The company is entitled to exemption from audit under Section 477 of the Companies Act 2006 for the period ended 31 March 2019.

The members have not required the company to obtain an audit of its financial statements for the period ended 31 March 2019 in accordance with Section 476 of the Companies Act 2006.

The director acknowledges her responsibilities for:

- (a) ensuring that the company keeps accounting records which comply with Sections 386 and 387 of the Companies Act 2006 and preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of each financial year and of its profit or loss for each financial year in accordance with the requirements of Sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the company.
- (b)

The financial statements have been prepared and delivered in accordance with the provisions applicable to companies subject to the small companies regime.

In accordance with Section 444 of the Companies Act 2006, the Income Statement has not been delivered.

The financial statements were approved by the director on 10 October 2019 and were signed by:

Mrs G E Watton - Director

The notes form part of these financial statements

**Notes to the Financial Statements
for the period 30 July 2018 to 31 March 2019**

1. STATUTORY INFORMATION

Centron Management (SW) Limited is a private company, limited by shares, registered in England and Wales. The company's registered number, registered office address and business address can be found on the Company Information page.

The presentational currency of the financial statements is the Pound Sterling (£).

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Significant judgements and estimates

Preparation of the financial statements requires management to make significant judgements and estimates and these estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

The items in the financial statements where these judgements and estimates have been made include, but are not limited to, the useful economic life of tangible fixed assets and the depreciation of these assets.

Turnover

Turnover, from fees generated from property management, represents the fair value of consideration received or receivable net of VAT and trade discounts. Revenue from the sale of services is recognised over the period which the service relates.

Tangible fixed assets

Tangible fixed assets are stated at cost (or deemed cost) or valuation less accumulated depreciation and accumulated impairment losses. Cost includes costs directly attributable to making the asset capable of operating as intended by management.

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Computer equipment	-	33% on cost
--------------------	---	-------------

Financial instruments

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the entity after deducting all of its financial liabilities.

Taxation

Taxation for the period comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Notes to the Financial Statements - continued
for the period 30 July 2018 to 31 March 2019

2. ACCOUNTING POLICIES - continued

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the period end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Impairment

At each balance sheet date, the company reviews the carrying amount of its assets to determine whether there is any indication that any items have suffered an impairment loss. If any such indication exists, the recoverable amount of an asset is estimated in order to determine the extent of the impairment loss, if any. Where it is not possible to estimate the recoverable amount of an asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Going concern

The directors have a reasonable expectation that the company has adequate resources to continue in existence for the foreseeable future. The company therefore continues to adopt the going concern basis in preparing its financial statements.

3. EMPLOYEES AND DIRECTORS

The average number of employees during the period was NIL (2018 - 1).
