LIQUIDATOR'S EXPENSES

Expenses are any payments from the estate which are neither an office holder's remuneration nor a distribution to a creditor or a member. Expenses also includes disbursements. Disbursements are payments which are first met by the office holder and then reimbursed to the office holder from the estate. Expenses are split into:

- category 1 expenses, which are payments to persons providing the service to which the expense relates who are not an associate of the office holder; and
-
- category 2 expenses, which are payments to associates or which have an element of shared costs. Before being paid category 2 expenses require approval in the same manner as an office holder's remuneration.

I have incurred total expenses of £517 which relates predominately to my Specific Penalty Bordereau.

I have used the following professional advisors in the reporting period:

Professional Advisor	Nature of Work	Basis of Fees
Courts Advertising	Advertising	Fixed fee

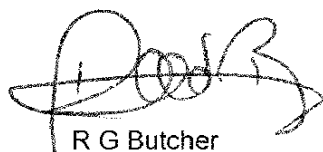

The choice of professionals used was based on my perception of their experience and ability to perform this type of work, the complexity and nature of the assignment and the basis of my fee arrangement with them. I also confirmed that they hold appropriate regulatory authorisations. I have reviewed the fees they have charged and am satisfied that they are reasonable in the circumstances of this case.
