## 3. Liquidator's Investigations

In accordance with the Company Directors Disqualification Act 1986 ("CDDA 1986"), a report on the conduct of the Director(s) of the Company has been submitted to the Department for Business, Energy & Industrial Strategy. As this is a confidential report, I am unable to disclose its contents. The submission of the report is a statutory requirement under the CDDA 1986 and does not necessarily indicate any wrongdoing on the part of the officers of the Company.

Under Statement of Insolvency Practice 2 (Investigations by Office Holders in Administrations and Insolvent Liquidations) ("SIP 2"), a Liquidator is required to undertake an initial assessment as to whether there could be any matters that might lead to recoveries for the liquidation estate and what further investigations may be appropriate. Following my initial investigation into the affairs of the Company, further investigations into the business and affairs of the Company remain ongoing (see below).

I confirm that no other matters have been brought to my attention by any of the Company's stakeholders that require further investigation. I also confirm that I have not undertaken any investigations outside the scope of that ordinarily required.

Part of my duties include carrying out proportionate investigations into what assets the Company has, including any potential claims against the Director(s) or third parties, and what recoveries could be made. I have reviewed the Company's books and records and accounting information, requested further information from the Director(s) and invited creditors to provide information on any concerns they have regarding the way in which the Company's business has been conducted.

If you have any information that you feel may assist me with my ongoing investigations, please complete and return the following questionnaire to me together with any further information you deem relevant in this case <http://cromwellinsolvency.co.uk/wp-content/uploads/2017/01/CSQ.pdf>

## 4. Progress During the Period

My receipts and payments account for the period covered by this report is attached at [Appendix A].

Members and creditors will recall from my progress report dated 23 June 2022 that the Director had withdrawn and/or transferred, presumably for his own benefit, sums from the Company and had failed to

provide evidence of his entitlement to the same ("the Withdrawals"). I was of the opinion that the Withdrawals amounted to transactions at an undervalue within the meaning of Section 238 of the Insolvency Act 1986 ("TAUV"). Following subsequent negotiations, I agreed a settlement of £3,100.00 with the Director of all claims myself as liquidator and/or the Company may have had against him, payable by four consecutive monthly payments of £150.00 and then ten further consecutive monthly payments of £250.00 in settlement. The Director was able demonstrate that he had insufficient assets to repay the amounts claimed in full. I confirm that the sum of £2,100.00 has been received to date, leaving a balance of £1,000.00 outstanding.

As per the Director(s) estimated statement of affairs, the Company's assets were as follows:

### **Cash at Bank**

The Statements of Affairs confirmed that the Company's bank account was in credit in the sum of £0.08. The Company's bank statements confirm that there was a nil balance at the date of liquidation.

### **Deposit for Costs**

The Director agreed to contribute the sum of £2,000.00 towards the costs of the liquidation proceedings. This figure is shown as 'Deposit for Costs' detailed in my Receipts & Payments Account located at [\[Appendix A\]](#).

## **5. Estimated Outcome for Creditors**

### ***Secured Liabilities***

Following an examination of the Company's statutory records and the charges register held by the Registrar of Companies, it would appear that no creditor has been granted security by the Company.

### ***Preferential Creditors***

Preferential creditor claims relate to accrued employee holiday pay and arrears of wages within the meaning of Section 386 and Schedule 6 of the Insolvency Act 1986. The statement of affairs in these proceedings confirm no preferential creditor claims were anticipated. I confirm that to date, no such claims have been received.

### ***Secondary Preferential Creditors***

Further to the changes to the Finance Act 2020, HM Revenue & Customs are now able to claim secondary preferential status for certain liabilities, such as VAT, PAYE Income Tax, Employee National Insurance Contributions, Student Loan Deductions and Construction Industry Scheme Deductions. The statement of affairs in these proceedings confirm no secondary preferential creditor claims were anticipated. I confirm that to date, no such claims have been received.

### ***Prescribed Part***

Under Section 176A of the Insolvency Act 1986, where a qualifying floating charge is created on or after 15 September 2003, part of a company's net property ('the Prescribed Part') shall be made available to the Company's non-preferential unsecured creditors. A company's net property is that left after paying the company's preferential creditors but before paying the creditor who holds the floating charge. The Prescribed Part is calculated as a percentage of net property as follows:

Where a charge is created between 15<sup>th</sup> September 2003 and up to 6<sup>th</sup> April 2020, the Prescribed Part is calculated as follows:

- 50% of the first £10,000.00 of net property;
- 20% of net property thereafter;
- Up to a maximum amount to be made available of £600,000.00.

Where a charge is created on or after 6<sup>th</sup> April 2020, the Prescribed Part is calculated as follows:

- 50% of the first £10,000.00 of net property;
- 20% of net property thereafter;
- Up to a maximum amount to be made available of £800,000.00.

A liquidator will not be required to set aside the Prescribed Part of net property if the net property is less than £10,000.00 and the liquidator thinks that the costs of distributing the Prescribed Part would be disproportionate to the benefit (Section 176A(3) of the Insolvency Act 1986) or the liquidator applies to the Court for an order on the grounds that the cost of distributing the Prescribed Part would be disproportionate to the benefit and the Court orders that the provision shall not apply (Section 176A(5) of the Insolvency Act 1986).

The net property in these proceedings has been estimated at £2,100.00 and prescribed part estimated at £1,050.00.

As a floating charge has not been created on or after 15 September 2003, the Prescribed Part rules are not applicable in these proceedings.

I confirm that no amount has been paid to the Company's non-preferential unsecured creditors by virtue of Section 176A of the Insolvency Act 1986 and I do not anticipate making an application to the Court to disapply the Prescribed Part.

### ***Unsecured Creditors***

The statement of affairs in these proceedings confirm that non-preferential unsecured creditor claims in the sum of £41,851.00 were anticipated. I have received claims totalling £42,223.87 from three creditors. I am yet to agree the claims of creditors in these proceedings.

Based upon realisations to date, no dividend has or is likely to be declared to any class of creditor in these proceedings as all funds received have/will been utilised for defraying the costs and expenses of the liquidation under Section 115 of the Insolvency Act 1986.

## **6. Liquidator's Remuneration**

### ***Pre-Appointment Remuneration***

I confirm that via a decision by correspondence the creditors approved the following resolution at 23:59 p.m. on 25 November 2022:

*"That the fees and disbursements of Cromwell & Co Insolvency Practitioners in the sum of £5,000.00 plus VAT and disbursements be paid as an expense of the Liquidation under Rule 6.7 of the Insolvency (England and Wales) Rules 2016, for assisting the Director(s) in preparing the Statement of Affairs as required under Section 99 of the Insolvency Act 1986 and for assisting the Director(s) with the decision procedure to seek a decision from the creditors on the nomination of a Liquidator under Section 100 of the Insolvency Act 1986 and Rule 6.14 of the Insolvency (England and Wales) Rules 2016."*

I confirm that no fees have been drawn in this regard.

### ***Liquidator's Remuneration***

I confirm that via a decision by correspondence the creditors also approved the following resolution at 23:59 p.m. on 25 November 2022:

*"That the Liquidator's fees will be charged by reference to the time properly given by him and his staff in attending to matters arising in the Liquidation, such time to be charged at the hourly charge out rate of the grade of staff undertaking the work at the time the work is undertaken and subject to the fees estimate prepared in these proceedings."*

I confirm that no fees have been drawn in this regard.

My time costs have not exceeded those detailed in my original fees estimate provided in these proceedings under Rule 18.16 of The Insolvency (England and Wales) Rules 2016.

My time costs for the period of this report being 23 June 2022 to 22 June 2023 total £1,674.00, of which represents 6.30 hours at an average hourly rate of £265.71. My time costs from the date of my appointment as Liquidator total £7,538.00, of which represents 29.80 hours at an average hourly rate of £252.95. My time costs are further analysed at [\[Appendix C\]](#) by reference to the grade of staff involved with the case and the tasks which they have undertaken. A description of the things done by me and/or my staff in relation to the above time costs are detailed at [\[Appendix B\]](#).

## 7. Liquidator's Expenses

Expenses are payments from the estate which are neither an office holder's remuneration nor a distribution to a creditor or member. Expenses also include disbursements, which are expenses that are initially paid by the office holder's own firm, but which are subsequently reimbursed from the estate when funds are available.

Best practice guidance classifies expenses into two broad categories:

- Category 1 expenses (approval not required) – Specific expenditure that is directly related to the case and referable to an independent external supplier's invoice. All such items are charged to the case as they are incurred.
- Category 2 expenses (approval required) – Items of expenditure that are directly related to the case and either:
  - (i) include an element of shared or allocated cost and are based on a reasonable method of calculation, but which are not payable to an independent third party; or
  - (ii) are items of expenditure which are payable to an associate of the office holder and/or their firm.

I confirm that I do not intend to seek payment of any category 2 disbursements in these proceedings.

A statement of the expenses incurred during the period of this progress report is attached at [\[Appendix D\]](#).

### **Rule 18.34 of the Insolvency (England and Wales) Rules 2016 (Remuneration and expenses: application to court by a creditor or member on grounds that remuneration or expenses are excessive)**

Pursuant to Rule 18.34 of the Insolvency (England and Wales) Rules 2016, any secured creditor or any unsecured creditor with the concurrence of at least 10% in value of the unsecured creditors including that creditor, (or any unsecured creditors with less than 10% in value of the unsecured creditors, but with the permission of the Court) may, within 8 weeks of receipt of this progress report, make an application to the Court on the grounds that the remuneration charged and/or the expenses incurred during the period of this progress report are excessive or, the basis fixed for my remuneration is inappropriate.
