced Disclosure Framework ("FRS 101").

In preparing these financial statements, the Company applies the recognition, measurement and disclosure requirements of UK-adopted international accounting standards ("Adopted IFRSs"), but makes amendments where necessary in order to comply with Companies Act 2006 and has set out below where advantage of the FRS 101 disclosure exemptions has been taken. The Company transitioned to UK-adopted international accounting standards for the financial statements on 1 January 2021. This change constitutes a change in accounting framework however, there is no impact on recognition, measurement or disclosure.

The Company's ultimate parent undertaking, IWG plc includes the Company in its consolidated financial statements. The consolidated financial statements of IWG plc are prepared in accordance with International Financial Reporting Standards and are available to the public and may be obtained from the Company's website www.iwgplc.com or from the IWG plc registered office, 22 Grenville Street, St Helier, Jersey, JE4 8PX.

In these financial statements, the Company has applied the exemptions available under FRS 101 in respect of the following disclosures:

- A Cash Flow Statement and related notes;
- Comparative period reconciliations for share capital, and tangible fixed assets;
- Disclosures in respect of transactions with wholly owned subsidiaries or parents and other group companies;
- Disclosures in respect of capital management;
- Disclosures in respect of the compensation of Key Management Personnel;
- Disclosure of transactions with a management entity that provides key management personnel services to the Company;
- The effects of new but not yet effective IFRSs;
- Certain disclosures regarding revenue; and
- Certain disclosures regarding leases.

As the consolidated financial statements of IWG plc include the equivalent disclosures, the Company has also taken the exemptions under FRS 101 available in respect of the following disclosures:

- Certain disclosures required by IFRS 13 Fair Value Measurement and the disclosures required by IFRS 7 Financial Instrument Disclosures.

Impact of key estimates and judgements

Management have assessed that there are no estimates or judgements that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities recognised in the financial statements.

Measurement convention

The financial statements are prepared on the historical basis.

LONDON MARBLE ARCH TOWER LIMITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2021

1 ACCOUNTING POLICIES

(Continued)

Changes in accounting policies

Adopted IFRSs that were effective for accounting periods ending on or before 31 December 2021, have been applied in the preparation of these financial statements. The following standards, amendments and interpretations were effective for accounting periods beginning on or after 1 January 2021 and these have been adopted in the financial statements where relevant:

- Amendment to IFRS 16 - COVID-19-Related Rent Concessions
- Amendments to IFRS 9, IAS 39, IFRS 7, IFRS 4 and IFRS 16 - Interest Rate Benchmark Reform – Phase 2

The adoption of the above did not have a material effect on these financial statements.

Going concern

The Company's principal activity is the provision of serviced offices and related services and future developments of the company are set out in the Report of the Directors on page 1. The directors believe the Company's funding is likely to be sufficient to meet its day to day working capital requirements and that accordingly it is appropriate to prepare these financial statements on a going concern basis.

Expenses

Net finance expense

Interest charges and income are accounted for in the income statement on an accruals basis.

LONDON MARBLE ARCH TOWER LIMITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2021

1 ACCOUNTING POLICIES

(Continued)

Financial instruments

Recognition and initial measurement

Trade receivables are initially recognised when they are originated. All other financial assets and financial liabilities are initially recognised when the company becomes a party to the contractual provisions of the instrument.

A financial asset (unless it is a trade receivable without a significant financing component) or financial liability is initially measured at fair value plus, for an item not at FVTPL, transaction costs that are directly attributable to its acquisition or issue. A trade receivable without a significant financing component is initially measured at the transaction price.

Classification and subsequent measurement – financial assets

Financial assets are classified as subsequently measured at amortised cost, fair value through the profit or loss or fair value through other comprehensive income (OCI). The classification depends on the nature and purpose of the financial assets and is determined on initial recognition.

Financial assets (including trade and other receivables) are measured at amortised cost if both of the following conditions are met:

- The financial asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- Its contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit or loss are measured at fair value and changes therein, including any interest or dividend income, are recognised in profit or loss.

Financial assets (including trade and other receivables) are measured at fair value through OCI if both of the following conditions are met:

- The financial asset is held within a business model whose objective is achieved by both collecting cash flows and selling financial assets; and
- Its contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Subsequent measurement and gains and losses

Financial assets at amortised cost - these assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in profit or loss. Any gain or loss on derecognition is recognised in profit or loss.

Interest bearing borrowings and other financial liabilities

Financial liabilities, including interest bearing borrowings, are recognised initially at fair value less attributable transaction costs. Subsequent to initial recognition, financial liabilities are stated at amortised cost with any difference between cost and redemption value being recognised in the income statement over the period of the borrowings on an effective interest rate method.

The Company derecognises financial liabilities when the Company's obligations are discharged, cancelled or expired.

Financial liabilities are classified as financial liabilities at fair value through profit or loss where the liability is either held for trading or is designated as held at fair value through profit or loss on initial recognition. Financial liabilities at fair value through profit or loss are stated at fair value with any resultant gain or loss recognised in the income statement. The Company has not designated any financial liabilities at fair value through the profit or loss and it has no current intention to do so.

LONDON MARBLE ARCH TOWER LIMITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2021

1 ACCOUNTING POLICIES

(Continued)

Financial instruments (continued)

Impairment – financial assets

IFRS 9 requires the Company to record expected credit losses (ECLs) on all of its financial instruments, either on a 12-month or lifetime basis. The Company applied the simplified approach to trade receivables and recorded the lifetime expected losses.

Taxation

Tax on the profit or loss for the year comprises current and deferred tax. Tax is recognised in the profit and loss account except to the extent that it relates to items recognised directly in equity or other comprehensive income, in which case it is recognised directly in equity or other income.

Current tax is the expected tax payable or receivable on the taxable income or loss for the year, using tax rates enacted or substantively enacted at the balance sheet date, and any adjustment to tax payable in previous years.

Deferred tax is provided on temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. The following temporary differences are not provided for: the initial recognition of goodwill; the initial recognition of assets or liabilities that affect neither accounting nor taxable profit other than in a business combination, and differences relating to investments in subsidiaries to the extent that they will not reverse in the foreseeable future. The amount of deferred tax provided is based on the expected manner of realisation or settlement of the carrying amount of assets and liabilities, using the tax rates enacted or substantively enacted at the balance sheet date.

A deferred tax asset is recognised only to the extent that it is probable future taxable profits will be available against which the temporary difference can be utilised.

Provisions

A provision is recognised in the balance sheet when the Company has a present legal or constructive obligation as a result of a past event, that can be reliably measured and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects risks specific to the liability.

The terms of most building leases require the Company to make good dilapidation or other damage occurring during the rental period. Due to the nature of the business, centres are maintained to a high standard. Provisions for dilapidations are only made when the Company considers that it is likely that the premises will be vacated by the Company and it is known that a dilapidation has occurred.

Employee benefits

Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which the Company pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. Obligations for contributions to defined contribution pension plans are recognised as an expense in the profit and loss account in the periods during which services are rendered by employees.

Short-term benefits

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognised for the amount expected to be paid under short-term cash bonus or profit-sharing plans if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

LONDON MARBLE ARCH TOWER LIMITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2021

2 EXPENSES AND AUDITORS' REMUNERATION

Amounts paid to the Company's auditor in respect of services to the Company of £1K (2020: £1K) have been paid for by IW Group Services (UK) Limited. Details of auditor's remuneration are disclosed in the accounts of IW Group Services (UK) Limited.

3 EMPLOYEES AND DIRECTORS

IW Group Services (UK) Limited recharges the payroll costs to London Marble Arch Tower Limited at cost. No employees are directly employed by the Company (2020: Nil).

Details of R Morris's and S Loh's remuneration are disclosed in the accounts of IW Group Services (UK) Limited.

4 TAXATION

Analysis of tax expense

No liability to UK corporation tax arose for the year ended 31 December 2021 nor for the year ended 31 December 2020.

Reconciliation of effective tax rate	2021 £'000	Unaudited 2020 £'000
Loss before taxation	-	-
Tax using the UK corporation tax rate of 19%	-	-
Effects of: Group relief at nil consideration	-	-
Tax charged in the financial statements	-	-

Factors that may affect future and total tax charges

The UK deferred tax liability as at 31 December 2021 has been calculated at 19% (2020: 19%). In the 3 March 2021 Budget it was announced that the UK tax rate will increase to 25% from 1 April 2023 for companies with taxable profits in excess of £0.25m. This will increase the Company's future current tax charge accordingly.

5 DIVIDENDS	2021 £'000	Unaudited 2020 £'000

9 ULTIMATE PARENT COMPANY

The Company is a wholly owned subsidiary of IWG Group Holdings S.A.R.L., a company incorporated and registered in Luxembourg.

The largest group in which the results of the Company are consolidated is that headed by IWG plc, a company incorporated in Jersey. The smallest group in which they are consolidated is that headed by IWG Enterprise Sarl incorporated, registered and domiciled in Luxembourg. The consolidated accounts of IWG plc are available to the public and may be obtained from the website www.iwgplc.com.

10 EVENTS AFTER THE REPORTING PERIOD

There were no events since the balance sheet date that would require adjustment or disclosure in the financial statements.
