## Directors' report

The directors of CCDC Parcel B Retail Corporation (UK) Ltd (the 'Company') present their directors' report and financial statements for the year ended 31 December 2021. The report and financial statements are prepared in accordance with the provisions applicable to companies entitled to the small companies' exemption.

### Principal activities and review of the business

CCDC Parcel B Retail Corporation (UK) Ltd was incorporated as a limited company in England and Wales on 24 April 2014. The registered office of the Company is located at 16 Grosvenor Street, London W1K 4QF. The Company's principal activity is that of a holding company. It has a wholly owned subsidiary whose principal activity is real estate investment.

CCDC Parcel B Retail Corporation (UK) Ltd, through its wholly owned subsidiary CCDC Parcel B Retail Corporation, currently holds 90% of the ownership interest in CCDC Retail-Parcel B LLC. In 2019 CCDC Retail-Parcel B LLC completed the development of 30,000 square feet of retail space within the CCDC Hotel development and adjacent to the CityCenterDC mixed use project which is already operational.

The shareholder and the shareholding interest in the Company is as follows:

<i>Name of Shareholder</i>	<i>Interests</i>
QD US Real Estate Company	100%

### Results and Dividends

The profit for the year ended 31 December 2021 dealt within the separate financial statements is \$867,748 (2020: \$803,669).

The directors are satisfied with the financial performance and the position of the Company for the year ended 31 December 2021.

The directors are not recommending a dividend to be paid for the year-ended 31 December 2021 (2020: \$Nil).

### Directors

The following directors have held office during the financial year and to the date of this report:

Tariq Al-Abdulla  
Richard Oakes  
Raheel Mir (Resigned 19 August 2022)

### Political contributions

The Company incurred no political expenditure (2020: \$nil) during the year.

### Post Balance Sheet Events

There have been no post balance sheet events affecting the company.

### Going concern

Based on the positive Statement of Financial Position and profits made during the year the Directors believe it is appropriate for the Company to prepare its financial statements on a going concern basis.

In making this statement the Directors note that Qatari Diar Real Estate Investment Company, the ultimate parent, has confirmed it will assist the company in meeting its liabilities as they fall due for a period of one year from the signing of the 2021 financial statements.

## **Directors' report (Continued)**

### **Going concern (continued)**

The directors are of the view that there is no material impact on the company as a result of COVID-19. In forming this view the directors have considered that the main source of income is interest earned on the loan to the company's subsidiary. This is seen as stable income sufficient to generate future profits and to enable the company to continue as a going concern. The company's subsidiary itself has real estate assets that are expected to generate returns over the holding period sufficient to repay the loan.

The Directors also intend to continue the operations of this company for the foreseeable future.

### **Financial Risk Management**

The financial risk management objectives and policies of the Company, as well as the exposure of the Company to the price risk, credit risk, liquidity risk and cash flow risk are as disclosed in Note 13 of the financial statements.

### **Strategic Report**

The company has taken advantage of the exemption under s414B of the Companies Act 2006 not to prepare a Strategic Report.

### **Disclosure of information to auditor**

The directors who held office at the date of approval of this directors' report confirm that, so far as they are each aware, there is no relevant audit information of which the Company's auditor is unaware of; and each director has taken all the steps that they ought to have taken as a director to make themselves aware of any relevant audit information and to establish that the Company's auditor is aware of that information. This confirmation is given and should be interpreted in accordance with the provisions of s418 of the Companies Act 2006.

### **Auditor**

In accordance with s485 of the Companies Act 2006, a resolution to reappoint Ernst & Young LLP as auditor will be proposed.

By order of the board

**Tariq Al-Abdulla**  
Director

Date: 22 November 2022

## **Directors' responsibilities statement**

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with UK Adopted International Accounting Standards. Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies in accordance with IAS 8 Accounting Policies, Changes in Accounting Estimates and Errors and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- provide additional disclosures when compliance with the specific requirements in UK Adopted International Accounting Standards are insufficient to enable users to understand the impact of particular transactions, other events and conditions on the entity's financial position and financial performance; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF CCDC PARCEL B RETAIL CORPORATION (UK) LTD**

### **Opinion**

We have audited the financial statements of CCDC Parcel B Retail Corporation (UK) Ltd (the 'company') for the year ended 31 December 2021 which comprise the Statement of Comprehensive Income, the Statement of Financial Position, the Statement of Changes in Equity, the Statement of Cash Flows and the related notes 1 to 13, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and UK adopted international accounting standards.

In our opinion, the financial statements:

- ▶ give a true and fair view of the company's affairs as at 31 December 2021 and of its profit for the year then ended;
- ▶ have been properly prepared in accordance with UK adopted international accounting standards ; and
- ▶ have been prepared in accordance with the requirements of the Companies Act 2006.

### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of 12 months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report. However, because not all future events or conditions can be predicted, this statement is not a guarantee as to the company's ability to continue as a going concern.

### **Other information**

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information contained within the annual report.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in this report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of the other information, we are required to report that fact.

## **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF CCDC PARCEL B RETAIL CORPORATION (UK) LTD – CONTINUED**

### **Other information (continued)**

We have nothing to report in this regard.

### **Opinions on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- ▶ the information given in the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- ▶ the directors' report has been prepared in accordance with applicable legal requirements.

### **Matters on which we are required to report by exception**

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to prepare the financial statements in accordance with the small companies' regime and take advantage of the small companies' exemptions in preparing the directors' report and from the requirement to prepare a strategic report.

### **Responsibilities of directors**

As explained more fully in the directors' responsibilities statement set out on page 3, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

### ***Explanation as to what extent the audit was considered capable of detecting irregularities, including fraud***

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect irregularities, including fraud. The risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below. However, the

## **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF CCDC PARCEL B RETAIL CORPORATION (UK) LTD – CONTINUED**

### ***Explanation as to what extent the audit was considered capable of detecting irregularities, including fraud (continued)***

primary responsibility for the prevention and detection of fraud rests with both those charged with governance of the entity and management.

Our approach was as follows:

- We obtained an understanding of the legal and regulatory frameworks that are applicable to the Company and determined that the most significant is UK adopted International Accounting Standards and UK tax legislation.
- We understood how the Company is complying with these frameworks by making enquiries of management to understand how the Company maintains and communicates its policies and procedures in such areas.
- We assessed the susceptibility of the Company's financial statements to material misstatement, including how fraud might occur by meeting with management to understand where they considered there was susceptibility to fraud; determining which account balances are subjective in nature; understanding the company's key performance indicators and considering the processes and controls which the company has established to prevent and detect fraud, and how those controls are monitored.
- Based on this understanding we designed our audit procedures to identify non-compliance with such laws and regulations. Our procedures involved: inquiries of management (and where applicable those charged with governance); obtaining the written confirmations of compliance with the company's policies through the six monthly compliance checklists required to be completed by relevant Members and key individuals in the business; review of Board minutes; and obtaining written representations. In addition, we tested journals identified by specific risk criteria back to source documentation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

### **Use of our report**

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

## Notes (forming part of the financial statements)

### General Information

CCDC Parcel B Retail Corporation (UK) Ltd (the "Company") is a company limited by shares which is incorporated and domiciled in the UK. The address of the registered office is 16 Grosvenor Street, London, W1K 4QF.

The Company's principal activity is that of a holding company. It has a wholly owned subsidiary whose principal activity is real estate investment.

The shareholder and the shareholding interests in the Company is as follows:

<i>Name of the shareholder</i>	<i>% of holding</i>
QD US Real Estate Company	100%

In the opinion of the directors, the Company's ultimate parent company and ultimate controlling party is Qatari Diar Real Estate Investment Company, a company incorporated in Qatar of which it is a member for which consolidated financial statements are drawn up.

The financial statements contain information about CCDC Parcel B Retail Corporation (UK) Ltd as an individual company and does not contain consolidated financial information as the parent of a group. The company is exempt under section 401 of the Companies Act 2006 from the requirements to prepare consolidated financial statements as it and its subsidiary undertaking are included by full consolidation in the consolidated financial statements of its parent, QD US Real Estate Company, a company registered in the Cayman Islands. Consolidated accounts of the parent are publicly available and can be obtained from Companies House, Crown Way, Cardiff CF14 3UZ.

### 1 Accounting policies

#### *Basis of Preparation*

The financial statements have been prepared and approved by the board in accordance with UK Adopted International Accounting Standards.

The financial statements are presented in US dollars which is also the company's functional currency because that is the currency of the primary economic environment in which the company operates and is prepared on the historical cost basis. No rounding has been applied. The accounting policies set out below have, unless otherwise stated, been applied consistently as presented in these financial statements.

#### *New and amended standards and interpretations*

##### *Effective standards for the year ended 31 December 2021*

##### **New standards and amendments**

IFRS 17 Insurance Contracts

##### **Effective date:**

1 January 2021

The directors believe that the new standard that has come into effect has not had an impact on the financial statements of the Company for the year end 31 December 2021.

**Notes (continued)****1 Accounting policies (continued)*****Standards issued but not yet effective***

The new and amended standards and interpretation that are issued; but not yet effective, up to the date of issuance of the financial statements are disclosed below. The company intends to adopt the new and amended standards and interpretations, if applicable, when they become effective.

Implementing the new standards is not expected to have a material impact on future financial statements.

<b>New standards and amendments</b>	<b>Effective date:</b>
Amendments to IAS 1: Classification of Liabilities as Current or Non-current	1 January 2023
Reference to Conceptual Framework – Amendments to IFRS 3	1 January 2022
Property, Plant and Equipment Proceeds before Intended Use – Amendments to IAS 16	1 January 2022
Onerous Contracts – Costs of Fulfilling a Contract – Amendments to IAS 37	1 January 2022
IFRS 9 Financial Instruments – Fees in the '10 per cent' test for derecognition of financial liabilities	1 January 2022

***Going concern***

Based on the positive Statement of Financial Position and profits made during the year the Directors believe it is appropriate for the company to prepare its financial statements on a going concern basis.

In making this statement the Directors note that Qatari Diar Real Estate Investment Company, the ultimate parent, has confirmed it will assist the company in meeting its liabilities as they fall due for a period of one year from the signing of the 2021 financial statements.

The directors are of the view that there is no material impact on the company as a result of COVID-19. In forming this view the directors have considered that the main source of income is interest earned on the loan to the company's subsidiary. This is seen as stable income sufficient to generate future profits and to enable the company to continue as a going concern. The company's subsidiary itself has real estate assets that are expected to generate returns over the holding period sufficient to repay the loan.

The Directors also intend to continue the operations of this company for the foreseeable future.

***Investments in a subsidiary***

A subsidiary is an entity over which the Company has control. Control is achieved when;

- (i) has power over the investee;
- (ii) is exposed, or has rights, to variable returns from its involvement with the investee; and
- (iii) has the ability to use its power to affect its returns.

Investments in a subsidiary is stated at cost less, where appropriate, provisions for impairment of the subsidiary.

***Non-derivative financial instruments***

Non-derivative financial instruments comprise trade and other receivables, cash and cash equivalents and trade and other payables.

***Trade, other receivables and loans***

Trade and other receivables are recognised initially at fair value. Subsequently to initial recognition they are measured at amortised cost using the effective interest method, less any impairment losses. Given the nature of trade and other

## Notes (continued)

### 1 Accounting policies (continued)

#### *Trade, other receivables and loans (continued)*

receivables, and their short length of time between the origination and settlement, their amortised cost is the same as the fair value on date of origination.

Loans are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. After initial recognition, such financial assets are subsequently measured at amortised cost using the effective interest rate ("EIR") method, less impairment. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in interest income in the separate statement of comprehensive income.

#### *Trade and other payables*

Trade and other payables are recognised initially at fair value. Subsequent to initial recognition they are measured at amortised cost using the effective interest method, less any impairment losses. Given the nature of trade and other payables, and their short length of time between the origination and settlement, their amortised cost is the same as the fair value on date of origination.

#### *Cash and cash equivalents*

Cash and cash equivalents comprise cash balances and call deposits. Bank overdrafts that are repayable on demand and form an integral part of the company's cash management are included as a component of cash and cash equivalents for the purpose only of the cash flow statement.

#### *Impairments*

The carrying amounts of the company's financial assets are reviewed at each balance sheet date for expected credit losses; a financial asset is considered to be impaired if objective evidence indicates that one or more events have had a negative effect on the credit risk.

If at the balance sheet date, there is a significant change to the credit risk of a financial asset the lifetime expected credit loss will be recognised. If the credit risk of a financial asset has not increased significantly at the balance sheet date, then the company will only recognise impairments equal to 12 months expected credit losses.

#### *Provisions*

A provision is recognised in the balance sheet when the company has a present legal or constructive obligation as a result of a past event, that can be reliably measured and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects risks specific to the liability.

#### *Interest income*

The only source of revenue for the company is interest on the intercompany loan as detailed below.

Interest income comprises interest from loans to the subsidiary. Interest income is recognised as it accrues in the separate Statement of Comprehensive Income, using the effective interest method.

#### *Taxation*

Tax on profit or loss for the year comprises current and deferred tax. Tax is recognised in profit and loss except to the extent that it relates to items recognised directly in equity, in which case it is recognised in equity.

**Notes (continued)****1 Accounting policies (continued)*****Taxation (continued)***

Current tax is the expected tax payable on the taxable income for the year, using tax rates enacted or substantively enacted at the balance sheet date, and any adjustment to tax payable in respect of previous years.

A deferred tax asset is recognised only to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilised.

***Critical Accounting Judgements and key sources of estimation uncertainty***

The preparation of the financial statements in conformity with UK Adopted International Accounting Standards requires the use of certain critical accounting estimates and judgements. It also requires management to exercise judgement in the process of applying the Company's accounting policies. Estimates and judgements are continually evaluated and are based on historical experience and impairment, transfer pricing, recoverability of intercompany and including expectations of future events that are believed to be reasonable under the circumstances. The key estimate and judgments are:

***Key Estimates***

- Impairment assessment of the 'Investment in a Subsidiary' carrying value – the investment in a subsidiary carrying value is assessed annually at the year-end for impairment. In order to assess for an impairment, the carrying value of the subsidiary is compared against the higher of its fair value and value in use, where the value in use is measured at the expected returns from the subsidiary. At the year-end no impairment was recorded as the fair value was greater than the carrying value of the subsidiary.

***Key Judgements***

- Recoverability of Receivables;
- Indications of impairment on Financial Assets;

**2 Investments in a Subsidiary**

The Company has the following investment in a subsidiary which is stated at cost in the company's Statement of financial position, less any provision for impairment.

<i>Name of subsidiary</i>	<i>Country of incorporation</i>	<i>Company's effective shareholding</i>		<i>Company's cost of investment</i>	
		<i>2021</i>	<i>2020</i>	<i>2021</i> \$	<i>2020</i> \$

**Notes (continued)****8 Share capital**

The authorised share capital of the Company is \$100,000,000 (2020: \$100,000,000) divided into 100,000,000 participating shares of \$1.00 par value. Shares are issuable at \$1 per share, with the excess above par values credited to a share premium reserve. The share premium reserve is available for use only in the circumstances prescribed in the Company's Articles of Association.

Quantitative information about the Company's capital is provided in the table below. These shares are entitled to dividends when declared and to payment of a proportionate share of the Company's net asset value upon winding up of the Company.

At 31 December, the issued share capital is as follows:

<i>2021</i>	<i>Number of shares</i>	<i>Par value</i>	<i>Share capital</i>
			\$
Shares:			
Ordinary shares	<u>21,546,742</u>	\$1.00	<u>21,546,742</u>
<i>2020</i>	<i>Number of shares</i>	<i>Par value</i>	<i>Share capital</i>
			\$
Shares:			
Ordinary shares	<u>21,546,742</u>	\$1.00	<u>21,546,742</u>

During the year, the company issued no new ordinary shares (2020: 150,000 ordinary shares issued at a price of \$1 per share).

**9 Financial instruments**

The Company's main financial instruments comprise the following assets and liabilities summarised in the table below:

**Financial assets:**

- Cash and cash equivalents
- Loans to subsidiary undertakings. The fair value of the loan to subsidiary is estimated at \$15,511,611 as at 31 December 2021. In estimating this fair value a commercial borrowing rate of 3.32% was used to discount the loans future cash flows. The borrowing rate used in the discounting is an estimate of a commercial loan rate using market reports.

**Financial liabilities:**

- Trade and other payables, that arise directly from the Company's operations

QD US Real Estate Company is the parent company of the company owning 100% of the share capital. The consolidated financial statements of the QD US Real Estate Company are available at Companies House, Crown Way, Cardiff CF14 3UZ.

The consolidated financial statements of Qatari Diar Real Investment Estate Company are not available to the public.

**13 Financial Risk Management**

The company's principal activity is that of a holding company. It has a wholly owned subsidiary whose principal activity is real estate investment. The following describes pertinent risks and the applied risk management. These risks are managed through a process of ongoing identification, measurement and monitoring.

The Company is responsible for implementing the risk strategy and policy, including the identification and evaluation on a continuous basis of all significant risks to the business and the design and implementation of appropriate internal controls to minimise them. This is executed through various planning/strategy meetings, continuous reviews of the business plan, and analysis of the monthly management accounts by the senior management.

***Capital management***

The primary objective of the Company's capital management is to ensure that it maintains healthy capital ratios in order to support its business and maximise shareholder value. The Company manages its capital structure and makes adjustments to it in light of changes in business conditions. No changes were made in the objectives, policies or processes during the year ended 31 December 2021 and 2020.

Capital comprises share capital and retained earnings and is measured at 31 December 2021 at \$24,995,972 (2020: \$24,128,224).

***Liquidity risk***

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they fall due. The Company's approach to managing liquidity risk is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to its reputation. The Company limits its liquidity risk by ensuring financing facilities are available from its shareholders, through capital calls.

The table below summarises the maturity profile of the company's financial liabilities based on contractual undiscounted payments.

<b>31 December 2021</b>	<b>On Demand \$</b>	<b>Less than 1 year \$</b>	<b>1 to 5 years \$</b>	<b>Total \$</b>

	<u>393,602</u>	<u>-</u>	<u>-</u>	<u>393,602</u>

## Notes (continued)

### 13 Financial Risk Management (Continued)

#### *Interest rate risk*

Interest rate risk arises due to the changes in market interest rates, affecting the floating rate financial instruments of the Company. At the reporting date, interest rate risk arises from a loan to a related party. The interest rate charged on this loan is fixed at 6.5%, as such the company has no interest rate risk exposure.

#### *Credit risk*

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the company. The company's credit risk exposure and mitigation management requirements are minimal due to the vast majority of the receivables being with a sister company in the Qatari Diar Group. The company's policy on cash balances is to hold these with reputable financial institutions and at the balance sheet all the company's cash at bank was placed with counterparties with an A-1 Standard & Poor's credit rating or higher.

The carrying value of the financial assets in the financial statements represents the company's maximum exposure to credit risk.

There has been no credit loss allowance during the current or prior year as all balances are deemed recoverable. The company continuously monitors the recoverability of receivable amounts.

#### *Foreign currency risk*

Currency risk is the risk that the value of financial instruments will fluctuate due to changes in foreign exchange rates. The Company does not hedge its exposures to currency risk. The Company has limited exposure to foreign currency fluctuations on supplier invoices during the year. There are no financial instruments exposed to foreign currency fluctuations at the reporting date (2020: \$Nil).

#### *Market risk*

Market risk is the risk that changes in market prices, such as foreign exchange rates and interest will affect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return. The Company is exposed to minimal market risk with a fixed interest rate on the loan to the Company's subsidiary and limited operating expenses incurred in a foreign currency.

#### *Concentration of risk*

Concentration risks include those that threaten the supply chain or ability to deliver the completion of a project and its subsequent effect on the management of that project by the Company. If a key customer base or supplier experiences turmoil this can negatively impact on performance.
