**Directors' Responsibilities Statement  
for the Period 1 April 2016 to 30 March 2017**

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial period. Under that law they have elected to prepare the financial statements in accordance with applicable law and Section 1A of FRS 102 'The Financial Reporting Standard' applicable in the UK and Republic of Ireland (UK Generally Accepted Accounting Practice applicable to Smaller Entities).

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

**Scope of the audit of the financial statements**

**Opinion on financial statements**

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 30 March 2017 and of its loss for the period then ended;
- have been properly prepared in accordance with UK Generally Accepted Accounting Practice applicable to Smaller Entities; and

- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or

**Notes to the Financial Statements  
for the Period 1 April 2016 to 30 March 2017**

**1. STATUTORY INFORMATION**

Newton Abbot Vets4Pets Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

**2. STATEMENT OF COMPLIANCE**

These financial statements have been prepared in accordance with the provisions of Section 1A "Small Entities" of Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006.

**3. ACCOUNTING POLICIES**

**Basis of preparation**

These financial statements for the period ended 30 March 2017 are the first financial statements prepared under the provisions of Financial Reporting Standard 102 ('FRS 102') Section 1A small entities. The date of transition was 27 March 2015.

The transition to FRS 102 Section 1A "Small Entities" has resulted in a small number of changes in accounting policies to those previously used. On first time adoption of FRS 102 Section 1A "Small Entities", the Company has not retrospectively changed its accounting under old UK GAAP for de-recognition of financial assets and liabilities before the date of transition or accounting estimates. Upon transition an adjustment of £(1,854) was recognised in the prior period income statement.

The financial statements have been prepared under the historical cost convention and on a going concern basis. The presentation currency is sterling (£).

**Turnover**

Turnover represents the amounts (excluding value added tax) derived from the provision of goods and services to customers in the UK.

**Tangible fixed assets**

Depreciation is provided to write off the cost less estimated residual value of tangible fixed assets by equal instalments over their estimated useful economic lives as follows:

Plant and equipment - 4 years

Computer equipment - 3 years

Fixtures and fittings - 7 years

Leasehold improvements (buildings) - life of lease

**Stocks**

Stocks are stated at the lower of cost and net realisable value.

**Leases**

Assets acquired under finance leases are capitalised and the outstanding future lease obligations are shown in creditors.

Operating lease rentals are charged to the profit and loss account on a straight line basis over the period of the lease.

The company has elected to take advantage of the transition exemption to restate incentives received on leases that commenced before the date of transition under FRS 102 Section 1A "Small Entities".

**Taxation**

The charge for taxation is based on the profit for the period and takes into account taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes.

Deferred tax is recognised, without discounting, in respect of all timing differences between the treatment of certain items for taxation and accounting purposes which have arisen but not reversed by the balance sheet date.

**Pension costs and other post-retirement benefits**

The company operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to profit or loss in the period to which they relate.

**Notes to the Financial Statements - continued  
for the Period 1 April 2016 to 30 March 2017**

**3. ACCOUNTING POLICIES - continued**

**Going concern**

The directors have considered the net asset deficiency of £332,960, the future profitability of the Company and its ability to continue as a going concern, and have prepared profit and cash flow forecasts into the future. Companion Care (Services) Limited has confirmed that it will provide support for at least 12 months following the approval of these financial statements. Therefore, the directors are satisfied that, for the foreseeable future, the Company can meet its projected working capital requirements. Consequently, the financial statements have been prepared on a going concern basis.

**Dividends on shares presented within shareholders' funds**

Dividends unpaid at the balance sheet date are only recognised as a liability at that date to the extent that they are appropriately authorised and are no longer at the discretion of the company. Unpaid dividends that do not meet these criteria are disclosed in the notes to the financial statements.

Dividends only become available for distribution once the terms of the Joint Venture agreement have been met.

**Classification of financial instruments issued by the company**

Financial instruments issued by the Company are treated as equity (i.e. forming part of shareholders' funds) only to the extent that they meet the following two conditions:

a) they include no contractual obligations upon the Company to deliver cash or other financial assets or to exchange financial assets or financial liabilities with another party under conditions that are potentially unfavourable to the Company; and

b) where the instrument will or may be settled in the Company's own equity instruments, it is either a non-derivative that includes no obligation to deliver a variable number of the Company's own equity instruments or is a derivative that will be settled by the Company exchanging a fixed amount of cash or other financial assets for a fixed number of its own equity instruments.

To the extent that this definition is not met, the proceeds of issue are classified as a financial liability. Where the instrument so classified takes the legal form of the Company's own shares, the amounts presented in these financial statements for called up share capital and share premium account exclude amounts in relation to those shares.

Finance payments associated with financial liabilities are dealt with as part of interest payable and similar charges. Finance payments associated with financial instruments that are classified as part of shareholders' funds (see dividends policy), are dealt with as appropriations in the reserves note.
