Preston Guild Hall Limited "PGH" (In Administration)
The Administrator's Progress Report from 4 December 2021 to 3 June 2022

- 1.2 Creditors were notified that on 17 May 2022 upon my application, the court ordered that the period of the Administration be extended to **4 June 2023**.

The reasons for extension of the administration are:-

- So that the Administrator may continue;
- It remains the case that it is not yet known whether there will be assets to make a distribution to non-preferential unsecured creditors which will not be a distribution out of the Prescribed Part, but there is a prospect that the purpose of the administration may yet be achieved;
- I believe that it is still in creditors best interests for the Company to remain in administration: as a move to creditors voluntary liquidation under para 83 of Sch B1 to the Insolvency Act 1986 is not possible at the moment; the cost of compulsory liquidation is prohibitive, involving as it does administrative expenses, statutory payments and charges, calling of creditors' meetings, conduct of investigations, and regulatory and reporting obligations; I have undertaken a great deal of investigation into the previous trading of the Company including investigation matters; and it is not appropriate to dissolve the Company, given the ongoing work being undertaken and the continuation of the Forfeiture Proceedings.

Summary of Key Matters Outstanding

1.4 Book Debts and Refunds

- 1.5 Efforts are continuing to recover remaining book debts which the directors estimated would realise £13,239. As per my previous progress report, I gained access to the system that the company operated which detailed invoices outstanding totaling £56,868. Provision was made for aged and doubtful debts of £19,534 leaving a balance potentially collectable of £37,334.
- 1.6 We have received responses (and corroborating evidence) of book debts that were paid pre-administration. It is therefore now estimated that the remaining balance potentially collectable is £6,411.69. Collection efforts are ongoing.

Review of inter-company trading and sums validly secured by debenture

- 1.7 Part 3 of this report comments on the debenture granted to William Simon Rigby. According to the information provided to this office, at the commencement of the administration the Company owed £5.3M to Mr Rigby, of which £2.9M is reported to have been introduced subsequent to August 2018, when his debenture was created and registered.
- 1.8 We have made some progress with reviewing Mr Rigby's loan account which includes transactions involving 43 connected entities. The amounts owed to PGH are detailed below.

Preston Guild Hall Limited "PGH" (In Administration)
The Administrator's Progress Report from 4 December 2021 to 3 June 2022

Number of Companies	Amounts owed to PGH £	Amounts irrecoverable due to companies being in formal insolvencies or dormant £	Amounts due from Companies still trading £
14	3,893,600	3,375,122	518,487.83

Number of Companies	Amounts owed by PGH £	Amounts owed by PGH to entities in formal insolvencies or dormant £	Amounts claimed to be owed to W S Rigby (deceased) £
21	8,721,634	2,819,359	2,315,923

- 1.9 Investigations are ongoing to establish what sums may be recoverable for the benefit of the administration.

Mr William Simon Rigby & Others v Preston City Council & B E Budsworth (as Administrator of Preston Guild Hall Ltd (In Administration) - Application for Forfeiture

- 1.11 I have previously reported that in early December 2019 a claim for relief from forfeiture was issued. The Claimants are Simon Rigby (the First Claimant) plus 13 other entities including 11 subsidiaries of PGH (the subsidiaries as the Second to Twelfth Claimants) and the Defendants were Preston City Council ("PCC") and myself acting as Administrator of PGH also joined into the proceedings as First and Second Defendants respectively. PGH has now been substituted as Second Defendant to the claim in my place. The claim relates to the forfeiture of the company's lease ("the Lease") of Preston Guild Hall which took place on 20th June 2019. The Second to Fourteenth Claimants claim to have been granted underleases by PGH. The validity of the forfeiture is in dispute, as appears below.
- 1.12 The claim is relatively complex. Following his death Simon Rigby ceased to be party to the proceedings and the trustees of his estate have not sought to pursue them in his place however the other claimants are continuing to pursue them. The Claimants' primary case is that the forfeiture of the lease was invalid and that Preston City Council ("PCC") is liable to the Second to Fourteenth Claimants for losses flowing from PCC having taken possession of the Guild Hall, the Claimants allege, unlawfully. The Second to Fourteenth Claimants also seek an order restoring them to possession. In the event that the Court finds that PCC acted lawfully and the forfeiture of the lease was valid, the Claimants claim relief from forfeiture, which claim is opposed by PCC. The terms on which relief from forfeiture is sought would not, if granted, have any consequence for PGH. The Claimants' secondary case is that if the forfeiture was invalid but nonetheless took effect in some way, the effect was as a surrender of the Lease, thereby terminating it. It is understood that the Claimants' case is that this would not have operated to extinguish any underleases with the consequence that PCC taking possession of the Guild Hall was, they allege, unlawful. Damages are claimed by the Second to Fourteenth Claimants for losses flowing from that allegedly unlawful act together with an order restoring them to possession.

Preston Guild Hall Limited “PGH” (In Administration)
The Administrator’s Progress Report from 4 December 2021 to 3 June 2022

- 1.13 PCC denies that there was a surrender but asserts that if there was in fact a surrender of the Lease there was also a surrender by PGH of the interests of the Second to Twelfth claimants by reason of it owning the shares in those companies. The Claimants and PGH deny that claim. PGH otherwise adopts a neutral stance in the claim. No damages are sought against PGH.
- 1.14 A costs and case management conference (“CCMC”) was heard in part on 30th June 2020. At the hearing the PCC was ordered to provide certain documents to the Claimants and permit them access to the Guild Hall who were then to file and serve a schedule of the losses claimed from PCC.
- 1.15 The part-heard CCMC resumed in November 2021 when directions were given for service of amended pleadings and the further conduct of the case. No date for trial has been listed. The Court was unable to list the trial within the trial window originally set and has now extended the trial window which now runs from 7th November 2022 to 7th July 2023. A trial date is awaited.

Premier House

- 1.15 The freehold to Premier House is owned by Preston City Council “PCC”.
- 1.16 By a Lease dated 18th April 2018, PCC demised the property to PGH for a term of 125 years for a premium of £225,000, plus insurance, rent and other sums payable under the Lease but no annual rent. The property comprises the ground and first floors of Premier House.
- 1.17 On 12th December 2018 the Lease was assigned to 1 The Guild Limited following Licence to Assign granted by PCC dated 20th November 2018. According to the Title Register, the price stated to have been paid on 12th December 2018 was £650,000. Under the Terms of the Licence to Assign, PGH guaranteed to PCC that 1 The Guild Limited would pay the rents reserved by and perform the tenant covenants in, the Lease.
- 1.18 According to the Register of Charges at Companies House, Premier House was charged to Amicus Finance plc by charge dated 18th April 2018. The Charge was by way of Legal mortgage and secured all monies owed by PGH to the lender in any capacity and whether as principal or surety. A Memorandum of Satisfaction in full was filed on 14th December 2018.
- 1.19 By a Lease dated 12th December 2018 made between 1 The Guild Limited and The Villa Wrea Green Limited, the ground and first floors of Premier House were leased to The Villa Wrea Green Limited for a term of 14 years and about 7 months.
- 1.20 Tom Flack (Finance Director) informed the Administrator that extensive fit-out costs were incurred by R-Group of Companies Limited but not recharged to PGH. According to Mr Flack it then appears that RGCL received £267,896.64 of the proceeds of sale.

Transfer of Level

- 1.21 I have previously reported that Level is a leisure and entertainment venue set over 3 levels based on the lower ground, ground and upper floors of The Guild Tower. The company held a 10 year lease of those premises from The Villa (Wrea Green) Limited. This lease was surrendered on 1 August 2018 and a new lease dated 1st August 2018 was granted to a company called Level (Preston) Limited.
- 1.22 Level was treated as a trading division of the company as was evidenced by accounts to December 2017 and management accounts to December 2018.

Preston Guild Hall Limited "PGH" (In Administration)
The Administrator's Progress Report from 4 December 2021 to 3 June 2022

- 1.23 Notwithstanding the surrender, the company's books of account show that it continued to trade the Level operation until the date of administration although the directors of the company state that the Level operation was taken over by Level (Preston) Limited with effect from 1st August 2018.
- 1.24 Level (Preston) Ltd only obtained a premises license in its name on 14 May 2019. This was a dormant company up until March 2018. Accounts filed to December 2018 show it has assets of £2,45M and liabilities of £2.451M which it is understood relate to the assets and liabilities of the trading division of Level purportedly transferred to Level (Preston) Limited.
- 1.25 As reported previously, it is apparent that the income and expenditure incurred by PGH in relation to Level was reposted to Level (Preston) Ltd from 1 January 2019 apparently leaving a balance due to Level (Preston) Ltd of £134,230. However, also as previously reported amounts incurred whilst Level was a trading division of PGH totalled £400,812 and these liabilities remained with PGH.
- 1.26 The above transactions continue to be subject to further investigation which forms part of the investigations of the transactions and balances between the various entities referred to in previous sections.

2. PROGRESS OF THE ADMINISTRATION

2.1 The Administrators' Receipts and Payments Account

- 2.1.1 Attached at **Appendix II** is a receipts and payments account for the current review period. It should be noted that details of expenses incurred, but not yet paid are provided later within this report.
- 2.1.2 The rest of this report describes the key developments in the Administration throughout the review period. A detailed summary of the work undertaken by the Administrator can be found at **Appendix III**.
- 2.1.3 In this section, I have summarised the asset realisations during the review period and include an estimate of the assets yet to be realised, together with details of the associated costs incurred but as yet remaining unpaid.

2.2 Administration and Statutory Reporting

- 2.2.1 As Administrator of the Company, I am required to meet a considerable number of statutory and regulatory obligations. Whilst many of these obligations do not have a direct benefit in enhancing realisations for the administration, they enable efficient and compliant progress of the case, and ensure that work is carried out to high professional standards. Within the review period, I have:-
- Undertaken detailed investigations of the transactions which are detailed in the report. This has involved reviewing the company's records and requesting further information from the directors plus inviting creditors to provide information on any concerns they have regarding the way in which the business has been conducted. As investigation matters have been complex this has involved the employment of solicitors. These matters have yet to be concluded.

Preston Guild Hall Limited "PGH" (In Administration)
The Administrator's Progress Report from 4 December 2021 to 3 June 2022

- Liaising with solicitors on the claim for relief from forfeiture which is commented on earlier in the report. This is also an ongoing matter.
- Pursuit of realisations of sums owed to the company which again is ongoing.
- Preparation of the progress report to court and creditors. This has included, but is not limited to, filing statutory documentation at Companies House and submission of information to creditors including advance ticket holders, members and HM Revenue and Customs.
- Continuing to implement the approved proposal so far as has been possible within the current review period.
- Consulting with various members of my own staff and independent advisors regarding the practical, technical and legal aspects of the case to ensure efficient progress of the key matters which are ongoing.
- Maintaining case files (both electronic and paper) which must include sufficient records to explain the administration and any decisions made by the Administrator, that materially affect the administration. I have also conducted periodic reviews of these files and the administration generally, to ensure that matters are progressed as swiftly as possible.
- Maintained cashing files and financial records by updating the estate cash book and the administration bank account, which has included regular reconciliation of receipts and payments and the processing of receipts and payments.

2.2.2 Throughout the period under review I have also undertaken tasks which have resulted in the asset realisations referred to at part 4 of this report. In an earlier progress report, I advised that we had undertaken a detailed review of the company's records and submitted a conduct report to the Directors Conduct Reporting Service in compliance with my statutory obligations.

2.3 Asset Realisations

2.3.1 Fixtures, fittings, plant and equipment

2.3.1.1 I have previously reported that the company's chattel assets including fixtures, fittings, plant and equipment and other chattels on or about the premises, for a sum of £50,000 inclusive of VAT.

2.3.2 Utilities Refund

2.3.2.1 I have previously reported that I received the sum of £1,818.03 which relates to overpayment of utilities. No further realisations are anticipated in this regard.

2.3.3 Bank Interest

2.3.3.1 Bank interest totalling £167.01 has been realised to date. Corporation tax will be charged as appropriate, and further interest will accrue until the end of the administration.

Preston Guild Hall Limited "PGH" (In Administration)
The Administrator's Progress Report from 4 December 2021 to 3 June 2022

2.3.4 Cash at Bank

2.3.4.1 As previously disclosed, I hold cash at bank of £26,228.71. Investigations of inter-company balances has demonstrated that the companies that are claiming title to the cash (which they have failed to establish) both owe PGH sums materially in excess of these sums. I have previously reported that I have concluded that I am entitled to retain the cash.

2.4 Assets Yet to Be Realised

2.4.1 Book Debts

2.4.1.1 Company records indicate that the following sums were outstanding:-

	Book Value £	ETR £
Book Debts	36,125	13,239
Prepayments and Other Debtors	43,086	3,601
Total	79,211	16,840

2.4.1.2 The realisable value above was provided by the company and did not take account of invoices on a system that neither the company nor the Administrator's team were able to gain access to. As previously reported this has been resolved and there were other potentially collectable debts totalling £37,334. However, we have received significant responses (and corroborating evidence) of book debts were paid pre-administration.

2.4.1.3 It was therefore estimated that the balance potentially collectable is £17,146.55. Jack Russell Debt Collection & Legal Process Servers Ltd were therefore instructed on 07 December 2021 to pursue all remaining book debts totalling £17,146.55. We have received payments totalling £4,941.60 to date which relates to one debtor only. County Court Judgements have been sought on other debtors and collection efforts are ongoing.

2.4.1.4 However, it ought to be noted that after further review it appears the remaining balance potentially collectable is £6,411.69 as some debtors are no longer trading or it has transpired that they are a creditor for sums in excess of what was owed.

2.4.2 Research and Development

2.4.2.1 We had previously reported that the book value of the company's R & D was £396,476 which related to preliminary costs for developing new attractions including Escape Rooms, and 'Guild Promotions' (which was a promotions division that was discontinued). These costs were to be written off over a 5-year period. Some of these development costs relate to the trading division of Level which is subject to further investigation.

3. CREDITORS: CLAIMS AND DISTRIBUTIONS

3.1 Fixed and Floating Charge Creditors

3.1.1 Companies House records confirm that a debenture is registered against the Company in favour of Mr Rigby (Dec'd). The date of electronic receipt is 24 August 2018.

Preston Guild Hall Limited "PGH" (In Administration)
The Administrator's Progress Report from 4 December 2021 to 3 June 2022

- 3.1.2 This debenture includes a fixed charge on scheduled property detailed as Preston Guild Hall plus fixed and floating charges over the Company's assets. According to the statement of affairs submitted to this office, Mr Rigby (Dec'd) is owed £5,265,761.
- 3.1.3 As detailed earlier in the report the analysis of inter-company balances, the amounts owed to entities connected with Mr Rigby (dec'd) total £8,721,634 with other connected entities owing PGH sums totalling £3,983,600 and the amount owed to him personally amounts to £2,315,823. Mr Rigby's claim is subject to further investigation.
- 3.1.4 Simon Rigby's estate has been wound up as a Deceased Persons Insolvent Estate. Trustees of Mr Rigby's estate were appointed with effect from 6th May 2021.

3.2 Preferential Creditors

- 3.2.2 At the cessation of trade the Company had approximately 100 employees. Consequently, I have incurred a significant amount of time in assisting the former employees and liaising with the RPS in relation to the claims submitted. The information provided at **Appendix V** shows that I have spent a total of 299.40 hours on dealing with Company creditors. I confirm that of this total, 101.28 hours have been spent on matters which relate to the former employees.
- 3.2.2 It was estimated that claims for arrears of pay and holiday pay are in the region of £38,372 but I am yet to receive a final claim from the RPS. It is anticipated that a dividend of at least 1 pence in the £ will be paid to preferential creditors in due course, once all other matters have been finalised. However, dividend prospects remain subject to review and creditors will receive an update within my next progress report.

3.3 Net Property and the Prescribed Part

- 3.3.1 The prescribed part is a carve out of funds available to the holder of a floating charge which is then set aside for the unsecured creditors in accordance with Section 176A of the IA 1986. The prescribed part relates to debentures created after 15 September 2003.
- 3.3.2 Net property is defined as the value of a company's property which would, but for this section, be available for satisfaction of the claims of debentures secured by, or holders of, a floating charge. The amount which should be set aside for unsecured creditors is calculated, as follows:-
- 50% of net property up to £10,000; and
 - 20% of net property in excess of £10,000, subject to a maximum of £600,000
- 3.3.2 The net property under Section 176A of The Insolvency Act 1986, being the amount available for the satisfaction of unsecured liabilities, is estimated to be nil, and therefore the prescribed part does not apply.

3.4 Unsecured Creditors

- 3.4.1 According to the directors' statement of affairs dated 26 July 2019 unsecured liabilities total £4,505,520. This includes an estimate of claims for employees' redundancy and payment in lieu of notice claims of circa £66,159. To date claims have been received for a total of £1,278,236.51.
- 3.4.2 Regrettably, I anticipate that no dividend will be paid to non-preferential unsecured creditors as there will be insufficient funds available to do so. As noted above, there is no prescribed part to be made available to the unsecured creditors as the value of the net property is nil.

The Administrator's Progress Report from 4 December 2021 to 3 June 2022

3.4.3 A summary of creditor claims can be found at **Appendix IV**.

3.5 Advance Ticket Sales

3.5.1 Included in the directors' statement of affairs dated 26 July 2019, included within unsecured creditor claims, was a provision of £112,175 for consumer claims in relation to tickets purchased for future events, which may not/ have not gone ahead. The Charter Theatre and Guild Hall remain closed and are unlikely to reopen. Where events have been confirmed as cancelled, ticket holders who have paid using their credit or debit card may be able to claim a refund. Unfortunately those consumers, who paid cash for tickets which cannot be used, will have an unsecured claim in the administration. A standard notice for consumers can be found at:- www.thebusinessdebtadvisor.co.uk/information-preston-guild-hall-ticket-holders.

3.5.2 To date, we have received notification that Evalon Merchant Services have refunded sums of £45,804.10 to ticket holders who have made claims after paying using their credit or debit card. I am yet to receive a final claim from Evalon Merchant Services. In addition, of the total 472 unsecured claims received for a total of £926,513.55 (as above), 48 of these for a total of £3,288.13 relate to consumers who paid for tickets which cannot be used.

4. INVESTIGATIONS

4.1 As previously reported, I am obliged to investigate and report on the conduct of those persons who have been appointed as director of the Company, at any time within the three year period prior to the commencement of the administration. Creditors were invited to notify me of their concerns and to provide any relevant information, with particular reference to the way in which the business was conducted. I confirm that any information which may have been provided to this office has been treated in the strictest confidence.

4.2 I have submitted my confidential report to The Insolvency Service (Directors Conduct Reporting Service).

4.3 I am required to make an initial assessment of whether there are any matters which may lead to additional recoveries for the benefit of the estate. This would typically include any potential claims which may be brought against parties, either connected to the Company, or who have had prior dealings with the Company. Due to the detailed nature of these investigations, my review is ongoing and I am unable to comment further at this stage. I confirm that the work which is ongoing in this regard is undertaken on the basis that it may generate a financial benefit for the administration, and enhance the outcome for creditors.

5. THE ADMINISTRATORS' FEES AND EXPENSES

5.2. The Administrators' Fees

- 5.2.1 The basis of the Administrators' remuneration was fixed on 27 August 2019 ("the decision date"), as follows:-

That the Administrator's remuneration be authorised by reference to the time properly given by the administrator and her staff in attending to matters arising in the administration, in accordance with the principles of Rule 18.16 IR 2016 and Rule 18.18 IR 2016. Such remuneration to be drawn from the realisations in the administration estate.

- 5.2.2 A breakdown of the time costs incurred during the entire period of appointment (04 June 2019 to 03 June 2022) and further information regarding the charge-out rates of the Administrator and her staff can be found at **Appendix V**.

In addition, a breakdown of the time costs incurred during the period 04 December 2021 to 03 June 2022 can be found at **Appendix VI**. Please note "A Creditors' Guide to Administrators' Remuneration" is available for download at:

www.r3.org.uk/media/documents/publications/professional/Guide_to_Administrators_Fees

Should you require a paper copy, please send your request in writing to the Administrator at the address on the front of this report and this will be provided to you without charge.

5.3. Comparison of Estimates

- 5.3.1 A comparison of the time costs incurred by the Administrator, whether or not they have been charged to the administration estate, are £92,894.99 compared with the original fee estimate (provided as costs incurred plus estimate of future fees) which totalled £77,608.61. A comparison of the expenses incurred to date, whether or not they have been charged to the administration estate, compared with the original expense estimate can be found within the executive summary at Section 1 of this report. Further information on fees charged compared to the original estimate is provided below, for ease of reference:-

Activity	Actual			Fee Estimate		
	Hours	Average Rate	Charge	Hours	Blended Rate	Charge
Administration & Planning	210.59	152.54	32,122.75	154.03	164.97	25,410.35

Total	667.90	139.09	92,894.99	473.86	153.49	77,608.61

- 5.3.2 It should be noted that the original fee estimate has been exceeded, and work in relation to the administration is ongoing. Although the fees incurred will exceed the original estimate it should be noted that the fees drawn do not exceed the estimate, due to insufficient realisations (to date).

Preston Guild Hall Limited "PGH" (In Administration)
The Administrator's Progress Report from 4 December 2021 to 3 June 2022

- 5.3.3 The main reasons as to why the fee estimate has been exceeded are that the administration has become significantly more complex than was originally anticipated, or could have reasonably been anticipated at the outset. The key matters which are ongoing are discussed at section one of this report. Specifically, the work undertaken in relation to inter-company trading, the sums secured by the WSR debenture, and the application for relief from forfeiture are highly time-consuming. Due to the complexity of these matters, I expect that it will take up possibly a further 6-9 months to complete my work other than with regard to the forfeiture proceedings the timing of which is not under my control.
- 5.3.4 At present I do not intend to seek authority to draw fees in excess of the fees estimate. However, I reserve the right to do so in the future should there be additional realisations. In any event, additional fees may only be drawn subject to creditor approval and any request would be circulated under separate cover.
- 5.3.5 With regard to disbursements, specific expenditure relating to the administration of the insolvent estate and payable to an independent third party is recoverable without creditor approval as a 'Category 1' disbursement. Such expenditure is made, if funds are available, from the insolvent estate. The Category 1 disbursements paid in the period under review are shown on the enclosed receipts and payments account.
- 5.3.6 Expenditure incidental to the administration of the insolvent estate, which by its very nature includes an element of shared or allocated cost, is recoverable subject to creditor approval of such costs.
- 5.3.7 Payments in respect of such disbursements are defined as 'Category 2 Disbursements'. At the virtual meeting held on 27 August 2019 creditors' authorised that Category 2 disbursements to be drawn in accordance with the charging policy previously provided. No further Category 2 disbursements have been drawn since April 2021 owing to the amendment to SIP9.
- 5.3.8 Expenses which have incurred to date and not paid are set out below:
- Legal Fees (N J Goodman & Co) - £24,815.90 + VAT
Legal Expenses (N J Goodman & Co) - £921.87 + VAT
- 5.3.9 All expenses shown on the enclosed receipts and payments account are net of VAT, where applicable. A hard copy of this firm's charge-out rate and disbursement policy may be obtained on request and further information about this insolvency process may be found at:- <http://www.creditorinsolvencyguide.co.uk/>.
- 5.3.10 In addition, a copy of "A Creditors Guide to Liquidators' Fees" may be found on this firms' website:- <http://www.thebusinessdebtadvisor.co.uk/helpful-information/>

A hard copy of this information may be provided upon written request. Should any creditor require this information please contact Jessica Barker at this office.

The Administrator’s Progress Report from 4 December 2021 to 3 June 2022

5.3.11 Professional advisors are selected on the basis of their experience, considering the size of the assignment itself. The following professional costs have been incurred/paid:-

Professional Advisor	Nature of Work	Fee Arrangement	Amount Paid	Incurred but Not Paid
Landwood Group	Agents	£5,000 + VAT (Fixed Fee)	£5,000 + VAT	£0.00
N J Goodman & Co	Legal Assistance	Based on time costs	£9,889.00 + VAT	£24,815.90
Jack Russell Debt Collection and Legal Servers Ltd	Debt Collection	15% - no win, no fee	£741.24 + VAT	£0.00

5.3.12 The choice of professionals was based upon my perception of their experience and ability to perform the necessary work, and also the complexity and nature of the assignment. The costs incurred have been reviewed and I am satisfied that they are reasonable in the circumstances of this case.

5.4. Creditors’ Right to Request Information

5.4.1 Any secured creditor, or unsecured creditor with the support of at least 5% in value of the unsecured creditors or with permission of the Court, may request in writing the Administrator to provide additional information regarding fees or expenses to that already supplied within this report. Such requests must be made within 21 days of receipt of this report.

5.5. Creditors’ Right to Challenge Fees or Expenses

5.5.1 Any secured creditor, or unsecured creditor with the support of at least 10% in value of the unsecured creditors or with permission of the Court, may apply to the Court for one or more orders, reducing the amount or the basis of fees which the Administrator is entitled to charge or otherwise challenging some or all of the expenses incurred. Such applications must be made within 8 weeks of receipt by the applicant(s) of the progress report detailing the fees (or expenses) subject to complaint. Please note that such challenges may not disturb fees or expenses (whether or not discharged from the estate) disclosed in prior progress reports.

6. CONCLUSION

- 6.1.1 The Administration will continue in order to finalise the matters referred to above. If you require any further information please contact either myself or Jessica Barker on 03339999600.
