1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entitles (effective January 2015).

As at 30 June 2016 the company had net assets of £132,820 and net current liabilities of £83,830. Included within liabilities was £172,907 owed to directors.

The directors have confirmed that they do not intend to withdraw their support provided through these short term loans until the company has sufficient surplus funds to enable them to do so.

The period in question has seen significant growth in the company's activities. The directors are pleased with this and aim for a similar outcome for the June 2017 year.

The directors are therefore satisfied that the adoption of the going concern basis is wholly appropriate.
